Medical Bondage Feb 07 2022 The accomplishments of pioneering doctors such as John Peter Mettauer, James Marion Sims, and Nathan Bozeman are well documented. It is also no secret that these nineteenth-century gynecologists performed experimental caesarean sections, ovariectomies, and obstetric fistula repairs primarily on poor and powerless women. *Medical Bondage* breaks new ground by exploring how and why physicians denied these women their full humanity yet valued them as “medical superbodies” highly suited for medical experimentation. In *Medical Bondage*, Cooper Owens examines a wide range of scientific literature and less formal communications in which gynecologists created and disseminated medical fictions about their patients, such as their belief that black enslaved women could withstand pain better than white “ladies.” Even as they were advancing medicine, these doctors were legitimizing, for decades to come, groundless theories related to whiteness and blackness, men and women, and the inferiority of other races or nationalities. *Medical Bondage* moves between southern plantations and northern urban centers to reveal how nineteenth-century American ideas about race, health, and status influenced doctor-patient relationships in sites of healing like slave cabins, medical colleges, and hospitals. It also retells the story of black enslaved women and of Irish immigrant women from the perspective of these exploited groups and thus restores for us a picture of their lives.

A Christian dictionary ... Whereunto is annexed, a particular dictionary for the Revelation of S. John. For the ... Song of Solomon. For the Epistles to the Hebrewes. The third edition, augmented, etc Aug 01 2021

Bitter Fruits of Bondage Jan 18 2023 In this controversial history the author tells the story of how the Civil War and slavery were intertwined, and how internal social conflict undermined the Confederacy in the end.

The Better Built Bondage Book Feb 19 2023 Tired of overpriced, poorly made sex toys? Can your wallet not keep up with your desires? The *Better Built Bondage Book* is the only guide you'll ever need to create high-quality sex toys yourself. You'll learn how to make toys by following easy-to-understand directions that let you succeed the first time. And all toys use only easy-to-find parts. If you can tie a knot, you can already make many of the 100+ toys. But not all the toys are basic! From simple designs you can make in a few minutes to portable furniture you can build in an afternoon, you'll be making toys that could turn seasoned experts green with envy! Douglas Kent's clear, casual writing style makes learning the skills and techniques easy. And it's loaded with pictures, too! Where other books boast of having a few hundred images, *The Better Built Bondage Book* packs an astonishing 1,400+ sexy photos, images, and professionally drawn illustrations into its 400 pages. If there's a special toy that you've been dreaming of, *The Better Built Bondage Book* lets you make it better, cheaper, and quicker.

Jay Wiseman's Erotic Bondage Handbook Nov 04 2021 From the author of the underground classic, *SM 101* comes essential information on how to use ropes and restraints to achieve comfortable, erotic, attractive bondage - for decoration, for sensation or for immobility. No complex knots or hard-to-follow diagrams... just common sense, easy to use, flexible techniques, with a special emphasis on safety and responsibility. Illustrated throughout.

Carolina Built Jun 18 2020 This “exuberant celebration of Black women’s joy as well as their achievements” (Kate Quinn, *New York Times* bestselling author) novelizes the life of real estate magnate Josephine N. Leary in a previously untold story of passion, perseverance, and building a legacy after emancipation in North Carolina. Josephine N. Leary is determined to build a life of her own and a future for her family. When she moves to Edenton, North Carolina, from the plantation where she was born, she is free, newly married, and ready to follow her dreams. As the demands of life pull Josephine’s attention away, it becomes increasingly difficult for her to pursue her real estate aspirations. She finds herself immersed in deepening her marriage, mothering her daughters, and being a dutiful daughter and granddaughter. Still, she manages to teach herself to be a businesswoman, to manage her finances, and to make smart investments in the local real estate market. But with each passing year, it grows more and more difficult to focus on building her legacy from the ground up. “Filled with passion and perseverance, Josephine Leary is frankly a woman that everyone should know” (Sadeqa Johnson, author of *Yellow Wife*) and her story speaks to the part of us that dares to dream bigger, tear down whatever stands in our way, and build something better for the loved ones we leave behind.

