When she was nine, Megan Meade met a group of terrible, mean, Popsicle-goo-covered boys, the sons of her father's friend -- the McGowan boys. Now, seven years later, Megan's army doctor parents are shipping off to Korea and Megan is being sent to live with the little monsters, who are older now and quite different than she remembered them. Living in a house with seven boys will give Megan, who has never even been kissed, the perfect opportunity to learn everything there is to know about boys. And she'll send all her notes to her best friend, Tracy, in... Megan Meade's Guide to the McGowan Boys Observation #1: Being an army brat sucks. Except that this is definitely a better alternative to moving to Korea. Observation #2: Forget evil, laughing, little monsters. These guys have been touched by the Abercrombie gods. They are a blur of toned, suntanned perfection. Observation #3: I need a lock on my door. STAT. Observation #4: Three words: six-pack abs. Observation #5: Do not even get me started on the state of the bathroom. I'm thinking of calling in a hazmat team. Seriously. Observation #6: These boys know how to make enemies. Big time. Megan Meade will have to juggle a new school, a new family, a new crush -- on the boy next door, as in next bedroom door -- and a new life. Will she survive the McGowan boys? In this heartfelt testament to the power of love and the strength of the human spirit, Travis Roy, who suffered a devastating injury eleven seconds into his first college hockey game, reveals how he has managed to cope after the accident and, with the help of family and friends, overcome tremendous barriers to begin a new life. After stabbing and killing her boyfriend, sixteen-year-old Mallory, who has no memory of the event, is sent away to a boarding school to escape the gossip and threats, but someone or something is following her. Eleven-year-old hockey sensation Skye O'Shea deals with boys, sisters, math tests, team tryouts, and other ups and downs of middle school. Meet Scarlett, a smart, sarcastic fifteen-year-old, ready to take on crime in her hometown. When Scarlett agrees to investigate a local boy's suicide, she figures she's in for an easy case and a quick buck. But it doesn't take long for suicide to start looking a lot like murder. As Scarlett finds herself deep in a world of cults, curses, and the seemingly supernatural, she discovers that her own family secrets may have more to do with the situation than she thinks...and that cracking the case could lead to solving her father's murder. Jennifer Latham delivers a compelling story and a character to remember in this one-of-a-kind debut novel. The seventh and final book in the #1 New York Times bestselling Field Party series--a Southern soap opera filled with football, cute boys, and pick-up trucks--from USA TODAY bestselling author Abbi Glines. The couples from the previous books in the Field Party series gather for a special event ten years in the future that will impact each of their lives. A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never

recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Calmly nestled among the glacial streams and hills of central New York, residents of Ithaca may find it hard to believe that their city began with a rocky start. Transient teamsters and salt barge workers gave the town a rowdy reputation in its pioneer days, and the fledgling village seemed doomed as the "most isolated place on the Eastern Seaboard." Over the course of the nineteenth century, Ithaca's character swung like a pendulum from debauchery to temperance, from boisterous vagrancy to religious fervor and reform. Though the town was hit hard by the Depression of 1837 and periodically ravaged by fire and flood, Ithaca survived to become a lively and bustling community and an important center of education, technological innovation and cultural vibrancy. In this comprehensive history, Carol Kammen shows exactly why Ithaca is known as the "Crown of Cayuga." What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

In 1776, the rebellion of the American colonies against British rule was crushed. Now, in 1777—the year of the hangman—George Washington is awaiting execution, Benjamin Franklin's banned rebel newspaper, *Liberty Tree*, has gone underground, and young ne'er-do-well Creighton Brown, a fifteen-year-old Brit, has just arrived in the colonies. Having been shipped off against his will, with nothing but a distance for English authorities, Creighton befriends Franklin, and lands a job with his print shop. But the English general expects the spoiled yet loyal Creighton to spy on Franklin. As battles unfold and falsehoods are exposed, Creighton must decide where his loyalties lie...a choice that could determine the fate of a nation. In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly

has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back? Bobby's a classic urban teenager. He's restless. He's impulsive. But the thing that makes him different is this: He's going to be a father. His girlfriend, Nia, is pregnant, and their lives are about to change forever. Instead of spending time with friends, they'll be spending time with doctors, and next, diapers. They have options: keeping the baby, adoption. They want to do the right thing. If only it was clear what the right thing was. For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book "LUMINOUS and FULL OF HEART, this book is a STUNNING GEM." —Meg Cabot, #1 New York Times best-selling author of the *Princess Diaries* and *Airhead* series From the bestselling author behind Disney's *The Swap* comes a profoundly moving novel about one girl's unforgettable journey to discover that life's true jackpot might not be what it seems. Full of joy and moxie, *Billion Dollar Girl* grabs hold and won't let go. River Ryland is the girl everyone wants to be around. But this brave 13-year-old has a secret that's getting harder and harder to hide: she lives mostly alone in a ramshackle, single-wide trailer with a mom who drops in and out of her life. After a visit from Social Services goes horribly wrong, longing for security, River sets off on the run. Soon, a case of mistaken identity gives River a chance to live a life that she had never even dreamed. But, when her newfound safety is shattered, River discovers, against all odds—one in 307 million, to be exact—that life's true jackpot isn't anything that it seems. A simultaneously heart-wrenching and exhilarating exploration of what we value, suspenseful and wise, *Billion Dollar Girl* is a deeply-felt reminder that we are inexplicably intertwined; a hopeful story of our times. An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel *Necessary Lies* (September 2013). *The First Lie* gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth—all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving life

in the segregated South. Advance praise for Diane Chamberlain's *Necessary Lies*: "It will steal your heart."—Katrina Kittle, author of *The Blessings of the Animals* "An emotional powerhouse." —Mary Alice Monroe, New York Times bestselling author of *Beach House Memories* "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."—Christina Schwarz, New York Times bestselling author of *Drowning Ruth* Tired of the endorsements, press conferences, and tournaments, Grace Kincaid, a beautiful tennis superstar, goes into hiding and starts a new life in Alaska, with the help of a former FBI agent. A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow* *Lamentations* is a novel about the first group of families crossing west to Oregon in 1842, from the perspective of the dozen women on the trip. Although none of these women left a written record of her journey, the company clerk's daily notations provided documentation of historical events. Based on these records and the author's own decades of work as a historian, Carol Kammen provides an interpretation of the women's thoughts and feelings as events played out in and around the wagons heading west. In this novel the men are in the background--and we hear the women ponder the land, their right to be passing through, their lives and how they are changing, the other people in the company, the Native Americans they encounter, and their changing roles. *Lamentations* is about women's reality as wives or unmarried sojourners, as literate or illiterate observers, and as explorers of the land. Kammen gives voice to these women as they consider a strange new land and the people who inhabit it, mulling over what they, as women of their time, could not say aloud. We see the mental and emotional impact of events such as the naming of peoples and lands, of a husband's suicide, of giving birth, and of ongoing and uncertain interactions with Native peoples from the Missouri River crossing all the way to Oregon. They face the difficulties of the road, the slow trust that builds between some of them, and the oddities of the men with whom they travel. These women move from silent witnesses within a constrained gender sphere to articulate observers of a complicated world they ultimately helped to shape. Each and every day teachers show up in their classrooms with a relentless sense of optimism. Despite the complicated challenges of schools, they come to and remain in the profession inspired by a conviction that through education they can move individuals and society to a more promising

