Expanded coverage of the price war on diapers--who's got the best deals now? An exposé of Alcoholics Anonymous, 12-step programs, and the rehab industry—and how a failed addiction-treatment model came to dominate America. AA has

become so infused in our society that it is practically synonymous with addiction recovery. Yet the evidence shows that AA has only a 5–10 percent success rate—hardly better than no treatment at all. Despite this, doctors, employers, and judges regularly refer addicted people to treatment programs and rehab facilities based on the 12-step model. In *The Sober Truth*, acclaimed addiction specialist Dr. Lance Dodes exposes the deeply flawed science that the 12-step industry has used to support its programs. Dr. Dodes analyzes dozens of studies to reveal a startling pattern of errors, misjudgments, and biases. He also pores over the research to highlight the best peer-reviewed studies available and discovers that they reach a grim consensus on the program's overall success. But *The Sober Truth* is more than a book about addiction. It is also a book about science and how and why AA and rehab became so popular, despite the discouraging data. Dr. Dodes explores the entire story of AA's rise, from its origins in early fundamentalist religious and mystical beliefs to its present-day place of privilege in politics and media. *The Sober Truth* includes true stories from Dr. Dodes's thirty-five years of clinical practice, as well as firsthand accounts submitted by addicts through an open invitation on the Psychology Today website. These stories vividly reveal the experience of walking the steps and attending some of the nation's most famous rehabilitation centers. *The Sober Truth* builds a powerful response to the monopoly of the 12-step program and explodes the myth that these programs offer an acceptable or universal solution to the deeply personal problem of addiction. This book offers new and actionable information for addicts, their families, and medical providers, and lays out better ways to understand addiction for those seeking a more effective and compassionate

approach to this treatable problem. Provides lists of selling prices of items found on eBay in such categories as antiques, boats, books, cameras, coins, collectibles, dolls, DVDs, real estate, stamps, tickets, and video games. A sweet treat for every emotion and occasion. Whether it's a celebration or the blues, nothing lifts you up better than a delicious dessert. In Shivesh Bhatia's *Desserts for Every Mood*, the maverick baker is back with an array of recipes that promise to transform any day. For Shivesh, baking has come to mean many things over the years: memories of seeing his grandmother make cakes to spending hours experimenting in the kitchen and sharing the joy with friends to baking becoming his quiet refuge after a hectic day. In his second book, Shivesh shares a range of desserts--gooey caramel chocolate tart, fresh mint lemon chiffon cake to an exotic litchie rose tiramisu--that have helped him through difficult and happy times alike, in the hope that they will do the same for you. Our body consists of five elements i.e. Akash, Vayu, Jal, Agni and Prathvi tatvas. The each finger represents the respective elements present in the body. The imbalance in the tatvas (elements) leads to the various ailments or the diseases in the body. The Mudra Vigyan is an ancient Indian Science that is being practiced for centuries. *Painting fun with Peppa Pig!* Grab your paintbrush, it's time to get creative with Peppa Pig! Peppa Pig is a loveable little piggy who lives with her younger brother George, Mummy Pig and Daddy Pig. Peppa loves playing games, dressing up, visiting exciting places, and making new friends--but

her absolute favorite thing is jumping up and down in muddy puddles! Peppa Pig airs daily on Nick Jr. and focuses on strong brand values that parents and kids identify with: family, friendship, trust, humor and life experiences. This pocket-sized guide provides ratings and reviews of parents' favorite baby gear, including strollers, car seats, highchairs, toys, clothing, and much more. Each listing in the guide provides manufacturer's information and product specs in addition to parent ratings and quotes/commentary. Alphabetical and manufacturer indexes make finding relevant information easy and fun. From his home in the Cairngorms of Scotland, Cameron McNeish reflects on a life dedicated to the outdoors. In this long-awaited autobiography, he candidly recalls the ups and downs of a full life, much of it in the public eye, much of it until now unseen. Investigative journalist Lee Smith uses his unprecedented access to Congressman Devin Nunes, former head of the House Intelligence Committee, to expose the deep state operation against the president -- and the American people. Investigative journalist Lee Smith's *The Plot Against the President* tells the story of how Congressman Devin Nunes uncovered the operation to bring down the commander-in-chief. While popular opinion holds that Russia subverted democratic processes during the 2016 elections, the real damage was done not by Moscow or any other foreign actor. Rather, this was a slow-moving coup engineered by a coterie of the American elite, the "deep state," targeting not only the president, but also the rest of the country. The plot officially began July 31, 2016 with the counterintelligence investigation that the FBI opened to probe Russian infiltration of Donald Trump's presidential campaign. But the bureau never followed any Russians. In fact, it was an operation to sabotage Trump, the