Half-Blood Blues Jun 30 2021 Winner of the Scotiabank Giller Prize Man Booker Prize Finalist 2011 An Oprah Magazine Best Book of the Year Shortlisted for the Governor General's Literary Award for Fiction Berlin, 1939. The Hot Time Swingers, a popular jazz band, has been forbidden to play by the Nazis. Their young trumpet-player Hieronymus Falk, declared a musical genius by none other than Louis Armstrong, is arrested in a Paris café. He is never heard from again. He was twenty years old, a German citizen. And he was black. Berlin, 1952. Falk is a jazz legend. Hot Time Swingers band members Sid Griffiths and Chip Jones, both African Americans from Baltimore, have appeared in a documentary about Falk. When they are invited to attend the film's premier, Sid's role in Falk's fate will be questioned and the two old musicians set off on a surprising and strange journey. From the smoky bars of pre-war Berlin to the salons of Paris, Sid leads the reader through a fascinating, little-known world as he describes the friendships, love affairs and treacheries that led to Falk's incarceration in Sachsenhausen. Esi Edugyan's *Half-Blood Blues* is a story about music and race, love and loyalty, and the sacrifices we ask of ourselves, and demand of others, in the name of art.

Releasing Stars in Bondage Feb 13 2020 The purpose of this book, through the breath of the Holy Spirit, is to give you

insight and sorted-out truth (mysteries) that can help you break loose from the oppression of the taskmaster (the devil) harassing your destiny. There are areas Satan wants to unleash his wickedness in your life, especially in your destiny, finance, family, and ministry. Get ready for an unusual encounter with the Holy Spirit because I know that this is your moment of total deliverance. Behold! I'll show you a mystery . . .

Beyond Bondage Oct 03 2021 David Barry Gaspar and Darlene Clark Hine's *Beyond Bondage* outlines the restricted spheres within which free women of color, by virtue of gender and racial restrictions, were forced to carve out their existences. Although their freedom, represented by the acquisition of property, respectability, and opportunity, always remained precarious, the collection supports the surprising conclusion that women of color often sought and obtained these advantages more successfully than their male counterparts.

Shibari Best Bondage Guide for Beginners Nov 11 2019 *Shibari best bondage guide for beginners* Best Bondage Toys, skills, BDSM Gear And Starter Kit for Beginners "shibari best bondage guide for beginners" do you love getting tied up for fun to give you the maximum satisfaction you desire, this guide of rope bondage (shibari or kinbaku) comprises of different full color photo, in this guide you will discover various techniques and instrument that you can use to bind and the right made to bind, Ranging from light bondage to heavy hardcore we've put together a list of the best bondage toys and BDSM gear for beginners who enjoy shibari. Theosophical Quarterly Apr 09 2022

Complete Shibari Nov 16 2022 About the series... Shibari is the Japanese-inspired art of tying a subject to not only immobilize them, but to do so elegantly and beautifully - creating an intimate and erotic experience for both the subject and the person tying. Adopted by rope enthusiasts all over the world, shibari (literally "to tie" or "to bind") is a cornerstone of erotic rope art and the subject of captivating performances and photographs. However, in-depth resources for learning the art are difficult to obtain, making shibari intimidating, obscure and difficult to master... Until now. The Complete Shibari series is the most complete and accessible English-language guide to shibari ever published. Author Douglas Kent strips away shibari's mystery and reveals how to create visually stunning compositions with rope and the human form... in your own home or play space. About Complete Shibari: Land Complete Shibari Volume 1: Land explores the essential ground-based ties and forms of shibari. With short, clear explanations and over 450 lavish, step-by-step illustrations and photographs, Douglas Kent introduces the basic "building blocks", then guides you in applying those basics to create a full range of beautiful and exciting ground-based shibari ties. This is not a "knot book" - if you can tie an overhand knot, you already know half the knots you'll ever need. This practical, hands-on guide to doing shibari covers everything from choosing and preparing rope, to scene safety, to the techniques... and the reasoning behind the techniques. Complete Shibari Volume 1: Land is a ground-breaking, must-have book for anyone interested in playing with rope. Buy it today and tie tonight!

