In the business of the day and the many challenges that life brings to us, we often find it hard to escape

and take the time to sit back and reflect upon all of the promises and things that God has done for us. God has such a great love for us and he cares about everything that concerns us and feels every emotion that we feel even in our times of loss. The book *Words of Inspiration: A Quiet Message of Hope for the Soul* is a collection of writings that God has given me for people who are going through different phases of life. It is a collection of messages of hope and a reminder to the reader of the Love that God has for us. I pray that these writings will minister to you and remind you that whatever state you are in God is always near. May God inspire you through the reading of these words when you need them most. Soon after the angel Gabriel announced to Mary the astonishing news that she would bear the long-awaited Messiah, Mary went to visit her cousin Elizabeth, who was also expecting a child. As Mary greeted Elizabeth, the child in Elizabeth's womb (John the Baptist) leaped inside her. Elizabeth exclaimed to Mary, "God has blessed you among all women. Why do I have this honor, that the mother of my Lord should come to me?" Mary responded by singing a song of praise to God, commonly known as the Magnificat. Her song, recorded in Luke 1:46-55, was not a sweet lullaby sung in anticipation of the baby Jesus' birth, Stroman says. Instead, it was a message of deliverance and hope. Mary's song proclaimed deliverance and hope to a dark and fearful world. It continues to bring challenge and

hope to us today. Singing Mary's Song provides scripture readings, meditations, and prayers for each day of Advent. Each week's readings focus on various lines of Mary's song. Reflection questions are included each week. This Advent study will give you new insight into the life of Mary. Listen closely to Mary's song and discover its message for you today. A great study for individuals or groups! The Word of God is full of verses, and sometimes it's hard to find where they are located. Are you talking to someone, and can't recall a scripture for their need? What about not knowing how to pray for something or someone? Let this book encourage you and give you the hope and guidance you need as you study and read *Message Of Hope 365 Days*. No one is exempt from experiencing the loss of a loved one in this life; when it occurs, one is never fully prepared for the aftermath. A story of survival and acceptance, *My Trail of Tears: A Message of Hope Unveiled* examines author Katherine S. Hamricks journey of widowhood for which no amount of education or life experience could fully prepare her. At just thirty-two-years of age, her husband, Brian Hamrick, died suddenly after a brief illness, leaving Katherine with two boys ages one and four. In this inspirational memoir, she narrates her story as she navigates her new roles as both a single parent and a widow, dealing with the reality of losing her spouse with no warning. With photos included, *My Trail of Tears* depicts the hand of God at work during her time

of grief and explains how God brought about the acceptance of her loss, using this time to draw nearer to Him and bless her in the process. Katherine shares her journey to show how a person can move on from experiencing tragedy to eventually being able to bring God glory again. In her detailed account of the behind-the-scenes part of her life, she shows how Christ works all things for His good purpose and how He healed her broken heart. The author shares a distinct and clearly perceptible message given to her by the Holy God at a window of her home. A message of hope for a time of fear and insecurity beget by the onslaught of Covid-19. Though the message not only for this unsettled season but for all times, knowing we shall gather hope from the Lord God who is with us always, never shall we fear. Entwined in the message that unfolds is a collection of reflective expressions instilling hope and security, for it is the Lord God who gives to us peace of mind. An introduction to the Book of Revelation Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. "Exploring the Bible books of Daniel and

Revelation will unlock the powerful, hope-filled prophecies that can change your life; even when your world feels like it is falling apart."--Adapted from back cover. Farrel and Wilson provide real-life stories mixed with a splash of humor and an encouraging word from God to help women get through often hectic days. To make it fun, the authors have taken Scripture verses and made them into text messages. After "Mary's Message to the World" was published, Mother Mary asked Annie Kirkwood to send out a newsletter to all her readers. Mary's Message of Hope, Volume Two, is now the second compilation of messages Mother Mary has given for her bi-monthly newsletters, from December 1996 through October 2000. You will find vignettes of the Kirkwood family's challenges and joys as they learn to "live the message," as well as Mother Mary's words filled with love, compassion, peace, and grace. This is a story of the awakening of mankind. The mass consciousness of mankind is changing, and as each soul moves toward the higher vibration, more and more people will be able to do the same. There is far more goodness in the world than others would have us believe. The old prophecies can no longer stand, as the energy of the planet has shifted. Reviews I want to thank you for such a wonderful piece written about twin souls. I have read a number of books on the subject and I have found your writing to explain it all with such clarity. I have just recently separated with my twin soul because the emotions we brought up for each other

