This strategy guide covers all five character classes and gives detailed instructions for completing every quest. Virtual cities are places of often-fractured geographies, impossible physics, outrageous assumptions and almost untamed imaginations given digital structure. This book, the first atlas of its kind, aims to explore, map, study and celebrate them. To imagine what they would be like in reality. To paint a lasting picture of their domes, arches and walls. From metropolitan sci-fi open worlds and medieval fantasy towns to contemporary cities and glimpses of gothic horror, author and urban planner Konstantinos Dimopoulos and visual artist Maria Kallikaki have brought to life over forty game cities. Together, they document the deep and exhilarating history of iconic gaming landscapes through richly illustrated commentary and analysis. Virtual Cities transports us into these imaginary worlds, through cities that span over four decades of digital history across literary and gaming genres. Travel to fantasy cities like World of Warcraft's Orgrimmar and Grim Fandango's Rubacava; envision what could be in the familiar cities of Assassin's Creed's London and Gabriel Knight's New Orleans; and steal a glimpse of cities of the future, in Final Fantasy VII's Midgar and Half-Life 2's City 17. Within, there are many more worlds to discover – each formed in the deepest corners of the imagination, their immense beauty and complexity astounding for artists, game designers, world builders and, above all, anyone who plays and cares about video games. Gotham Knights is an open world RPG released on October 21st, 2022. Batman is dead and Gotham City is vulnerable, leaving the burden of its protection in the hands of four protagonists that you'll have the opportunity to play as: Batgirl, Nightwing, Red Hood, and Robin, each with unique abilities and playstyles. As you play through the story you'll be uncovering some of Batman's last cases, leading to a conflict with the ancient Court of Owls. This guide offers information for all of the essential aspects of the game, including: - Tips & Tricks covering the basics of how to switch characters, unlock suit styles, craft gear, equip modchips, unlock knighthood and more. - A Walkthrough section covering some of the main puzzles, investigations and boss fights. - All Collectibles such as Street Art, Batarangs, and Landmarks, with links to their locations on the map. - A Combat section covering the basics such as how to Perfect Attack, Grab Attack, and all Momentum Abilities.
