Laparoscopic Ventral Hernia Repair Dec 18 2019 Primary and incisional ventral hernias are common conditions often encountered in surgical practice. Because of the frequency of this problem it has come to be managed by surgeons in general, regardless of the type of hospital or the conditions dealt with in their daily practice. Laparoscopic surgery has demonstrated to have an important role among the different technique described to repair ventral hernia with less recurrent rate, less morbidity and less overall cost than open conventional repair, with all the advance of the laparoscopic approach. As a result the indications for this surgical technique are currently being debated since the advantages are evident and progressive implementation is ensured. Now is the time to analyze the usefulness, results, technical variants, anatomic, physiologic and scientific basis

and implications involved in implementation of laparoscopy as the technique of choice.

The Big Book of Wooden Boat Restoration Nov 21 2022 An excellent manual for embarking on a

wooden boat restoration project. The Big Book of Wooden Boat Restoration is the perfect introduction or reference guide for both novice and experienced wooden boat enthusiasts. Author Thomas Larsson, one of Sweden's most experienced and premier wooden boat restorers, has compiled his knowledge of the craft for readers and placed it in this book. This ultimate guide to restoration contains useful facts and an extensive glossary, accessible to both new hobbyists and longtime boat lovers. Also within this book are chapters on boat care, including winter maintenance, racing, finishing, and stripping. Additionally, there is updated information on boat building, gluing, and tools. The most extensive part of this book consists of chapters that describe the detailed clean repair of wooden boats—everything from plug accession and bonding to changing socks and bottom engine installation. Larsson includes a history of boat building and provides a nice glimpse of different wooden boats with more than two hundred sketches and photos in both color and black-and-white. He explains how staying on top of maintenance keeps a unique fleet of wooden boats alive. With practical instructions and fact boxes with advice and tips, this book will teach you all about maintenance: surface treatment, scraping the hull, equipping the boat in the spring, and looking after it in the winter. Also included are tips on buying a boat, installing an engine, and more. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are

sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
