*The Sirens Three* Jul 20 2022

**Alpha Jasper** Jan 22 2020 A journey of self-discovery, of rescue, of loss, of new hope for a brighter tomorrow. A journey full of magic and dangers. A journey of love.

**Yiquan 360** Mar 24 2020 A celebration of Yiquan for enthusiasts seeking a deeper and richer appreciation of the magnificence of the Internal Arts A departure from the standard "how-to" manual, Yiquan 360 provides the often missing theory and associated practice that will allow students of the Internal Arts to unlock their full potential as practitioners. It will demystify and fill knowledge gaps that exist outside of what is commonly taught and available in Internal Arts literature. Yiquan 360 was written to fulfill a promise made by Ling Seto to the late Francis H.T. Chan, a school mate and sparring partner of Bruce Lee, who served as a combat instructor to British troops stationed in Hong Kong. This book contains insights and teachings from almost fifteen years of training, observation and direction under Mr. Chan that are supported by Ling Seto's own experience and discoveries from five decades of martial arts study. As one of the rare texts to comprehensively describe and clarify the theory and practice behind the types of Internal Power and the techniques used by Yiquan to produce them, this book also reveals the founder's ultimate aim for Yiquan, and provides insight into other martial arts that utilise Internal Power, answering questions including the following: The rationale behind the slow pace of Taiji Yiquan's equivalent to Bagua's circle walking The role of Xingyi in influencing Yiquan The relation of the Internal Arts to Shaolin Qigong For current practitioners, this book is an invaluable resource that provides a bird's eye view of Yiquan, explaining all aspects of the art and the proper training progressions required to advance. For other internal arts students, this volume provides key insights into the methodology to produce Internal

Power in their own practice. Through the understanding of Yiquan training procedures and their purpose, students can rediscover methods in their respective arts that will enhance their training and skills.

[Is Mormonism Now Christian?](#) Apr 17 2022 For years, Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt (Pearl of Great Price, Joseph Smith 1:19). Joseph Smith was told not to join with any of them, but to help lead in what would be a restoration of the true church. In the same way, Christianity has never accepted Mormons among their ranks, considering them teachers of a different gospel (Galatians 1:6). But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking. Are the two sides actually moving closer together? Is there significant change within the ranks of Mormonism? If so, is the change widespread? Does this new direction reflect the views of the leadership, or is it simply the belief of a few? Worse yet, is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter-day Saints (LDS) to appear to be something it is not? This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question: "Is Mormonism Now Christian?"

*Advanced Swing Trading* Jun 07 2021 Real trading strategies for making a killing in today's volatile markets *Advanced Swing Trading* reveals the strategies used by George Soros, Warren Buffett and other high-profile traders to reap whirlwind profits in today's volatile markets. With the demise of day trading, traders are searching for new methods of exploiting the unprecedented volatility of post-9/11 securities markets. The most successful of these methods so far has been swing trading, a powerful technical approach that allows traders to profit from shorter-term price moves, ranging from several days to a couple of months. In *Advanced Swing Trading*, veteran trader and leading trading coach, John Crane clearly describes his original Action/Reaction swing trading system. With the help of numerous real-world examples, Crane clearly delineates his system and shows readers how to use it to consistently to gain big returns in even the shakiest of markets. John Crane (Loveland,

CO) is the founder of Traders Network, a firm providing brokerage service and educational training products for smart investors. His monthly columns have appeared in Futures Options magazine, and articles about his trading strategies have appeared in Barron's, Consensus, and The Wall Street Journal.

Illustrations and Ornamentation from The Faerie Queene Aug 29 2020  
Magnificent collection of medieval illustrations and decorations created by famed Victorian-era artist to illustrate a sumptuous limited edition of The Faerie Queene, Edmund Spenser's 16th-century allegorical epic poem. Over 300 superb images — including full-page plates, headpieces, borders, vignettes, and decorative initials — depict knights, maidens, dragons, unicorns, angels, and a host of decorative elements.

