Old French Learning French Workbook For Kids Age 2+ & 1st, 2nd Grade Workbook/Lab Manual to accompany Vis-à-vis: Beginning French Modern French Grammar Workbook

A concise but unusually comprehensive handbook for the students of Old French. Based on Dr Einhorn's very successful introductory lecture course for undergraduates, this book describes the phonology, morphology and syntax of standard Old French, paying attention also to the main dialect forms. There are numerous examples in the text; the book also gives representative passages of some length, and a glossary. Students taking university courses and scholars teaching themselves should find in this book an ideal combination of features in a handy format. Learning French and obtaining the DELF B1 title has never been so easy. With this French book you will be able to improve your oral comprehension and pronunciation in an interactive and dynamic way, watching your progression as you progress through the 20 most common topics of the DELF B1 exam. All this with authentic and real French speaking documents in them. At the beginning of each topic, you will have to scan a QR code that will take you directly to our platform. Once there, you will have to watch a video to pronounce the essential vocabulary words and then you will have to listen / watch 3 documents and answer the questions asked about them. These documents are made up of reports, interviews, surveys or other standard formats that you might find in the exam. For each topic, you will get a score out of 25 which you will have to write down on a graph and which will allow you to see your progress through the book. At the end of the book, you will find all the transcripts as well as the corrections. At the end of the 20 topics, I assure you that your level of understanding of French will have improved considerably. Learn beginner French grammar painlessly with step-by-step lessons that focus on the essentials and help you build a learning habit. CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase. This workbook combines methodology and practice for beginning translators with a solid proficiency in French. It assumes a linguistic approach to the problems of translation and addresses common pitfalls, including the delineation of "translation units", word polysemy, false cognates, and structural and cultural obstacles to literal translation. The first part of the book focuses on specific strategies used by professionals to counter these problems, including transposition, modulation, equivalence, and adaptation. The second part of the book provides a global application of the techniques taught in the opening sections, guiding the student through step-by-step translations of literary and non-literary excerpts. The revised edition clarifies some of the finer points of the translation techniques introduced in the first edition, provides extra practice exercises, and offers information on a website that can be used in class. Workbook and Audio Activities provides written practice and guides the students through the activities on the Audio CDs. Fun exercises to help you learn français! Bonjour, mon ami! Ready To Learn The French Language quickly and in a practical way? There's just something about French that is just utterly sexy. Even if you are just discussing how bad the weather is or just describing the peculiarities of a wooden spoon, saying it in French somehow transforms the mundane into the ethereal. Maybe it's the passage of air through the nose when pronouncing "Champs Elysées" or the sophisticated accent when ordering "un croissant, s'il vous plaît", but saying things in French can be a rather magical experience. Why learn French? You may have your own personal reasons for learning this lovely but also complicated language, maybe you're going for an exchange student program, for a trip to Paris, or to be able to understand a French movie. There will be a lot of other reasons for you to learn French. This book will help you to your journey in French. Don't rush through the book. You can start with a lesson a day and then use and practice what you learned immediately. Don't wait until you get to France to actually start speaking French. Once you get through each lesson, get a friend or just about anybody you can practice French with and start gabbing away. The point of language is that it should be used, not just learned. Here's some topics covered in this book: ? French pronunciation ? Verbs ? Useful Everyday expressions ? Conversations ? And much more Get your copy now Read less
