Now available in eBook for the first time, Richard Yates's groundbreaking collection of short fiction. The stories in *Liars in Love* are concerned with troubled relations and the elusive nature of truth. Whether it be in the depiction of the complications of divorced families, grown-up daughters, estranged sisters, office friendships or fleeting love affairs, the pieces in this collection showcase Richard Yates's extraordinary gift for observation and his understanding of human frailty. In this collection, you'll discover some of the most influential and sharply observed short fiction of the 20th century, and find out why Richard Yates was a true American master. This volume features a collection of short stories by American novelist, Richard Yates, an author who ruthlessly examines the hopes and disappointments of ordinary people with empathy and humour. Celebrated in his prime, forgotten in his final years, only to be championed anew by our greatest contemporary authors, Richard Yates has always exposed readers to the unsettling hypocrisies of our modern age. In Blake Bailey's masterful and entertaining biography, Yates himself serves as the fascinating lens into mid-century America, a world of would-be artists, depressed housewives, addled businessmen, high living, wistful striving, and self-deception. The story of Richard Yates here stands as a singular reminder of what the writer must sacrifice for his craft, the devil's bargain of artistry for happiness, praise for sanity. A historical examination of tension and conflict on the Texas-Mexico border, told from the Mexican perspective, that's especially relevant today. Discover an American masterpiece. This unassuming story about the life of a quiet English professor has earned the admiration of readers all over the globe. William Stoner is born at the end of the nineteenth century into a dirt-poor Missouri farming family. Sent to the state university to study agronomy, he instead falls in love with English literature and embraces a scholar's life, so different from the hardscrabble existence he has known. And yet as the years pass, Stoner encounters a succession of disappointments: marriage into a "proper" family estranges him from his parents; his career is stymied; his wife and daughter turn coldly away from him; a transforming experience of new love ends under threat of scandal. Driven ever deeper within himself, Stoner rediscovers the stoic silence of his forebears and confronts an essential solitude. John Williams's luminous and deeply moving novel is a work of quiet perfection. William Stoner emerges from it not only as an archetypal American, but as an unlikely existential hero, standing, like a figure in a painting by Edward Hopper, in stark relief against an unforgiving world. Twayne's United States Authors, English Authors, and World Authors Series present concise critical introductions to great writers and their works. Devoted to critical interpretation and discussion of an author's work, each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view. An Authors Series volume addresses readers ranging from advanced high school students to university professors. The book suggests to the informed reader new ways of considering a writer's work. Each volume features: -- A critical, interpretive study and explication of the author's works -- A brief biography of the author -- An accessible chronology outlining the life, the work, and relevant historical context -- Aids for further study: complete notes and references, a selected annotated bibliography and an index -- A readable style presented in a manageable length In a startling change of direction, cult favourite Tao Lin presents a dark and brooding tale of illicit love that is his most sophisticated and mesmerising yet. Named after the real-life writer Richard Yates, but, having nothing to do with him, Lin tracks the illicit affair between a very young writer and his underage lover. As the writer seeks to balance work and love, his young lover becomes ever more self-destructive in a play for his undivided attention. Lin's trademark minimalism takes on a new sharp-edged suspense here, zeroing in on a lacerating narrative. A literary event of the highest order, *The Collected Stories of Richard Yates* brings together Yates's peerless short fiction in a single volume for the first time. Richard Yates was acclaimed as one of the most powerful, compassionate, and technically accomplished writers of America's postwar generation, and his work has inspired such diverse talents as Richard Ford, Ann Beattie, André Dubus, Robert Stone, and Kurt Vonnegut Jr. This collection, as powerful as Yates's beloved *Revolutionary Road*, contains the stories of his classic works *Eleven Kinds of Loneliness* (a book *The New York Times Book Review* hailed as "the New York equivalent of *Dubliners*") and *Liars in Love*; it also features nine new stories, seven of which have never been published. Whether addressing the smothered desire of suburban housewives, the white-collar despair of Manhattan office workers, the grim humor that attends life on a tuberculosis ward, or the moments of terrified peace experienced by American soldiers in World War II, Yates examines every frayed corner of the American dream. His stories, as empathetic as they are unforgiving, are like no others in our nation's literature. Published with a moving introduction by the novelist Richard Russo, this collection will stand as its author's final masterpiece. Nuala O'Faolain attracted a huge amount of critical praise and a wide audience with the literary debut of *Are You Somebody?