The untimely death of her father shatters Mary Esther Robbins' heart and separates her from her grade school best friend, Samuel Levi Baylor. During the twenty years apart, she fulfills her life's dream of penning new songs and singing God's praise with a Christian band, while he tends his growing cattle herd and shares the

Good News at every opportunity. The Lord brings her home then throws them back together when Samuel agrees to help Mary Esther move and remodel her childhood home. The two lost decades vanish, and their time together convinces both the other is the true soul mate. But misunderstanding and fear keeps them from expressing their true love. Though jealousy rears its ugly head, can love and commitment hold the two together? And while they're both committed to ministering the Gospel together, can they do it as husband and wife? The Englishman's Boy brilliantly links together Hollywood in the 1920s with one of the bloodiest, most brutal events of the nineteenth-century Canadian West - the Cypress Hills Massacre. Vanderhaeghe's rendering of the stark, dramatic beauty of the western landscape and of Hollywood in its most extravagant era - with its visionaries, celebrities, and dreamers - provides vivid background for scenes of action, adventure, and intrigue. Richly textured, evocative of time and place, this is an unforgettable novel about power, greed, and the pull of dreams that has at its centre the haunting story of a young drifter - "the Englishman's boy" - whose fate, ultimately, is a tragic one. He who puts his trust in God will possess the land and inherit the blessings. Scripture tells a husband to love his wife, but what if she loves the memory of a dead man? Lured to the Texas frontier by more free land than they could ever buy, four families struggle to carve a home and a living out of the western wilderness. And though love isn't always easy coming, like bees to sweet flowers, a neighbor and his partner swoop in hoping to steal the hearts of the clan's two young beauties. Will their infants spoil the ointment? Predator animals, Indians

on the warpath, and living hand-to-mouth never make it easy, but my oh my-Texas my Texas! What a land! Don't miss this breathtaking addition to the Cross Timbers Romance Family Saga! Book One GONE TO TEXAS 1840 Book Two TEXAS MY TEXAS 1841 Sixteen-year-old Lorena Leland's dreams of a rich and fulfilling life as a writer are dashed when the stock market crashes in 1929. Seven years into the Great Depression, Rena's banker father has retreated into the bottle, her sister is married to a lazy charlatan and gambler, and Rena is an unemployed newspaper reporter. Eager for any writing job, Rena accepts a position interviewing former slaves for the Federal Writers' Project. There, she meets Frankie Washington, a 101-year-old woman whose honest yet tragic past captivates Rena. As Frankie recounts her life as a slave, Rena is horrified to learn of all the older woman has endured--especially because Rena's ancestors owned slaves. While Frankie's story challenges Rena's preconceptions about slavery, it also connects the two women whose lives are otherwise separated by age, race, and circumstances. But will this bond of respect, admiration, and friendship be broken by a revelation neither woman sees coming? Gwendolyn, Cecelia and Bonnie make a pact never to break their father's heart like their big sister did. Then their determination is sorely tried when suitors show up and he gets so pigheaded with his rules. Will Henry survive his daughters coming of age? Will they endure and keep their promises to each other? Will the Buckmeyer home ever be settled and peaceful again? Will any of Henry's daughters find true love? Obedience is better than sacrifice...and trumps romance, no matter how sweet. Profound loneliness propels a childless widow west

with the idea of choosing an orphan to share her life. On the way, a fellow traveler takes her by surprise. She never dreams, is unprepared, doesn't need another man, but can't get him out of her head...or heart. He's so perfect--every bit the one she'd searched for as a young woman--except his mistrust of God has erected a wall she cannot breach. Marcus Ford blames God and struggles for peace after losing his wife and baby. Not once has he considered another woman could be the answer, but the widow is like none other he's ever met. He falls hard, but plans are taking him east. Hope dashed sends two hearts into the pit. If only Ford could forgive God or the widow ease up on her adamant resolve. Will God's mercy shine a beacon in the fog of despair and prove sufficient to heal their souls? When a man arrives at the Bleecker Street Inquiry Agency, anxious to hire them to find a missing heiress, Eunice Holbrooke realizes her past has finally caught up with her . . . and that she may no longer be able to hide under the disguise that has kept her safe for so long. Arthur Livingston's goal in life is to make his mark on the world as a mining industrialist, but after the man who could help him achieve his goal is murdered, Arthur feels compelled to seek justice for the family--but he's left with more questions than answers after the eccentric Bleecker Street Inquiry Agency refuses to take on his case. Desperate to conceal her real identity and avoid the irritatingly handsome Arthur, Eunice takes on a different case that requires her to go deep undercover and entangles her in one troublesome situation after another. When other secrets come to light, Eunice has no choice but to confront her past, hopeful that it will set her free but knowing it could very well place her life--and the lives of those she

