From the bestselling author of Blink and The Tipping Point, Malcolm Gladwell's Outliers: The Story of Success overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far

more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. Outliers will change the way you think about your own life story, and about what makes us all unique. 'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' Guardian 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' The Times Exploring Writing: Paragraphs and Essays serves as a guidebook for every step of the writing process. Emphasizing both process and practice, with a focus on revision, the new second edition helps to apply and advance writing skills using John Langan's proven techniques. Mastering essential sentence skills, learning to write effective paragraphs and essays, and becoming a critical reader are turning points for every writer, and they will prepare the students for writing situations in college and beyond. Clear Thinking and Writing will do exactly what its title says--help students focus their thinking and improve their writing. Students will learn that the most important things to do as a thinker and writer are to: 1) Make a clear point, and 2) Provide solid support for the point. Too many writing books lose sight of the forest for the trees. Clear Thinking and Writing presents in a nutshell what students need to do to become better thinkers and writers: make a point and then support it with appropriate, well-organized specific evidence. It gets to the heart of the matter and presents clear thinking and writing as skills that students can learn--Publisher's description.
