Edinburgh Detective Inspector Tony McLean is drawn into a set of cases separated by six decades, but connected by a macabre and brutal ritual killing in the first entry of the Detective Inspector MacLean mystery series. A young girl's mutilated body is discovered in a room that has lain sealed for

the last sixty years. Her remains are carefully arranged in what seems to have been a macabre ritual. For newly appointed Edinburgh Detective Inspector Tony McLean, this baffling cold case ought to be a low priority, but he is haunted by the young victim and her grisly death. Meanwhile, the city is horrified by a series of bloody killings—deaths for which there appears to be neither rhyme nor reason, and which leave Edinburgh's police at a loss. McLean is convinced that these deaths are somehow connected to the terrible ceremonial killing of the girl, all those years ago. It is an irrational theory. And one that will lead McLean closer to the heart of a terrifying and ancient evil . . .

Rilke has been trying to stay out of trouble, keeping his life more or less respectable. Business has been slow at Bowery Auctions, so when an old friend, Jojo, gives Rilke a tip-off for a house clearance, life seems to be looking up. The next day Jojo washes up dead. Jojo liked Grindr hook-ups and recreational drugs - is that the reason the police won't investigate? And if Rilke doesn't find out what happened to Jojo, who will? In this psychological thriller, a missing patient raises

concerns in a New York hospital, but as others start disappearing every dark possibility becomes more and more likely. To Senior Midwife Lucy Ryan, pregnancy is not an unusual condition—it's her life's work. But when two kidnappings and a vicious stabbing happen on her watch in a university hospital in Manhattan, her focus abruptly changes. Something has to be done, and Lucy is fearless enough to try. Rumors begin to swirl, blaming everyone from the Russian Mafia to an underground adoption network. Lucy teams up with a skeptical NYPD detective to solve the case, but the truth is far more twisted than a feisty single mom could ever have imagined. Returning to duty after recovering from being stabbed by a murder suspect, Detective Sergeant Logan McRae becomes involved in the ritualistic murder of a three-year-old boy, whose body is found months after being reported missing. \*\*THE BRILLIANT & IRREVERENT GUIDE FROM AWARD-WINNING COMEDIAN HUGO BOSS FORMERLY KNOWN AS JOE LYCETT \*\* As seen on Joe Lycett's Got Your Back, The Time it Takes, also seen on 8 Out of 10 Cats Does Countdown and Taskmaster. Reader, Life is hard. We are a bombarded generation: Facebook, billboards, Twitter, Instagram, taxes, newspapers, watches monitoring our sleep, apps that read our pulse, terrorism. There's such an onslaught to the senses these days it's a marvel any of us manage to get out of bed. I love bed. While we are overwhelmed and confused by the miasmic cloud of information, there are those that seek to take advantage: there are parking fines, hate Tweets, Nigerian email scams and Christmas newsletters from old school friends about their ugly kids. And just as we're getting round to doing something about it, we're distracted again. I, Joe Lycett, comedian, wordsmith, and professional complainer, am here to help. During my short life of doing largely nothing I've discovered solutions to many of life's problems, which I impart to you, dear Reader. Containing a centurion of complaint letters to unsuspecting celebrities, companies and anyone brave enough to clog up my phone, as well as illustrations, one-liners, jokes and life hacks, this little gem offers you a collection of tips and advice\* for all manner of modern woe. By the time you have finished reading this book you will have learnt how to: - Reverse a parking fine - Manipulate the tabloid press - Navigate social media - Respond to hate mail - Out-weird internet trolls - Contest a so-called ripe avocado - Send the perfect Christmas

newsletter - Defeat ISIS - Take down multi-national companies AND MUCH, MUCH MORE! Joe Lycett x