* Her midlife exploration of life's love, pain, loneliness, and self-discovery won her fans worldwide who write and tell her how her story has changed their lives. There are thousands who have yet to discover this extraordinary memoir of an Irish woman who has stepped away from the traditional roles to define herself and find contentment. They will make this paperback a long-selling classic. Frederic Chopin was one of the most original and influential composers in history. Although he only lived 39 years, he wrote music that has thoroughly embedded itself in our culture. His melodies are often instantly familiar to us and show a profound lyric sense. Many qualities of Chopin's music are ideal for guitar transcription. He wrote pieces that are short with a manageable range. The textures are mostly single melody lines with harmonic accompaniment without the complex counterpoint that can be so difficult on the guitar. His music is often soft, intimate, subtle, and full of nuances of articulation, dynamics, and phrasing. These qualities transfer quite naturally to the guitar. While remaining as faithful as possible to the composer's musical intentions, these pieces experienced some modification that is noted in the provided performance notes. Intermediate in difficulty, this book assumes the player has basic knowledge of the guitar and familiarity with either standard music notation or guitar tablature. Selections include: Prelude Op. 28, No. 7; Prelude Op. 28, No. 20; Prelude Op. 28, No. 4; Cantabile; Mazurka Op. 6, No. 2; Prelude Op. 28, No. 15; Nocturne Op. 9, No. 2; Nocturne Op. 15, No. 3; Nocturne Op. 37, No. 1; and Nocturne Op. 55, No. 1. All of these beautiful pieces are included on the downloadable online audio. NATIONAL BOOK AWARD FINALIST • Frank and April Wheeler are a bright, beautiful, talented couple in the 1950s whose perfect suburban life is about to crumble. • Hailed by Kurt Vonnegut as "The Great Gatsby of my time ... one of the best books by a member of my generation." Perhaps Frank and April married too young and started a family too early. Maybe Frank's job is dull. And April never saw herself as a housewife. Yet they have always lived on the assumption that greatness is only just around the corner. But now that certainty is about to unravel. With heartbreaking compassion and remorseless clarity, Richard Yates shows how Frank and April mortgage their spiritual birthright, betraying not only each other, but their best selves. In his introduction to this edition, novelist Richard Ford pays homage to the lasting influence and enduring power of *Revolutionary Road*. Walt loves his work. He loves the women in his life. Yet, it seems that no matter how hard he tries, how much he bleeds, sweats, and yearns, his life will not love him back. A fascinating work detailing a four year period in one man's life on the fringes of our mainstream. The first of Pokeberry Press's *Voices in the Wild* Series. A lonely newlywed and her wayward brother-in-law follow divergent and dangerous paths through the postwar American West. Muriel is newly married and restless, transplanted from her rural Kansas hometown to life in a dusty bungalow in San Diego. The air is rich with the tang of salt and citrus, but the limits of her new life seem to be closing in: She misses her freethinking mother, dead before Muriel's nineteenth birthday, and her sly, itinerant brother-in-law, Julius, who made the world feel bigger than she had imagined. And so she begins slipping off to the Del Mar racetrack to bet and eavesdrop, learning the language of horses and risk. Meanwhile, Julius is testing his fate in Las Vegas, working at a local casino where tourists watch atomic tests from the roof, and

