This book turns these opportunities into realities, from deciding which vehicle to buy, to keeping it running in tip-top condition, to enhancing the performance and appearance of your VW. Focusing on the engine, wheels and tires, suspension, body kits, interiors, and more, each project includes straightforward instruction along with details about the necessary parts, cost, time, and skill. If you want to get the biggest bang for your VW buck, this book is your road map.

"A gloriously good writer...Ranger Games is both surprising and moving...A memorable, novelistic account."—Jennifer Senior, *New York Times*

Intricate, heartrending, and morally urgent, *Ranger Games* is a crime story like no other. Alex Blum was a good kid, a popular high school hockey star from a tight-knit Colorado family. He had one goal in life: endure a brutally difficult selection program, become a U.S. Army Ranger, and fight terrorists for his country. He poured everything into achieving his dream. In the first hours of his final leave before deployment to Iraq, Alex was supposed to fly home to see his family and beloved girlfriend. Instead, he got into his car with two fellow soldiers and two strangers, drove to a local bank in Tacoma, and committed armed

robbery... The question that haunted the entire Blum family was: Why? Why would he ruin his life in such a spectacularly foolish way? At first, Alex insisted he thought the robbery was just another exercise in the famously daunting Ranger program. His attorney presented a case based on the theory that the Ranger indoctrination mirrored that of a cult. In the midst of his own personal crisis, and in the hopes of helping both Alex and his splintering family cope, Ben Blum, Alex's first cousin, delved into these mysteries, growing closer to Alex in the process. As he probed further, Ben began to question not only Alex, but the influence of his superior, Luke Elliot Sommer, the man who planned the robbery. A charismatic combat veteran, Sommer's manipulative tendencies combined with a magnetic personality pulled Ben into a relationship that put his loyalties to the test.

About the Author Ru Shui Zhui Meng, an outstanding online novelist, his novel language style is simple and humorous, the novel plot twists and turns, which has been loved by many people. "With its singular characters, eerie subject matter, and socko style" (The New York Times), this gripping thriller from the internationally bestselling author John Connolly follows Private Investigator Charlie Parker as he is hired to track down the identity of a dead woman—who apparently died in childbirth—and her missing child. In the beautiful Maine woods, a partly preserved body is discovered. Investigators realize that the young woman gave birth shortly before her death. But there is no sign of a baby. Private detective Charlie Parker is hired by a lawyer to shadow the police investigation and find the infant but Parker is not the only one searching.

Someone else is following the trail left by the woman, someone with an interest in much more than a missing child...someone prepared to leave bodies in his wake. And in a house by the woods, a toy telephone begins to ring and a young boy is about to receive a call from a dead woman. With breathless pacing and shivery twists and turns, "this is Connolly's masterpiece" (Publishers Weekly, starred review).
