How did the Bible survive the Enlightenment? In this book, Jonathan Sheehan shows how Protestant translators and scholars in the eighteenth century transformed the Bible from a book justified by theology to one justified by culture. In doing so, the Bible was made into the cornerstone of Western heritage and invested with meaning, authority, and significance even for a secular age. The Enlightenment Bible offers a new history of the Bible in the century of its greatest crisis and, in turn, a new vision of this century and its effects on religion. Although the Enlightenment has long symbolized the corrosive effects of modernity on religion, Sheehan shows how the Bible survived, and even thrived in this cradle of ostensible secularization. Indeed, in eighteenth-century Protestant Europe, biblical scholarship and translation became more vigorous and culturally significant than at any time since the Reformation. From across the theological spectrum, European scholars--especially German and English--exerted tremendous energies to rejuvenate the Bible, reinterpret its meaning, and reinvest it with new authority. Poets, pedagogues, philosophers, literary critics, philologists, and historians together built a post-theological Bible, a monument for a new religious era. These literati forged the Bible into a cultural text, transforming the theological core of the Judeo-Christian tradition. In the end, the Enlightenment gave the Bible

the power to endure the corrosive effects of modernity, not as a theological text but as the foundation of Western culture. The Catholic teachings and practices edition of Ready-to-Go Game Shows is a great way for teens to learn about the history, teachings, and rituals of Catholicism. Complete instructions for these eight games are included: Who Wants to Be a Catholic Millionaire Faithful Feud Catholic Jeopardy Holy, Holy, Holy Squares The Church Is Right The Real Fortune Grace Ball Catholic Pictionary Gnosticism was a wide-ranging religious movement of the first millennium CE—with earlier antecedents and later flourishings—whose adherents sought salvation through knowledge and personal religious experience. Gnostic writings offer striking perspectives on both early Christian and non-Christian thought. For example, some gnostic texts suggest that god should be celebrated as both mother and father, and that self-knowledge is the supreme path to the divine. Only in the past fifty years has it become clear how far the gnostic influence spread in ancient and medieval religions—and what a marvelous body of scriptures it produced. The selections gathered here, in poetic, readable translation, represent Jewish, Christian, Hermetic, Mandaean, Manichaeian, Islamic, and Cathar expressions of gnostic spirituality. Their regions of origin include Egypt, the Greco-Roman world, the Middle East, Syria, Iraq, China, and France. Also included are introductions, notes, an extensive glossary, and a wealth of suggestions for further reading. Homicide in the Biblical World analyses the treatment of homicide in the Hebrew Bible and demonstrates that it is directly linked to the unique social structure and religion of ancient

Israel. Close parallels between biblical law and ancient Near Eastern law are evident in the laws of the ox that gored and the pregnant woman who is assaulted, but, when the total picture of the process by which homicide was adjudicated comes into view, what is most noticeable is how little of it is similar to ancient Near Eastern law. This book reconstructs biblical law from both legal texts and narrative texts and analyses both the law collections and documents from actual legal cases from the ancient Near East. Finding Loopholes in the Bible on Divorce and "Re-marriage" is like ... Riding a Bike to Jamaica. Looking for answers about marriage, divorce, and "re-marriage"? You'll find them in this illustrated, 400-page book. It's as unique as its title with hundreds of Scriptures examined by Brumbaugh, a veteran teacher with nearly half a century of Biblical instructional experience. Through a study of this book, you will also discover how you can assess the accuracy of the many Bible versions on the market. Learn how to study the Bible with understanding; how to recognize a new kind of family feud; when a marriage is or is not consummated; Biblical guidance for those who are "re-married."