falling in love with Henry, a young card cheat. When Henry is eventually discovered and run out of town, Julius takes off to search for him in the plazas and dives of Tijuana, trading one city of dangerous illusions and indiscretions for another. On Swift Horses is a debut of astonishing power: a story of love and luck, of two people trying to find their place in a country that is coming apart even as it promises them everything. Richard Yates, who died in 1992, is today ranked by many readers, scholars, and critics alongside such titans of modern American fiction as Updike, Roth, Irving, Vonnegut, and Mailer. In this work, he offers a spare and autumnal novel about a New England prep school. At once a meditation on the twilight of youth and an examination of America's entry into World War II, *A Good School* tells the stories of William Grove, the quiet boy who becomes an editor of the school newspaper; Jack Draper, a crippled chemistry teacher; and Edith Stone, the schoolmaster's young daughter, who falls in love with most celebrated boy in the class of 1943. Richard Yates has been referred to as America's least known great writer. Today Yates is known primarily for the novel *Revolutionary Road*, considered by many critics as the greatest American novel of the second half of the twentieth century. This critical study examines the life and work of Yates by placing his body of work in both cultural and personal context. Topics covered include the writing of his major novels, homosexuality, his role as a critic, and his relationship with Hollywood. This text divulges new details about his life and offers a thorough analysis of unpublished materials from the Richard Yates archives at Boston University. "In "Ichthyology," a young boy watches his father spiral from divorce to suicide. The story is told obliquely, often through the boy's observations of his tropical fish, yet also reveals his father's last desperate moves, including quitting dentistry for commercial fishing in the Bering Sea. "Rhoda" goes back to the beginning of the father's second marriage and the boy's fascination with his stepmother, who has one partially closed eye. This eye becomes a metaphor for the adult world the boy can't yet see into, including sexuality and despair, which feel like the key initiating elements of the father's eventual suicide. "A Legend of Good Men" tells the story of the boy's life with his mother after his father's death through the series of men she dates." "In "Sukkwan Island," an extraordinary novella, the father invites the boy homesteading for a year on a remote island in the southeastern Alaskan wilderness. As the situation spins out of control, the son witnesses his father's despair and takes matters into his own hands. In "Ketchikan," the boy is now thirty years old, searching for the origin of ruin. He tracks down Gloria, the woman his father first cheated with, and is left with the sense of "a world held in place, as it turned out, by nothing at all." Set in Fairbanks, where the author's father actually killed himself, "The Higher Blue" provides an epilogue to the collection."--BOOK JACKET. NATIONAL BOOK AWARD FINALIST • Frank and April Wheeler are a bright, beautiful, talented couple in the 1950s whose perfect suburban life is about to crumble in this "moving and absorbing story" (The Atlantic Monthly) from one of the most acclaimed writers of the twentieth century. "The Great Gatsby of my time...one of the best books by a member of my generation." —Kurt Vonnegut, acclaimed author of *Slaughterhouse-Five* Perhaps Frank and April Wheeler married too young and started a family too early. Maybe Frank's job is dull. And April never saw herself as a housewife. Yet they have always lived on the assumption that greatness is only just around the corner. But now that certainty is about to unravel. With heartbreaking compassion and remorseless clarity, Richard Yates shows how Frank and April mortgage their spiritual birthright, betraying not only each other, but their best selves. In his introduction to this edition, novelist Richard Ford pays homage to the lasting influence and enduring power of *Revolutionary Road*. "Movement 2. The rumble of distant events in Germany and Spain presages the storm of WWII. In England, even as the whirl of marriages and adulteries, fashions and frivolities, personal triumphs and failures gathers speed, men and women find themselves on the brink of fateful choices. Set in 1955, the novel focuses on the hopes and aspirations of Frank and April Wheeler, self-assured Connecticut suburbanites who see themselves as very different from their neighbors in the Revolutionary Hill Estates. In the opening scene, April stars in an embarrassingly bad amateur dramatic production of *The Petrified Forest*. After the performance, Frank and April have a fight on the side of the highway, and Frank later begins an affair with his office colleague Maureen Grube. Seeking to break out of their suburban rut (and consequently blaming herself for all of Frank's "problems"), April convinces Frank they should move to Paris, where she will work and support him while he realizes his vague ambition to be something other than an office worker. The promise of France brings the two together in love and excitement again, and Frank seemingly ends his relationship with Maureen. While April sees the emigration as an opportunity to escape their bland environment, Frank's plans are more driven by