The Wisconsin 3,800 Aug 08 2021 "The Wisconsin 3,800" examines the lives and deaths of more than 30 men and women who were killed in World War II and buried overseas, or were MIA. There are heart-wrenching personal ordeals of people from all services and in all world zones, and some surprising discoveries. The book puts a human face on enormous battles and puts historical context into the deaths of individuals. The servicemen and women in the book come from places like Appleton, Milwaukee, Racine, La Crosse, Viroqua, Waunakee, Augusta, Rice Lake, Glenwood City, Merrill, Juneau, Door County, Kewaskum and many points in between. Their story is Wisconsin's story. Twenty-five years ago, Tom Mueller had an opportunity to visit his soldier uncle's grave in France as a newspaper writer. He was the first in his family ever to go there, and it started a passion to tell the stories of other Wisconsin men and women in World War II. For several years, his Milwaukee editors entrusted him to determine the topic of the page one Memorial Day feature, do the research, take and / or obtain photos and write the package. The Wisconsin Veterans Museum calls Mueller's book "a valuable new resource for everyone interested in Wisconsin's contributions to World War II, from historians to enthusiasts to relatives of the veterans." This book is made possible through the generous support of: American Family Insurance Marcus Theatres Corp.

**Antique American Tractor and Crawler Value Guide, Second Edition** Jul 19 2022 Following the rating system generally established among car collectors, this comprehensive value guide provides the values, in five degrees of condition, of antique American farm tractors and crawlers

built from the turn of the century through the 1950s. Each chapter is devoted to one of the period's major manufacturers -- John Deere, Farmall, Caterpillar, Oliver, Minneapolis-Moline, Ford, and more -- and the values listed are based on prices actually realized at auction. In addition, two expert collectors compare their notes on each model, while the expert photography of Randy Leffingwell depicts the tractors and crawlers discussed.