*A Slow Ruin* Feb 03 2021 From the USA TODAY bestselling author of Little Deadly Secrets comes a highly anticipated novel that weaves an ancient family mystery and tense drama into a page-turning psychological thriller. Perfect for fans of Celeste Ng's Little Fires Everywhere, Laura Dave's The Last Thing He Told Me, Lisa Jewell, and Ruth Ware. April 1910. Women's rights activist Alvera Fields mysteriously vanishes from her home one night, leaving her newborn baby and husband behind, the case never solved. April 2021. On the anniversary of her great-great-grandmother's disappearance, Alvera's namesake Vera Portman vanishes in an eerily similar manner. Six months later, the police recover a girl's body. While the family waits in the horror of finding out if it's Vera, Felicity Portman clings to hope that her missing teenage daughter is still alive. Despite all odds, Felicity senses a link between the decades-apart cases—a mother feels such things in her bones. But all suspicion points to the last person who saw Vera alive: Felicity's sister-in-law, Marin. Marin, with her troubled past. Marin, the poor woman who married into the rich family. Marin, the only one who knows Felicity's darkest secret. As Felicity makes a shocking discovery in Vera's journal, she questions who her daughter really is. The deeper she digs, the more she's ensnared in the same mysteries that claimed their ancestor in a terribly slow ruin. "An emotionally charged mystery of how a mother must lose her daughter to find herself. Chilling from the first

page, gripping until the last.” – reader review Praise for Pamela Crane: “It kept me on my toes the whole time I was reading it and trying to guess the twisty ending of what really happened. Fans of thrillers, suspense, and mystery novels will not be disappointed with this book.” - San Francisco Book Review “You are not prepared for the twists...Pamela Crane has in store for you. Sure to have you at the edge of your seat.” – POPSUGAR “Crane succeeds at painting families and friendships in vivid detail; women will see their tussles and triumphs in these pages, and will relish the twists and moments of brave camaraderie and bold revenge... A satisfying read that has echoes of Liane Moriarty and of Emily Giffin's All We Ever Wanted.” – Booklist

*Sleepy Hollow* Feb 15 2022 Jason Crane Book Two "SLEEPY HOLLOW: Bridge of Bones" is NOW AVAILABLE FOR PRE-ORDER! NOTE: This E-Book edition INCLUDES "THE LEGEND OF SLEEPY HOLLOW" by Washington Irving (full text)! JASON CRANE just turned seventeen years old. He's a STAR WARS fan and a history geek. He doesn't believe in ghosts or the afterlife. He doesn't believe in psychic powers or tarot cards. He doesn't believe in the Headless Horseman. But Sleepy Hollow will change all that. Because Jason Crane has a heritage to claim. Jason Crane has a Gift to discover. And Jason Crane has an old enemy who will RISE HEADLESS AND RIDE.

White Crane Kung Fu Dec 01 2020 The book in front of you is one of very few ever written about White Crane Kung Fu and the only one about Shaking Crane (Zong He) style written in English. The book introduces basic concepts of internal White Crane practice. Internal power has always been shrouded in a veil of mystery, often explained through Chinese religious and esoteric practices, beliefs and terminology. This book separates myths from facts and explains what internal power is and how it is generated within the body. Content is strictly focused on body mechanics and doesn't go into the realm of esoteric practices or religion of any kind. Basic methods of development, transmission and releasing of internal power are explained in detail. These methods are considered the very foundation and beginners course of Zong He Quan style, on the other hand, they are universal in their training approach and goals and

could be included in practice of other internal styles, especially styles from Guangdong and Fujian provinces.

*Mobile Crane* Dec 13 2021 This Level 1 guided reader series explores how mobile cranes are used on construction sites. Students will develop word recognition and reading skills while learning about exciting construction machinery. Includes table of contents, glossary, and index--as well as sources for further reading.

*The Sister-in-Law* May 26 2020 From the USA Today bestselling author of *Little Deadly Secrets* comes a gripping story about the frailty of family and a battle of wills between a wife and a sister-in-law, bent on revenge. She stole my husband. So I'd steal her life. The Wife Lane won Candace's heart over chocolate martinis and karaoke. But weeks into their whirlwind marriage, Candace realized Lane came with burdensome baggage in the form of his possessive live-in sister and her eerily watchful six-year-old son. Lane had a secret that seemed to hold him hostage, and Candace would do anything to uncover it. The Sister-in-Law Harper was the kind of woman who cooked homemade meals and dusted under the furniture. It was the least she could do for her brother after her husband's mysterious death, and Lane took her and her kids in. Then Candace showed up like a tornado passing through, threatening and destructive. But Harper had other plans for her new "sister," plans Lane could never find out about. The Husband All Lane had ever wanted was a white-picket-fence life. The wife. The two-point-five kids. The happy little family. Everything seemed to be falling into place with Candace ... until Harper's jealous streak got in the way, again. But choosing between his sister and wife would be costly ... and knowing Harper, the price would be blood.

