A Colonel's Crusades with Destiny An Autobiography Jan 29 2021 The book is basically about my hardships, challenges, and struggles encountered at every stage of my life, right from the Adolescence age till retirement from the Indian Army and thereafter, and how I overcame these with sagacity, resolute will power, determination, wisdom, and by remaining in a state of high life condition. My supersession in the army never dampened my spirits or traumatized me or my family. I continued to give my very best under all circumstances and situations. Like any other person, I too had my infatuations, crushes, and emotional attachment with the opposite sex. But my loyalties with my wife were never compromised. We are leading a very happy and contented married life with total harmony in the family comprising of my two sons and one daughter- in - law and my 3 grandchildren. My eldest son is married to an Irish lady and they are staying in Drogheda county in Ireland. Incidentally, the marriage of my son was solemnized in our presence in Ireland in July 2010. Truth has been my fundamental ingredient, which put me in embarrassing

situations many times. I firmly believe in the dictum that, " A bitter Truth is always better than a sweet lie and two wrongs do not make a right." Whatever tasks were entrusted to me were undertaken by me meticulously and methodically in an honest and transparent manner without bothering about the negative perception, if any of others. I and my wife 's induction into Nichiren Daishonin Buddhism was a shot in the arm, which provided us with a golden opportunity to improve ourselves as good human beings and continue to lead a life of " Absolute Happiness." I have always endeavored to live a King-sized life on my own terms and conditions. I have been very candid (but not a cribber) in my opinions in calling a spade a spade, leading to my genuine and selfless intentions to be misconstrued at times in the environment. And for which I had to suffer emotionally. I was a regular nonstop drinker for 43 years, but suddenly I left this addiction including gambling of horse racing and IPL cricket matches a few years ago in February 2017. It was purely due to my determination and will power, especially doing so without any therapy, medical intervention, and rehabilitation. My friends have been my lifeline and I always endeared to love and like their company. Writing my Autobiography was my long-cherished dream, which I ventured to fructify during this sudden lockout enforced upon us due to the corona virus. I always knew my inner strengths and weaknesses. Nothing is impossible in this world and I firmly believe in the dictum that, " you become whatever you think.

The Green Guide to Environmental Courses and Careers (Green Career) Feb 27 2021 2015 marks the beginning of the UN Decade of Sustainable Development. Sustainable development involves the incorporation of ecological principles in technology development and dissemination. It is in this context that the present book by Ms Megha Aggarwal is a timely contribution. The book covers a wide range of information dealing with agriculture, energy, engineering, medicine, architecture, finance, and environmental management. It should help the young students to become the architects of a sustainable future for our country. I hope the book will be read and used widely. [?] MS SWAMINATHAN Father of the Indian Green Revolution As India gradually moves towards a [?]green[?] economy, new avenues of employment are opening up for today[?]s youth. For students thinking about future course and career options, this one-of-its-kind handbook offers a rich body of information required to turn a green interest into a future opportunity. From environmental engineering, environmental science, and environmental law to agriculture, climate science, and zoology [?] it profiles a range of undergraduate and postgraduate courses, and the broad spectrum of careers they lead to. Peppared with anecdotal accounts from well-known professionals and a handy listing of useful resources, The Green Guide to Environmental Courses and Careers is a must-have for any student keen on harnessing a green passion. The book is a timely contribution.... It should help the young students to become the architects of a sustainable future for our country. [?] MS Swaminathan

Handbook on Computer Education, 2005 Jan 17 2020 With reference to India.

Love @ First Sight May 01 2021 Every love story has a childhood in it. We all have fallen in love during our adolescent years. That tender love sometimes vanishes as we grow older into the realities of this practical world and sometimes grows along with us, inside our hearts, rooted deep within our thoughts, growing into a much stronger bond with each passing moment. This is the story of one such beautiful love bond that sprouted when a young boy of 13 years of age, saw the most beautiful

face of his life. Love @ First Sight recounts how the attraction felt by this young boy went on to grow into the deepest of feelings of love, selflessness and dedication. The boy knew from all his heart that he was in love with the girl and desired her throughout his school life. But he couldn't tell her anything, as he couldn't find ways to express his feelings. He couldn't talk to her during the whole five years of their schooling together; it's another thing that she was his classmate. The love remained one sided; at least the boy thought it to be so. Love has the power to change. How love brought in the most amazing and rewarding changes in his life to make it a positively better one to live is something you will love too. So, go on, and enjoy what love can do to your life, to your living, to you. Happy Living, Happy Lovingf

OBJECTIVE Computer Awareness Nov 14 2019 *Computer Awareness is an important section for various exams of the country including IBPS, SBI (Bank PO & Clerk), SSC, Railway, Police and many other state competitive exams.
