The ILTS Expanded Study Guide for Basic Skills is designed as

*an online study tool for the Test of Academic Proficiency (TAP): Reading Comprehension, Language Arts and Writing, and Mathematics, brought to you by the experts at the Evaluation Systems group of Pearson, the most experienced company in standards-based educator licensure testing. The online Illinois Licensure Testing System: Expanded Study Guide for Basic Skills -- Access Card provides 6-months of online access to prepare for the Test of Academic Proficiency (TAP): Reading Comprehension, Language Arts and Writing, and Mathematics. This online study guide features: An annotated test framework with an overview of each subtest, and includes 50 authentic multiple-choice questions and 2 authentic writing assignments. A rationale for each multiple-choice question explains why the correct response is the best answer. Sample responses for the writing assignments demonstrate the level of writing skills that correspond to a strong score and a weak score. A score report interpretation helps examinees better understand their test results and offers strategies for retaking subtests. A description of the test development process and a list of resources for further study are also included. Once the access code is activated, the subscription is valid for six months. Part 1 contains information about the testing program and how to prepare for the tests. Part 2 is organized alphabetically according to the subject-matter knowledge tests covered by this guide and contains lists of test objectives, practice test questions, and answers and explanations for the practice test questions. However, some persons tend to depend on their states driver's manual only for their Exams and get to the DMV overconfident but unprepared. Don't allow this to happen to you, it can be different. It's my belief that people need to know what to expect on their DVM DL exam so as to prepare very well. Here comes a well prepared question and answers study manual/book that will increase your chances of passing and gives you the peace of mind so you will clear the official exam on your first attempt. This manual will give you every necessary help you will ever need to pass the DMV Exam irrespective of the part of the States you presently live in! However, without any exaggerations, I'm supper sure that if you can give-in a little time to studying this manual it would certainly serve as a standard guide towards ensuring that you pass your DMV with ease. Taking these practice permit tests will

*help you to get acquainted with the real test thereby, making your anticipated success in the exams a reality. With this manual, there is really no need to be afraid as the questions contained in it are close enough to what you will see and be tested on in the real test. This test manual has different sections of what you will be tested on based on experience. And there are many questions and answers in it, which will give you an in-depth knowledge as well as sufficient preparation for the real test. The questions cut across; defensive driving, road signs/markings and turnings. It also includes some questions on braking, steering techniques, and skid controls, and much more. As a matter of necessity, you are strongly advised to do well to repeat each test contained herein until you can achieve a consistent score of about 90% and above. In this book you will learn the exact things that those people who pass on their first attempt always do: General driving practice test Defensive driving test Teen drivers test Road signs and traffic control seen on the highway, streets and walkway, ***Includes Practice Test Questions****
