From the #1 New York Times–bestselling author of *Sophie's Choice*: three novellas of a young writer's journey to adulthood. In *Love Day*, twenty-year-old Paul Whitehurst is a Marine lieutenant during World War II, waiting to land on Okinawa, wrestling with anxiety and memories of his boyhood in Virginia. In *Shadrach*, ten-year-old Paul witnesses his neighbors as they welcome a guest: a ninety-nine-year-old former slave who has walked nine hundred miles from

Alabama so that he may die on the land of his childhood owner. And in *A Tidewater Morning*, Paul is thirteen and struggling to deal with his mother's impending death from cancer. Together in one volume, each of these affecting semiautobiographical novellas from the author of such literary classics as the Pulitzer Prize-winning *The Confessions of Nat Turner* and the memoir *Darkness Visible*, weaves together the transformative experiences of Whitehurst's early life with William Styron's signature deep historical insight, underscoring how the significance of the past informs the present. As the *Los Angeles Times* notes, it is "one of Styron's finest works. . . . The beauty and humanity of the Southern tradition are evoked vividly." This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives. *Category Five* is a new supernatural YA thriller from Ann Dávila Cardinal, set against the backdrop of a post-hurricane Puerto Rico. After the hurricane, some see destruction and some smell blood. The tiny island of Vieques, located just off the northeastern coast of the main island of Puerto Rico, is trying to recover after hurricane Maria, but the already battered island is now half empty. To make matters worse, as on the main island, developers have come in to buy up the land at a fraction of its worth, taking advantage of the island when it is down. Lupe, Javier, and Marisol are back to investigate a series of murders that follow in the wake of a hurricane and in the shadow of a new supernatural threat. At the Publisher's request, this title is being sold

without Digital Rights Management Software (DRM) applied. This book is an anthology with a difference. It presents a distinctive variety of Anglo-Norman works, beginning in the twelfth century and ending in the nineteenth, covering a broad range of genres and writers, introduced in a lively and thought-provoking way. Facing-page translations, into accessible and engaging modern English, are provided throughout, bringing these texts to life for a contemporary audience. The collection offers a selection of fascinating passages, and whole texts, many of which are not anthologised or translated anywhere else. It explores little-known byways of Arthurian legend and stories of real-life crime and punishment; women's voices tell history, write letters, berate pagans; advice is offered on how to win friends and influence people, how to cure people's ailments and how to keep clear of the law; and stories from the Bible are retold with commentary, together with guidance on prayer and confession. Each text is introduced and elucidated with notes and full references, and the material is divided into three main sections: Story (a variety of narrative forms), Miscellany (including letters, law and medicine, and other non-fiction), and Religious (saints' lives, sermons, Bible commentary, and prayers). Passages in one genre have been chosen so as to reflect themes or stories that appear in another, so that the book can be enjoyed as a collection or used as a resource to dip into for selected texts. This anthology is essential reading for students and scholars of Anglo-Norman and medieval literature and culture. Wide-ranging and fully referenced, it can be used as a springboard

for further study or relished in its own right by readers interested to discover Anglo-Norman literature that was written to amuse, instruct, entertain, or admonish medieval audiences. Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form." Evan's inner turmoil threatens his relationship with Matt, who worries that Evan will once again chose a life without him. "One of our major novelists" (Salman Rushdie) tells the story of a woman reflecting on her uncompromising life, and the life of a former lover, in this provocative novel. "Yiyun Li is one of my favorite writers, and Must I Go is an extraordinary book."—Meg Wolitzer, New York Times bestselling author of *The Female Persuasion* and *The Interestings* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE AND ESQUIRE Lilia Liska has shrewdly outlived three husbands, raised five children, and seen the arrival of seventeen grandchildren. Now she has turned her keen attention to the diary of a long-forgotten man named Roland Bouley, with whom she once had a fleeting affair. Increasingly obsessed

with Roland's intimate history, Lilia begins to annotate the diary with her own rather different version of events, revealing the surprising, long-held secrets of her past. She returns inexorably to the memory of her daughter Lucy. This is a novel about life in all its messy glory, and of a life lived, by the extraordinary Lilia, absolutely on its own terms. With great candor and insight, Yiyun Li navigates the twin poles of grief and resilience, loss and rebirth, that compass a human heart.

