This classic, field-defining textbook, now in its sixth edition, provides the most comprehensive guidance available for anyone needing up-to-date information in pharmacoepidemiology. This edition has been fully revised and updated throughout and continues to provide a rounded view on all perspectives from academia, industry and regulatory bodies, addressing data sources, applications and methodologies with great clarity. Warren's SURVEY OF ACCOUNTING, 8E provides future managers, leaders and professionals with an overview of the basic topics of financial and managerial accounting. The book's unique Integrated Financial Statement Framework illustrates the impact of transactions on financial statements without the use of detailed rules and procedures involving debits and credits. Additionally, this edition also introduces and incorporates Warren's Metric Analysis to link transactions and management decisions to metrics that assess the financial condition and performance of businesses - demonstrating the impact of transactions and management decisions on business. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Provides information on manuscript preparation, punctuation, spelling, quotations, captions, tables, abbreviations, references, bibliographies, notes, and indexes, with sections on journals and electronic media. The seventh edition of Birt's Accounting textbook is designed for the core accounting unit in a business or commerce degree. Many students who plan to major in soft-side disciplines such as marketing or human resource management need a clear and accessible text that emphasises the relevance of accounting to business. The Accounting interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Ernst & Young, animated work problems and questions with immediate feedback. Birt's unique resource can also form the basis of a blended learning solution for lecturers. After 30 years, Obstetrics: Normal and Problem Pregnancies remains your go-to choice for authoritative guidance on managing today's obstetric patient. International experts put the latest knowledge in this specialty at your fingertips, with current and relevant information on everything from fetal origins of adult disease, to improving global maternal health, to important topics in day-to-day obstetrical practice. Highly readable, well-illustrated, and easy to understand, this bestselling obstetrics reference is an ideal tool for residents and clinicians. Take advantage of the collective wisdom of global experts in the field, including two new editors- Drs. Vincenzo Berghella and William Grobman -- and nearly 30 new contributors. Gain a new perspective on a wide range of today's key issues - all evidence-based and easy to read. Sweeping updates throughout including four new chapters: 'Vaginal Birth after Cesarean Delivery'; 'Placenta Accreta'; 'Obesity'; and 'Improving Global Maternal Health: Challenges and Opportunities' 11 videos reinforce chapter content and enhance learning in areas such as cesarean delivery and operative vaginal delivery New Glossary of the most frequently used key abbreviations for easy reference Expanded use of bolded statements and key points as well as additional tables, flow diagrams, and bulleted lists facilitates and enhances the mastery of each chapter More than 100 images in the Obstetrical Ultrasound chapter provide an important resource for normal and abnormal fetal anatomy Thorough review and self-assessment for any student of accounting Study Guide to accompany Financial Accounting: Tools for Business Decision Making, 7th Edition offers students an invaluable opportunity to focus their study time and better retain critical information. Fully aligned with the test, each chapter contains an overview and lesson-by-lesson review to reinforce key points, followed by a chapter self-test that helps you assess your level of understanding and apply your knowledge to practical scenarios. Although designed as a companion to Financial Accounting, this study guide is complete and versatile enough to use with any accounting text. Used and rental products may not include WileyPLUS registration cards. Managerial Accounting, 7th Edition by Weygandt, Kimmel, and Kieso provides students with a clear introduction to fundamental managerial accounting concepts. The 7th edition helps students get the most out of their accounting course by making practice simple. New opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content, and the practice, homework, and assessments questions. Weygandt, Managerial Accounting is a best-selling program ideal for a one semester undergraduate Managerial Accounting Course that focuses on teaching students the core concepts. From the prizewinning author of HHhH, “the most insolent novel of the year” (L’Express) Paris, 1980. The literary critic Roland Barthes dies—struck by a laundry van—after lunch with the presidential candidate François Mitterand. The world of letters mourns a tragic accident. But what if it wasn’t an accident at all? What if Barthes was . . . murdered? In The Seventh Function of Language, Laurent Binet spins a madcap secret history of the French intelligentsia, starring such luminaries as Jacques Derrida, Umberto Eco, Gilles Deleuze, Michel Foucault, Judith Butler, and Julia Kristeva—as well as the hapless police detective Jacques Bayard, whose new case will plunge him into the depths of literary theory (starting with the French version of Roland Barthes for Dummies). Soon Bayard finds himself in search of a lost manuscript by the linguist Roman Jakobson on the mysterious “seventh function of language.” A brilliantly erudite comedy that recalls Flaubert’s Parrot and The Name of the Rose—with more than a dash of TheDa Vinci Code—The Seventh Function of Language takes us from the cafés of Saint-Germain to the corridors of Cornell University, and into the duels and orgies of the Logos Club, a secret philosophical society that dates to the Roman Empire. Binet has written both a send-up and a wildly exuberant celebration of the French intellectual tradition. Advanced Accounting delivers an in-depth, comprehensive introduction to advanced accounting theory and application, using actual business examples and relevant news stories to demonstrate how core principles translate into real-world business scenarios. Clearly defined and logically organized Learning Objectives aid in student comprehension, while highlighted Related Concepts illustrate how individual concepts