future. In *Teaching with Heart: Poetry that Speaks to the Courage to Teach* a diverse group of ninety teachers describe the complex of emotions and experiences of the teaching life – joy, outrage, heartbreak, hope, commitment and dedication. Each heartfelt commentary is paired with a cherished poem selected by the teacher. The contributors represent a broad array of educators: K-12 teachers, principals, superintendents, college professors, as well as many non-traditional teachers. They range from first year teachers to mid-career veterans to those who have retired after decades in the classroom. They come from inner-city, suburban, charter and private schools. The teachers identified an eclectic collection of poems and poets from Emily Dickinson, to Richard Wright, to Mary Oliver to the rapper Tupac Shakur. It is a book by teachers and for all who teach. The book also includes a poignant Foreword by Parker J. Palmer (*The Courage to Teach*), a stirring Introduction by Taylor Mali (*What Teachers Make*), and a moving Afterword by Sarah Brown Wessling (*Teaching Channel*). Where *Teaching with Fire* honored and celebrated the work of teachers; *Teaching with Heart* salutes the tenacious and relentless optimism of teachers and their belief that despite the many challenges and obstacles of the teaching life, much is possible. Reclaim Your Fire "Teaching with Fire is a glorious collection of the poetry that has restored the faith of teachers in the highest, most transcendent values of their work with children....Those who want us to believe that teaching is a technocratic and robotic skill devoid of art or joy or beauty need to read this powerful collection. So, for that matter, do we all." ?Jonathan Kozol, author of *Amazing Grace* and *Savage Inequalities* "When reasoned argument fails, poetry helps us make sense of life. A few well-chosen images, the spinning together of words creates a way of seeing where we came from and lights up possibilities for where we might be going....Dip in, read, and ponder; share with others. It's inspiration in the very best sense." ?Deborah Meier, co-principal of The Mission Hill School, Boston and founder of a network of schools in East Harlem, New York "In the Confucian tradition it is said that the mark of a golden era is that children are the most important members of the society and teaching is the most revered profession. Our journey to that ideal may be a long one, but it is books like this that will sustain us - for who are we all at our best save teachers, and who matters more to us than the children?" ?Peter M. Senge, founding chair, SoL (Society for Organizational Learning) and author of *The Fifth Discipline* Those of us who care about the young and their education must find ways to remember what teaching and learning are really about. We must find ways to keep our hearts alive as we serve our students. Poetry has the power to keep us vital and focused on what really matters in life and in schooling. *Teaching with Fire* is a wonderful collection of eighty-eight poems from such well-loved poets as Walt Whitman, Langston Hughes, Billy Collins, Emily Dickinson, and Pablo Neruda. Each of these evocative poems is accompanied by a brief story from a teacher explaining the significance of the poem in his or her life's work. This beautiful book also includes an essay that describes how poetry can be used to grow both personally and professionally. *Teaching With Fire* was written in partnership with the Center for Teacher Formation and the Bill & Melinda Gates Foundation. Royalties from this book will be used to fund scholarship opportunities for teachers to grow and learn. A compelling, heartbreaking and hopeful book for fans of Eleanor Oliphant is *Completely Fine*, Jennifer Niven and Holly Jackson. "Young sorcery fans . . . set aside Harry Potter and pick up Merlin! ["The Mirror of Merlin" is] ingeniousIfilled with rich images [and] surprising touches of humor.U--"Cincinnati Enquirer. TRich with magic."--"The New York Times Book Review." In this heart-wrenching tale of love and loss, a young Marine and his best friend's sister plunge into a forbidden love affair while he's home on leave. When a Marine Chaplain knocks on her door, Jessa's heart breaks—someone she loves is dead. Killed in action, but is it Riley or Kit? Her brother or her boyfriend... Three months earlier, Marine Kit Ryan finds himself back home on leave and dangerously drawn to his best friend Riley's sister, Jessa—the one girl he can't have.