Scripture-Based Prayers for Your Daughter's Specific Needs Instead of feeling overwhelmed by concerns for your daughter, enjoy the peace that comes when you pray targeted prayers for her straight from the Bible. No matter your girl's age, pray confidently about struggles she may be facing now and in the years to come. Covering five vital areas of a girl's life--her identity, heart, mind, relationships, and purpose--this easy-to-use book is ideal for anyone who feels intimidated or uncertain about what to pray for the girl they love. Rounding out the book are conversation starters and fun activities to help you guide your daughter into becoming a godly woman.

The Prince of Wales meets his match in the first novel in an enchanting male/male romantic duology from the author of *Asking for More* and *Begging for It...* James, the handsome, cosmopolitan Prince of Wales, is used to being in the public eye. But he's keeping a king-sized secret...James, next in line for the throne, is gay. He's been able to hide his sexual orientation with the help of his best friend and beard, Lady Cassandra. Sometimes he feels like a coward for not coming out, but he daren't risk losing the crown. If he did, the succession would

fall on his deeply troubled younger sister, Princess Amelia. To protect her, James is willing to live a lie. While on holiday, he meets Benjamin Dahan—a rugged international reporter with a globe-trotting, unattached life—who catches far more than James's eye. And when Ben is transferred to London, it seems fate may finally be smiling on James. But what began as a torrid fling grows into something far more intimate and powerful. Soon James will have to decide who he is, what he wants from life and love, and what he's willing to sacrifice for the truth...

Karen Grassle, the beloved actress who played Ma on *Little House on the Prairie*, grew up at the edge of the Pacific Ocean in a family where love was plentiful but alcohol wreaked havoc. In this candid memoir, Grassle reveals her journey to succeed as an actress even as she struggles to overcome depression, combat her own dependence on alcohol, and find true love. With humor and hard-won wisdom, Grassle takes readers on an inspiring journey through the political turmoil on '60s campuses, on to studies with some of the most celebrated artists at the famed London Academy of Music and Dramatic Arts, and ultimately behind the curtains of Broadway stages and storied Hollywood sets. In these pages, readers meet actors and directors who have captivated us on screen and stage as they fall in love, betray and befriend, and don costumes only to reveal themselves. We know Karen Grassle best as the proud prairie woman Caroline Ingalls, with her quiet strength and devotion to family, but this memoir introduces readers to the complex, funny, rebellious, and soulful woman who, in addition to being the force behind those many strong women she

played, fought passionately—as a writer, producer, and activist—on behalf of equal rights for women. Raw, emotional, and tender, *Bright Lights* celebrates and honors womanhood, in all its complexity. In a dystopian near future, when things spin out of control, Cade is the only person Nox can trust to help him save his teenaged son, Sam. Evan and Matt get a shock when Evan's daughter starts talking marriage. Griffin yearns for fatherhood but thinks Jim won't be interested. The anatomy theater is where students of the human body learn to isolate structures in decaying remains, scrutinize their parts, and assess their importance. Taking a new look at the history of anatomy, the author places public dissections alongside private ones to show how the anatomical theater was both a space of philosophical learning and a place where students learned to behave in a civil manner towards their teachers, their peers, and the corpse. From the first century, when Buddhism entered China, the foreign religion shaped Chinese philosophy, beliefs, and ritual. At the same time, Buddhism had a profound effect on the material world of the Chinese. This wide-ranging study shows that Buddhism brought with it a vast array of objects big and small--relics treasured as parts of the body of the Buddha, prayer beads, and monastic clothing--as well as new ideas about what objects could do and how they should be treated. Kieschnick argues that even some everyday objects not ordinarily associated with Buddhism--bridges, tea, and the chair--on closer inspection turn out to have been intimately tied to Buddhist ideas and practices. Long after Buddhism ceased to be a major force in India, it continued to