vanity of his own intelligence, which April panders to. When the dull and prim neighbor Mrs. Givings begins bringing her "insane" son John around to the Wheelers' house for regular lunches, John's honest and erratic condemnation of his mother's suburban lifestyle strikes a chord with the Wheelers, particularly Frank. Their plans to leave the United States begin to crumble when April conceives their third child, and Frank begins to identify with his mundane job when the prospect of a promotion arises. After arguing over the possibility of aborting the child, Frank tries to manipulate April into seeking psychiatric help for her troubled childhood. April, overwhelmed by the situation, suffers something of an identity crisis and sleeps with her neighbor Shep Campbell, while Frank resurrects his relationship with Maureen. April attempts to self-abort her child, and in doing so is rushed to the hospital and dies from blood loss. Frank, scarred by the ordeal and feeling deep guilt over the outcome, is left a hollow shell of a man. He and his children spent time living with their uncle, hence mirroring the youth of their mother. This portrait of a Southern family's downfall was the literary debut of the #1 New York Times–bestselling author of *Sophie's Choice*. A finalist for the National Book Award, *Lie Down in Darkness* centers on the Loftis family—Milton and Helen and their daughters, Peyton and Maudie. The story, told through a series of flashbacks on the day of Peyton's funeral, is a powerful depiction of a family doomed by its failure to forget and its inability to love. Written in masterful prose that "achieves real beauty" (The Washington Post), William Styron's debut novel offers unflinching insight into the ineradicable bonds of place and family. The story of Milton, Helen, and their children reveals much about life's losses and disappointments. *Lie Down in Darkness*, poignant and compelling, is a classic of modern American literature from the author who went on to earn high critical acclaim—with a Pulitzer Prize for *The Confessions of Nat Turner* and a National Book Award for *Sophie's Choice*—and a place at the top of the New York Times bestseller list. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives. Bobby is eighteen and lost on the battlefields of Europe, stumbling his way through World War II. He has turned out to be the heroic soldier he imagined and his experience of battle principally involves fear and confusion. Back home, his mother Alice puts all her hopes in her son, and dreams of his return and starting a new life for them both. Richard Yates's novel is both tender and ironic as he follows Bobby's adventures and disasters and reflects on the intense but complicated bond between mother and son. Richard Yates (1926-1992) has been described as a "writer's writer" but has never received the critical attention befitting that designation. Firmly rooted in the zeitgeist of 1950s, his work remains startlingly relevant, addressing themes of American identity, the nature of marriage and relationships between men and women, and what it means to get ahead in a society entranced by a flawed American Dream. This collection of new essays is the first to focus on this under-appreciated author. It opens up his body of work for a new generation of readers, and positions Yates as a writer of significance in the American tradition. In *The Easter Parade*, first published in 1976, we meet sisters Sarah and Emily Grimes when they are still the children of divorced parents. We observe the sisters over four decades, watching them grow into two very different women. Sarah is stable and stalwart, settling into an unhappy marriage. Emily is precocious and independent, struggling with one unsatisfactory love affair after another. Richard Yates's classic novel is about how both women struggle to overcome their tarnished family's past, and how both finally reach for some semblance of renewal. The mid-twentieth century British novelist Elizabeth Taylor numbered among her admirers Elizabeth Bowen, Ivy Compton-Burnett, and Kingsley Amis. She also regularly published stories in *The New Yorker* for close to two decades. For all that, her work, as steely as it is delicate, remains the secret of a small number of intensely devoted readers. The publication of her finest novel, *A Game of Hide and Seek*, long unavailable in the United States, should help to change that. This is an unabashed love story, capturing all the uncertainty and inevitability and deceptiveness of true love, tracking the shifting currents of emotional life, and never yielding to melodrama. Set in Britain between the wars, a time of transition between old convention and new ways, the book has for a heroine Harriet, the only child of a suffragette, whom we meet as a shy and domestic and not especially smart or pretty girl. At eighteen she falls in love with Vesey, but after Vesey must go away, she marries