A sinister, sophisticated debut thriller by “a remarkable new voice to watch” (J.T. Ellison, New York Times bestselling author), *Man of the Year* has been lauded by Shelf Awareness as “an impressive slow burn that builds suspense and cracks the whip at the end...redolent with menace and ego.” Dr. Robert Hart, Sag Harbor’s just-named *Man of the Year*, is the envy of his friends and neighbors. His medical practice is thriving. He has a beautiful old house and a beautiful new wife and a beautiful boat docked in the village marina. Even his wayward son, Jonah, is back on track, doing well at school and finally worthy of his father’s attentions. So when Jonah’s troubled college roommate needs a place to stay for the summer, Hart and his wife generously offer him their guesthouse. A win-win: Jonah will have someone to hang with, and his father can bask in the warm glow of his own generosity. But when Robert suspects his new houseguest of getting a little too close to his wife, the good doctor’s veneer begins to crack, and all the little lies he tells start to mount. Before long, Robert is embroiled in a desperate downward spiral, threatening to destroy anyone who stands in his way. It’s only the women in his life—his devoted office manager, his friends and neighbors, his wife—who can reveal the truth...if he’s willing to look. Biting and timely, *Man of the Year* races along at an electric pace, building to a wicked twist you won’t see coming.

Set in the early 1900s, *Tracks* follows a North Dakota Indian tribe and its struggle to keep their land out of the hands of an encroaching white society. **SOME SECRETS ARE BEST LEFT BURIED** Knee-deep in the mud of an ancient burial ground, a winter storm raging around him, and at least one person intent on his death: how did Murray Watson end up here? His quiet life in university libraries researching the lives of writers seems a world away, and yet it is because of the mysterious writer, Archie Lunan, dead for thirty years, that Murray now finds himself scrabbling in the dirt on the remote island of Lismore. Loaded with Welsh's trademark wit, insight and gothic charisma, this adventure novel weaves the lives of Murray and Archie together in a tale of literature, obsession and dark magic. When her world is blown apart, Professor Caroline Cashion returns home to discover the truth about her past and why her biological parents were murdered—and to find the killer before he finds her. A *New York Times* Notable Crime Book and Favorite Cozy for 2011 A Publishers Weekly Best Mystery/Thriller books for 2011 "Penny has been compared to Agatha Christie [but] it sells her short. Her characters are too rich, her grasp of nuance and human psychology too firm...." --Booklist (starred review) "Hearts are broken," Lillian Dyson carefully underlined in a book. "Sweet relationships are dead." But now Lillian herself is dead. Found among the bleeding hearts and lilacs of Clara Morrow's garden in Three Pines, shattering the celebrations of Clara's solo show at the famed Musée in Montreal. Chief Inspector Gamache, the head of homicide at the Sûreté du Québec, is called to the tiny Quebec village and there he finds the art world gathered, and with it a world of shading and nuance, a world of shadow and light. Where nothing is as it seems. Behind every smile there lurks a sneer. Inside every sweet relationship there hides a broken heart. And even when facts are slowly exposed, it is no longer clear to Gamache and his team if what they've found is the truth, or simply a trick of the light. Magnus McFall was a comic on the brink of his big break when the world came to an end. Now, like other survivors of "the Sweats," the mysterious plague that has decimated the planet, he is a man on the run. Thrown into unwilling partnership with an escaped convict named Jeb, Magnus flees the eerie desolation of de-populated London to make the long journey north, clinging to hope that the sickness has not reached his family in Scotland. Traveling through a familiar landscape now fraught with danger, Magnus finds himself a stranger in a world ruled by men like Jeb--hard-hearted, practical men quick to make life-or-death decisions. In a world rewritten with a harsh code of justice, and a new set of rules where people

barter for their existence with food and weapons, survival is the bottom line. But when Magnus and Jeb stumble across a murder during their journey, they will have to decide whether finding the truth about a single death can weigh in the balance against the need to survive. #1 internationally bestselling author Sara Blaedel is back with a powerful and twist-filled new suspense novel featuring detective Louise Rick. Louise gets a call from her son, Jonas. It's every parent's worst nightmare: A school party has ended in terrifying chaos after a group of violent teenagers forced their way into the building in search of alcohol and valuables. Dashing to the scene, Louise discovers one of the students gravely injured--struck by a car while attempting to run for help. Now the girl's distraught mother, pushed to her emotional breaking point, will do anything to make those who hurt her daughter pay. So when someone targets the gang members with a vicious attack, the girl's mother is the obvious suspect. But Louise can't shake the feeling that the case might not be as cut-and-dried as it first appears. Someone is lying--but who?