were just too intense. It was more his decision than my own. But your written words are a constant reminder to myself that we have wholeness already within ourselves and we do not need them to reach a place of inner peace and joy. It just hurts so right now as I am not there yet!! Thank you from my heart once again. With love, light and wholeness.... Cosmicrainbow (Karen, UK) Haven't checked out your site yet, but look forward to doing so. Keep up the good work Chrissy. The world is in dire need of those who are dedicated to serving the Light of God on planet Earth. Let Love, Light & Peace reign supreme in all dimensions of reality. And so it is. Coreen C. Villemere - Ontario, Canada. Oh thank you for being dearest lady!!! In 1983 I got the other side message. "You will know that things are hanging for the better when you get the message NOW IS THE TIME." The very message you and Michael left on the Kryon message board not too long ago! I have it on my bedroom wall and read it whenever I feel I can not go on any further. Blessings to you and your courage to save our planet. Truly, Julie - USA. * * * *

Book Review by Yashah! Chris Hamilton has given us another fine, esoteric book for all who have an interest in our future. She tells how the Earth and Mankind on the Earth will achieve perfect balance and harmony. Chris has given us strong and loving insight and hope in the future for Mankind. I have read many metaphysical books, perhaps hundreds, and Chris's "Earth's Ascension" is by far the most informative book

I have read. It contains a wealth of valuable information that rings true into the planet's ascension into the higher dimensions. This book answers all the questions one might ponder of life on this planet and it definitely does contain a message of hope for mankind. Indeed, I consider "Earth's Ascension" to be the metaphysical textbook of the present time. Yashah (author of many online books) Let Hope Fuel Your Life. We pin our hopes on all kinds of plans. Relationships. Careers. Money. Experiences. Some of these plans fall apart, so we move on and look for something else. Others turn out pretty well, and yet we still find ourselves disappointed. Is there any reason to keep striving? There is good news. Your life can be fueled by hope. But not on your own . . . God offers you hope. He cares about you, he made you, and he wants to see you thrive. That's why God's hope comes not in the form of an encouraging note or an inspiring picture. God's hope arrived in the form of a person—Jesus. In The Message of Hope, discover how Jesus offers you hope that won't let you down. Read about his life, death, and resurrection, and hear just what they mean for you. You have a good reason to hope. Discover the hope God has for you. The tragic events of September 11, 2001 sent shockwaves around the globe that are still felt today. Nearly 3,000 people died in the terrorist attacks and thousands more were injured.æ On the afternoon of the attacks, three firefighters paused in their rescue work to raise an American flag at Ground Zero in New

York City. In the midst of horror and despair, the iconic photo of the men would remind Americans that they were far from beaten. It represented the country's strength, courage, decency, and its hope for the future. In this high concept YA novel debut that's *We All Looked Up* meets *The Sun Is Also a Star*, three teens must face down the mistakes of their past after they learn that life on Earth might end in less than a week. News stations across the country are reporting mysterious messages that Earth has been receiving from a planet--Alma--claiming to be its creator. If they're being interpreted correctly, in seven days Alma will hit the kill switch on their "colony" Earth. True or not, for teenagers Jesse Hewitt, Cate Collins, and Adeem Khan, the prospect of this ticking time bomb will change their lives forever. Jesse, who has been dealt one bad blow after another, wonders if it even matters what happens to the world. Cate, on the other hand, is desperate to use this time to find the father she never met. And Adeem, who hasn't spoken to his estranged sister in years, must find out if he has it in him to forgive her for leaving. With only a week to face their truths and right their wrongs, Jesse, Cate, and Adeem's paths collide as their worlds are pulled apart. "If life throws you lemons, make lemonade! (A message of hope)" is Olivia Jane Hope's third book. In this heart-rending, honest account of a huge betrayal in her life Olivia describes her journey from depression and despair to one of victory and dreams fulfilled. Giving