Terrifying serial killer thriller set in the gritty Glasgow of the near future, from the bestselling author of the Logan McRae series. When a curator is found murdered, Ruth Galloway and Detective Inspector Nelson track down links between the murder, Aborigine skulls, and a drug-smuggling operation that forces Ruth to question her loyalties. There's a darkness in the heart of Scotland... The stunning new Logan McRae thriller from No. 1 Sunday Times bestseller Stuart MacBride. Scream all you want, no one can hear... Inspector Logan McRae is looking forward to a nice simple case - something to ease him back into work after a year off on the sick. But the powers-that-be have other ideas... The high-profile anti-independence campaigner, Professor Wilson, has gone missing, leaving nothing but bloodstains behind. There's a war brewing between the factions for and against Scottish Nationalism. Infighting in the police ranks. And it's all playing out in the merciless glare of the media. Logan's superiors want results, and they

want them now. Someone out there is trying to make a point, and they're making it in blood. If Logan can't stop them, it won't just be his career that dies. There's a darkness in the heart of Scotland... The stunning new Logan McRae thriller from No. 1 Sunday Times bestseller Stuart MacBride. He is obsessed with her innocence. He will be destroyed by her guilt. The walls were champagne. The house was immaculate. A prosperous doctor lived there with his son and his beautiful wife. But the elegant walls hid a family's secret, a wife's shame. And one day shots rang out in the doctor's house. Suddenly Jennifer Witt was in jail, facing the death penalty. Jennifer insisted that she had not killed her abusive husband -- and she could never have killed her own son. Dismas Hardy believed her. But Hardy was only part of the defense team, and the only lawyer who continued to believe her...even as her story was torn to pieces, even as her lies came out, even as she was found guilty of murder. Now there's only one thing Jennifer can do to save her life...and she refuses to do it. So Hardy must do it for her. And in a shocking case of violence, betrayal, and lies, his only weapon is the truth... The 13th Juror...When innocence is not enough. In this highly atmospheric mystery, Ruth Galloway—whom #1 New York Times bestselling author Louise Penny calls “a captivating amateur sleuth”—has her summer

vacation disrupted by a murder in a medieval Italian town where dark secrets are buried as deep as bones. When archaeologist Angelo Morelli asks Ruth Galloway to come to the Italian countryside to help identify bones found in picturesque Fontana Liri, she jumps at the chance to go—and brings her daughter along for what she assumes will be a working vacation. Upon arriving, Ruth hears murmurs of Fontana Liri's strong resistance movement during World War II, and begins to sense that the townspeople are harboring an age-old secret. But how, if at all, could this chapter in history be connected to the human remains that Angelo has unearthed? Just as she's getting her footing in the dig, DCI Nelson appears, unexpectedly and for no clear reason. When Ruth's findings lead her and her crew to a modern-day murder, their holiday turns into anything but as they race to find out what darkness is lurking in this seemingly peaceful place. . .and who may be on their trail. From the No. 1 bestselling author of *THE MISSING AND THE DEAD* comes the short novel: *22 DEAD LITTLE BODIES*, plus two short stories: *STRAMASH* and *DI STEEL'S BAD HEIR DAY*, and a novella: *THE 45% HANGOVER*, all featuring his most popular characters - DS Logan McRae and DCI Roberta Steel. The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant

non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

He's every woman's worst nightmare... THE LADYKILLER is the first book in the DI Kate Burrows series: the only time the 'undisputed queen of crime writing' (Guardian) and Sunday Times bestseller Martina Cole has written from the perspective of the Old Bill. A killer is on the loose. It's up to DI Kate Burrows to stop him. But Kate has a problem. The Grantley Ripper has attacked the daughter of one of London's most infamous

gangsters, Patrick Kelly, and now Kate's investigation, along with her heart, are dangerously entwined with him. As the worlds of crime and law collide, will Kate take down the Ladykiller, or will he be her undoing? Her unique take on London's criminal underworld will have you hooked, so don't miss the rest of the DI Kate Burrows series, **BROKEN**, **HARDGIRLS** and **DAMAGED** The tenth Logan McRae novel from the No.1 Sunday Times bestselling author. Scottish crime fiction at its very best. A gripping standalone thriller from the Sunday Times No.1 bestselling author of the Logan McRae series.