Comments from readers: "All I can say is WOW! I want more." "You haven't left a stone unturned." "It is clearly written with love and compassion." "You've shown me things in the Word I've never seen before." Enmity between individuals was an ubiquitous phenomenon in the ancient world. Using the method of legal anthropology this book examines patterns of hate-driven feuding in kinship-based and segmentary societies and applies these insights to biblical law. It defines the fundamental categories of enmity, love, revenge, honor

and shame in the context of feuding and it illustrates certain legal actions, such giving false witness, and shows how they are expressions of hateful relationships. Adam proposes that we should understand hate between individuals as a legal construct that becomes visible when lived out as private enmity, a social status that exhibits distinct hallmarks. In kinship-based societies, private hate/enmity was publicly declared and, consequently, was publicly known in one's own kin and beyond. Private enmity was acted out in feud-like patterns, with a flexibility that allowed opponents to choose between various measures to hurt their opponent. Acting out hate was reciprocal, and it typically escalated and swiftly expanded into one party's attempt to kill the other and to trigger a blood feud. Finally, private enmity was "transitive" in the sense that opponents at enmity naturally expected solidarity from kin and friends. Adam uses textual analysis to illustrate how the legal construct of hate informs biblical law from the Covenant Code, to Deuteronomic and Priestly Legislation, including the Holiness Code. He also demonstrates how hate forms the backdrop of conflict settlement. Ultimately, by ways of tracing back through the category of private hate and enmity, this book unpacks the meaning of the quintessential command to "Love your neighbor!" First published in 2004, The Jewish Study Bible is a landmark, one-volume resource tailored especially for the needs of students of the Hebrew Bible. It has won acclaim from readers in all religious traditions. The Jewish Study Bible, which comes in a protective slipcase, combines the entire Hebrew Bible--in the celebrated Jewish Publication Society TANAKH Translation--with explanatory notes,

introductory materials, and essays by leading biblical scholars on virtually every aspect of the text, the world in which it was written, its interpretation, and its role in Jewish life. The quality of scholarship, easy-to-navigate format, and vibrant supplementary features bring the ancient text to life. This second edition includes revised annotations for nearly the entire Bible, as well as forty new and updated essays on many of the issues in Jewish interpretation, Jewish worship in the biblical and post-biblical periods, and the influence of the Hebrew Bible in the ancient world. The Jewish Study Bible, Second Edition, is an essential resource for anyone interested in the Hebrew Bible. Values are culturally specific. This handbook explains select biblical social values in their Mediterranean cultural contexts. Some examples of values are altruism, freedom, family-centeredness, obedience, parenting, and power. Though the English words for the values described here would be familiar to readers (e.g., altruism) the meanings of such words differ between cultures. In the Mediterranean world, for instance, altruism is a duty incumbent upon anyone who has surplus. It is interpersonal and group specific. In the West, especially in the United States, altruism is impersonal and universally oriented generosity that operates in a highly organized context. This handbook not only presents the Mediterranean meanings of these value words but also contrasts those meanings with Western ones. This fun, upbeat introduction to the Bible covers all the basics in an engaging and accessible format. Do you ever feel like you don't have what it takes? Like you can't be as good as those around you? Well, after waiting decades for his time to lead, Joshua

had some big shoes to fill. He may have felt slightly intimidated by the task at hand. Joshua's predecessor, Moses, had a near spotless résumé: he led the Jews out of Egypt, parted the Red Sea, and even conversed directly with God. Not exactly an easy act to follow. Yet Joshua's fearless confidence in God proved to be more than enough. God used Joshua in miraculous ways. All his life, the people of Israel followed and trusted Joshua's lead. The Fresh Life series was created by women for women, who crave a profound experience of God's Word without an overwhelming time commitment. In just 20 minutes a day, you will come to a deeper understanding of the truths of the Bible. With a group or by yourself, use this easy-to-use study to develop a fearless, Joshua-like confidence in God so you can accomplish everything He asks you to do. A beautiful, fully updated edition of the popular and beloved New Jerusalem Bible, which has sold over half a million copies. The Revised New Jerusalem Bible presents anew the scholarship, character, and clarity of the 1966 Jerusalem Bible (the first modern English version) and the 1985 New Jerusalem Bible. It is a Bible that prioritizes: • a bold, rich language as suitable for reading out loud as for studying in silence, so that "the message might be fully proclaimed" (2 Timothy 4:17) • accurate translation of the original scriptures rather than the "dynamic equivalence" of some other modern versions • assurance that the message of the Bible is directed to men and women equally, despite the inbuilt bias of the English language This comprehensive Study Edition is the world's first presentation of the full Revised New Jerusalem Bible, complete with study notes, cross-references, and book introductions. It has been

prepared and edited for a modern readership by Dom Henry Wansbrough, OSB, who was general editor of the New Jerusalem Bible. Other features include:

- **The book of Psalms is based on the text of the 2010 translation of The Revised Grail Psalms.**
- **Ancient systems of measure and time have been replaced by modern, metric equivalents.**
- **A table of the notes provides explanations of the key words, themes, and ideas in the Bible's major footnotes.**
- **A chronological table, an index of persons, and eight pages of full-color maps provide historical context.**

For all who are discovering the mysteries contained in Scripture for the first time and for those coming to this holy book for regular inspiration, only a clear, understandable Bible translation will do. The Revised New Jerusalem Bible is the one Christians the world over can trust. Save \$4.95 when you buy both Ready-to-Go Game Shows books! The Bible edition of Ready-to-Go Game Shows helps youth learn about the people, places, and stories of the Bible. Complete instructions for these games are included: Who Wants to Be a Bible Millionaire Faithful Feud Bible Jeopardy Holyword Squares The Bible Is Right The Real Fortune Bible Baseball

Scripture One man's quest to rectify the mistakes he is convinced were made by history's most famous prophet, Jesus. "Are you secure in your beliefs? Whatever your answer might be, you should read this book... This book qualifies as an excellent debut novel on so many levels. Firstly, it tells a cracking story of one confused and increasingly delusional man's journey through life, land and time. It depicts, in a highly fictional yet worryingly prophetic way, how destructively the influence of religion can affect not just the perspective of a single individual,

but the development of an entire belief system. Secondly it questions the origins, validity, theory, authenticity, and general principles of modern belief systems, in an often scathing but always genuinely inquisitive way. A way, nevertheless, that some will find fascinating, while other, more orthodox religious practitioners, might find unacceptable. But keep reading, there are many twists and turns in the story. I have been lucky enough to read the second instalment of the story, which is not yet available to the public, but I can assure you takes the story to a conclusion that's worth the wait. (I must add that this first book is a complete story in itself.) Thirdly, the story leads the main character to develop a theory which daringly suggests a complete alternative to the religiously accepted concept of 'God', or divine being. One that will ruffle the feathers of believers and non-believers alike. Ultimately, the book is just a novel and I enjoyed it as a story. But as a committed atheist, I found myself doing the one thing I never thought I would... considering the possible existence of divine spirituality. Many will scoff, many will take umbrage, many will have their religious commitment undermined, others will be thrown into confusion, but no one will read this book without re-examining their attitude towards modern religion, God, and spirituality. The question that matters is - No matter what your religious convictions are, are they strong enough to read this book?" William Barclay testifies to the Bible's unique value as an inspired book and gives clear advice on the best way to read it. He tells how the biblical writings came into being and finally gained acceptance as Scripture. And he explains the significance and the status of the Apocrypha. Most

important of all, William Barclay presents the Bible as a book to be read and enjoyed today - a light in the darkness of a world that has lost its way. Barclay's original text has been edited and revised by Professor John W. Rogerson, who has also written a new introduction. Rogerson is the head of the Department of Biblical Studies at the University of Sheffield and an authority on the Old Testament. Plato and the Creation of the Hebrew Bible for the first time compares the ancient law collections of the Ancient Near East, the Greeks and the Pentateuch to determine the legal antecedents for the biblical laws. Following on from his 2006 work, Berossus and Genesis, Manetho and Exodus, Gmirkin takes up his theory that the Pentateuch was written around 270 BCE using Greek sources found at the Great Library of Alexandria, and applies this to an examination of the biblical law codes. A striking number of legal parallels are found between the Pentateuch and Athenian laws, and specifically with those found in Plato's Laws of ca. 350 BCE. Constitutional features in biblical law, Athenian law, and Plato's Laws also contain close correspondences. Several genres of biblical law, including the Decalogue, are shown to have striking parallels with Greek legal collections, and the synthesis of narrative and legal content is shown to be compatible with Greek literature. All this evidence points to direct influence from Greek writings, especially Plato's Laws, on the biblical legal tradition. Finally, it is argued that the creation of the Hebrew Bible took place according to the program found in Plato's Laws for creating a legally authorized national ethical literature, reinforcing the importance of this specific Greek text to the authors of

