Rules for Visiting Jul 20 2020 A beautifully observed and deeply funny novel of May Attaway, a university gardener who sets out on an odyssey to reconnect with four old friends over the course of a year. At forty, May Attaway is more at home with plants than people. Over the years, she's turned inward, finding pleasure in language, her work as a gardener, and keeping her neighbors at arm's length while keenly observing them. But when she is unexpectedly granted some leave from her job, May is inspired to reconnect with four once close friends. She knows they will never have a proper reunion, so she goes, one-by-one, to each of them. A student of the classics, May considers her journey a female Odyssey. What might the world have had if, instead of waiting, Penelope had set out on an adventure of her own? *RULES FOR VISITING* is a woman's exploration of friendship in the digital age. Deeply alert to the nobility and the ridiculousness of ordinary people, May savors the pleasures along the way--afternoon ice cream with a long-lost friend, surprise postcards from an unexpected crush, and a moving encounter with ancient beauty. Though she gets a taste of viral online fame, May chooses to bypass her friends'

perfectly cultivated online lives to instead meet them in their messy analog ones. Ultimately, May learns that a best friend is someone who knows your story--and she inspires us all to master the art of visiting.

Girls in White Dresses Feb 24 2021 Wickedly hilarious and utterly recognizable, *Girls in White Dresses* tells the story of three women grappling with heartbreak and career change, family pressure and new love—all while suffering through an endless round of weddings and bridal showers. Isabella,

Mary, and Lauren feel like everyone they know is getting married. On Sunday after Sunday, at bridal shower after bridal shower, they coo over toasters, collect ribbons and wrapping paper, eat minuscule sandwiches and doll-sized cakes. They wear pastel dresses and drink champagne by the case, but amid the celebration these women have their own lives to contend with: Isabella is working at a mailing-list company, dizzy with the mixed signals of a boss who claims she's on a diet but has Isabella file all morning if she forgets to bring her a chocolate muffin. Mary thinks she might cry with happiness when she finally meets a nice guy who loves his mother, only to realize he'll never love Mary quite as much. And Lauren, a waitress at a Midtown bar, swears up and down she won't fall for the sleazy bartender—a promise that his dirty blond curls and perfect vodka sodas make hard to keep. With a wry sense of humor, Jennifer Close brings us through those thrilling, bewildering, what-on-earth-am-I-going-to-do-with-my-life years of early adulthood. These are the years when everyone else seems to have a plan, a great job, and an appropriate boyfriend, while Isabella has a blind date with a gay man, Mary has a crush on her boss, and Lauren has a goldfish named Willard. Through boozy family holidays and disastrous ski vacations, relationships lost to politics and relationships found in pet stores, *Girls in White Dresses* pulls us deep inside the circle of these friends, perfectly capturing the wild frustrations and soaring joys of modern life. **BONUS:** This edition includes an excerpt from Jennifer Close's *The Smart One*.

Big Friendship Mar 16 2020 A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell you that! But for all the rosy sentiments surrounding friendship, most people don't talk

much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming Big Friendship in this honest and hilarious book that chronicles their first decade in one another's lives. As the hosts of the hit podcast *Call Your Girlfriend*, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls. Aminatou and Ann define Big Friendship as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And that the most important part of a Big Friendship is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, *Big Friendship* will invite you to think about how your own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them.

How to Tell Your Friends from the Apes Nov 11 2019 A survey of life on earth, in all its variety and pagentry, by a very annoyed humorist. From early man, the Neanderthal, Cro-Magnon, to irascible observations on mankind and the animal kingdom today (including "Birds I Could Do Without"), Will Cuppy, a perennially perturbed hermit, is your guide in these are very funny essays. For eight years, from 1921 to 1929, Will Cuppy lived alone on Jones Island, off Long Island's South Shore. From that outpost, he gained a reputation for his factual but funny magazine articles and wrote the book, How to be a Hermit, his first bestseller. His last, The Decline and Fall of Practically Everybody, was left unfinished after Cuppy's death in 1949 and has become a classic of American humor. In between (among other titles) was this very funny collection. First published in 1931, the subjects include "What I Hate About Spring," "Awful Mammals," and "Why Be a Rhinoceros?" Great for anyone who loves classic American humor.

