The Prophets Dec 15 2019 Best Book of the Year NPR • The Washington Post • Boston Globe • TIME • USA Today • Entertainment Weekly • Real Simple • Parade • BuzzFeed • Electric Literature • LitHub • BookRiot • PopSugar • Goop • Library Journal • BookBub • KCRW • Finalist for the National Book Award • One of the New York Times Notable Books of the Year • One of the New York Times Best Historical Fiction of the Year • Instant New York Times Bestseller A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them,

women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, *The Prophets* fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

We are constantly looking for someone else to complete us, accompany us, and give us love and attention. But instead of feeling less lonely, we often end up feeling empty and disappointed. Something always seems to be missing from our relationships. We want a deep, meaningful connection with others. However, our relationships usually don’t live up to our expectations. People don’t seem to get us or we don’t seem to fit in with others. Even those of us who are married or in a love relationship, we still feel separate and emotionally disconnected from our partners from time to time. Why is this so? Download - *Reconnect to Love: A Journey From Loneliness to Deep Connection* The truth is loneliness is not due to a lack of external connection. It’s a result of internal disconnection. When we feel lonely, we have lost our alignment with the love and abundance within. Instead, we are focusing on what’s missing and lacking in our relationships. The purpose of this book is about reconnecting to the love that is always available to us from within whenever we feel lonely.