the Torah and Hebrew Bible in the early Hellenistic Era. This study offers a fascinating analysis of the background to the Pentateuch, and will be of interest not only to biblical scholars, but also to students of Plato, ancient law, and Hellenistic literary traditions. Explore perceptions and interpretations of scripture in American politics, identity, popular culture, and public education Essays from the perspectives of American history, the history of ideas, film studies, visual studies, cultural studies, education, and church-state studies provide essential research for those interested in the intersection of the Bible and American culture. The contributors are Yaakov Ariel, Jacques Berlinerblau, Mark A. Chancey, Rubén Dupertuis, John Fea, Shalom Goldman, Charles C. Haynes, Carol Meyers, Eric M. Meyers, David Morgan, Adele Reinhartz, and David W. Stowe. Features: Ten essays and an introduction present research from professors of biblical studies, Judaism, English, and history Articles relevant to scholars, students, and the general public Analysis of the tensions in American society regarding the Bible and its role in public life. Focusing on the overarching theme of religious satire in Adventures of Huckleberry Finn, this study reveals the novel's hidden motive, moral and plot. The author considers generations of criticism spanning the 19th, 20th and 21st centuries, along with new textual evidence showing how Twain's richly evocative style dissects Huck's conscience to propose humane amorality as a corrective to moral absolutes. Jim and Huck emerge as archetypal twins—biracial brothers who prefigure America's color-blind ideals. 1. Troglodytes, Hottentots, and Hebrews: the Bible and the genesis of German

ethnography -- 2. The law and the people: Mosaic Law and the German Enlightenment -- 3. The eighteenth-century polemic on the extermination of the Canaanites -- 4. "Is Judah indeed the Teutonic fatherland?" the Hebrew model and the birth of German national culture -- 5. "Lovers of Hebrew poetry": the battle over the Bible's relevance at the turn of the nineteenth century

How can we make sense of violence in the Bible? Joshua commands the people of Israel to wipe out everyone in the promised land of Canaan, while Jesus commands God's people to love their enemies. How are we to interpret biblical passages on violence when it is sanctioned at one point and condemned at another? The Violence of the Biblical God by L. Daniel Hawk presents a new framework, solidly rooted in the authority of Scripture, for understanding the paradox of God's participation in violence. Hawk shows how the historical narrative of the Bible offers multiple canonical pictures for faithful Christian engagement with the violent systems of the world. Antonios Finitsis and contributors continue their examination of dress and clothing in the Hebrew Bible in this collection of illuminating essays. Straddling the divide between the material and the ideological, this book lends shape and texture to topics including social standing, agency, and the motif of cloth and clothing in Esther. Essays also explore the function of dress metaphors in imprecatory Psalms, the symbolic function of headdresses, and the divine clothing of Adam and Eve and the hermeneutics of trauma recovery. Together, the contributors continue to shape scholarly discourse on a growing body of scholarship on dress in the Bible. By turning their analytical gaze to this primary

evidence, the contributors are able to reveal the social, psychological, aesthetic, ideological and symbolic meanings of dress in the Hebrew Bible, thereby producing insights into the literature and cultural world of the ancient Near East. 2000 Catholic Press Association Award Winner! Interpreting the Bible respectfully is a cross-cultural enterprise. For those who seek to understand the Bible as a document from the ancient Mediterranean world and communicate it to people in other cultures, The Cultural Dictionary of the Bible is an ideal tool. Scripture expert John Pilch gives the modern Bible reader an appreciation for the world in which each book of the Bible originated and an in-depth look at the Mediterranean personalities who populate the pages of the Bible. With more than 100 distinctive, Middle-Eastern notions, from Abba" to "Work," this collection provides a cultural system of shared interpretations of persons, things, and events relating to the Mediterranean region. By applying a social-scientific approach to interpreting the Bible, Pilch shows how a multi-cultural understanding, enriched with the discoveries and insights taken from contemporary anthropological studies, can be used to examine the distinctive, Middle Eastern cultural world of the Bible. Since each article discusses a variety of persons, things, and events under its title, the alphabetized table of contents presents a comprehensive list of these subjects for ready reference. Uppercase entries identify complete articles; lowercase entries list some of the related topics treated in the articles. A bibliography is provided at the end of each major article. A list of basic resources at the end of the volume presents a selection of dictionaries, atlases, and similar