candidate, then president-elect, and finally the presidency. The conspirators included political operatives, law enforcement and intelligence officials, and the press. The plot was uncovered by Nunes, chairman of the House Intelligence Committee, and his investigative team. They understood that the target of the operation wasn't just Trump, but rather the institutions that sustain our republic. A country where operatives use the intelligence and security services to protect their privileges by spying on Americans, coordinating with the press, and using extra-constitutional means to undermine an election then undo a presidency is more like the third world than the republic envisioned by the founding fathers. Without Nunes and his team, the plot against the president -- and against the country -- never would have been revealed. Told from the perspective of Nunes and his crack investigators -- men and women who banded together to do the right thing at a crucial moment for our democracy -- the story of the biggest political scandal in a generation reads like a great detective novel, feels like a classic cowboy movie. The congressman from the cattle capital of California really did fight corruption in Washington. Devin Nunes took on the "deep state." Woody, Buzz and the whole gang are back! When Andy gets ready to go to college, Buzz, Woody, and the toys are mistakenly delivered to Sunnyside Daycare Center where they have a brand-new adventure with new toys. A year-by-year complete history of videogames from the late '50s through 2016. LOOK INSIDE THE BOOK First released in 1998, the Coen brothers' *The Big Lebowski* flopped at the box office. But over the past nine years the movie has developed a massive and passionate cult following, led by the creation of Lebowski Fest, a traveling festival of all things Lebowski. Held in a bowling alley, it features bowling, costume and trivia contests, live music, a screening of the movie, *White Russians*, and what-have-you. Attendance has grown exponentially and the Fest has been featured in virtually every national media outlet, from NPR to the *New York Times*. The *Associated Press* called it "kind of a 'Star Trek' convention, but without all the geeks." The *Wall Street Journal* simply intoned: "One hell of a party!" Now, at last, comes the book that the legion of *Lebowski* fans (aka Achievers) has been waiting for. *I'm a Lebowski, You're a Lebowski* is a treasure trove of trivia and commentary, hilarious throughout and copiously illustrated, including stills from the film, as well as dozens of photos taken on the set by Jeff Bridges. It includes interviews with virtually every major and minor cast member, as well as the real-life individuals who served as inspiration for the characters in the movie. The

book features a handy guide to speaking Achiever (example: in English you would say that a woman is "feminine, or ladylike"; an Achiever would call her "strongly vaginal"), tips on how to Dude-ify your car, office, and living space, Lebowski Fest highlights, and so much more. America's bestselling and best-loved guide to baby gear is back with an updated and revised edition containing the latest tips and advice on getting bargains on such baby gear as cribs, car seats, strollers, high chairs, and more. Full color. Euler's Formula is the most beautiful equation in mathematics. Yet it's much more. It governs the universe and defines the soul! Euler's Formula perfectly complements Leibniz's Monadology. They form the most powerful intellectual combination ever, capable of establishing a true grand unified theory of everything, including religion. It provides a rational explanation of near-death and out-of-body experiences, and homeopathy. It overturns Einstein's principle of relativity, providing the same results via an absolute framework that restores the reality principle. In this groundbreaking book, we provide the solution to the Cartesian mind-body problem via the Fourier transform – which has the Euler Formula as its engine. We present the Riemann sphere, which works in perfect harmony with the Euler Formula, as the ideal working model of the human soul. And we give the first ever technical explanation of the process of reincarnation. The Euler equation is everything you thought – and more. It's divine. Winner of a Lowell Thomas Award from the Society of American Travel Writers Foundation, the Gold Prize from the North American Travel Journalists Association, and a Silver in the National Parenting Publications Awards competition for parenting Resources. Travels with Baby, by celebrated family travel author and blogger Shelly

This technical resource assist dietetic students and interns prepare for the registered dietitian exam. Selected from 15 years of radio-show archives and re-edited by the author, this wonderfully eclectic essay collection gives a glimpse into the thoughtful mind at work behind "The Vinyl Cafe." From meditations on peacekeeping to praise for the toothpick, "The Vinyl Cafe Notebooks" runs the gamut from considered argument to light-hearted opinion. Whether McLean is visiting a forgotten corner of the Canadian Shield, a big-city doughnut factory, or Sir John A. Macdonald's gravesite, his observations are absorbing, unexpected, and original. With thought-provoking proposals about the world we live in and introductions to the people he meets in his extensive travels across our country, "The Vinyl Cafe Notebooks" is informed by McLean's intimate relationship with Canada and Canadians. Yet the collection is also an intriguing look at the writer himself--his past, his present, and his vision of the future. Sometimes funny, often wise, and always entertaining, "The Vinyl Cafe Notebooks" is sure to provide a wealth of reading pleasure that fans will return to again and again. An extraordinary and inspiring chronicle of one woman's harrowing journey to become the first female to kayak the entire Amazon River. Part memoir, part feminist manifesto, Amazon Woman shows what incredible feats we are capable of and will encourage people, especially women,

across all backgrounds and ages to find the courage and strength to live the life they've imagined. This 148-day journey began on Darcy Gaetcher's 35th birthday. The emotional waters that would fester and erupt on the ensuing journey was often more challenging to navigate than the mighty river itself. With blistering lips and irradiated fingernails, Darcy would tackle raging Class Five whitewater for twenty-five days straight, barely survived a dynamite-filled canyon being prepared for a new hydroelectric plan. She and her two companions would encounter illegal loggers, narco-traffickers, murderous Shining Path rebels, and ruthless poachers in the black market trade in endangered species. In a desperate attempt meant to give her some pretense of control, Darcy even cut off all her hair before entering Peru's notoriously dangerous "Red Zone" in hopes of passing for a boy and being seen as less of a target. At once a heart-pounding adventure and a celebration of pushing personal limits, Amazon Woman speaks to all of us feeling trapped by our desk-bound, online society. This a story of finding the courage and strength to challenge nature, cultures, social norms, and oneself.