influence the development of material culture in China, as it does to the present day. At first glance, this seems surprising. Many Buddhist scriptures and thinkers rejected the material world or even denied its existence with great enthusiasm and sophistication. Others, however, from Buddhist philosophers to ordinary devotees, embraced objects as a means of expressing religious sentiments and doctrines. What was a sad sign of compromise and decline for some was seen as strength and versatility by others. Yielding rich insights through its innovative analysis of particular types of objects, this briskly written book is the first to systematically examine the ambivalent relationship, in the Chinese context, between Buddhism and material culture.

Vigilante Nox Boyet won't rest until he brings down the man who has destroyed his beloved New York City and now threatens the people he loves. But once he's taken prisoner by the monster behind the carnage, Nox needs help. Cade Creel has come a long way from his days as a high-priced rent boy, but he never expected to join the Vigilante on a high-stakes quest, never mind fall in love with him. Now it's time to step up. Separated and desperate, Nox and Cade have their work cut out for them. With the help of new friends and old enemies, they must identify the man who has turned New York City into a dystopian nightmare and get the hell out before a raid by the Feds turns the city into a warzone. But first they must find their way back to each other.

Henry Walker, héritier présomptif d'une vaste société internationale, s'est consacré sa vie durant à satisfaire son père, un homme froid et distant.

Ses efforts futiles ne lui ont laissé aucune place pour vivre, aimer ou prendre ses propres décisions. Il n'a qu'un seul ami, son vilain secret inavoué : Archie Banks. Élevé sur le domaine des Walker auprès de Henry, Archie est à présent son chauffeur, son garde du corps... et occasionnellement son amant. Il est loyal, mais s'apprête à obtenir son diplôme universitaire. Il a des projets d'avenir qui n'incluent pas de se tenir à la disposition du père de Henry. Pas même pour ce dernier. Sans prévenir, un kidnapping brutal les conduit à la tragédie et au chaos, et les pousse dans une bataille dramatique qui les menace personnellement et met leur couple en péril. Trouveront-ils un moyen de guérir les blessures du passé, de sauver l'héritage de Henry et de bâtir un avenir commun ?

Tens of millions of people today are living part of their life in a virtual world. In places like World of Warcraft, Second Life, and Free Realms, people are making friends, building communities, creating art, and making real money. Business is booming on the virtual frontier, as billions of dollars are paid in exchange for pixels on screens. But sometimes things go wrong. Virtual criminals defraud online communities in pursuit of real-world profits. People feel cheated when their avatars lose virtual property to wrongdoers. Increasingly, they turn to legal systems for solutions. But when your avatar has been robbed, what law is there to assist you? In Virtual Justice, Greg Lastowka illustrates the real legal dilemmas posed by virtual worlds. Presenting the most recent lawsuits and controversies, he explains how governments are responding to the chaos on the cyberspace frontier. After an engaging

overview of the history and business models of today's virtual worlds, he explores how laws of property, jurisdiction, crime, and copyright are being adapted to pave the path of virtual law. Virtual worlds are becoming more important to society with each passing year. This pioneering study will be an invaluable guide to scholars of online communities for years to come.

Professionally, Dr. Alec Johnson has almost reached his goals. As this year's recipient of a humanitarian award with his ex, Dr. Tyler Hall, Alec's work with the homeless is about to be recognized. Unfortunately, his personal life sucks because now he has to attend several events alongside Tyler-with his ex's new boyfriend in tow. In an attempt to lift his mood and break out of his rut, Alec purchases a motorcycle he has no idea how to start. Dylan Booth doesn't have time for Dr. Clueless and his fickle 1964 Harley, but the cocky mechanic can't say no to the request for help. Having spent his teen years on the streets, and losing his best friend to HIV, Dylan decides teaching the do-gooder how to ride is the least he can do. But watching Alec flounder in his ex's company throws Dylan into protector mode, and the confirmed hetero introduces himself as Alec's new boyfriend. The ex suspects Dylan is lying. Alec claims Dylan's plan is insane. And Dylan's not sure he can fake being gay. But Dylan's a master bullshitter, and the phony PDA soon turns ultra-hot. Alec can't afford to get attached, and Dylan's learned everyone eventually leaves. Unfortunately, playing the backup boyfriend is starting to feel way too real... As Griffin is drawn to Jim, his old life