The Complete Shibari series is the most complete and accessible English-language guide to shibari ever published. Author Douglas Kent strips away shibari's mystery and reveals how to create visually stunning compositions with rope and the human form... in your own home or play space. About Complete Shibari: Sky Complete Shibari Volume 2: Sky builds on the material from Volume 1: Land and explores the spectacular techniques of erotic rope suspensions. With short, clear explanations and over 340 lavish, step-by-step illustrations and photographs, Douglas Kent takes the intimidating world of shibari suspensions and makes it practical and straightforward. As with the previous volume, this is not a "knot book", but a straight-forward, hands-on guide for people interested in actually doing suspensions. This practical guide covers everything from scene safety, through establishing anchor points and selecting suspension hardware, to the physics and skills needed to suspend a human body safely and beautifully. Complete Shibari Volume 2: Sky is a ground-breaking, must-have book for anyone interested in taking their rope play to the next level... and into the air!

My Bondage and My Freedom Jun 11 2022 "My Bondage and My Freedom" is the second of three autobiographies written by Frederick Douglass. It is mainly an expansion of his first autobiography, "Narrative of the Life of Frederick Douglass", discussing in greater detail his transition from bondage to liberty. Frederick Douglass (1818 – 1895) was an African-American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings. Contents: Childhood Removed From My First Home Parentage A General Survey of the Slave Plantation Gradual Initiation to the Mysteries of Slavery Treatment of Slaves on Lloyd's Plantation Life in the Great House A Chapter of Horrors Personal Treatment Life in Baltimore "A Change Came O'er the Spirit of My Dream" Religious Nature Awakened The Vicissitudes of Slave Life Experience in St. Michael's Covey, the Negro Breaker Another Pressure of the

The Internal Slave Trade The Slavery Party The Anti-Slavery Movement
Running from Bondage Sep 14 2022 Running from Bondage tells the compelling stories of enslaved women, who comprised one-third of all runaways, and the ways in which they fled or attempted to flee bondage during and after the Revolutionary War. Karen Cook Bell's enlightening and original contribution to the study of slave resistance in eighteenth-century America explores the individual and collective lives of these women and girls of diverse circumstances, while also providing details about what led them to escape. She demonstrates that there were in fact two wars being waged during the Revolutionary Era: a political revolution for independence from Great Britain and a social revolution for emancipation and equality in which Black women played an active role. Running from Bondage broadens and complicates how we study and teach this momentous event, one that emphasizes the chances taken by these 'Black founding mothers' and the important contributions they made to the cause of liberty.

Civilisation Hijacked Nov 23 2020 Worship of this ancient mythical god has produced distorted political and social systems. This is the foundation of today's values and worldview among general populations of the so-called civilized world. Tradition (slow cultural conditioning) and the use of modern social engineering manufactured the world we have today. A world controlled by a few small powerful groups in the area of religion, politics and commerce. In the hands of unscrupulous people, fear and greed have been sown and cultivated individually and nationally, for wealth and power of their particular limited group rather than for the common good. This book amply illustrates the political, social, commercial and theological mess that we have inherited as a consequence. The exclusivity of the three main stream religions, Judaism, Christianity and Islam has brought the world to the brink of disaster. The only solution to this is through a particular style of Education already in use worldwide. Early intervention is vital. This book does not destroy faith, it encourages and focuses it as a rational, experiential recognition of the individual and collective human spirit. The collective consciousness must be harnessed for the Herculean task of saving humanity from the fate of self inflicted annihilation.

Ebony and Ivy Apr 28 2021 A leading African-American historian of race in America exposes the uncomfortable truths about race, slavery and the American academy, revealing that our leading universities, dependent on human bondage, became breeding grounds for the racist ideas that sustained it.