How to Lose All Your Friends Jun 30 2021 Offers advice on the kinds of things to do if you don't want to have any friends

Conversations With Your Best Friend May 18 2020 Greetings, Yoshua here. Have you ever had that uncomfortable feeling like something isn't quite right and that there must be far more to life than what you've experienced? Maybe you reacted how I did at first; assuming you are a weirdo and have all sorts of problems, or don't fit in to a world where everyone around you seems to be doing well (which, spoiler, couldn't be further from the truth). Or perhaps you see right through it all and can't stand one more second of playing pretend and putting on a happy face. Either way, you are most certainly not alone in this matter and are likely being guided by a deeper knowing within your being, which can feel

strange at first, silly, even. Trying to fit in and live in a false, albeit broken, world can drive anyone to confusion, depression, isolation, and even madness (damn near did for me). But there is far more to life than that, we need only to be pointed in the right direction and shown what is truly possible. Conversations with Your Best Friend isn't a book to help you learn new mindful practices, love yourself more, find ten ways to manifest your desires, make millions the easy way, or teach you the ancient zen ways of growing out your beard to look extra spiritual, but rather a tool to assist you in unraveling the false narrative of who you believe you are from past fear-based conditioning. Through a new lens you can shed the labels that confine you, live in truth and access your flow state in which life makes perfect sense and doesn't feel like a chaotic, stressful, random mess all the time. As you navigate your way through this wild thing we call life, consider me a friend and guide on this journey, someone who has been where you are, someone to assist you in making sense of it all. Yoshua (formerly Joshua Greenfield) is little more than a reflection of YOU. Sure he lives in Colorado, works with food and music to assist others in tapping into their vibrational being and break through fear and blocks, co-created a successful alternative cooking channel on Youtube with over 1.4 million subscribers called Brothers Green Eats, and a show on MTV of the same name, has written a series of books, and most certainly loves long walks on the beach, but he cares little about the material accolades and interests, and rather chooses to focus on how these things may guide others to uncovering who they really are and seeing their divine connection to everything. "Praise" For "Conversations With Your Best Friend" "Do not try and read this book, that would be absolutely impossible. Instead, only try to realize the truth...there is no book. In doing so you'll see that it is not the book that gets read, it is yourself." The Chosen One "This was easily one of the most life changing and important books I have ever read in my entire life. Wait, what book are you talking about? Oooh that one... eh, I've had better." Newt Merciful "When I first read CWYBF I fell asleep within the first 10 pages and

upon waking up my shirt changed colors, there was money missing from the counter and I was fully enlightened. It was odd to say the least."-Levi Ivel "Yoshua, what you've just written is one of the most insanely idiotic things I have ever read. At no point in your rambling, incoherent musings were you even close to anything that could be considered a rational thought. Everyone in the totality of existence is now dumber for having read it. I award you no points, and may the Universe have mercy on your soul."-Milly Badison
Author Bio: Yoshua (formerly Joshua) is little more than a reflection of you. Sure he's had a certain level of success in his career; hosted a show about food and music on MTV, created an alternative cooking channel on Youtube with his brother that gained 1.4 million followers, teaches mindful cooking and music lessons around the world and has published a number of books, but Yoshua knows those things are of the material, fleeting, transient--what he shares in the book is for anyone to try on.

The Friend Jun 11 2022 WINNER OF THE 2018 NATIONAL BOOK AWARD FOR FICTION SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD NEW YORK TIMES BESTSELLER "A beautiful book ... a world of insight into death, grief, art, and love." -Wall Street Journal "A penetrating, moving meditation on loss, comfort, memory...Nunez has a wry, withering wit." -NPR "Dry, allusive and charming...the comedy here writes itself." The New York Times A moving story of love, friendship, grief, healing, and the magical bond between a woman and her dog. When a woman unexpectedly loses her lifelong best friend and mentor, she finds herself burdened with the unwanted dog he has left behind. Her own battle against grief is intensified by the mute suffering of the dog, a huge Great Dane traumatized by the inexplicable

disappearance of its master, and by the threat of eviction: dogs are prohibited in her apartment building. While others worry that grief has made her a victim of magical thinking, the woman refuses to be separated from the dog except for brief periods of time. Isolated from the rest of the world, increasingly obsessed with the dog's care, determined to read its mind and fathom its heart, she comes dangerously close to unraveling. But while troubles abound, rich and surprising rewards lie in store for both of them. Elegiac and searching, *The Friend* is both a meditation on loss and a celebration of human-canine devotion.

Lee's New York Times bestselling debut, *The Piano Teacher*, was called "immensely satisfying" by People, "intensely readable" by O, The Oprah Magazine, and "a rare and exquisite story" by Elizabeth Gilbert. Now, in her long-awaited new novel, Lee explores with devastating poignancy the emotions, identities, and relationships of three very different American women living in the same small expat community in Hong Kong. Mercy, a young Korean American and recent Columbia graduate, is adrift, undone by a terrible incident in her recent past. Hilary, a wealthy housewife, is haunted by her struggle to have a child, something she believes could save her foundering marriage. Meanwhile, Margaret, once a happily married mother of three, questions her maternal identity in the wake of a shattering loss. As each woman struggles with her own demons, their lives collide in ways that have irreversible consequences for them all. Atmospheric, moving, and utterly compelling, *The Expatriates* confirms Lee as an exceptional talent and one of our keenest observers of women's inner lives.