falls apart. He'll have to choose between telling the truth or writing a Hollywood ending. Between growing up and growing pains, weddings and retirement, changing careers and changing diapers, life is never boring. Join Matt, Evan, Jim, Griffin, and their friends and families to see what happens when the story ends. *God's Blessing Day by Day* is a trustworthy devotional compiled by renowned pastors and church leaders. Edited by Johnny Hunt, former president of the Southern Baptist Convention, this devotional is the perfect way to introduce your children and grandchildren to a legacy of faith. One of the greatest gifts - and greatest challenges - of raising children is introducing them to the ways of God. As parents and grandparents, we want to impart our faith to the children we love so dearly, and it can feel more difficult than ever in the fast-moving, instant-access culture in which we find ourselves. *God's Blessing Day by Day*, compiled by Johnny Hunt and more than 50 pastors and church leaders, is the perfect way to build faith through gratitude. This easy-to-understand, child-friendly devotional is the perfect way to engage your family. Each devotion is written on topics children care about and includes great prayers and takeaways that will spark conversation as the timeless Word of God instructs and inspires your children. Impart a deeper connection with the Lord in your children, help them establish healthy habits of devotion and prayer, and equip them with the tools they need to grow their faith. *The Book of Five Rings* is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643. Written over three centuries ago by a Samurai

warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition. Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the bitingly satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

Heir to a large company, Henry has lived only to please his father. He has just one friend, one dirty secret: Archie, his driver, bodyguard, and lover. But Archie has plans that don't involve living at the beck and call of Henry's father. Not even for Henry.

On Hindu rituals. In *Episodes*, Ian Maclean investigates the ways in which the book trade operated through book fairs, and interacted with academic institutions, journals and intellectual life in various European settings (Germany, Italy, the Netherlands and England) in the long seventeenth

century. The classic case for why government must support science—with a new essay by physicist and former congressman Rush Holt on what democracy needs from science today. *Science, the Endless Frontier* is recognized as the landmark argument for the essential role of science in society and government's responsibility to support scientific endeavors. First issued when Vannevar Bush was the director of the US Office of Scientific Research and Development during the Second World War, this classic remains vital in making the case that scientific progress is necessary to a nation's health, security, and prosperity. Bush's vision set the course for US science policy for more than half a century, building the world's most productive scientific enterprise. Today, amid a changing funding landscape and challenges to science's very credibility, *Science, the Endless Frontier* resonates as a powerful reminder that scientific progress and public well-being alike depend on the successful symbiosis between science and government. This timely new edition presents this iconic text alongside a new companion essay from scientist and former congressman Rush Holt, who offers a brief introduction and consideration of what society needs most from science now. Reflecting on the report's legacy and relevance along with its limitations, Holt contends that the public's ability to cope with today's issues—such as public health, the changing climate and environment, and challenging technologies in modern society—requires a more capacious understanding of what science can contribute. Holt considers how scientists should think of their obligation to society and what the

public should demand from science, and he calls for a renewed understanding of science's value for democracy and society at large. A touchstone for concerned citizens, scientists, and policymakers, *Science, the Endless Frontier* endures as a passionate articulation of the power and potential of science. Diehl's return to Wyoming from six years of service to his country---including combat in Iraq---is colored with a dark intent to even the score with his father. But before he can once again embrace that family, including Tony, a ranch hand with a military history of his own, Diehl's single-minded purpose of revenge against his father precipitates events that turn his life in a direction never envisioned. His comfort through it all, is Jack, a Border Collie who Diehl rescues from certain death; a dog who, perhaps, rescues Diehl from himself. As Evan and Matt's friendship turns into something deeper, both of them struggle to reconcile their overwhelming feelings for one another.