White Crane Dec 25 2022 Even though he has only one leg, Niya Moto is studying to be a samurai, and his five fellow-students are similarly burdened, but sensei Ki-Yaga, an ancient but legendary warrior, teaches them not only physical skills but mental and spiritual ones as well, so that they are well-equipped to face their most formidable opponents at the annual Samurai Games.

The Sleeping Beauty Picture Book; Containing the Sleeping Beauty,

Bluebeard, the Baby's Own Alphabet Sep 22 2022 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Collide** Jan 02 2021 Sherry has always known there was something out there. She's eighteen, works for a tabloid newspaper in Chicago and has a brother, Danny who is a lazy mooch. They live a pretty normal dull life with hippie parents and a normal existence. Then the moon disappears and people start to go missing only to reappear later, but different. She has an abusive ex-boyfriend who shows up and claims to be one of these beings that has been showing up around the world. He's no longer the same person in that body. He tells her he has come to protect her and her brother and takes her underground, against her will to save her, where they meet others like them. She begins to unravel the truth about Merrick, about what he's really doing there, about the way he looks at her, about the crazy dangerous world they live in. Can he convince her that he's there to help? Will she like what she finds when she opens up to the truth? Will he be the one to love her when everyone else has failed? Will he be able to protect her?

**Scrambling for Africa** Aug 09 2021 Countries in sub-Saharan Africa were once dismissed by Western experts as being too poor and chaotic to benefit from the antiretroviral drugs that transformed the AIDS epidemic in the United States and Europe. Today, however, the region is courted by some of the most prestigious research universities in the world as they search for "resource-poor" hospitals in which to base their

international HIV research and global health programs. In *Scrambling for Africa*, Johanna Tayloe Crane reveals how, in the space of merely a decade, Africa went from being a continent largely excluded from advancements in HIV medicine to an area of central concern and knowledge production within the increasingly popular field of global health science. Drawing on research conducted in the U.S. and Uganda during the mid-2000s, Crane provides a fascinating ethnographic account of the transnational flow of knowledge, politics, and research money—as well as blood samples, viruses, and drugs. She takes readers to underfunded Ugandan HIV clinics as well as to laboratories and conference rooms in wealthy American cities like San Francisco and Seattle where American and Ugandan experts struggle to forge shared knowledge about the AIDS epidemic. The resulting uncomfortable mix of preventable suffering, humanitarian sentiment, and scientific ambition shows how global health research partnerships may paradoxically benefit from the very inequalities they aspire to redress. A work of outstanding interdisciplinary scholarship, *Scrambling for Africa* will be of interest to audiences in anthropology, science and technology studies, African studies, and the medical humanities.

Marketing for Entrepreneurs Nov 19 2019 One of the primary reasons most often cited for the failure of a new venture is the entrepreneur's inability to identify and exploit the 'right idea'. This is directly connected to the concepts and principles of marketing, specifically: knowing what to produce and knowing what not to produce. Additionally, even if the entrepreneur has the right idea, many experts cite weak marketing efforts (marketing execution) as another reason for venture failure. *Marketing for Entrepreneurs* moves beyond the classic 4Ps and demonstrates the application of marketing in an entrepreneurial context. Traditional marketing texts are incapable of addressing marketing concepts directly applicable to the entrepreneur's unique situation. Furthermore, general entrepreneurship books are also not applicable because they tend to focus on management teams or the development of business plans while failing to address critical marketing dimensions.

**There She Glows** Feb 21 2020 'Have faith in your dreams and

someday your rainbow will come smiling through. No matter how your heart is grieving if you keep on believing the dream that you wish will come true.' Inspired by the movement of Glow Society's(TM) global sisterhood, Volume One of the 'There She Glows' Collaboration Book comes as an Inspirational and Empowering guide for Women all over the world in pursuit of their Dreams, Purpose, and Potential. Through shining a light on the journeys of eleven incredible women from around the world, we hope to inspire change, create freedom and empower you to live your full potential whilst bringing you the confidence to know your self-worth, the strength to chase your dreams and the ability to know how capable you are. We are the home where: Dreams are seized, Purpose and Potential are pursued, Love and Alignment are attained, Wealth and Freedom are created. We walk together to leave our old stories behind us and instead follow everything that lights us up. In doing so we light up the world. WE GLOW It's time to step into your new once upon a time and create: Your version of Extraordinary. A life of Uncompromised dreams. A life that is true to YOU.