Masterfully plumbing the darkest depths of human emotion in this propulsive new novel, Sara Blaedel again delivers an intense ride filled with unexpected turns that will have you on the edge of your seat... AN INSTANT #1 NEW YORK TIMES BESTSELLER? Named one of the most anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—State of Terror. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist

organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. *State of Terror* is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist. In a disarming and humorous voice, Snyder ponders questions of equity, sweatshops, and corporate social responsibility through narratives of individual people, making an often academic subject accessible and compelling. This book "renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted"-- Emma O'Donovan is eighteen, beautiful, and fearless. It's the beginning of summer in a quiet Irish town and tonight she and her friends have dressed to impress. Everyone is at the party, and all eyes are on Emma. The next morning Emma's parents discover her collapsed on the doorstep of their home, unconscious. She is disheveled, bleeding, and disoriented, looking as if she had been dumped there. To her distress, Emma can't remember what happened the night before. All she knows is that none of her friends will respond to her texts. At school, people turn away from her and whisper under their breath. Her mind may be a blank as far as the events of the previous evening, but someone has posted photos of it on Facebook under a fake account, "Easy Emma"--photos she will never be able to forget. As the photos go viral and a criminal investigation is launched, the community is thrown into tumult. The media descends, neighbors chose sides, and people from all over the world want to talk about her story. Everyone has something to say about Emma. *Asking For It* is a powerful story about the devastating effects of rape and public shaming, told through the awful experience of a young woman whose life is changed forever by an act of violence. One woman's anxiety-ridden, yet life-affirming journey as

she makes the decision of a lifetime: whether or not to retire. A pandemic called 'The Sweats' is sweeping the globe. London is a city in crisis. Hospitals begin to fill with the dead and dying, but Stevie Flint is convinced that the sudden death of her boyfriend Dr Simon Sharkey was not from natural causes. As roads out of London become gridlocked with people fleeing infection, Stevie's search for Simon's killers takes her in the opposite direction, into the depths of the dying city and a race with death. A Lovely Way to Burn is the first outbreak in the Plague Times trilogy. Chilling, tense and completely compelling, it's Louise Welsh writing at the height of her powers. Grace Scott returns from a honeymoon with her new husband, Mac, to find a man lying dead in their new Edinburgh flat. They don't know who he is or where he's come from. The mystery of his identity remains unsolved. Then, three months later, Grace finds a note tucked inside one of the wedding gifts which sends her on a journey to discover what really happened in her flat. A journey that becomes more dangerous the closer she comes to the truth ... What she discovers will change her life. Set in Edinburgh and travelling to Amsterdam, Paris and Copenhagen, City of Strangers is a gripping story of deception, lies and corruption. A NEW YORK TIMES 10 BEST BOOKS OF THE YEAR AND A NEW YORKER "ESSENTIAL READ" NAMED A BEST BOOK OF THE YEAR BY THE NEW YORKER AND VOGUE "Bennett writes like no one else. She is a rare talent, and Checkout 19 is a masterful novel." –Karl Ove Knausgaard From the author of the "dazzling. . . and daring" Pond (O magazine), the adventures of a young woman discovering her own genius, through the people she meets—and dreams up—along the way. In a working-class town in a county west of London, a schoolgirl scribbles stories in the back pages of her exercise book, intoxicated by the first sparks of her imagination. As she grows, everything and everyone she encounters become fuel for a burning talent. The large Russian man in the ancient maroon car who careens around the grocery store where she works as a checkout clerk, and slips her a copy of Beyond Good and Evil. The growing heaps of other books in which she loses—and finds—herself. Even the derailing of a friendship, in a devastating violation. The thrill of learning to conjure characters and scenarios in her head is matched by the exhilaration of forging her own way in the world, the two kinds of ingenuity kindling to a brilliant conflagration. Exceeding the extraordinary promise of Bennett's mold-shattering debut, Checkout 19 is a radical affirmation of the power of the imagination and the magic escape those who master it open to us all. Jane Logan is a stranger to Berlin and she finds the city alive and echoing with the