fit into the larger picture. Short answer questions throughout the chapter allow students to test their knowledge before reaching the more in-depth end-of-chapter questions, promoting a deeper understanding of both technical and conceptual aspects of the field. Written by active accounting researchers, this text brings clarity and flexibility to the central ideas underlying business combinations, consolidated financial statements, foreign currency transactions, partnerships, non-profit accounting and more. This new Seventh Edition has been updated to reflect the latest changes to FASB and GASB standards, allowing students to build a skill set based on up-to-date practices. With a student-oriented pedagogy designed to enhance comprehension, promote engagement, and build real-world understanding, this user-friendly book provides an essential foundation in current advanced accounting methods and standards. Managerial Accounting: Tools for Business Decision Making, 7th Edition by Weygandt, Kimmel, and Kieso provides students with a clear introduction to fundamental managerial accounting concepts. The Seventh Edition helps students get the most out of their accounting course by making practice simple. Both in the print text and online in WileyPLUS with ORION new opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content, and the practice, homework, and assessments questions. Weygandt, Managerial Accounting is a best-selling program ideal for a one semester undergraduate Managerial Accounting Course that focuses on teaching students the core concepts. This package includes a three-hole punched, loose-leaf edition of ISBN 9781119444237 and a registration code for the WileyPLUS Next Gen course associated with the text. Used and rental products may not include registration cards. The new seventh edition of Financial Accounting: Tools for Decision-Making by Kimmel, Weygandt, Kieso, Trenholm, Irvine and Burnley continues to provide the best tools for both instructors and students to succeed in their introductory financial accounting class. It helps students understand the purpose and use of financial accounting, whether they plan to become accountants or whether they simply need it for their personal life or career. The book’s unique, balanced procedural and conceptual (user-oriented) approach, proven pedagogy and breadth of problem material has made Financial Accounting the most popular introductory text in Canada. This hands-on text, paired with a powerful online teaching and learning environment, WileyPLUS with ORION, offers

students a practical set of tools for use in making business decisions based on financial information. Teaching at Its Best This third edition of the best-selling handbook offers faculty at all levels an essential toolbox of hundreds of practical teaching techniques, formats, classroom activities, and exercises, all of which can be implemented immediately. This thoroughly revised edition includes the newest portrait of the Millennial student; current research from cognitive psychology; a focus on outcomes maps; the latest legal options on copyright issues; and how to best use new technology including wikis, blogs, podcasts, vodcasts, and clickers. Entirely new chapters include subjects such as matching teaching methods with learning outcomes, inquiry-guided learning, and using visuals to teach, and new sections address Felder and Silverman's Index of Learning Styles, SCALE-UP classrooms, multiple true-false test items, and much more. Praise for the Third Edition of Teaching at Its Best Everyone veterans as well as novices will profit from reading Teaching at Its Best, for it provides both theory and practical suggestions for handling all of the problems one encounters in teaching classes varying in size, ability, and motivation." Wilbert McKeachie, Department of Psychology, University of Michigan, and coauthor, McKeachie's Teaching Tips This new edition of Dr. Nilson's book, with its completely updated material and several new topics, is an even more powerful collection of ideas and tools than the last. What a great resource, especially for beginning teachers but also for us veterans!" L. Dee Fink, author, Creating Significant Learning Experiences This third edition of Teaching at Its Best is successful at weaving the latest research on teaching and learning into what was already a thorough exploration of each topic. New information on how we learn, how students develop, and innovations in instructional strategies complement the solid foundation established in the first two editions." Marilla D. Svinicki, Department of Psychology, The University of Texas, Austin, and coauthor, McKeachie's Teaching Tips This package includes a copy of ISBN 9781118334331 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include WileyPLUS registration cards. Written in a concise, clear, and conversation way, Kimmel Financial Accounting 7th Edition Binder Ready Version provides just the right amount of information students need to come to class prepared, while powerful visuals and Interactive Tutorials make complex accounting concepts possible to absorb quickly. Starting with the big picture of financial statements first, Paul Kimmel shows students why financial accounting is important to their everyday lives, business majors, and future careers. This best-selling financial accounting text is known for the most relevant and easy to understand examples, while teaching students the accounting cycle through the lens of one consistent story of Sierra Corp, an outdoor adventure company. Highly readable, well-illustrated, and easy to understand, Gabbe's Obstetrics: Normal and Problem Pregnancies is an ideal day-to-day reference or study tool for residents and clinicians. This 8th Edition of this bestselling text offers fast access to evidence-based, comprehensive information, now fully revised with substantial content updates, new and improved illustrations, and a new, international editorial team that continues the tradition of excellence established by Dr. Steven Gabbe. Puts the latest knowledge in this complex specialty at your fingertips, allowing you to quickly access the information you need to treat patients, participate knowledgably on rounds, and perform well on exams. Contains at-a-glance features such as key points boxes, bolded text, chapter summaries and conclusions, key abbreviations boxes, and quick-reference tables, management and treatment algorithms, and bulleted lists