loves--in jeopardy. Propelled by blind love, Mary Rachel Buckmeyer defies her father to elope with Caleb Wheeler. The newlyweds run off to California buying in to an established dry goods business. Unbeknownst to the young bride, her new husband has sent his kissing cousin ahead, wanting both his first love and his new wife's money. Betrayal and murder propel Mary, too soon a young mother, to the depths of despair. By a quirk, she's forced into a business partnership with the one man who has the heart to redeem her yet rubs her wrong at every turn. All the lovelorn miners want her but who will love her enough to cover her sins and deliver her out of the horrible pit she's dug for herself? God uses all things together for good to those who love Him and are called according to His purposes. Orphaned by the Civil War, three sisters struggle to keep the family farm solvent. Eldest, Lucinda must mother her deaf daughter, Harmony and mediate between her dueling siblings, Servilia and Melody. The sisters' fragile truce is shattered by the arrival of the handsome Ezekiel Sheffield, coming to establish a school for the deaf. Miracles, mayhem, and marriage ensue, but nothing ever comes easy. Despite initial presumptions, a young Amish woman's reluctant move across the country with her family to escape English influences results not in lost love but deep spiritual discoveries. "Talia Carner is a skillful and heartfelt storyteller who takes the reader on a journey of the senses, into a world long forgotten." —Jennifer Lauck, author of *Blackbird* "Exquisitely told, with details so vivid you can almost taste the food and hear the voices....A moving and utterly captivating novel that I will be thinking about for a long, long time." —Tess Gerritsen, author of *The Silent Girl*

The poignant, colorful, and unforgettable story of a young woman in early 20th-century Jerusalem who must choose between her faith and her passion, *Jerusalem Maiden* heralds the arrival of a magnificent new literary voice, Talia Carner. In the bestselling vein of *The Red Tent*, *The Kite Runner*, and *A Thousand Splendid Suns*, *Jerusalem Maiden* brilliantly evokes the sights and sounds of the Middle East during the final days of the Ottoman Empire. Historical fiction and Bible lovers will be captivated by this thrilling tale of a young Jewish woman during a fascinating era, her inner struggle with breaking the Second Commandment, and her ultimate transcendence through self-discovery. Love may cover a multitude of sins, but not knowing all the facts can also get a man killed. A family calamity gathers the clan, then a dying request tests loyalties and changes lives. New York City's posh society, living on a rugged Texas hill country ranch, and the isolation of Alaska's frozen tundra share little commonality and make going from one to another difficult at best. Still, destiny drives Crockett and his sister Charlotte where neither wants to go or thinks they belong. Second and third generations of the Buckmeyer progeny encounter danger, challenges, heartaches, and joys. But then reunions are all the sweeter for it. This tale continues the breathtaking-and sometimes heartbreaking-family saga of the Buckmeyers, Baylors, and Nightingales that readers around the world have come to love. God always has a good plan for the righteous. Sin fills the world with violence, but faith carries Noah and his family above the flood through the storm. In

the harshness of Mount Ararat where they disembark, nothing compares to the lushness of Adam's Valley-their home left behind. And troubles surviving the thirteen months on the Ark can't match the struggles they face to forge new lives in a hard land where the mist no longer rises up every even...where instead of a protective covering cloud of water above, the brutal sun beats down and unpredictable storms batter the inhabitants. Still, the Lord has given the sons of Noah a mandate. REPLENISH THE EARTH

Tragic and triumphant, *The Chief Of Sinners* gives readers a firsthand view of the Spirit's work in several characters' lives as full gospel beliefs are contrasted against the dogma of the more traditional. Spanning three generations, the epic tale offers a realistic look at salvation, forgiveness, obedience and faith and the consequences of accepting or rejecting His Way. Widow Sue Baylor hires Henry Buckmeyer, who has a reputation as a layabout, to help her transport her cotton crop to buyers in Jefferson, and while caught off guard by Henry's gentle manner, Sue is disheartened by his lack of faith. Come along on this infamous journey of love and adventure. Be it known, your sins will find you out, but God's mercy endureth forever! Can a wife find the grace to forgive when her husband's

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf

of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be. A spunky young widow hires a farmhand with a bad reputation to help her get her cotton to Jefferson to meet the wagon train, and sparks fly—but can she love a man who doesn't love the Lord? It's been a rough year, and she's in danger of losing the land her husband left to her and the children, but she'll need help getting both of her wagons to Jefferson safely. She knows Henry's reputation as a layabout and is

prepared for his insolence, but she is not expecting his irresistible good looks or his gentle manner. Soon they are entwined in a romantic relationship that only gets more complicated when Susannah learns that Henry doesn't know God the way she does. Dangers arise on the road—but none as difficult as the trial her heart is going through. Will Susannah and Henry's love overcome their differences? And will she get her crop safely to the cotton market with enough money to save the farm? In this heartening and adventurous tale, a young woman's fortitude, faith, and heart are put to the ultimate test. Can beauty truly come from ashes? Deception drives seventeen souls to hard choices. Either stay on the land they thought they'd bought or heed the lure of free land in the faraway wilderness of a new Republic. Does friendship pave a way to marriage? Can puppy-love survive through a harrowing journey to blossom into a forever lover? From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her

recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link.