another man, Charles, and bears a child. Then Vesey returns. Love is at the center of the book, but so too is Taylor's extraordinary knack for depicting characters. The minor figures in the book—from Harriet's mother's friend Caroline, with her progressive politics, to Charles, his coworkers, and his mother, to Betsy with her schoolgirl crush on her Greek teacher—are as memorable as the passion and heartache of Harriet and Vesey. In a startling change of direction, cult favourite Tao Lin presents a dark and brooding tale of illicit love that is his most sophisticated and mesmerising yet. Named after the real-life writer Richard Yates, but, having nothing to do with him, Lin tracks the illicit affair between a very young writer and his underage lover. As the writer seeks to balance work and love, his young lover becomes ever more self-destructive in a play for his undivided attention. Lin's trademark minimalism takes on a new sharp-edged suspense here, zeroing in on a lacerating narrative. When the Shepard's car breaks down in pre-World War II New York City, a chain of events occurs that transforms the lives of the Shepards and the Drakes, as Evan and Rachel meet, court, and marry. But betrayal, disappointment, and secret schemes are on the horizon. Young, newly married and intensely ambitious, Michael Davenport is trying to make a living as a writer. His adoring wife, Lucy, has a private fortune

that he won't touch in case it compromises his art. She in turn is never quite certain of what is expected of her. All she knows is that everyone else seems, somehow, happier. In this magnificent novel, at once bitterly sad and achingly funny, Richard Yates again shows himself to be the supreme chronicler of the American Dream and its casualties. John Wilder is in his mid-thirties, a successful salesman with a place in the country, an adoring wife and a ten-year-old son. But something is wrong. His family no longer interests him, his infidelities are leading him nowhere and he has begun to drink too much. Then one night, something inside John snaps and he calls his wife to tell her that he isn't coming home... The New York Times bestselling author and International Thriller Writers "Best Novel" finalist Lisa Unger returns to the dark psychological suspense that made *Beautiful Lies* a bestseller around the world. Lana Granger lives a life of lies. She has told so many lies about where she comes from and who she is that the truth is like a cloudy nightmare she can't quite recall. About to graduate from college and with her trust fund almost tapped out, she takes a job babysitting a troubled boy named Luke. Expelled from schools all over the country, the manipulative young Luke is accustomed to controlling the people in his life. But, in Lana, he may have met his match. Or has Lana met hers? When Lana's closest friend, Beck, mysteriously disappears, Lana resumes her lying ways—to friends, to the police, to herself. The police have a lot of questions for Lana when the story about her whereabouts the night Beck disappeared doesn't jibe with eyewitness accounts. Lana will do anything to hide the truth, but it might not be enough to keep her ominous secrets buried: someone else knows about Lana's lies. And he's dying to tell. Lisa Unger's writing has been hailed as "sensational" (Publishers Weekly) and "sophisticated" (New York Daily News), with "gripping narrative and evocative, muscular prose" (Associated Press). Masterfully suspenseful, finely crafted, and written with a no-holds-barred raw power, *In the Blood* is Unger at her best. Manhattan self-help author Julia Goodman thinks she's got her addictive personality under control. Then her psychoanalyst moves away, her husband takes off to L.A. and her best friend moves to Ohio. Feeling lonely and left out, Julia fills in the void with food. This is a huge problem—especially since she's about to go on national television to plug her hot new self-help book about how she conquered her sugar addiction. Julia desperately sees eight shrinks in eight days, speed-dating for Dr. Replacement to help shrink back her body and anxiety in time for her close-up. Now available in eBook for the first time, Richard Yates's groundbreaking collection of short fiction. First published in 1962, a year after *Revolutionary Road*, this sublime collection of stories seems even more powerful today. Out of the lives of Manhattan office workers, a cab driver seeking immortality, frustrated would-be novelists, suburban men and their yearning, neglected women, Richard Yates creates a haunting mosaic of the 1950s, the era when the American dream was finally coming true—and just beginning to ring a little hollow. In *Eleven Kinds of Loneliness*, you'll discover some of the most influential and sharply observed short fiction of the 20th century, and find out why Richard Yates was a true American master. Evan Shepard is a young man with a chequered past when