ghosts of its turbulent past. At six months pregnant, she's instructed by her partner Petra to rest and enjoy her new life in Germany. But while Petra is out at work, Jane begins to feel uneasy in their chic apartment. Screams reverberate through the walls, lights flicker in the derelict building that looms over the yard, a shadow passes on the stairs . . . Jane meets a neighbour's daughter, a girl whose life she tries to mend, but her involvement only further isolates her. Alone and haunted, Jane fears the worst . . . but the worst is yet to come. Louise Welsh, the acclaimed author of *The Cutting Room*, delivers another masterful suspense novel. *The Girl on the Stairs* is a powerful psychological thriller packed with twists and turns to keep you reading well into the night. Read it, or be left in the dark. One of CrimeReads's Most Anticipated Crime Books of 2021 Longlisted for the Theakston Old Peculier 2021 Crime Novel of the Year The "queen of the sucker-punch twist" (Ruth Ware, #1 New York Times bestselling author) and author of *Our House* weaves an unputdownable page-turner about a commuter who becomes a suspect in his friend's mysterious disappearance. It all happens so quickly. One day you're living the dream, commuting to work by ferry with your charismatic neighbor Kit in the seat beside you. The next, Kit hasn't turned up for the boat and his wife, Melia, has reported him missing. When you get off at your stop, the police are waiting. Another passenger saw you and Kit arguing on the boat home the night before and the police say that you had a reason to want him dead. You protest. You and Kit are friends—ask Melia, she'll vouch for you. And who exactly is this other passenger pointing the finger? What do they know about your lives? No, whatever danger followed you home last night, you are innocent, totally innocent. Aren't you? 'Louise Doughty leads her unnerved readers into dark territory.' Hilary Mantel 'Utterly mesmerizing, with the pace of a thriller and a sense of profound mystery in the most ordinary of settings. I was hooked from its start to its nerve-racking, surprising finish' Deborah Moggach The new novel from Sunday Times bestselling author Louise Doughty *Platform Seven* at 4am: Peterborough Railway Station is deserted. The man crossing the covered walkway on this freezing November morning is confident he's alone. As he sits on the metal bench at the far end of the platform it is clear his choice is strategic - he's as far away from the night staff as he can get. What the man doesn't realise is that he has company. Lisa Evans knows what he has decided. She knows what he is about to do as she tries and fails to stop him walking to the platform edge. Two deaths on Platform Seven. Two fatalities in eighteen months - surely they're connected? No one is more desperate to

understand what connects them than Lisa Evans herself. After all, she was the first of the two to die. In this exciting and “fast-paced thriller that is hard to put down” (Michael Hayden, former director of the CIA), a young reporter must match wits with spies, assassins, and a terrorist sleeper cell that is targeting the very heart of American power. When Boston reporter Alexandra James is assigned to cover the death of Thom Carlyle, the son of a powerful Washington insider, she soon discovers the story is not as simple as it seems. The young man fell from the top of a Harvard bell tower, but did he jump...or was he pushed? Focused on what could be the story of a lifetime, Alex chases leads from Harvard Yard to the courtyards of Cambridge, England, from a clandestine rendezvous in London to the inside of a nuclear terrorist network. But when she goes to Washington, DC for a key interview that promises to tie everything together, Alex the hunter becomes Alex the hunted: an assassin is dispatched...her laptop disappears...her phone is tapped. And she begins to grasp that Thom Carlyle may have been killed to hide a terrifying conspiracy within the White House itself. NPR National Security correspondent Mary Louise Kelly has turned her own real-life reporting adventures into fiction with this stylish spy thriller that is “great fun, from beginning to end” (The Washington Post). Relates, in non-linear chronology, events of the twenty-four hours following sixteen-year-old Audrey's mandatory evacuation from the path of a wildfire, as she recalls her tempestuous relationship with troubled volunteer firefighter Brook. William Anson is done with relationships, thanks. He's starting the second year of his medicine degree single, focused, and ready to mingle with purely platonic intentions. Meeting Daniel, a barely recovered drug addict ready to start living life on his own terms, might just change that. There are two problems. One: William isn't out. What's the point in telling your friends you're bisexual when you aren't going to date anyone? Two: Daniel's abusive ex-boyfriend still roams the university campus, searching for cracks in Daniel's recovery. No matter how quickly William falls for Daniel, their friendship is too important to risk ruining over a crush. William is fine with being just friends for the rest of forever. Well, not quite. Content warning - This book includes references to abortion, PTSD, drug addiction, abusive relationships, and self-harm. 'Unputdownable' Sunday Times 'I was hooked from page one' Guardian When Rilke, a dissolute auctioneer, comes upon a hidden collection of violent and highly disturbing photographs, he feels compelled to discover more about the deceased owner who coveted them. Soon he finds himself sucked into an underworld of crime, depravity and secret desire, fighting for