The Invisibles Feb 24 2021 The Invisibles chronicles the African American presence inside the White House from its beginnings in 1782 until 1862, when President Abraham Lincoln issued the Emancipation Proclamation that granted slaves their freedom. During these years, slaves were the only African Americans to whom the most powerful men in the United States were exposed on a daily, and familiar, basis. By reading about these often-intimate relationships, readers will better understand some of the views that various presidents held about class and race in American society, and how these slaves contributed not only to the life and comforts of the presidents they served, but to America as a whole.

Of Human Bondage Dec 17 2022 A novel that tells of the first 30 years of Philip Carey's life and experiences.

Bound by Bondage Aug 13 2022 During the first generations of European settlement in North America, a number of interconnected Northeastern families carved out private empires. In Bound by Bondage, Nicole Saffold Maskiell argues that slavery was a crucial component to the rise and enduring influence of this emergent aristocracy. Dynastic families built prestige based on shared notions of mastery, establishing sprawling manorial estates and securing cross-colonial landholdings and trading networks that stretched from the Northeast to the South, the Caribbean, and beyond. The members of this elite class were mayors, governors, senators, judges, and presidents, and they were also some of the largest slaveholders in the North. Aspirations to power and status, grounded in the political economy of human servitude, ameliorated ethnic and religious rivalries, and united once antagonistic Anglo and Dutch families, ensuring that Dutch networks endured throughout the English and then Revolutionary periods. Using original research drawn from archives across several continents in multiple languages, Maskiell expertly traces the origin of these private familial empires back to the founding generations of the Northeastern colonies and follows their growth to the eve of the American Revolutionary War. Maskiell reveals a multiracial Early America, where enslaved traders, woodsmen, millers, maids, bakers, and

groomsmen developed expansive networks of their own that challenged the power of the elites, helping in escapes, in trade, and in simple camaraderie. In *Bound by Bondage*, Maskiell writes a new chapter in the history of early North America and connects developing Northern networks of merit to the invidious institution of slavery.

The Black History of the White House Mar 08 2022 The Black History of the White House presents the untold history, racial politics, and shifting significance of the White House as experienced by African Americans, from the generations of enslaved people who helped to build it or were forced to work there to its first black First Family, the Obamas. Clarence Lusane juxtaposes significant events in White House history with the ongoing struggle for democratic, civil, and human rights by black Americans and demonstrates that only during crises have presidents used their authority to advance racial justice. He describes how in 1901 the building was officially named the "White House" amidst a furious backlash against President Roosevelt for inviting Booker T. Washington to dinner, and how that same year that saw the consolidation of white power with the departure of the last black Congressman elected after the Civil War. Lusane explores how, from its construction in 1792 to its becoming the home of the first black president, the White House has been a prism through which to view the progress and struggles of black Americans seeking full citizenship and justice. "Clarence Lusane is one of America's most thoughtful and critical thinkers on issues of race, class and power."—Manning Marable "Barack Obama may be the first black president in the White House, but he's far from the first black person to work in it. In this fascinating history of all the enslaved people, workers and entertainers who spent time in the president's official residence over the years, Clarence Lusane restores the White House to its true colors."—Barbara Ehrenreich "Reading *The Black History of the White House* shows us how much we DON'T know about our history, politics, and culture. In a very accessible and polished style, Clarence Lusane takes us inside the key national events of the American past and present. He reveals new dimensions of the black presence in the US from revolutionary days to the Obama campaign. Yes, 'black hands built the White House'—enslaved black hands—but they also built this country's economy, political system, and culture, in ways Lusane shows us in great detail. A particularly important feature of this book its personal storytelling: we see black political history through the experiences and insights of little-known participants in great American events. The detailed lives of Washington's slaves seeking freedom, or the complexities of Duke Ellington's relationships with the Truman and Eisenhower White House, show us American racism, and also black America's fierce hunger for freedom, in brand new and very exciting ways. This book would be a great addition to many courses in history, sociology, or ethnic studies courses. Highly recommended!"—Howard Winant "The White House was built with slave labor and at least six US presidents owned slaves during their time in office. With these facts, Clarence Lusane, a political science professor at American University, opens *The Black History of the White House*(City Lights), a fascinating story of race relations that plays out both on the domestic front and the international stage. As Lusane writes, 'The Lincoln White House resolved the issue of slavery, but not that of racism.' Along with the political calculations surrounding who gets invited to the White House are matters of musical tastes and opinionated first ladies, ingredients that make for good storytelling."—Boston Globe Dr. Clarence Lusane has published in *The Washington Post*, *The Miami Herald*, *The Baltimore Sun*, *Oakland Tribune*, *Black Scholar*, and *Race and Class*. He often appears on PBS, BET, C-SPAN, and other national media.