Selection and Use of Engineering Materials Sep 29 2020 Selection and Use of Engineering Materials, Second Edition covers the substantial development in the selection and application of materials and of associated materials. This book is organized into four parts encompassing 20 chapters that also consider the advances in materials databases and computer programs. The first part deals with the motivation, cost basis, service requirements, failure analysis, specifications, and quality control of engineering materials. The second part describes the mechanical properties of these materials, including static strength, toughness, stiffness, fatigue, creep, and temperature resistance. The third part examines the selection requirements for surface durability, such as corrosion and wear resistance. This part also explores the relationship between materials selection and materials processing, as well as the formalization of selection procedures. The fourth part provides some case studies in materials selection. This book will prove useful to materials scientists and practicing engineers.

**Pastures of the Blue Crane** Mar 04 2021 Now back in print - One of

Australia's most loved children's books Brought up in the solitary environment of exclusive boarding schools, Ryl has learned to be independent, but when her mysterious father dies, her whole world changes. Part of her inheritance is a half-share in a dilapidated farm which she shares with a scruffy grandfather she meets for the first time. Pastures of the Blue Crane won the CBCA Book of the Year award in 1965, and has been loved by generations of Australian readers since. Set in the lush subtropics of Northern New South Wales, this classic story is both a moving portrait of family life, and a remarkable insight into a different Australia.

Line and Form (1900) Jan 14 2022 Reproduction of the original: Line and Form (1900) by Walter Crane

**Devour** Aug 21 2022 Clara has it all. A wrestling star boyfriend, popular friends, all the right school activities...pretty much a perfect life...up until her parents died. Now she lives with the Pastor and his family and though they take good care of her, she feels alone. Then her boyfriend, Tate, starts to show signs of trouble when a new guy, Eli, comes to town. Clara is fascinated with him but hides it until something happens. Eli confesses to her that she gives him something he's never had before...something he needs. Everything is about to change for this normal, pretty, popular girl in a supernatural way.

**Consequence** May 18 2022 Maggie and Caleb are married, leaders of their people, parents to their children, and happier than they ever dreamed, even with the visions they saw of it to prove it so. The council is still rebelling against Maggie's changes, but this time it's different. It's almost as if something...or someone is behind them, pulling the strings and making decisions for them. And Maggie is having strange visions that only she can see, leaving Caleb helpless to help her. But when her visions start to warn her that their daughter, Ava, will one day be in danger, they'll do anything it takes to find out what's going on and how to stop it, even paying a visit to a previous Visionary. Maggie and Caleb must find out who or what is behind it all and stop them before Maggie is one vision too late.

The Christmas Tree Ship Mar 16 2022 On November 21, 1912, the

schooner Rouse Simmons set sail from a small northern Michigan town across Lake Michigan. Affectionately dubbed the "Christmas Tree Ship," this was an annual trek for the Rouse Simmons. With its cargo of Christmas trees, the ship was bound for Chicago. There Captain Herman Scheunemann would sell the trees for 50 cents or \$1.00 and even gave many away to needy families. But the schooner never makes its destination. The Rouse Simmons, with all hands and cargo, disappears into the cold waters. The ship's wreckage is not found until 1971.

Drawing from stories told by her grandfather, author Carol Crane weaves a fictional tale based on the true events of the doomed schooner. And she explains how the captain's widow went on to continue his tradition of delivering holiday trees to Chicago. Carol Crane's many books for Sleeping Bear Press include the best-selling *P is for Pilgrim: A Thanksgiving Alphabet* and *The Handkerchief Quilt*. As a literacy advocate, Carol speaks at schools and conferences. She lives in North Carolina. Chris Ellison has illustrated children's picture books and adult historical fiction for nearly 20 years. His book *Let Them Play* was a 2006 Notable Social Studies Trade Book for Young People. Chris lives in Mississippi.

