More. by Andrew Shanks, Martynn Randall This updated edition covers a representative selection of the most popular lawnmowers from current models to those bought up to ten years ago. It presents the dismantling, overhaul and re-assembly of each popular engine in a logical sequence with step-by-step photos. Each engine overhaul is accompanied by a table listing all the lawnmowers in which the engine is used. There is also information on preventative maintenance, detailed coverage on buying a mower and safety procedures. The Manual will not tell you how to repair your car or your lawn mower, or how to hook up your stereo set. If you read The Manual, here is a glimpse of what you will get: the answers to a few questions and what you should do when a woman asks you "Do I look fat in this dress?" Answer her truthfully, even if the answer is yes. Tell her tactfully if her hair is a mess. There are other things this manual will do, and I must warn you, at times it will be lewd, crude, and downright rude. Men, this manual is especially for you. Women, please take a moment to decide if you wish to continue reading through. Toro Proline commercial walk-behind mowers (produced from 1990-2001) manual. you keep your mower running at its best. The book is written in clear and concise language, making it accessible to even those who are new to mower maintenance. So if you're looking for a comprehensive guide to Scag mowers, look no further than the "Scag Mower Manual." If chosen correctly and properly maintained, a high-quality lawnmower should provide many years of trouble-free service. This extensively illustrated, step-by-step practical manual provides the reader with advice on how to choose the best mower for their needs. "Sure there are no more beautiful thing to see in a house, a building, a mansion, a castle or a sports field that green and pure grass without weeds, and where we can see it from our children playing seniors enjoying a beautiful day or athletes trying to show their qualities and skills" With this simple but true phrase, Francisco the author of this manual defines which is one of the objectives of his work: Cooperate with homeowners and landscapers to improve our environment and make each day more habitable our planet. Also the author Francisco wants to do this objective easier than it frequently is , that is transmitted to all who purchase the Manual: "my best grass", the assurance that from now on will be much simpler to have a beautiful grass Francisco transmits all their knowledge, their studies, his investigations, their experience in working in companies # 1 in the retail industry for many years to all those who think like him: "Caring for our grass, we will have a better environment. This is our power" If we had to summarize in two concepts this work would say: "Simplicity" and "ready to use". Besides this project does not end with this manual of Francisco, the author promises that will continue to transmit experiences through Internet which guarantees to keep in touch Enjoy it The Manual will not tell you how to repair your car or your lawn mower, or how to hook up your stereo set. If you read The Manual, here is a glimpse of what you will get: the answers to a few questions and what you should do when a woman asks you Do I look fat in this dress?
