Set among such divergent places as a small-town in Minnesota, an Albuquerque airport, A Belizean café and a hotel swimming pool in Java, Ostlund's Flannery O'Connor Award (2008) winning debut collection depicts sexually and socially repressed Americans. Men and women who wind up feeling displaced when they fail to escape the influence of their past; ineffectual parents, fathers and lovers who disappear, teachers who struggle to connect with their students, and lifelong obsessions with language. Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured

full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. The Return of the Mother offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world. Sir William Temple, diplomat, statesman, and writer, retired to his garden in the 1680s and wrote what has become one of the key texts, not only of gardening, but also of the English aesthetic. It

was he who introduced the idea of the charm of irregularity, and who gave it the allegedly Chinese name sharawaggi. The English style of landscape gardening can be traced in a direct line to this essay, which has not been in print for over 95 years. The acclaimed author of the Thomas Covenant Chronicles launches a powerful new trilogy about a prince's desperate quest for a sorcerous library to save his people. Fire. Wind. Pestilence. Earthquake. Drought. Lightning. These are the six Decimates, wielded by sorcerers for both good and evil. But a seventh Decimate exists—the most devastating one of all... For centuries, the realms of Belleger and Amika have been at war, with sorcerers from both sides harnessing the Decimates to rain blood and pain upon their enemy. But somehow, in some way, the Amikans have discovered and invoked a seventh Decimate, one that strips all lesser sorcery of its power. And now the Bellegerins stand defenseless. Prince Bifalt, eldest son of the Bellegerin King, would like to see the world wiped free of sorcerers. But it is he who is charged with finding the repository of all of their knowledge, to locate the book of the seventh Decimate—and reverse the fate of his land. All hope rests with Prince Bifalt. But the legendary library, which may or may not exist, lies beyond an unforgiving desert and treacherous mountains—and beyond the borders of his own

experience. Wracked by hunger and fatigue, sacrificing loyal men along the way, Prince Bifalt will discover that there is a game being played by those far more powerful than he could ever imagine. And that he is nothing but a pawn...

"Bachner's memoir is a poignant and often horrific account of Jewish struggles during the days of World War II. The end of the war, Bachner's reunion with his remaining family members and his eventual relocation to America are also discussed" --Provided by Text and photographs describe the history and development of American dance up to the present. Recent Advances in Surgery 35 is the latest volume in a series that reviews current topics in general surgery and in its major subspecialties. Divided into five sections, this volume includes chapters on perioperative care, cardiopulmonary exercise testing for abdominal surgery, breast reconstruction, facial paralysis, a range of gastrointestinal subjects and the diabetic foot, as well as a review of randomised trials and meta-analyses in surgery. With contributions from recognised experts, the majority from throughout the UK, this new volume covers all the latest developments within surgery, providing excellent revision material for professional examinations, and helping consultant surgeons keep up to date across the specialty. Key points Latest volume in series

bringing postgraduates and consultants up to date with the latest developments in general surgery and its subspecialties Includes review of randomised clinical trials and meta-analyses in surgery Contributions from recognised experts, mainly in the UK Includes more than 80 images and illustrations This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. engineer recounts his expeditions to find the fabled land called- The lost continent.

Internationally bestselling author Audrey Niffenegger and her husband, graphic artist Eddie Campbell, collaborate on this quirky, irreverent collection that celebrates and satirises love of all kinds. With thirteen different vignettes about love, loss, fairies, misbehaviour, regret, wanton wrongheadedness, cats, supernatural exterminators, spies, ghosts, more cats, more fairies, and a handful of ex-boyfriends, Bizarre Romance runs the gamut when it comes to relationships. It explores the good, the bad, the ugly and the just plain weird - with Niffenegger's sharp, imaginative prose and Campbell's diverse comic styles, always with a sense of humour and cosmic justice. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.