*Year of the Crane* Nov 12 2021 Is the transference of the human soul possible? So goes the eternal question, and the one posed by Dr. Paul MacCauley to his team of researchers the evening of their graduation. Though the question was fraught with as much consternation as a riddle with no solution, so was the means by which to answer the paradox-until the teleportation of two entangled photons across a 60-mile expanse of lake in China. Now armed with the nascent technology to provide the means, the team works to develop the technology to be the means to the end of their pursuit by reframing the eternal question: Will the human soul remain entangled with the teleported body? En route to the realization of the answer . . . there are concerns, both ethical and moral, that are addressed and demons to be slayed. Once the FBI catches wind of the extraordinary, and perhaps life-altering, experiments occurring in Omega Research Laboratories, their burden is instantly made more daunting with uncertain legal ramifications. As the team approaches the moment

that serves as the precipice of their journey, the stakes couldn't be more heightened. Weeks after the ground-breaking experiment, still immersed in data in a desperate search for the coveted answer, an unexpected visitor (Det. Ryan) lays bare macabre findings that likely portend to an unequivocal answer, but at the expense of many more questions in need of answer. Further support for the weight of their suspicion and its far-reaching implications comes by way of an intricately coded message received by a telescope surveying the cosmos. Unbeknownst to Dr. MacCauley and his team, a warning of their exploits is conveyed in no uncertain terms . . . from unlikely origins.

**Accordance** Jan 26 2023 In the sequel to Significance, Maggie learns much more about all the strange things that have happened to her and has to face many new ones. She learns something about herself, that she is something that the clans have been waiting for. She rebels against it but, ultimately must face it for her new family's sake and maybe even her life. Bish went from being her biggest supporter to her biggest pain in the butt and Kyle's intentions to attract her interest may not be so innocent. Caleb and Maggie face many new obstacles together as a couple and on their own. They fight to work through them but will one that should be a good thing be too much for Maggie to handle? Will she become who she has to be to save the ones she loves or will she crumble under the pressure as this epic love story continues.

**Business Ethics** Jul 28 2020 How can you be an ethical corporate citizen in an increasingly complex, multiple-stakeholder world? This is the most pressing question facing businesses today, small and large, local and global. Business Ethics, fifth edition, is a thorough yet accessible exploration of the main ethical theories and how these apply to major stakeholders facing this question. Written from a truly international perspective and supported by diverse and innovative learning features, this book provides the tools and concepts necessary to understand and effectively manage ethical challenges wherever you are in the world. NEW TO THIS EDITION Professor Laura Spence and Dr Sarah Glozer join the author team, bringing fresh perspectives and new expertise Practitioner Spotlights feature prominent businesswomen and

men, discovering the ethical challenges they face at work and also the skills they employ to tackle them. Ethics in Action boxes have been substantially refreshed, with new examples exploring ethical considerations at organizations such as Nudie, Jeans Co., Brewdog, and indigenous Bangladeshi tanneries, as well as complex issues including digital currency, modern slavery, and Big Data. New Case Studies address the latest developments in the business environment, such as the sharing economy and sustainability. This title is available as an eBook. Please contact your Learning Resource Consultant for more information.

Burning Boy Jun 26 2020 From Booker Prize–shortlisted and New York Times bestselling author Paul Auster, a landmark biography of the great American writer Stephen Crane. With *Burning Boy*, celebrated novelist Paul Auster tells the extraordinary story of Stephen Crane, best known as the author of *The Red Badge of Courage*, who transformed American literature through an avalanche of original short stories, novellas, poems, journalism, and war reportage before his life was cut short by tuberculosis at age twenty-eight. Auster's probing account of this singular life tracks Crane as he rebounds from one perilous situation to the next: A controversial article written at twenty disrupts the course of the 1892 presidential campaign, a public battle with the New York police department over the false arrest of a prostitute effectively exiles him from the city, a star-crossed love affair with an unhappily married uptown girl tortures him, a common-law marriage to the proprietress of Jacksonville's most elegant bawdyhouse endures, a shipwreck results in his near drowning, he withstands enemy fire to send dispatches from the Spanish-American War, and then he relocates to England, where Joseph Conrad becomes his closest friend and Henry James weeps over his tragic, early death. In *Burning Boy*, Auster not only puts forth an immersive read about an unforgettable life but also, casting a dazzled eye on Crane's astonishing originality and productivity, provides uniquely knowing insight into Crane's creative processes to produce the rarest of reading experiences—the dramatic biography of a brilliant writer as only another literary master could tell it.