he first meets the Drakes, after his car breaks down outside their house. Behind him, he has a troubled adolescence, a failed marriage and a little daughter, but his meeting with the quiet and beautiful Rachel heralds a new start. However, after their swift marriage, things don't work out quite as planned and the stresses of living with Rachel's family, in their shared house in Cold Spring Harbor, begin to take their toll on the new couple. A READ WITH JENNA BOOK CLUB PICK AS FEATURED ON TODAY \* A PEOPLE MAGAZINE PICK \* AN INDIE NEXT PICK \* A LIBRARYREADS PICK \* AN AMAZON EDITORS PICK "On every page there are little shimmering bombs. Like *Room*, where parenthood is at once your jail and your salvation, it is almost claustrophobic—but in the most glorious way."—Lisa Taddeo, #1 New York Times bestselling author of *Three Women* and *Animal* A rising international literary star makes her American debut with this visceral, tender, and brave portrait of addiction, recovery, and motherhood, as harrowing and intense as Shuggie Bain. Sonya used to perform on stage. She used to attend glamorous parties, date handsome men, ride in fast cars. But somewhere along the way, the stage lights Sonya lived for dimmed for good. In their absence, came darkness—blackouts, empty cupboards, hazy nights she can't remember. What keeps Sonya from losing herself completely is Tommy, her son. But her immense love for Tommy is in fierce conflict with her immense love of the bottle. Addiction amplifies her fear of losing her child; every maternal misstep compels her to drink. Tommy's precious life is in her shaky hands. Eventually Sonya is forced to make a choice. Give up drinking or lose Tommy—forever. *Bright Burning Things* is an emotional tour-de-force—a devastating, nuanced, and ultimately hopeful look at an addict's journey towards rehabilitation and redemption. A MOST ANTICIPATED BOOK FROM: Washington Post, The Millions, PopSugar, Shondaland, Good Morning America, Nylon, Good Housekeeping, Town & Country Comedian and star of *The Office* and *Unbreakable Kimmy Schmidt* Ellie Kemper delivers a hilarious, refreshing, and inspiring collection of essays "teeming with energy and full of laugh-out-loud moments" (Associated Press). "A pleasure. Ellie Kemper is the kind of stable, intelligent, funny, healthy woman that usually only exists in yogurt commercials. But she's real and she's all ours!" —Tina Fey "Ellie is a hilarious and talented writer, although we'll never know how much of this book the squirrel wrote."—Mindy Kaling Meet Ellie, the best-intentioned redhead next door. You'll laugh right alongside her as she shares tales of her childhood in St. Louis, whether directing and also starring in her family holiday pageant, washing her dad's car with a Brillo pad, failing to become friends with a plump squirrel in her backyard, eating her feelings while watching PG-13 movies, or becoming a "sports monster" who ends up warming the bench of her Division 1 field hockey team in college. You'll learn how she found her comedic calling in the world of improv, became a wife, mother and New Yorker, and landed the role of a bridesmaid (while simultaneously being a bridesmaid) in *Bridesmaids*. You'll get to know and love the comic, upbeat, perpetually polite actress playing Erin Hannon on *The Office*, and the exuberant, pink-pants-wearing star of *Unbreakable Kimmy Schmidt*. If you've ever been curious about what happens behind the scenes of your favorite shows, what it really takes to be a soul cycle "warrior," how to recover if you accidentally fall on Doris Kearns Goodwin or tell Tina Fey on meeting her for the first time that she has "great hair—really strong and thick," this is your chance to find out. But it's also a laugh-out-loud primer on how to keep a positive outlook in a world gone mad and how not to give up on your dreams. Ellie "dives fully into each role—as actor, comedian, writer, and also wife and new mom—with an electric dedication, by which one learns to reframe the picture, and if not exactly become a glass-half-full sort of person, at least become able to appreciate them" (Vogue.com). A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again. In *Young Hearts Crying*, Yates movingly portrays a man and a woman from their courtship and marriage in the 1950s to their divorce in the 70s, chronicling their heartbreaking attempts to reach their highest ambitions. Michael Davenport dreams of being a poet after returning home from World War II Europe, and at first he and his new wife Lucy enjoy their life together. But as the decades pass and the success of others creates an oppressive fear of failure in both Michael and Lucy, their once bright future gives way to a life of adultery and isolation. With empathy and grace, Yates creates a poignant novel of the desires and disasters of a tragic, hopeful couple. "A detailed study of Yates's novels and stories"-- Provided by publisher.