his life. This New York Times bestseller has sold over 50 million copies worldwide, including over 200,000 copies in Australia. Louise's key message in this powerful work is - if we are willing to do the mental work, almost anything can be healed. Louise explains how limiting beliefs and ideas are often the cause of illness, and how you can change your thinking and improve the quality of your life! Packed with powerful information - you'll love this gem of a book! This special edition, released to mark Hay House's 30th anniversary, contains 16 pages of photographs.

When the bodies of the Cowpers, a reclusive middle-aged couple, are discovered brutally slaughtered — and their teenage daughter goes missing — the tiny village of Nether Bowston reels in shock. And as the townspeople mull over the first murder in a century, everyone is asking the same question: Where is Gemma Cowper? Just down the road from the murder scene, Alison Akenside divides her time between cultivating her roses and reporting for the Rutland Record. Like Gemma, Alison grew up in the village — and knows what it's like for a young girl whose dreams are far grander than her prospects. Alison searches for inside information on the murder, hoping finally to sell a story to a national newspaper. But as the case leads her into the darkest corners of this bucolic town, she realizes that not everything is what it seems. And soon Alison, like the rest of Nether Bowston, will discover what really went on behind the tightly drawn curtains of the Cowper home — and find out if Gemma is the victim of a madman ... or something much worse. “A sharp, funny, and eccentric debut ... Pond makes the case for Bennett as an innovative writer of real talent. ... [It] reminds us that small things have great depths.”—New York Times Book Review “Dazzling...exquisitely written and daring.” —O, the Oprah Magazine

Immediately upon its publication in Ireland, Claire-Louise Bennett’s debut began to attract attention well beyond the expectations of the tiny Irish press that published it. A deceptively slender volume, it captures with utterly mesmerizing virtuosity the interior reality of its unnamed protagonist, a young woman living a singular and mostly solitary existence on the outskirts of a small coastal village. Sidestepping the usual conventions of narrative, it focuses on the details of her daily experience—from the best way to eat porridge or bananas to an encounter with cows—rendered sometimes in story-length, story-like stretches of narrative, sometimes in fragments no longer than a page, but always suffused with the hypersaturated, almost synesthetic intensity of the physical world that we remember from childhood. The effect is of character refracted and ventriloquized by environment, catching as it bounces her longings,

frustrations, and disappointments—the ending of an affair, or the ambivalent beginning with a new lover. As the narrator’s persona emerges in all its eccentricity, sometimes painfully and often hilariously, we cannot help but see mirrored there our own fraught desires and limitations, and our own fugitive desire, despite everything, to be known. Shimmering and unusual, Pond demands to be devoured in a single sitting that will linger long after the last page. "Dazzling. . . . A hard-won love letter to readers and to booksellers, as well as a compelling story about how we cope with pain and fear, injustice and illness. One good way is to press a beloved book into another's hands. Read *The Sentence* and then do just that."—USA Today, Four Stars In this New York Times bestselling novel, Pulitzer Prize and National Book Award–winning author Louise Erdrich creates a wickedly funny ghost story, a tale of passion, of a complex marriage, and of a woman's relentless errors. Louise Erdrich's latest novel, *The Sentence*, asks what we owe to the living, the dead, to the reader and to the book. A small independent bookstore in Minneapolis is haunted from November 2019 to November 2020 by the store's most annoying customer. Flora dies on All Souls' Day, but she simply won't leave the store. Tookie, who has landed a job selling books after years of incarceration that she survived by reading "with murderous attention," must solve the mystery of this haunting while at the same time trying to understand all that occurs in Minneapolis during a year of grief, astonishment, isolation, and furious reckoning. *The Sentence* begins on All Souls' Day 2019 and ends on All Souls' Day 2020. Its mystery and proliferating ghost stories during this one year propel a narrative as rich, emotional, and profound as anything Louise Erdrich has written. Recounts her family's difficult journey back to normalcy after her parents were badly injured in an accidental flash fire, describing her mother's determination and her father's emotional struggles. In this decadent mystery by one of the genre's "most exciting new writers" a London magician balances murder and misdirection (New York Times Book Review). William Wilson would love to believe he's Soho's master prestidigitator. As the opening act for strippers, he's mostly an old-school hack whose low-demand career has tanked. Then his agent books him into a dreary bordello to perform at a retirement party. Who's William to say no? For a man whose life has become a series of sad, bad mistakes, saying yes is a big one. His next is hooking up with a fatally sexy showgirl named Sylvie. Her connections to the underworld might have something to do with a grisly double murder, and a mysterious photograph entrusted to William. It's also made him a hunted man. As he and Sylvie flee