*Once More with Feeling* Nov 24 2022 Sarah Lowery thought she could get past her husband Tim's betrayal and get back to the life they'd planned out so carefully—but then a car accident puts Tim into a coma and reveals the kind of nine month secret that means life as Sarah knows it really is over. If only she could figure out how she got into this position in the first place, Sarah is sure she could fix it. Somehow. But when Sarah digs into her past, she finds she has to face all the ghosts she left behind—and the reason she left them there. One very tall, very sexy reason named Alec Frasier, who might hold the key to the kind of future Sarah used to dream about. Yet when Tim wakes up and can't remember what he did, Sarah has the chance to slip back into her old life as if she never left it. Trouble is, she's no longer sure it fits...

*Alpha Kaden* Oct 11 2021 "Lock your doors. Hold them tight. Close your windows. Every night. Don't go out, in case he's there. Always live in total fear." Everyone knows of Alpha Kaden, a man of twisted riddles and cryptic puzzles. His identity is one of them. His touch, another. He is feared throughout all 13 packs for his reputation of stealing young women out of their beds. And tonight he has come to steal Mara to make her a player in his wicked game. But when Mara discovers the truth behind his sadistic mind games everything changes and she finds herself questioning what is real, and what is not. Mara always assumed her mate would be a man from her own pack. A good man. Not a sadistic, sinful Alpha named Kaden.

**The Draconic Chart** Dec 21 2019 From a recognized authority comes the long-awaited revision of a pioneering masterwork. The Draconic chart is an extremely important element in a lucid multi-layered system, in which each zodiac expresses a distinctly different facet of human experience. This book focuses on the interaction between the familiar Tropical chart and the Draconic with its deep insights.

*The Attack of the Pickle People* Jul 08 2021 "Tonight, we will go to war!" Screamed a very angry King Dill-icious."We be 3000 strong! Take up your pickle pistols! Raise your ketchup guns! Arm the condiment cannons! THIS IS WAR!!! We will have our revenge!"The army of young pickles chanted, "Boil them and eat them! Fry them and try them!"It was

scary."What are they so upset about?"Find out inside this incredible book, that was created by 45 fifth graders during a Super Kids Book Writing WORKSHOP.Yes! You read that right... ONE WORKSHOP.Inside this Super Kids Book, you'll meet three best friends: a Lipping Llama, a Squeaky Ostrich and a Stinky-Stuttering Horse who flee for their lives from an army of angry pickles.WARNING: It gets a little crazy.

*Devil's Honor* Feb 27 2023 In the start of a sizzling new series, bestselling author Megan Crane takes readers deep into bayou country, where the sultry swamp has nothing on the heat of Louisiana's fiercest bikers: the Devil's Keepers. Merritt Broussard grew up knowing she had two choices if she stayed in Lagrange: run with the outlaws or get left in their dust. So she got the hell out, leaving behind a bad-boy biker and scorching memories of their summer fling. Now Merritt's back, with trouble on her tail, and the sergeant-at-arms of the Devil's Keepers is the one person she can still trust. But Greeley isn't the boy she remembers. He's harder now, more dangerous—and even more alluring. Joseph "Greeley" Shaw loves two things: his bike and his club. At eighteen, he escaped a rough life, found the Devil's Keepers on the wrong side of a bad weekend, and never looked back. Greeley swore to live and die by their code: Devil's Keepers first, Devil's Keepers forever. No one comes between him and his brothers—except for the tantalizing woman who touched his soul. Greeley's the kind of man who honors his commitments . . . and Merritt is one promise he's determined to keep. Praise for Devil's Honor "Megan Crane's Devil's Keepers series opens with all the steamy heat of the Louisiana bayou. Fans of MC romances will find plenty to enjoy amongst these very bad boys, and readers who like their romance full of descriptive detail will love the lush settings and intimate character sketches."—RT Book Reviews "Tightly paced and intense."—All About Romance "Great chemistry . . . Greeley is the rough and tough alpha male who knows what he wants . . . and he gets it."—Kelly's Book Blog "Devil's Honor was sexy and romantic with a complex story. . . . [It] should not be missed."—Janet Reads Books Praise for Megan Crane's Make You Burn "If you are looking for a hot and dirty read in the

motorcycle club genre, then Megan Crane is a new voice to follow. Her characters are gritty, unapologetic, and led by their animal instincts, whether in war or love.”—Heroes and Heartbreakers “Crane piles on the passion and danger. . . . This tough and dirty world is fascinating and satisfying in its own way.”—Publishers Weekly “Her style was so sultry and thick that I could almost feel the sweat of the bayou and the pulse of Bourbon Street as I read. I sunk deep into the story and enjoyed every minute of it.”—Guilty Pleasures Book Reviews

