With 21 devotionals and 100+ recipes, this book is your ultimate plan of action and toolbox as you commit to the

Daniel Fast. You'll not only embrace healthier eating habits, you'll also discover a greater awareness of God's presence. Divided into three parts--fast, focus, and food--this book is your inspirational resource for pursuing a more intimate relationship with God as you eliminate certain foods such as sugars, processed ingredients, and solid fats from your diet for 21 days. Author Kristen Feola explains the Daniel Fast in easy-to-understand language, provides thought-provoking devotions for each day of the fast, and shares more than 100 tasty, easy-to-make recipes that follow fasting guidelines. In a conversational style, Feola helps you structure the fast so you can spend less time thinking about what to eat and more time focusing on God. As Feola writes, "When you want ideas on what to cook for dinner, you can quickly and easily find a recipe. When you feel weary, you can be refreshed through Bible verses and devotions. When you are struggling with staying committed, you can refer to the information and tools in this book to motivate you." What would happen if Christian leaders decided that "good enough" is no longer good enough? What if they stepped out of the comfort zone, stood for right, and strived for excellence? What if they were fearlessly committed to following God's lead and trusting the future to Him? In this book Clinton Valley casts just such a vision for Christian leaders. Drawing from years of experience, Valley offers

insight about the true purpose of leadership and the profile of an effective leader. The practical and inspiring principles he shares will help you develop the vision, skills and focus you need to lead effectively. Help! I'm Being Followed addresses how to make positive changes, deal with conflict, handle criticism, and plan for relevance and progress. While Ellen White did not invent the term "servant leadership," she put it to practice in her own life. Leaders are needed at all levels of society. Whether your daily routine includes presiding over church board meetings, scheduling music lessons and soccer games, or planning company strategies for the next year, this helpful book will give you special insight into the life of a servant-leader. And you may be surprised at some of Ellen's responses to situations you may be likely to encounter today. The Colporteur Ministry by Ellen G. White. Original Edition. HIGH LETTERS Over the course of one night in 1942, the crew members of Wellington bomber 'P for Pathfinder' each reflect on the paths of their own lives, as they embark on a fateful mission deep into the heart of Nazi Germany. Addressing low church member retention is long overdue. One of the initiatives of the General Conference of Seventh-day Adventists(R) to address this matter is to hold Nurture and Retention Global Summits. The first one met in November 18-20, 2013 and the second one in April 5-7, 2019. The primary

purpose of this publication is to preserve and disseminate the content of the seminars and workshops offered during the 2019 Nurture and Retention Summit. It covers three important related areas: Discipling, Nurturing, and Reclaiming. The secondary, and probably most important, long-term goal is to keep the conversation running and to continue to share and develop best practices to be more effective and efficient in God's mission. We believe this book will give you enough insight about the need to develop more efficient ways to attract and equip new members, as well as sending them to fulfill God's work to "make disciples of all nations" (Matt. 28:19, NIV). We Are the Pathfinders Strong is the story of the men and women who dedicated themselves to the church's young people, and the young people who joined them in this exciting program. Around the world Adventist young people learn new skills and participate in fascinating activities, whether it be camping in the snow, exploring caves, witnessing to others, or serving as volunteers in humanitarian or civic outreaches. Whether you are a Pathfinder today, were many years ago, or would like to be... you'll find this book captures the joy and excitement of being a Pathfinder. "Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of

people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons." "Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--BOOK JACKET. Ministries holding on to programs that worked in the past because "We've always done it that way" are about as relevant as a landline or cassette tape. This book is for every youth leader who knows that change is part of youth ministry. It's for adults and mentors whose hearts both sing and break over young people. And it is for courageous pastors who will do whatever it takes to faithfully serve their teenagers. That's right, this book is for you. Building on over a dozen years of research and intensive work with more than 50 youth ministries and 100 youth leaders, we've developed a step-by-step innovation process that equips youth leaders and their teams to effectively serve teenagers' changing lives and support their long-term faith. Sticky Faith Innovation will guide

your team time and time again as you propel your compassion, creativity, and courage toward cultivating a youth ministry that responds to the changing needs of your young people. Guidelines and a full exercise programme for the achievement of true physical fitness in leisure time. Includes sporting and recreational activities. This book has been around a while. Since it was first published, a lot of other books about health have come and gone. Some of them have been bigger than this one, but none of them have ever been better. Perhaps you have noticed the explosion in diet and exercise publications. Today it is obvious that the pursuit of health and fitness is more than just a quick fad. Looking and feeling good isn't optional, for many people these days, it's a high lifestyle priority. "The Ministry of Healing" is a book that crusades for total fitness, not just physical fitness because we are human beings and are more than just bodies. This book speaks to the needs of the whole person, body, mind and spirit. For a whole lot less than one visit to the Doctor, this classic on health will tell you how to manage stress, get well and prevent disease while feeling vibrantly alive. - The True Medical Missionary. The Work of the Physician. Medical Missionaries and Their Work. The Care of the Sick. Health Principles. The Home .The Essential Knowledge. The Worker's Need. Scripture Index. General Index Here is a collection of amazing but true stories about God's

faithfulness to those who honor His holy day. A father has no money to send his children to church school until his boss offers him a raise -- if he will work on Sabbath just this once. A son is offered a stack of money if he will forget his Adventist scruples. A man with a gun aimed at his heart has to decide whether to honor his conscience. Seventh-day Adventist athletes face Sabbath tournaments, musicians face Sabbath recitals, and students face Sabbath exams. Fishermen leave huge fish waiting in their nets at Friday sundown. Even inanimate objects honor the Sabbath -- like the hammer that wouldn't work on that day, the thick harness torn in two by an invisible hand, and one supercapacity water jug. Sometimes angels get into the act. One explains the seventh day in a dream. Helpful guides appear and disappear. A mysterious porter brings baked potatoes to a young man bleeding from the lash of his chief who demands he carry a load on the Sabbath. In each case God provides for His own. Taken from 50 years of Guide, a magazine for Christian youth, these stories prove God's promise: "Those who honor me I will honor" (1 Samuel 2:30, NIV). Book jacket. What should we expect from an outpouring of the Holy Spirit? Is it always associated with a manifestation of the gift of tongues? Find out the answers to these questions and many others in this dynamic little book. Hugh van Cuylenburg was a primary school teacher volunteering in northern

India when he had a life-changing realisation: despite the underprivileged community the children were from, they were remarkably positive. By contrast, back in Australia Hugh knew that all too many people found it hard to be happy, or suffered from mental illnesses such as depression and anxiety. His own little sister had been ravaged by anorexia nervosa. How was it that young people he knew at home, who had food, shelter, friends and a loving family, struggled with their mental health, while these kids seemed so contented and resilient? He set about finding the answer and in time came to recognise the key traits and behaviours these children possessed were gratitude, empathy and mindfulness. In the ensuing years Hugh threw himself into studying and sharing this revelation with the world through The Resilience Project, with his playful and unorthodox presentations which both entertain and inform. Now, with the same blend of humour, poignancy and clear-eyed insight that The Resilience Project has become renowned for, Hugh explains how we can all get the tools we need to live a happier and more fulfilling life. Do the writings of the Old Testament prophets seem unrelated to modern life? Would you read them more carefully if you recognized they still speak even today? Learn how Old Testament prophecy informs us about earth's last days! Discover how end-time prophecy, particularly the book of Revelation, is illuminated by the

writings of the prophet Isaiah. This verse-by-verse devotional walks you through the book of Isaiah and leaves you astonished by God's unrelenting efforts to reconcile us to Himself even today.