books for supplemental information on each topic. Preachers, readers, RCIA participants and students alike will appreciate the index to the Sunday Lectionary readings for the full three-year cycle that is provided and its citation of the words defined in the dictionary that appear in the given readings. Includes illustrations of appropriate entries. Entries include: ABBA Agriculture Alternate Reality ANGER Animals Antonia Fortress Bailey Beard Bread Blindness Boat Burial Carpenter Caves Centurion Christians CLOTHES COINS Corban COSMETICS AND JEWELRY Culture DANCE DEATH DECEPTION AND LYING DRINKING AND EATING Earrings Eating Emotions Evil Eye Eyes Fishing FORGIVENESS Fortresses Frankincense Goats Good Shepherd HAIR Hands HEALING Heaven HOLY MAN Honey Honor and Shame HOUSE HUMOR Individualism Insider/Outsider Israelite Jewelry JEWS AND CHRISTIANS John the Baptist Judeans Laughter Life Literary Forms Lying MILITARY Milk MUSIC Mother Nazirite NONVERBAL COMMUNICATION Oath Oil Perfume Peter's House Poor PRAYER Puns Rabbi Revenge Roads Salt Satan Sea SECRECY Shalom Shame SHEEP AND GOATS SICKNESS Sign Sin Singing SKY SMELLS AND TASTES Sorghum Space SPIRITS Stonemason SYMBOLISM Tastes Teeth Tents Translation TRAVEL Vengeance Water WEATHER Wheat Wine Wool WORK J. Pilch, PhD, teaches Scripture at Georgetown University, Washington, DC. He is the author of *The Cultural World of Jesus Sunday by Sunday: Cycles A, B, C*, and the leaflet *Selecting a Bible Translation*, published by The Liturgical Press. Other The Liturgical Press publications include his commentary on *Galatians and Romans in the Collegeville Bible Commentary series*, and articles in *The Modern Catholic*

***Encyclopedia, The Collegeville Pastoral Dictionary of Biblical Theology, and The Bible Today.* " This book explores a variety of biblical texts in order to clarify and better understand the relationship between the individual and the community in ancient Israel. Although much of the argument is focused upon Deuteronomy and the deuteronomistic history, other pentateuchal and prophetic texts are also probed. In particular, certain instances of divine retribution that are corporate in nature are explored, and it is argued that such punishments are quite common and completely understandable of the basic theological ideas that are operative in such cases. The examination turns to other biblical texts that appear to reject the notion of corporate divine retribution (e.g., Ezekiel 18). Here the focus is on whether these texts do in fact reject all forms of corporate divine retribution and how large a shift these texts signal in the biblical understanding of the relationship between the individual and the community. Finally, Kaminsky asserts that certain theological features explored in this study can be used by those scholars who argue that the enlightenment idea of individualism needs to be balanced by a renewed philosophical and theological emphasis on the individual's responsibility to the larger society. At last, a reader-friendly commentary that reads like letters from a good friend! This new edition, the second in the Old Testament series following "The Pentateuch, covers all of the books of the major and minor prophets. Comprised of contributions from scholars across the globe, The Oxford Handbook of Biblical Narrative is a state-of-the-art anthology, offering critical treatments of both the Bible's**

narratives and topics related to the Bible's narrative constructions. The Handbook covers the Bible's narrative literature, from Genesis to Revelation, providing concise overviews of literary-critical scholarship as well as innovative readings of individual narratives informed by a variety of methodological approaches and theoretical frameworks. The volume as a whole combines literary sensitivities with the traditional historical and sociological questions of biblical criticism and puts biblical studies into intentional conversation with other disciplines in the humanities. It reframes biblical literature in a way that highlights its aesthetic characteristics, its ethical and religious appeal, its organic qualities as communal literature, its witness to various forms of social and political negotiation, and its uncanny power to affect readers and hearers across disparate time-frames and global communities. "This is a complete revision of the Gold Medallion-winning commentary series. It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint."--Publisher description. Presents Scripture verses and readings for each day of the year, designed to help young people make good choices in their daily lives.