**The Last Lonely Saturday** Oct 23 2022 From the editor of the acclaimed comics anthology NON comes this beautiful, emotive "Picto-Novella." Largely wordless and cunningly rendered, this little book is sure to touch most folks. In *The Last Lonely Saturday*, an older man sits at his kitchen table, filled with melancholy. Dishes are piled up in the sink, a full pot of coffee burns on the counter; it's a quiet scene of existential despair. It quickly becomes clear that the man is a widower, and today is the day to visit his departed wife's gravesite. Little does he know that what the day holds for him will result in this being his last lonely Saturday.

**Potty Train Your Child in Just One Day** Apr 05 2021 Finally...a fun, easy-to-use guide to potty training any child in just ONE DAY Just think, from the time babies are born until they are toilet trained, they use an average of 4,000 diapers! *Potty Train Your Child in Just One Day* is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child. Teri guides parents to the successful one-day potty training of their child by teaching them how to:

- Look for the signs that your child is ready to be potty trained
- Make the potty connection by using a potty-training doll
- Create incentive through consistent positive reinforcement
- Use charts, quizzes, and checklists to help with every step of potty training
- Know when it's time to bring in a potty pinch hitter
- Complete your potty training -- no more accidents

Once Teri teaches you her techniques, she shares her secret -- potty parties! She has carefully designed twelve imaginative themes for parties, such as a seriously silly circus, a cartoon character carnival, or a

magic carpet express, and supplies parents with everything they will need. Teri has proven that a potty party day engages a child in potty training in a way that no other method has before -- by speaking a toddler's language. A party may translate to fun, games, cake, candy, presents, and prizes to a child, but with Teri's expertise, parents can use it as a tool to motivate their child to want to go to the bathroom -- and to keep on going. That's why it works in just one day!

**Keeping Two** Sep 10 2021 20 years in the making, the long-awaited graphic novel masterpiece from acclaimed cartoonist Jordan Crane.

**Wish in a Jar** May 06 2021 It's difficult and almost impossible for someone to handle the present moment while still clinging to the past. It's easy to lose your way when being consumed by your emotions with no way out, but there is a way. This book is about the journey of a young boy in search of his mother, who battles with his internal self-trying to find his way back for the sake of his family.

**Keegan's Chronicles** Jun 19 2022 Sixteen-year-old Keegan is struggling to keep her huge secret from her friends--she's an elf, descended from a long line of elves that live in secrecy alongside humans. In elfin society, mates are predetermined but not allowed to meet until they are eighteen. Against tradition, Keegan's brother Thaddeus told her Rourk's name because his visions warned him she'd need Rourk's protection. Keegan's fate is changed by the use of Black Magic. The bond is broken. But Rourk still feels their connection, and despairs for the woman he was always meant to love. Is their love strong enough or will darkness consume Keegan?

[The Upside of Falling Down](#) Apr 24 2020 When Clementine wakes up in a hospital after being the only survivor in an airplane crash and discovers she cannot remember anything, she runs off with a stranger to avoid dealing with a father she does not recognize and the press coverage of the crash.

*The Founders* Oct 31 2020 Focuses on the four individuals who created the world's first international tribunals and how they sought justice for millions of victims.

*The Infinite Pieces of Us* Oct 19 2019 From the author of *The Odds of*

Loving Grover Cleveland comes a hilarious and heartbreaking novel about coming apart, getting it together--and moving on. It's just a two-hour drive-- Pondering math problems is Esther Ainsworth's obsession. If only life's puzzles required logic. Her stepfather's solution? Avoidance. He's exiled the family to Truth or Consequences, New Mexico, to erase a big secret from Esther's past. So much for the truth. Now for the consequences: an empty swimming pool, a water-sucking cactus outside her window, a goldfish rescued from a church festival, and Esther's thirst for something real. Step one: forget about her first love. Step two: make allies. Esther finds them in Jesús from the local coffee bar; a girl named Color who finds beauty in an abandoned video store; Beth, the church choir outcast; and Moss, a boy with alluring possibilities. Step three: confess her secret to those she hopes she can trust. Esther's new friends do more than just listen. They're taking Esther one step further. Together, they hit the road to face Esther's past head-on. It's a journey that will lead her to embrace her own truth--in all its glory, pain, and awesomeness.
