Traducción, competencia plurilingüe y español como lengua de herencia (ELH) explores the connections between Spanish heritage language (SHL) education and translation competence. The volume identifies strategies to represent the linguistic experiences and practices of SHL students in the context of professional translation and interpreting training. Based on an empirical study with undergraduate students, this monograph provides insight on how to develop translation skills in three ways: as a plurilingual strategy, a pedagogical activity, and a professional skill. Because of its introductory nature, this book is of particular interest to SHL teachers and researchers seeking to systematically integrate translation practice into their teaching. Likewise, teachers of translation and interpreting who wish to learn how to enhance mediation as a learning component in translation and interpreting skills will find numerous suggestions on how to do so in this volume. Following the example of St. Ignatius, we believe that praying the Examen will lead to a better life. The 500-year-old daily practice of honest self-assessment and reflection is a founding principle of Ignatian spirituality. What we don't know is if St. Ignatius ever felt like changing it up a bit. Jesuit speaker and author Mark Thibodeaux, SJ, is confident that St. Ignatius wouldn't mind a little flexibility in his prayer. Join Thibodeaux as he guides you through new and unique versions of the Examen, totally flexible and adaptable to your life. In ten minutes, you can tailor your daily prayer practice to fit your personal and situational needs, further enhancing and deepening your meditation. Reimagining the Ignatian Examen—the only book of its kind—will lead you through a fresh and stimulating reflection on your past day, your present state of being, and your spiritual desires and needs for tomorrow. Este texto intenta dar muchas respuestas, pero también plantea preguntas como: • ¿Sobreviven más las empresas cuyos fundadores han sido visionarios, las que han sido creadas a través de un plan o las que se han desarrollado por el trabajo del día a día? • ¿Lo más difícil cuando creamos una empresa es tener una buena idea, saber gestionarla o tomar decisiones respecto a su progreso? • ¿Puede ser viable cualquier idea que pretendamos desarrollar? • ¿Cuándo presenta nuestro proyecto su madurez? Hoy la creación de empresas es un objetivo para muchas personas. Y, es fácil, podemos crearla tras varios clics, puede crecer y mantenerse tras otros tantos clics, y lo que habíamos aprendido con esfuerzo anteriores generaciones ahora parece devenir inútil e innecesario; pero el conocimiento es importante y lo es en tanto que nos ha de ayudar a iniciarnos en lo

ya sabido, a mejorar nuestras organizaciones y a llevarlas al mayor de los éxitos. Crear una empresa supone tener aptitudes, habilidades, capacidades y actitudes que vamos desarrollando a lo largo de nuestros días y que sorprendentemente nos llevan a ser nuestro propio jefe - jefa. La tarea es ardua pero con muchas recompensas. Necesitamos conocer cómo se gestiona una empresa –promover la creatividad, decidir, planificar, organizar, estudiar su viabilidad, trabajar la información, comunicar, dirigir y supervisar- y a todo ello dedicamos la primera parte de este libro. La segunda, a la puesta en marcha y funcionamiento de las decisiones estructurales, a solucionar preguntas acerca de nuestro nombre, forma jurídica, inversión, financiación, dimensión, crecimiento y localización-, y a las decisiones funcionales como aprovisionarnos, seleccionar a nuestro personal, decidir cómo producir y sus correspondientes costes, y cómo vender. El objetivo de este libro, Como crear y hacer funcionar una empresa, es plantear metodológicamente, todas las variables fundamentales para crear, poner en marcha y para que sobreviva una empresa. Autores: Ma Angeles Gil Estallo, profesora titular de la Universidad Pompeu Fabra, posee amplia experiencia en la creación y dirección de organizaciones públicas, privadas, grupos de docencia e investigación. When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In the New York Times bestseller The School of Greatness, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, The School of Greatness gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives. Celebrate your love of Beetlejuice with this

as long-term or short-term concentrations for six key air pollutants: PM2.5, PM10, ozone, nitrogen dioxide, sulfur dioxide and carbon monoxide. In addition, the guidelines provide interim targets to guide reduction efforts of these pollutants, as well as good practice statements for the management of certain types of PM (i.e., black carbon/elemental carbon, ultrafine particles, particles originating from sand and duststorms). These guidelines are not legally binding standards; however, they provide WHO Member States with an evidence-informed tool, which they can use to inform legislation and policy. Ultimately, the goal of these guidelines is to help reduce levels of air pollutants in order to decrease the enormous health burden resulting from the exposure to air pollution worldwide.

Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. This book is about discovering together how to understand and live the Greatest Commandment. We're not after the "art of thinking about God a little differently." We're here to uncover the needs God created within us—needs for meaning, intimacy, honesty, humility, justice, compassion, and more—and how he designed us to find those needs fulfilled in him. This is the art of living Jesus' spirituality. God gives us the key in the Greatest Commandment, but

we've got to do this stuff in the right order. Imagine I invite you to my sweet cabin by the lake. To start hanging out in that cabin, you need to get the key from me, pack your car, follow the GPS, and so on. There's a natural order to it. It's the same with the Greatest Commandment. We begin upward, with loving God. The God. God of the Old Testament, God of the New Testament. God the Trinity—Father, Son, Holy Spirit. We continue inward, with understanding our true identities in Jesus. And when we get those things right, God's Spirit sends us outward, on mission into the world. These three movements—upward, inward, and outward—mirror the Greatest Commandment and help us learn the art of living harmoniously together in a chaotic world. With both pen and camera lens, Orion Carloto captures the dreamlike beauty of memory. Film for Her is a story book of people, places, and

memories captured on film. Through photographs, poetry, prose, and a short story, Orion Carloto invites readers to remember the forgotten and reach into the past, find comfort in the present, and make sense of the intangible future. Film photography isn't just eye candy; it's timeless and romantic--the ideal complement to Carloto's writing. In *Film for Her*, much like a visual diary, word and image are intertwined in a book perfect for both gift and self-purchase. She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. A #1 Wall Street Journal, Amazon Charts, USA Today, and Washington Post bestseller. #1 New York Times bestselling author Gregg Olsen's shocking and empowering true-crime story of three sisters determined to survive their mother's house of horrors. After more than a decade, when sisters Nikki, Sami, and Tori Knotek hear the word mom, it claws like an eagle's talons, triggering memories that have been their secret since childhood. Until now. For years, behind the closed doors of their farmhouse in Raymond, Washington, their sadistic mother, Shelly, subjected her girls to unimaginable abuse, degradation, torture, and psychic terrors. Through it all, Nikki, Sami, and Tori developed a defiant bond that made them far less vulnerable than Shelly imagined. Even as others were drawn into their mother's dark and perverse web, the sisters found the strength and courage to escape an escalating nightmare that culminated in multiple murders. Harrowing and heartrending, *If You Tell* is a survivor's story of absolute evil--and the freedom and justice that Nikki, Sami, and Tori risked their lives to fight for. Sisters forever, victims no more, they found a light in the darkness that made them the resilient women they are today--loving, loved, and moving on.