to Germany, William is finding it harder to distinguish between real life-and-death threats and what is an ingenious, if nightmarish, sleight-of-hand. “As irresistible mystery” (Library Journal) by a CWA Award-winning “literary escape artist of the highest rank” (Chicago Tribune), *The Bullet Trick* scours the seediest backrooms, backstreets, and backstages—from Glasgow dives to Berlin cabarets—for a thriller that “satisfies like a well-executed magic trick, one that, for this reader . . . offered the thrill of surprise” (San Francisco Chronicle). In her “keenly observed” (Star Tribune, Minneapolis) debut, Rachel Louise Snyder author of the award-winning *No Visible Bruises*, chronicles the twenty-four hours following a mass burglary in a Chicago suburb and the suspicions, secrets, and prejudices that surface in its wake. Nestled on the edge of Chicago’s gritty west side, Oak Park is a suburb in flux. To the west, theaters and shops frame posh houses designed by Frank Lloyd Wright. To the east lies a neighborhood still recovering from urban decline. In the center of the community sits Ilios Lane, a pristine cul-de-sac dotted with quiet homes that bridge the surrounding extremes of wealth and poverty. On the first warm day in April, Mary Elizabeth McPherson, a lifelong resident of Ilios Lane, skips school with her friend Sofia. As the two experiment with a heavy dose of ecstasy in Mary Elizabeth’s dining room, a series of home invasions rocks their neighborhood. At first the community is determined to band together, but rising suspicions soon threaten to destroy the world they were attempting to create. Filtered through a vibrant pinwheel of characters, Snyder’s tour de force evokes the heightened tension of a community on edge as it builds towards an explosive conclusion. Incisive and panoramic, *What We’ve Lost Is Nothing* illuminates the evolving relationship between American cities and their suburbs, the hidden prejudices that can threaten a way of life, and the redemptive power of tolerance in a community torn asunder. “Ideas abound in this thoughtful story, a demonstration of the author’s years of experience as a community organizer. *What We’ve Lost Is Nothing* has the stamp of authenticity” (The Washington Post). London, 1593. A city on edge. Under threat from plague and war, strangers are unwelcome, suspicion is wholesale, severed heads grin from the spikes on Tower Bridge. Playwright, poet and spy, Christopher Marlowe walks the city’s mean streets with just three days to find the murderous Tamburlaine, a killer escaped from the pages of his most violent play. *Tamburlaine Must Die* is the searing adventure of a man who dares to defy both God and the state and whose murder remains a taunting mystery to the present day. “Impossible to resist, impossible to predict, impossible to put down...this is an author at