The *Book of Equanimity* contains the first-ever complete English language commentary on one of the most beloved classic collections of Zen teaching stories (koans), making them vividly relevant to spiritual seekers and Zen students in the twenty-first century. Continually emphasizing koans as effective tools to discover and experience the deepest truths of our being, Wick brings the art of the koan to life for those who want to practice wisdom in their daily lives. The koan collection Wick explores here is highly esteemed as both literature and training material in the Zen tradition, in which koan-study is one of two paths a practitioner might take. This collection is used for

training in many Zen centers in the Americas and in Europe but has never before been available with commentary from a contemporary Zen master. Wick's *Book of Equanimity* includes new translations of the preface, main case and verse for each koan, and modern commentaries on the koans by Wick himself.

Chicago cop Nick watches his roommate, best friend and secret crush Riley marry the intriguing Lily. He has no idea of Riley's true feelings for him, or the fact that Lily knows and accepts them. Dominant Lily wants to give her beloved everything he needs in bed and beyond, even if that means quiet and controlled Nick. Deep down, she suspects the equally dominant Nick is someone she may need as well. Lily pushes a physical encounter and no one is prepared for the intensity of their feelings and desire. Sex-in every combination possible-is the easy part. The conflict comes when each panics over their increasing emotional connection in their own way. Lily needs control, Nick fears commitment and Riley doesn't feel he deserves two amazing lovers. And when a stranger threatens their relationship, their careers...and their lives, Riley, Lily and Nick will need to rely on each other like never before. Young readers see how trained service dogs help people with disabilities, as a disabled veteran and his service dog, Tuesday, travel to many places. Little Lobo returns to share his love of food and wrestling in this delicious follow-up to *Vamos! Let'sGo to the Market* from Pura Belpré Medal-winning illustrator Raúl the Third. In this new *Vamos!* title, *Let's Go Eat*, Little Lobo is excited to take in a show with wrestling star El Toro in his bustling border town. After getting lunch orders from The Bull and his

friends to help prepare for the event, Little Lobo takes readers on a tour of food trucks that sell his favorite foods, like quesadillas with red peppers and Mexican-Korean tacos. Peppered with easy-to-remember Latin-American Spanish vocabulary, this glorious celebration of food is sure to leave every reader hungry for lunch! Jam-packed with fun details and things to see, the Vamos! books are perfect for fans of Richard Scarry and Where's Waldo? ARE THERE ANY LENGTHS – ANY DEPTHS – I would NOT sink to for Pooja Memsahib ... JI? I think ... NOT! If you thought the last Volume (One) was something?? Well – THIS ONE is something else altogether as you will see! On that note, I just got done with a late lunch, washing dishes etc. I had one of my favorite – and Pooja Madam's favorite, actually (or one of them!) which is more important. Cook for her, but cook what she LIKES, boy – as they say! It's all about HER! At the end of the day, and the BEGINNING TOO. And as I finish my food, I almost feel revolted. Dont get me wrong. The food was great. I cooked it with extra spices as Memsahib likes! And the gravy was GREAT. So was the Indian style flatbread that Pooja made me first learn how to cook for her, then LIKE. I wasn't a fan of them initially, but I am now. Have you ever seen those movies where the ladies (or the female servants) slave away preparing "rotis" in the kitchen, painstakingly rolling them by hand? I bet you have. And that task was mine! And it wasn't the only task either. In the last book I wrote about how I'd literally look at Pooja Memsahib Ji's WASTE. Her SHIT! Her GOLDEN WASTE, or sometimes different colors, but to me, and my loins stirr as I THINK about those turds emerging from an asshole I just