How to Be a Friend to a Friend Who's Sick Oct 03 2021

Everyone knows someone who's sick or suffering. Yet when a friend or relative is under duress many of us feel uncertain about how to cope. Throughout her recent bout with breast cancer, Letty Cottin Pogrebin became fascinated by her friends' and family's diverse reactions to her and her illness: how awkwardly some of them behaved; how some misspoke or misinterpreted her needs; and how wonderful it was when people read her right. She began talking to her fellow patients and dozens of other veterans of serious illness, seeking to discover what sick people wished their friends knew about how best to comfort, help, and even simply talk to them. Now Pogrebin has distilled their collective stories and opinions into this wide-ranging compendium of pragmatic guidance and usable wisdom. Her advice is always infused with sensitivity, warmth, and humor. It is embedded in candid stories from her own and others' journeys, and their sometimes imperfect interactions with well-meaning friends. *How to Be a Friend to a Friend Who's Sick* is an invaluable guidebook for anyone hoping to rise to the challenges of this most important and demanding passage of friendship.

Throughout it all, they will be tested repeatedly—by their families, lovers, society, and one another—as they fight to live authentic lives. The Girls in the Picture Apr 16 2020 From the New York Times bestselling author of *The Swans of Fifth Avenue* and *The Aviator's Wife*, a "rich exploration of two Hollywood friends who shaped the movies" (USA Today)—screenwriter Frances Marion and superstar Mary Pickford "Full of Old Hollywood glamour and true details about the pair's historic careers . . . a captivating ode to a legendary bond."—Real Simple NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE It is 1914, and twenty-five-year-old Frances Marion

has left her (second) husband and her Northern California home for the lure of Los Angeles, where she is determined to live independently as an artist. But the word on everyone's lips these days is "flickers"—the silent moving pictures enthralling theatergoers. Turn any corner in this burgeoning town and you'll find made-up actors running around, as a movie camera captures it all. In this fledgling industry, Frances finds her true calling: writing stories for this wondrous new medium. She also makes the acquaintance of actress Mary Pickford, whose signature golden curls and lively spirit have earned her the title "America's Sweetheart." The two ambitious young women hit it off instantly, their kinship fomented by their mutual fever to create, to move audiences to a frenzy, to start a revolution. But their ambitions are challenged by both the men around them and the limitations imposed on their gender—and their astronomical success could come at a price. As Mary, the world's highest paid and most beloved actress, struggles to live her life under the spotlight, she also wonders if it is possible to find love, even with the dashing actor Douglas Fairbanks. Frances, too, longs to share her life with someone. As in any good Hollywood story, dramas will play out, personalities will clash, and even the deepest friendships might be shattered. With cameos from such notables as Charlie Chaplin, Louis B. Mayer, Rudolph Valentino, and Lillian Gish, *The Girls in the Picture* is, at its heart, a story of friendship and forgiveness. Melanie Benjamin brilliantly captures the dawn of a glittering new era—its myths and icons, its possibilities and potential, and its seduction and heartbreak. "A boffo production . . . Inspiration is a rare and unexpected gift in a book filled with the fluff of Hollywood, but Benjamin provides it with *The Girls in the Picture*."—NPR "Profoundly resonant, *The Girls in the Picture* is at its core, an empowering and fascinating tale of sisterhood."—Bryce Dallas Howard

Home for Erring and Outcast Girls Aug 21 2020 An emotionally raw and resonant story of love, loss, and the enduring power of friendship, following the lives of two