throughout. Features detailed illustrations from cover to cover—many new and improved—including more than 100 ultrasound images that provide an important resource for normal and abnormal fetal anatomy. Covers key topics such as prevention of maternal mortality, diabetes in pregnancy, obesity in pregnancy, vaginal birth after cesarean section, and antepartum fetal evaluation. Provides access to 11 videos that enhance learning in areas such as cesarean delivery and operative vaginal delivery. The text is current, concise, and clearly written, with cases at the end of each chapter to illustrate the material. \* An interactive CD lets students test and expand their understanding with multiple-choice questions, key term matching exercises, demonstrations of various concepts and techniques, critical thinking exercise, interactive cases, and videos. \* A dynamic Web site provides test study guides, exercises, games, web testing, relevant articles, from The Wall Street Journal and other sources linked to the text, links to relevant web sites, additional cases, and other materials. Delivering Health Care in America, Sixth Edition is the most current and comprehensive overview of the basic structures and operations of the U.S. health system--from its historical origins and resources, to its individual services, cost, and quality. Using a unique "systems" approach, the text brings together an extraordinary breadth of information into a highly accessible, easy-to-read resource that clarifies the complexities of health care organization and finance while presenting a solid overview of how the various components fit together. While the book maintains its basic structure and layout, the Sixth Edition is nonetheless the most substantive revision ever of this unique text. Because of its far-reaching scope, different aspects of the Affordable Care Act (ACA) are woven throughout all 14 chapters. The reader will find a gradual unfolding of this complex and cumbersome law so it can be slowly digested. Additionally, as U.S. health care can no longer remain isolated from globalization, the authors have added new global perspectives, which the readers will encounter in several chapters. Key Features:- Comprehensive coverage of the ACA and its impact on each aspect of the U.S. health care system woven throughout the book- New "ACA Takeaway" section in each chapter as well as a new Topical Reference Guide to the ACA at the front of the book- Updated tables and figures, current research findings, data from the 2010 census, updates on Healthy People 2020, and more- Detailed coverage of the U.S. health care system in straightforward, reader-friendly language that is appropriate for graduate and undergraduate courses alike WileyPLUS sold separately from text. Kimmel Financial Accounting, 7th Edition provides just the right amount of information students need to come to class prepared, while powerful visuals and Interactive Tutorials make complex accounting concepts possible to absorb quickly. Starting with the big picture of financial statements first, Paul Kimmel shows students why financial accounting is important to their everyday lives, business majors, and future careers. This best-selling financial accounting text is known for the most relevant and easy to understand examples, while teaching students the accounting cycle through the lens of one consistent story of Sierra Corp, an outdoor adventure company. Meet a very Serious Goose in late-night host Jimmy Kimmel's first fun and funny picture book! There is nothing silly about this goose. You CANNOT make her laugh, so DON'T EVEN TRY! Written, illustrated, and lettered by

Jimmy Kimmel, this picture book challenges young readers to bring the silly out of a very Serious Goose. Inspired by Jimmy's nickname for his kids, The Serious Goose reminds us to be silly in a serious way. Put your little comedians in front of a mylar mirror and challenge them to make this no-nonsense goose smile. This delightful read-aloud is guaranteed to create gaggles of giggles time and time again! Kimmel's proceeds from sales of THE SERIOUS GOOSE will be donated to Children's Hospital Los Angeles (CHLA) and children's hospitals around the country. Financial Accounting and Reporting is the most up to date text on the market. Now fully updated in its fourteenth edition, it includes extensive coverage of International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS). This market-leading text offers students a clear, well-structured and comprehensive treatment of the subject. Supported by illustrations and exercises, the book provides a strong balance of theoretical and conceptual coverage. Students using this book will gain the knowledge and skills to help them apply current standards, and critically appraise the underlying concepts and financial reporting methods. MANAGERIAL ACCOUNTING, 7E shows readers how managerial accounting plays an essential role in helping today's managers make effective business decisions for their companies. This edition has been revised with an emphasis on showing students "Here's How It's Used." This unique learning approach along with relevant examples encourages and enables students to develop a deeper understanding of managerial accounting and its implications for business. Readers learn why managerial accounting is important, what it is, where managerial information comes from and how it is best used to make strong business decisions. This edition even explores emerging topics of interest to today's readers, such as sustainability, quality cost, lean accounting, international accounting, enterprise risk management, and forensic and fraud accounting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Weygandt's 7th Edition of "Managerial Accounting" continues to provide necessary tools required to succeed in the accounting industry on a variety of levels with more in-depth and enhanced information on decision-making skills and techniques as well as concepts for managerial accounting. An increased number of People, Planet, and Profit feature boxed have been included in the new edition, along with a more dynamic decision making toolkit feature. Weygandt helps corporate managers see the relevance of accounting in their everyday lives. Challenging accounting concepts are introduced with examples that are familiar to them, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, corporate managers will learn the concepts and understand how to effectively apply them.