Licked, sucked and worshipped – a PERFECT Asshole TALKING TO ME – a ROSEBUD I'll clean painstakingly with my FINGERS later (you'll read all all about this abject worship in this book, and MORE! Remember, this is one of the most extreme Indian femdom experiences I've ever had!) ...and a rose bud which will be worshipped by me at night – with, or without her stud muffin's juicy, "pistol like' DONG! That dong is so lovely! I've seen my fair share of dongs, of course, as _____ . . .) Worship for Sissies and Faggots, Cuck Central, Humiliation Central, Sissygasm Central, the Sissy Reader, and Sissy Central will no doubt tell ya! The books talk to you too don't they. Hehe. And there are loads more to come (pun intended, and maybe not!). But his dong was just ... I don't know. Knobby! The minute it plopped out ... his hairy yet slim legs in full view, the dong smelling of "Indian" if I might say that (just like Indian ladies have their own unique smells down there – no doubt the cuisine or what not, so do the MEN!) ... and the balls so hairy but huge anyway ... And the dong STICKING to the balls when Sir is HOT! And me prying it free with my tongue! And the knob is shiny and its just more KNOBBY! It looks like an Indian club, to be frank! Yes. Master's dong is like a a club – and as it struck me on the nose the first time, it took my debasement to new levels, or should I say "a different colored level". I've only been made to suck Samit's dong before by Garima Madam. All her other lovers were BLACK. Ditto for Ms. Priyanka, though she often had white guys over too. Ms Katherine as well! And Su, of course, loved black "equipment", and so did I! But Pooja Memsahib is a

true patriot and daughter of the soil in that regard, and she goes firmly Indian! And his lovely dangling dong, his balls, his asshole ... but we'll talk about all that later, of course. In fact I could rave about his lovely asscrack and his sweaty MALE MASCULINE ROSEBUD which I love SOOO much, and the DUMP he takes from it ... all day ... and ... oh my! So craven, so "blasé"! Are there ANY lengths the submissive male won't go to once properly conditioned?? I think NOT my friend. Truly the most extreme series I've ever written (and yes, just getting started!) ;-0 Dive - IN! Mike Watson From the #1 internationally bestselling author of The Miniaturist comes a captivating and brilliantly realized story of two young women—a Caribbean immigrant in 1960s London, and a bohemian woman in 1930s Spain—and the powerful mystery that ties them together. England, 1967. Odelle Bastien is a Caribbean émigré trying to make her way in London. When she starts working at the prestigious Skelton Institute of Art, she discovers a painting rumored to be the work of Isaac Robles, a young artist of immense talent and vision whose mysterious death has confounded the art world for decades. The excitement over the painting is matched by the intrigue around the conflicting stories of its discovery. Drawn into a complex web of secrets and deceptions, Odelle does not know what to believe or who she can trust, including her mesmerizing colleague, Marjorie Quick. Spain, 1936. Olive Schloss, the daughter of a Viennese Jewish art dealer and an English heiress, follows her parents to Arazuelo, a poor, restless village on the southern coast. She grows close to Teresa, a young housekeeper, and Teresa's half-

brother, Isaac Robles, an idealistic and ambitious painter newly returned from the Barcelona salons. A dilettante buoyed by the revolutionary fervor that will soon erupt into civil war, Isaac dreams of being a painter as famous as his countryman Picasso. Raised in poverty, these illegitimate children of the local landowner revel in exploiting the wealthy Anglo-Austrians. Insinuating themselves into the Schloss family's lives, Teresa and Isaac help Olive conceal her artistic talents with devastating consequences that will echo into the decades to come. Rendered in exquisite detail, *The Muse* is a passionate and enthralling tale of desire, ambition, and the ways in which the tides of history inevitably shape and define our lives. *The Practice of the Presence of God in Modern English* is modern translation of the timeless spiritual classic. Written over 300 years ago in French, *The Practice of the Presence of God* is here presented in language understandable to the twenty-first century English reader. Not a paraphrase or an abridgment, this version is a faithful rendering of the text in the spirit of the original work. Brother Lawrence was a seventeenth century Christian who had a dramatic spiritual awakening at the age of eighteen. Seeing a tree in winter, his soul suddenly opened to the presence of God. Within six years he had entered a Carmelite monastery in Paris, where he worked chiefly in the kitchen, cooking and cleaning. He practiced a simple and natural method. He merely turned his attention to the Divine Presence available at all times during any activity. He reports that he was as fully present with God while washing dishes in the kitchen as he was when