Exhausted from fighting his feelings, Kit finally gives in, and Jessa isn't strong enough to resist diving headfirst into a passionate relationship. But what was just supposed to be a summer romance develops into something far greater than either of them expected. Jessa's finally found the man of her dreams and Kit's finally discovered there's someone he'd sacrifice everything for. When it's time for Kit to redeploy, neither one is ready to say goodbye. Jessa vows to wait for him and Kit promises to come home to her. No matter what. But as Jessa stands waiting for the Marine Chaplain to break her heart, she can't help but feel that Kit has broken his promise... Riley or Kit? Kit or Riley? Her brother or her boyfriend? Who's coming home to her? Tennis superstar Grace Kincaid goes from everybody's idea of perfect to her own idea of an imperfect (but wonderful) self in this novel by a sparkling new voice in teen fiction. An addictively page-turning romance for fans of *Before I Fall* and *The Fault in Our Stars* Brie is the "biggest, cheesiest, sappiest romantic" who believes that everyone will find their perfect someone. So when Jacob, the love of Brie's life, tells her he doesn't love her anymore, the news breaks her heart--literally. But now that she's D&G (dead and gone), Brie revisits the living world to discover that her family has begun to unravel and her best friend has been keeping an intimate secret about her boyfriend. Somehow, Brie must handle all of this while navigating through the five steps of grief with the help of Patrick, her mysterious bomber-jacketed guide to the afterlife. But how is she supposed to face the Ever After with a broken heart and no one to call her own? "The debut is a fast, twisty, highly dramatic read about the turbulent nature of love."--*Romantic Times* "Rothenberg explores what happens in the afterlife when you aren't quite done with your life."--*San Francisco Chronicle* "The funniest, sweetest, most heartfelt, sigh-worthy and oh-so-romantic story I've ever read. You'll love it!"--Cynthia Leitich Smith, *New York Times* bestselling author of *Eternal* and *Blessed* A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful. *Faces of Suicide: Volume 1* is a collection of stories from the heart, written to show the world that they lived and their lives mattered. Some of the stories may inspire those who are reluctant travelers on this same road. The 60 stories were compiled by members of the Parents of Suicides - Friends and Families of Suicides Internet Community (POS - FFOS). YouTube star Jojo Siwa to star in the upcoming movie adaptation! "Bounce is a heartwarming story about a teenage girl who wishes she could trade her family for a new one on Christmas Eve. Her wish is granted and she finds herself 'bouncing' into the lives of other girls and living Christmas Day on repeat—learning the value of family, finding your voice, and the power of love." (*Variety*) A celebration of the power of love and connection, Megan Shull's extraordinary novel captures one girl's journey to find her voice, heal her heart, and discover the joy of bouncing back. Seventh grader Frannie Hudson wonders what it would be like to trade in her family for a new one. Her big brother ignores her. Her mean older sister can't stand her. And her parents have just announced they're going on a last-minute vacation—without her. When Frannie makes one desperate, crazy wish—BOOM!—she magically bounces into a whole new life, with a totally different family. And. It. Is. Amazing! There's only one catch: waking up as someone else keeps happening. Plunged into lives and adventures she's only imagined—from being a pop star to meeting one super-cute boy—Frannie finds courage in the unforgettable friends and families she meets along the way. But as her new life spins out of control, Frannie begins to worry if she'll ever get back home. With *Bounce*, the author of *The Swap*, which is now a Disney Channel Original Movie, delivers another hilarious, heartwarming, and empowering story about a girl who relives the same day over and over again—each time as someone new. Megan