God His rightful place as her Lord and Saviour, Olivia takes the reader through the necessary steps to recovery. If you have suffered trauma or loss of any kind - whether through divorce, bereavement, betrayal or any other devastating experience, this book will help to empower you to live life to its fullest and regain the life you thought you'd lost. Olivia's desire is to see people live an abundantly free life with all the benefits that a child of God should experience. "I hope there will be something in my books to inspire everyone. I want to offer hope to the hopeless and be a bright light in the dark world. Having been through much hardship and many trials in my own life I can speak with honesty and clarity about how God is able to bring emotional healing and freedom from depression. If you have been through divorce, bereavement, depression or feelings of hopelessness then this book is for you!" The idea of "The Rapture" -- the return of Christ to rescue and deliver Christians off the earth -- is an extremely popular interpretation of the Bible's Book of Revelation and a jumping-off point for the best-selling "Left Behind" series of books. This interpretation, based on a psychology of fear and destruction, guides the daily acts of thousands if not millions of people worldwide. In The Rapture Exposed, Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible. The truth, Rossing argues, is that Revelation offers a vision of God's healing love for the world. The Rapture Exposed

reclaims Christianity from fundamentalists' destructive reading of the biblical story and back into God's beloved community. Hope, Healing and Heaven is for everyone in search of hope. I have walked in your shoes. I've been mistreated, rejected, addicted, depressed and anxiety-ridden, hopeless and grief-stricken. But that is not where this story ends. My journey out of the pit of hopelessness is outlined in these pages as I discover the truth that whatever the present circumstances, hope still remains. Hope that is not just wishful thinking, but hope that comes with the certainty of an expected conclusion. The key is to understand that this present and short life is only the first act on the stage of eternity - just the opening scene in an infinite drama where the second, final, and never-ending act is spectacularly better than the first. So take heart - even the worst of situations can be overcome with hope and healing and the certain expectation of Heaven. A Message About Hope takes a serious look at the lives of violent children after final court convictions are passed. The book is written in the form of a letter from one friend to another, with both friends having the same distinction of committing murder as children. Terrence Sampson offers thought provoking statements through a stirring narrative that not only talks about what happens to violent juveniles after the fact, but also talks about the state of at-risk youth as a whole in today's society. Terrence's message is clear: "The presence of hope is integral to

saving the lives of children who don't know how to save themselves." A trustworthy guide to the rich and perplexing symbolism of the Book of Revelation. Describes how guardian angels are present, supporting and protecting everyone, and how they can be called upon for their help in making life happier and more fulfilling. Though the apparitions of Our Lady of Fatima took place almost a hundred years ago, Our Lady's call to prayer and penance for the salvation of souls and peace in the world is as relevant now as when first delivered to three Portuguese peasant children in 1917. At the peak of the First World War, our Lady warned of another worldwide conflict, the rise and spread of Communism, and a terrible persecution of the Church unless people repented of their sins and returned to God. She also requested devotion to her Immaculate Heart and a special consecration of Russia. Much of what Our Lady of Fatima said was revealed soon after her appearances, but the third and final "secret", which was not a message but a prophetic vision seen by the children, was not unveiled by the Vatican until 2000. Pope John Paul II, who read the third secret while recovering from the attempt upon his life in 1981, believed the vision signified the sufferings the Church had endured in the twentieth century. Because of the prophetic nature of her messages, Our Lady of Fatima has been the subject of much controversy and speculation. In this book, Father Andrew Apostoli carefully analyzes the events that took place in Fatima