partaking of the sacrament in worship. The profound peace and joy evident in Lawrence's life attracted many visitors, who sought to learn the secret of his unique spiritual practice. Originally published shortly after his death, this volume consists of personal conversations and letters, which communicate how one can experience God at all times. Also included in this edition are his Spiritual Maxims, a document that was discovered among his belongings after his death. Ann Dávila Cardinal's *Five Midnights* is a "wickedly thrilling" (William Alexander) and "flat-out unputdownable" (Paul Tremblay) novel based on the el Cuco myth set against the backdrop of modern day Puerto Rico. 2019 Digital Book World Award Winner for best Suspense/Horror Book *Five friends cursed. Five deadly fates. Five nights of retribución. If Lupe Dávila and Javier Utierre can survive each other's company, together they can solve a series of grisly murders sweeping through Puerto Rico. But the clues lead them out of the real world and into the realm of myths and legends. And if they want to catch the killer, they'll have to step into the shadows to see what's lurking there—murderer, or monster? "A frightening, fast-paced thriller." –Julianna Baggott, Alex Award-winning author of Pure At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. She knows her husband will come for her...but will he be in time? After years of living in a troubled marriage, Alexis Marron reveals her deepest desires to her husband, Pierce. As they explore the world of domination and submission, a fire explodes between them, and their decaying*

marriage is reborn—until an old lover returns to claim what he feels has always been his. Alexis has to keep her family safe, even if that means submitting to the monster in the shadows. She must learn to bend without breaking and trust that her husband will move heaven and earth to bring her back to the safety of his arms. Pierce must keep his family together until they can safely rescue his wife—but at what cost? *Bound in Love* is a full-length standalone novel with cartel members and dark as well as adult content. Please read at your own discretion as some may find the material offensive.

Faith, Love, & Devotion: Book Six Newly promoted police captain Evan Cerelli takes command of his own precinct as Matt Haight's security business begins to expand at a rapid rate. Both of their careers require more and more of their time—away from home and each other. When his most famous clients, Daisy and Bennett Ames, suffer a traumatic breakup, Matt is drawn into a dangerous and dramatic situation. With attentions diverted, Evan and Matt's tight-knit home life begins to unravel. As Griffin Drake's movie nears final edit, his thoughts turn toward building a home with his new fiancé, Jim Shea—and maybe even starting a family. Before he can think of a new family, Jim is caught up in his past. The possibility of putting Tripp Ingersoll in jail once and for all beckons, and Jim wants the closure that has long eluded him. As a new lead spurs him on, Jim begins to lose sight of the future by chasing an old ghost. Both couples struggle to remember that "happily ever after" requires hard work, trust, and tender, open hearts. When Amelia Allenby escaped a stifling London ballroom for the quiet solitude of

the Derbyshire countryside, the very last thing she wanted was an extremely large, if—she grudgingly admits—passably attractive man disturbing her daily walks. Lecturing the surveyor about property rights doesn't work and, somehow, he has soon charmed his way into lemon cakes, long walks, and dangerously heady kisses. The very last place Sydney wished to be was in the shadow of the ruins of Pelham Hall, the inherited property that stole everything from him. But as he awaits his old friend, the Duke of Hereford, he finds himself increasingly captivated by the maddeningly lovely and exceptionally odd Amelia. He quickly finds that keeping his ownership of Pelham Hall a secret is as impossible as keeping himself from falling in love with her. But when the Duke of Hereford arrives, Sydney's ruse is revealed and what started out as a delicate deception has become a love too powerful to ignore. Will they let a lifetime of hurt come between them or can these two lost souls find love and peace in each other?