the top of her game.” —Erin Kelly, author of *Watch Her Fall* The author of the “masterfully plotted, compulsive page-turner” (*The Guardian*) *Our House* takes you on a haunting and nail-biting journey of tragedy and revenge. The Heights is a tall, slender apartment building among warehouses in London. Its roof terrace is so discreet, you wouldn’t know it existed if you weren’t standing at the window of the flat directly opposite. But you are. And that’s when you see a man up there—a man you’d recognize anywhere. He may be older now, but it’s definitely him. But that can’t be because he’s been dead for over two years. You know this for a fact. Because you’re the one who killed him. With Louise Candlish’s signature dark and twisty prose, *The Heights* shows “the ferocity of maternal love” (Hannah Beckerman, author of *If Only I Could Tell You*). “This cleverly constructed novel will keep readers enthralled until the last page” (*Publishers Weekly*, starred). Read the series that inspired *Three Pines* on Prime Video. In *Still Life*, bestselling author Louise Penny introduces Inspector Armand Gamache of the Surêté du Québec. Winner of the New Blood Dagger, Arthur Ellis, Barry, Anthony, and Dilys awards. Chief Inspector Armand Gamache of the Surêté du Québec and his team of investigators are called in to the scene of a suspicious death in a rural village south of Montreal. Jane Neal, a local fixture in the tiny hamlet of Three Pines, just north of the U.S. border, has been found dead in the woods. The locals are certain it’s a tragic hunting accident and nothing more, but Gamache smells something foul in these remote woods, and is soon certain that Jane Neal died at the hands of someone much more sinister than a careless bowhunter. *Still Life* introduces not only an engaging series hero in Inspector Gamache, who commands his forces---and this series---with integrity and quiet courage, but also a winning and talented new writer of traditional mysteries in the person of Louise Penny. Times, "Editors' Choice" "Gut-wrenching, required reading." -Esquire  
"Compulsively readable . . . It will save lives." -Washington Post "Essential,  
devastating reading." -Cheryl Strayed, New York Times Book Review An  
award-winning journalist's intimate investigation of the true scope of  
domestic violence, revealing how the roots of America's most pressing social  
crises are buried in abuse that happens behind closed doors. We call it  
domestic violence. We call it private violence. Sometimes we call it intimate  
terrorism. But whatever we call it, we generally do not believe it has anything  
at all to do with us, despite the World Health Organization deeming it a  
"global epidemic." In America, domestic violence accounts for 15 percent of  
all violent crime, and yet it remains locked in silence, even as its tendrils  
reach unseen into so many of our most pressing national issues, from our  
economy to our education system, from mass shootings to mass incarceration  
to #MeToo. We still have not taken the true measure of this problem. In *No  
Visible Bruises*, journalist Rachel Louise Snyder gives context for what we  
don't know we're seeing. She frames this urgent and immersive account of the  
scale of domestic violence in our country around key stories that explode the  
common myths-that if things were bad enough, victims would just leave; that  
a violent person cannot become nonviolent; that shelter is an adequate  
response; and most insidiously that violence inside the home is a private  
matter, sealed from the public sphere and disconnected from other forms of  
violence. Through the stories of victims, perpetrators, law enforcement, and  
reform movements from across the country, Snyder explores the real roots of  
private violence, its far-reaching consequences for society, and what it will  
take to truly address it. Tucker Neal is living the adrenaline fuelled life he  
always dreamed of, both on and off the race track. He lives life at full speed.  
It's the only way he can stay one lap ahead of the bitter memories that chase  
him. Until the past swerves directly into his lane, setting him on a collision  
course that could spin his life out of control. No matter how many years have  
passed, or how many miles have been between them, Brooke Nash has never  
forgotten her first love. And now he's back, reminding her of everything she  
gave up. The connection between them is still indisputable, but can Tucker  
outmanoeuvre his demons enough to give them a fighting chance? Or will  
they crash and burn once again? It is seven years after the first outbreak of  
"the Sweats" destroyed the world, almost overnight. Two refugees from the  
death and decay of London, Stevie Flint and Magnus McFall, have both  
washed up on the Orkney Islands. A rural community clinging to survival, the  
islands are home to a generation of youth who barely remember a time before

the pandemic. One of them, Magnus' foster son, Shuggie, is fourteen years old and angry as hell: he and his young friends blame all adults for the loss of the technological and scientific wonders of the past. When the foster parents of Shug's girlfriend, Misty, are found murdered and the young couple vanishes without a trace, Magnus fears the worst. Refusing to believe they could have committed the crime, and in order to find Shuggie and Misty before something terrible happens to them, Magnus and Stevie set off on a quest into the decaying city of Glasgow--and into the heart of a post-apocalyptic landscape they tried to leave behind when they fled the chaotic streets of London.

Business has been slow at Bowery Auctions, so when an old friend, Jojo, gives Rilke a tip-off for a house clearance, life seems to be looking up. The next day Jojo washes up dead. Jojo liked Grindr hook-ups and recreational drugs – is that the reason the police won't investigate? And if Rilke doesn't find out what happened to Jojo, who will? Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of *Only Every Yours* women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

From the author of the international bestseller *Our House*, a new novel of twisty domestic suspense asks, "Could you hate your neighbor enough to plot to kill him?" *Lowland Way* is the suburban dream. The houses are beautiful, the neighbors get along, and the kids play together on weekends. But when Darren and Jodie move into the house on the corner, they don't follow the rules. They blast music at all hours, begin an unsightly renovation, and run a used-car business from their yard. It doesn't take long

for an all-out war to start brewing. Then, early one Saturday, a horrific death shocks the street. As police search for witnesses, accusations start flying--and everyone has something to hide.