and clears up lingering questions and doubts about their meaning. He also challenges the reader to hear anew the call of Our Lady to prayer and sacrifice, for the world is ever in need of generous hearts willing to make reparation for those in danger of losing their way to God. Permission to Pray is a practical book about prayer. If you have ever doubted what you should or should not pray about Permission to Pray will give you clarity. Real life examples as well as biblical examples are shared throughout the book to confirm the power in prayer. Permission to Pray is the 1st Volume in the Message of Hope Series. It is a catapult for the next level in your prayer life. "Messages of Hope" is the page-turning story of a former skeptic--Commander Giesemann, former U.S Navy commanding officer and aide to the Chairman of the Joint Chiefs of Staff--who has evidential communication with unseen realms. The Message of Hope is a chronological, evangelistic Bible study of 40 redemptive events (20 old testament and 20 new testament) strategically chosen to address Muslim worldview and culture. Adapted from The Story of Hope, it incorporates the same flexibility of design to teach God's redemptive plan and is a time-flexible (contractible and expandable) resource allowing one to present the Bible's big redemptive story in as few as fifteen minutes or as long as twenty or more hours. The Folk / Popular Islam version has pictures visualizing each event along with Bible maps. This book is the

compilation of the continuing messages Mary has given the author since April 1992 through October 1996. Mejia instructs readers to learn to apply in their life seven principles utilized by God in the creation to destroy the disorder, emptiness, and darkness that covered the Earth. From a New York Times bestselling author, an inspirational world vision from the boy Jimmy Carter called “the most remarkable person I have ever known.” “I was touched by the depth of passion and awed by the firm resolve with which Mattie Stepanek pursued a dream that has evaded men and women throughout history. What began as a casual discourse . . . became a treasured and enlightening friendship that changed my life forever.” —Jimmy Carter

Sometimes the most important messages come from the most unlikely places. Mattie J.T. Stepanek, a thirteen-year-old boy, made a difference before he died with his Heartsongs poetry series. He continues to impact the world through Just Peace. This poet, best-selling author, peace activist, and prominent voice for the Muscular Dystrophy Association fervently believed in world peace not just as a concept, but as a reality. Mattie was working on this manuscript with Jimmy Carter when he died in June 2004. Just Peace explores Mattie's concept of the world and all people as a unique mosaic of gifts. War and injustice shatter the mosaic, which can only be made whole again by planning and actively pursuing peace. The young visionary's essays, poetry, and photographs appear throughout the book.

Just as important to the book and enlightening to the reader are Mattie's many correspondences, including his personal e-mails to and from former president Nobel Peace Laureate Jimmy Carter, Mattie's peace "hero" and role model, who has written a special forward for the book. Just Peace is an intimate portrait of a president, a young man of hope, and peace itself. The first twenty-four chapters of the book of Ezekiel are characterised by vehement declarations of judgement. This observation leaves the impression that Ezekiel 1–7 is devoid of references to hope and restoration. However, there is a redactional stratum in this section that supplemented the texts with material that conveys restoration and hope for the future. In Ezekiel 1–7, many of these additions focus on priestly topics. The motif of restoration in the redactional material of Ezekiel 3–5 is expressed by the reinstatement of Ezekiel in his priestly role. This editorial emphasis on Ezekiel as priest in the redactional material suggests that the redaction was influenced by Zechariah 3, a text that depicts the reinstatement of the exiled Zadokite priesthood. Moreover, the redactional material of Ezekiel 6-7 drew inspiration from the Law of the Temple in Ezekiel 43-46, as the redactors sought to enhance Ezekiel's priestly role. The study provides new insights into how redactors, who may have been associated with the Zadokite priesthood, inserted the message of hope and restoration into the literary unit Ezekiel 1-7 during the post-exilic period. Have you ever felt like

you were going through this life alone? Through his own experiences Author Trey Moore creates a sense of Hope to readers that they too can overcome this game of life. The Author used the Bible to show it was God that gave him a second chance. For that Moore is privileged and honored to give back what has been given to him. "A Message of Hope" challenges you to motivate and inspire by using your life story to encourage the people around you.