The Theatre of David Henry Hwang Jan 14 2020 Since the premiere of his play *FOB* in 1979, the Chinese American playwright David Henry Hwang has made a significant impact in the U. S. and beyond. The *Theatre of David Henry Hwang* provides an in-depth study of his plays and other works in theatre. Beginning with his "Trilogy of Chinese America", Esther Kim Lee traces all major phases of his playwriting career. Utilizing historical and dramaturgical analysis, she argues that Hwang has developed a unique style of meta-theatricality and irony in writing plays that are both politically charged and commercially viable. The book also features three essays written by scholars of Asian American theatre and a comprehensive list of primary and secondary sources on his oeuvre. This comprehensive study of Hwang's work follows his career both chronologically and thematically. The first chapter analyzes Hwang's early plays, "Trilogy of Chinese America," in which he explores issues of identity and cultural assimilation particular to Chinese Americans. Chapter two looks at four plays characterised as "Beyond Chinese America," which examines Hwang's less known plays. Chapter three focuses on *M. Butterfly*, which received the Tony Award for Best Play in 1988. In chapter four, Lee explores Hwang's development as a playwright during the decade of the 1990s with a focus on identity politics and multiculturalism. Chapter five examines Hwang's playwriting style in depth with a discussion of Hwang's more recent plays such as *Yellow Face* and *Chinglish*. The sixth chapter features three essays written by leading scholars in Asian American theatre: Josephine Lee on *Flower Drum*

Song, Dan Bacalzo on Golden Child, and Daphne Lei on Chinglish. The final section provides a comprehensive compilation of sources: a chronology, a bibliography of Hwang's works, reviews and critical sources.

A Community Built on Words Aug 21 2020 H. Jefferson Powell offers a powerful new approach to one of the central issues in American constitutional thinking today: the problem of constitutional law's historicity, or the many ways in which constitutional arguments and outcomes are shaped both by historical circumstances and by the political goals and commitments of various actors, including judges. The presence of such influences is often considered highly problematic: if constitutional law is political and historical through and through, then what differentiates it from politics per se, and what gives it integrity and coherence? Powell argues that constitutional theory has as its (sometimes hidden) agenda the ambition of showing how constitutional law can escape from history and politics, while much constitutional history seeks to identify an historically true meaning of the constitutional text that, once uncovered, can serve as a corrective to subsequent deviations from that truth. Combining history and theory, Powell analyzes a series of constitutional controversies from 1790 to 1944 to demonstrate that constitutional law from its very beginning has involved politically charged and ideologically divisive arguments. Nowhere in our past can one find the golden age of apolitical constitutional thinking that a great deal of contemporary scholarship seeks or presupposes. Viewed over time, American constitutional law is a history of political dispute couched in constitutional terms. Powell then takes his conclusions one step further, claiming that it is precisely this historical tradition of argument that has given American constitutional law a remarkable coherence and integrity over time. No matter what the particular political disputes of the day might be, constitutional argument has provided a shared language through which our political community has been able to fight out its battles without ultimately fracturing. *A Community Built on Words* will be must reading for any student of constitutional history, theory, or law.
