Provides a complete historic overview of the sounds of the entire English-speaking Caribbean region, bringing together informative essays on the development of a range of music styles and the industry's top performers. Original. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Since its introduction to Hawai'i in 1879, the 'ukulele has been many things: a symbol of an island paradise; a tool of political protest; an instrument central to a rich musical culture; a musical joke; a highly sought-after collectible; a cheap airport souvenir; a lucrative industry; and the product of a remarkable synthesis of western and Pacific cultures. The 'Ukulele: A History explores all of these facets, placing the instrument for the first time in a broad historical, cultural, and musical context.

Drawing on a wealth of previously untapped sources, Jim Tranquada and John King tell the surprising story of how an obscure four-string folk guitar from Portugal became the national instrument of Hawai'i, of its subsequent rise and fall from international cultural phenomenon to "the Dangerfield of instruments," and of the resurgence in popularity (and respect) it is currently enjoying among musicians from Thailand to Finland. The book shows how the technologies of successive generations (recorded music, radio, television, the Internet) have played critical roles in popularizing the 'ukulele. Famous composers and entertainers (Queen Liliuokalani, Irving Berlin, Arthur Godfrey, Paul McCartney, SpongeBob SquarePants) and writers (Rudyard Kipling, Jack London, P. G. Wodehouse, Agatha Christie) wind their way through its history—as well as a host of outstanding Hawaiian musicians (Ernest Kaai, George Kia Nahaolelua, Samuel K. Kamakaia, Henry A. Peelua Bishaw). In telling the story of the 'ukulele, Tranquada and King also present a sweeping history of modern Hawaiian music that spans more than two centuries, beginning with the introduction of western melody and harmony by missionaries to the Hawaiian music renaissance of the 1970s and 1980s.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. It is almost impossible to find the right words to express how enthusiastic I am to have my first book published. It is the fulfillment of a long overdue dream of becoming an author, which, I confess, wasn't an easy task typing this entire book with just one finger. With this book, I hope to create a legacy that will be passed on to my children and my children's children for many generations. In compiling this anthology of quotes, my aim is to educate, entertain, and inspire the reader to go the distance, and beyond... because this book is a distillation of the wisdom that has allowed me to journey safely and successfully along life's pathway. My sincere desire is that you, too, will come to experience a similar gratification and excitement as you make your journey through life. A lavishly illustrated, in-depth look at 100 of the most influential popular songs of the 20th century, with information on the singers, songwriters and sessions. 160 illustrations. Alfa Romeo, one of the most famous and renowned carmakers in automobile history, celebrates 100 years of innovation. This fascinating history documents the Milanese automaker, from the exciting racing and sports cars of the twenties and thirties to the equally advanced and sporty sedans, coupes, and convertibles of the fifties and sixties to the present-day range of technically evolved, innovative vehicles. A comprehensive, visual, and informative tour through the make's evolution, this book covers bios of key, company innovators; technical sketches; and plenty of exciting full-color images of a star lineup. For the make's many fans, this journey is filled with passion and fascination. Prior to 1862, when the Department of Agriculture was established, the report on agriculture was prepared and published by the Commissioner of Patents, and forms volume or part of volume, of his annual reports, the first being that of 1840. Cf. Checklist of public documents ... Washington, 1895, p. 148. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-

improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.
