Max believes the Scar assassin Jasper has been hired to protect her when actually, he is to kill her, but neither can deny the chemistry between them One day, homo sapiens will burn half the universe—and after, our descendants will cross billions of light years to atone and forget. In the pages of Dante's Heart, join Mara the naiad, the monster-hunter Dante, Fang Yu the cyborg knight and her lover Siwatu the necromancer, and Azar Almasi the intergalactic geneticist (and deity) as they search the universe for the secret of violence. From a foot-trek through forests made of glass, to the pools where the tadpoles of dragons are born, from alien planetscapes to pitched battles in the silent dark between the stars, who will survive humanity's last pilgrimage? This lavish, full-color edition includes 20 illustrations and 9 sketches by artists Roberto Calas, Chaz Kemp, and Frankie Serna. EARLY REVIEWS FOR DANTE'S HEART "Dante's Heart is like Clive Barker, Octavio Paz, and Dante Alighieri are playing D&D together. Lush stuff and more imaginative than most fantasy fare." - Marc McDermott "Dante's Heart isn't as much a story as it is an epic poem. Visually and emotionally evocative, it seems to be this gifted author's heartfelt rumination on pain, loss, and the human propensity toward violence. To read it is to step through an oil painting into another world. But beware: Once there, you may have trouble finding your way back out. Not that you'll necessarily want to, because Dante's Heart is both terrifyingly and achingly beautiful." – Michael Whiteman Jones REVIEWS FOR STANT LITORE'S PREVIOUS FICTION "Heartbreaking and wonderful." – Conflictium "I find myself riveted to Stant's prose, not only because I'm eager to find out the characters' fate but because his words are so beautiful. The story has stayed with me days after reading it. I highly recommend." – Denise Grover Swank, author of The Curse Keepers "To say I loved this book would be an understatement. I could not put it down." – The Seattle Post-Intelligencer "Stant Litore may be SF's premier poet of loneliness." – Jason Kirk, author of Reverb and The Other Whites in South Africa "Litore's stories aren't only entertaining. They are stories invading our lives, unexpectedly. You encounter them, as you might encounter people. They are those random elements in life that happen to you, like a mugging, like childbirth, like falling in love and marriage, like death and the funeral that follows. They are moments that leave a mark, and leave you changed." – Andrew Hallam, Ph.D., Metropolitan State University of Denver "Stant eloquently writes passages that are so moving, full of passion, fury, loneliness, blind drive ... He takes us to places of amazing beauty, awe-inspiring, as well as places where the implications in the story can leave you almost in despair for the human race." – Nikki Ebright, Director, Shiny Garden Revenge is a dish best served with magic-and a pet dragon.Hannah killed those who destroyed her family, but the man who ordered their deaths is still alive-and in power. It's time someone worked to end Adrien's evil rule.But to find justice, Hannah needs to increase her skills. Love is like an avalanche. It hits hard, fast and without mercy. At least it did for me when Sculpt, the lead singer of the rock band Tear Asunder knocked me off my feet. Literally, because he's also a fighter, illegally of course, and he taught me how to fight. He also taught me how to love and I fell hard for him. I mean the guy could do sweet, when he wasn't doing bossy, and I like sweet. Then it all shattered. Kidnapped. Starved. Beaten. I was alone and fighting to survive. When I heard Sculpt's voice, I thought he was there to save me. I was wrong. *Warning: This book contains some disturbing situations, strong language and sexual content. Over 18 years. Georgie "I lie to survive." Have since I was sixteen and my world fell into chaos. But I found a way to endure, or rather it found me. Now I'm a prisoner of my own doing, hiding behind a false mask so no one sees the truth. Not even the man I want but can't have-Deck. But I messed up and the lies are spilling over, out of control. Deck is unrelenting and will settle for nothing less than the truth. He demands everything from me-EVERYTHING-even if it rips me apart. DECK "I kill for a living." Unyielding-It's how I survive in my line of work. I bend people to my will...except Georgie. But that ends now. I've played her game for far too long. Now I think it's time we play mine. *Warning mature audiences only 18+, disturbing scenes, sexual content, coarse language.* The final book in The Song of the Shattered Sands series closes the epic fantasy saga in a desert setting, filled with rich worldbuilding and pulse-pounding action. The plans of the desert gods are coming to fruition. Meryam, the deposed queen of Qaimir, hopes to raise the buried elder god, Ashael, an event that would bring ruin to the desert. Çeda and Emre sail for their ancestral home to bring the traitor, Hamid, to justice. To their horror, they discover that the desert tribes have united under Hamid's banner. Their plan? A holy crusade to annihilate Sharakhai, a thing long sought by many in the tribes. In Sharakhai, meanwhile, the blood mage, Davud, examines the strange gateway between worlds, hoping to find a way to close it. And King Ihsan hunts for Meryam, but always finds himself two steps behind. When Meryam raises Ashael, all know the end is near. Ashael means to journey to the land that was denied to him an age ago, no matter the cost to the desert. It now falls to Çeda and her unlikely assortment of allies to find a way to unite not only the desert tribes and the people of Sharakhai, but the city's invaders as well. Even if they do, stopping Ashael will cost them dearly, perhaps more than all are willing to pay. But peel back those layers and you're left naked and exposed. They did that to me. Each piece was slowly stripped away then burned. I merely existed. But there was one layer they overlooked. The most important of them all—the tie to one man. The man responsible for me being this way. The man who found me. And the killer who would do anything to protect me. A timely unsettling of old "settled" questions surrounding divorce Amid the current nationwide debate over what "marriage" is, this book examines anew the nature and meaning of marriage from the standpoint of what adult children of divorce have actually experienced. Upholding the inextricable link between our personal identity and our origin in a union of two -- and, more deeply, in the Fatherhood of God -- the contributors to this volume reflect on the damage that divorce does to children, opening up important questions for all of us: What does it mean to be human? What does it mean to love and to marry? After decades of talk about the rights of adults to get a divorce and the benefits for children of an amicable split between parents (a so-called "good divorce"), these authors -- theologians, philosophers, political scientists, lawyers, psychologists, sociologists, and cultural critics -- effectively unsettle conventional opinion. A resource on marital infidelity for all involved, even onlookers Written by respected pastor and marriage counselor Dave Carder, this revised and expanded version of Torn Asunder sorts through the factors that contribute to infidelity and then maps out a recovery process for both partners. With compassion and wisdom rooted in the Bible, Carder offers insight for the victims of adultery, the perpetrators, and those who seek to help hurting couples. Along the way Carder also answers questions like: Why did this happen? We didn't actually sleep together, so is it still an affair? Can I trust my spouse again? Should I reveal a secret affair? What if my spouse doesn't want me back? What do we tell the kids? This refreshed and updated edition is an excellent resource for pastors, leaders, and lay people. Pair this with the Torn Asunder Workbook to for extra guidance in applying the book's advice to your marriage. "Story by Dayton Ward, James Swallo, and David Mack. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin-a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers.