young women connected by a home for "fallen girls," and inspired by historical events. "Home for Erring and Outcast Girls deftly reimagines the wounded women who came seeking a second chance and a sustaining hope."—Lisa Wingate, author of *Before We Were Yours* In turn-of-the-20th century Texas, the Berachah Home for the Redemption and Protection of Erring Girls is an unprecedented beacon of hope for young women consigned to the dangerous poverty of the streets by birth, circumstance, or personal tragedy. Built in 1903 on the dusty outskirts of Arlington, a remote dot between Dallas and Fort Worth's red-light districts, the progressive home bucks public opinion by offering faith, training, and rehabilitation to prostitutes, addicts, unwed mothers, and "ruined" girls without forcibly separating mothers from children. When Lizzie Bates and Mattie McBride meet there—one sick and abused, but desperately clinging to her young daughter, the other jilted by the beau who fathered her ailing son—they form a friendship that will see them through unbearable loss, heartbreak, difficult choices, and ultimately, diverging paths. A century later, Cate Sutton, a reclusive university librarian, uncovers the hidden histories of the two troubled women as she stumbles upon the cemetery on the home's former grounds and begins to comb through its archives in her library. Pulled by an indescribable connection, what Cate discovers about their stories leads her to confront her own heartbreaking past, and to reclaim the life she thought she'd let go forever. With great pathos and powerful emotional resonance, *Home for Erring and Outcast Girls* explores the dark roads that lead us to ruin, and the paths we take to return to ourselves.

Commencement Jun 18 2020 The bestselling author of *Maine* brings us a sparkling tale of friendship and a fascinating portrait of the first generation of women who have all the opportunities in the world, but no clear idea about what to choose. Assigned to the same dorm their first year at Smith College, Celia, Bree, Sally, and April couldn’t have less in common. Celia, a lapsed Catholic, arrives with a bottle of vodka in her suitcase; beautiful Bree pines for the fiancé she left behind in Savannah; Sally, preppy and obsessively neat, is reeling from the loss of her mother; and April, a

radical, redheaded feminist wearing a "Riot: Don't Diet" T-shirt, wants a room transfer immediately. Written with radiant style and a wicked sense of humor, *Commencement* follows these unlikely friends through college and the years beyond, brilliantly capturing the complicated landscape facing young women today.

Lost and Wanted Dec 25 2020 New York Times Best Seller Named a Best Book of 2019 by Vogue and NPR's Maureen Corrigan "Freudenberger's brilliant and compassionate novel takes on the big questions of the universe and proves, again, that she is one of America's greatest writers." --Andrew Sean Greer, Pulitzer Prize-winning author of *Less* An emotionally engaging, suspenseful new novel from the best-selling author, told in the voice of a renowned physicist: an exploration of female friendship, romantic love, and parenthood--bonds that show their power in surprising ways. Helen Clapp's breakthrough work on five-dimensional spacetime landed her a tenured professorship at MIT; her popular books explain physics in plain terms. Helen disdains notions of the supernatural in favor of rational thought and proven ideas. So it's perhaps especially vexing for her when, on an otherwise unremarkable Wednesday in June, she gets a phone call from a friend who has just died. That friend was Charlotte Boyce, Helen's roommate at Harvard. The two women had once confided in each other about everything--in college, the unwanted advances Charlie received from a star literature professor; after graduation, Helen's struggles as a young woman in science, Charlie's as a black screenwriter in Hollywood, their shared challenges as parents. But as the years passed, Charlie became more elusive, and her calls came less and less often. And now she's permanently, tragically gone. As Helen is drawn back into Charlie's orbit, and also into the web of feelings she once had for Neel Jonnal--a former college classmate now an acclaimed physicist on the verge of a Nobel Prize-winning discovery--she is forced to question the laws of the

universe that had always steadied her mind and heart. *Suspenseful, perceptive, deeply affecting, Lost and Wanted* is a story of friends and lovers, lost and found, at the most defining moments of their lives.

Before Everything Oct 23 2020 A group of lifetime friends gather together to confront life, love, and now mortality "Everything you want a novel about life, death, and friendship to be—smart, moving, sweeping, poetic, stinging, just beautiful. I loved these women (and their men) and this elegy to their long-reaching bonds." —Dani Shapiro, author of *Hourglass: Time, Memory, Marriage Before Everything* is a celebration of friendship and love between a group of women who have known each another since they were girls. They've faced everything together, from youthful sprees and scrapes to mid-life turning points. Now, as Anna, the group's trailblazer and brightest spark, enters hospice, they gather to do what they've always done—talk and laugh and help each other make choices and plans, this time in Anna's rural Massachusetts home. Helen, Anna's best friend and a celebrated painter, is about to remarry. The others face their own challenges—Caroline with her sister's mental health crisis; Molly with a teenage daughter's rebellion; Ming with her law practice—dilemmas with kids and work and love. *Before Everything* is as funny as it is bittersweet, as the friends revel in the hilarious mistakes they've seen one another through, the secrets kept, and adventures shared. But now all sense of time has shifted, and the pattern of their lives together takes on new meaning. The novel offers a brilliant, emotionally charged portrait, deftly conveying the sweep of time over everyday lives, and showing how even in difficult endings, gifts can unfold. Above all it is an ode to friendship, and to how one person shapes the journeys of those around her.