Shull's novel is perfect for fans of Wendy Mass, Holly Goldberg Sloan, and Meg Cabot. Schneider Family Book Award-winning author Ginny Rorby has created an irresistible dolphin story about a girl's struggle to help her autistic brother and herself. Lily loves her half-brother, Adam, but she has always struggled with him, too. He's definitely on the autism spectrum--though her step-father, Don, can barely bring himself to admit it--and caring for him has forced Lily to become as much mother as sister. All Lily wants is for her step-father to acknowledge that Adam has a real issue, that they need to find some kind of program that can help him. Then maybe she can have a life of her own. Adam's always loved dolphins, so when Don, an oncologist, hears about a young dolphin with cancer, he offers to help. He brings Lily and Adam along, and Adam and the dolphin--Nori--bond instantly. But though Lily sees how much Adam loves Nori, she also sees that the dolphin shouldn't spend the rest of her life in captivity, away from her family. Can Adam find real help somewhere else? And can Lily help Nori regain her freedom without betraying her family? Alternately unsettling and affirming, devastating and delicious, *The Nearest Exit May Be Behind You*, is a new collection of essays on gender and identity by S. Bear Bergman that is irrevocably honest and endlessly illuminating. With humour and grace, these essays deal with issues from women's spaces to the old boys' network, from gay male bathhouses to lesbian potlucks, from being a child to preparing to have one; throughout, S. Bear Bergman shows us there are things you learn when you're visibly different from those around you--whether it's being transgressively gendered or readably queer. As a transmasculine person, Bergman keeps readers breathless and rapt in the freakshow tent long after the midway has gone dark, when the good hooch gets passed around and the best stories get told. Ze offers unique perspectives on issues that challenge, complicate, and confound the official stories about how gender and sexuality work. Teen tennis superstar Grace Kincaid is starting to learn that being an overnight sensation isn't all it's cracked up to be. With fame and fortune just a backswing away, Grace decides that all she really wants to be is normal. I'm not your average hero. I actually wasn't your average anything. Just a poor guy working an after-school job at a South Beach shoe repair shop to help his mom make ends meet. But a little magic changed it all. It all started with a curse. And a frog-napping. And one hot-looking princess, who asked me to lead a rescue mission. There wasn't a fairy godmother or any of that. And even though I fell in love along the way, what happened to me is unlike any fairy tale I've ever heard. Before I knew it, I was spying with a flock of enchanted swans, talking (yes, talking!) to a fox named Todd, and nearly trampled by giants in the Everglades. Don't believe me? I didn't believe it either. But you'll see. Because I knew it all was true, the second I got cloaked. Sydney Taylor Award-winning novel *Berlin Boxing Club* is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel. It's the summer of Connor Trent's sixteenth birthday, and the stakes for him have never been so high. Connor's summer job at the Bytowne Tennis Club allows him to train at a historic facility. It also throws him into confrontation with his rich-kid rival, Rex Hunter, whom he will battle for a berth in the National Junior Tournament. After a series of fundraisers is sabotaged, Connor suspects that someone wants to bankrupt the club and take over its valuable riverfront property. A fabled trophy, rumored to contain hidden cash, might solve all of Connor's problems, if he can win it. **LEARN HOW TO WRITE LIKE THE EXPERTS, FROM THE EXPERTS.** In *Spilling Ink: A Young Writer's Handbook*, you'll find practical advice in a perfect package for

young aspiring writers. After receiving letters from fans asking for writing advice, accomplished authors Anne Mazer and Ellen Potter joined together to create this guidebook for young writers. The authors mix inspirational anecdotes with practical guidance on how to find a voice, develop characters and plot, make revisions, and overcome writer's block. Fun writing prompts will help young writers jump-start their own projects, and encouragement throughout will keep them at work. Eleven-year-old Skye O'Shea is homesick and afraid as she sets out for a three-week bicycle adventure camp on British Columbia's Cat Island, but despite a bully, mountains, and other challenges she has the time of her life. Although a year has passed, not a day goes by without Meggie thinking of the extraordinary events of Inkheart, and the story whose characters strode out of the pages, and changed her life forever. But for Dustfinger, the fire-eater, torn from his world of words, the need to return has become desperate. When he finds a crooked storyteller with the magical ability to read him back, he sets in motion a dangerous reversal that sees the characters of Inkheart transported to a charmed Inkworld, about to be fought over by rival rebels and princes. But can Meggie, Farid and Fenoglio 'write' the wrongs of a charmed world about to be fought over by rival princes and rebels?