1961. In the drawing room of an imposing Hong Kong residence, a British lord brutally assaults a young Chinese boy. His grandson watches, helpless. But he will never forget. Wapping, London, present day. It's a warm spring in the capital, and heroin addict Catherine Berlin feels the clammy breath of the past on her neck. Battling to stay clean, and bearing the scars of her most recent case, she is struggling to outpace her demons. An old contact has offered her a job investigating a violent attack by a seventeen-year-old public schoolboy, a Chinese orphan on a prestigious scholarship. The victim has gone missing, and the boy's patron, a shadowy peer, claims the case is being manipulated by the Chinese government. Seduced by the boy's vulnerability and the peer's allegations, Berlin

journeys to Hong Kong, where she uncovers a conspiracy that reaches from the Pearl River Delta to the Palace of Westminster... House of Bones is the fourth novel in the inimitable Catherine Berlin series, and a breathtaking and blood-spattered thriller. With this follow-up to "Cold Granite," MacBride proves himself to be a rising star of crime fiction, as his ferocious and funny Scottish wit combines with detailed authenticity in this story about a cop whos charged with solving a series of vicious crimes in Aberdeens red-light district. Martins Press. The first three crime novels in the Number One bestselling series by the award-winning Stuart MacBride. Detective Sergeant Logan McRae's only chance of getting out from under Detective Inspectors Steel and Inch is to get noticed. Not that any of his cases are the type that he wants to get noticed for. For starters, someone dumped a dying man at the hospital, and the team can't ID him or the person who dumped him. Even worse, McRae is also after a knife-wielding eight-year-old who is stirring up bad press for the department that does little for their case against Robert Macintyre, Aberdeen's beloved star soccer player. They're convinced he's a rapist, but they can't hold him long enough to prove it. Catching these perps is thankless work, and McRae's chances of getting rewarded are as bad as Aberdeen's without their leading goal scorer. With

his third masterful installment in a series that combines suspense with a dark and distinctly Scottish wit, award-winning author Stuart MacBride is setting a blistering standard for the next generation of crime writers. Two Logan McRae crime thrillers from the author of three consecutive No. 1 Sunday Times bestsellers. A bestseller from the award-winning Stuart MacBride. The seventh DS Logan McRae thriller is a gripping page-turner in which fame and fortune crash head-on with crime and punishment. No suspects. No clues. No rest for the wicked. A short novel from the No. 1 Sunday Times bestselling author, featuring DI Logan McRae and DCI Roberta Steel. The ninth Logan McRae thriller from the No. 1 bestseller Stuart MacBride. 'Dark and gripping. A riveting page-turner' Independent on Sunday A heart-stopping crime thriller and the fourth consecutive No. 1 Bestseller from the author of the Logan McRae series and Birthdays for the Dead. #1 New York Times bestselling author Kathy Reichs returns with an "edgy, eerie, irresistible" (Sandra Brown) novel with "plenty of twists" (The New York Times Book Review) featuring forensic anthropologist Temperance Brennan, who must use her skills to discover the identity of a faceless corpse, its connection to a decade-old missing child case, and why the dead man had her cell phone number. It's sweltering in Charlotte, North

Carolina, and Temperance Brennan, still recovering from neurosurgery following an aneurysm, is battling nightmares, migraines, and what she thinks might be hallucinations when she receives a series of mysterious text messages, each containing a new picture of a corpse that is missing its face and hands. Immediately, she's anxious to know who the dead man is, and why the images were sent to her. An identified corpse soon turns up, only partly answering her questions. To win answers to the others, including the man's identity, she must go rogue, working mostly outside the system. That's because Tempe's new boss holds a fierce grudge against her and is determined to keep her out of the case. Tempe bulls forward anyway, even as she begins questioning her instincts. But the clues she discovers are disturbing and confusing. Was the faceless man a spy? A trafficker? A target for assassination by the government? And why was he carrying the name of a child missing for almost a decade? With help from law enforcement associates including her Montreal beau Andrew Ryan and the quick-witted, ex-homicide investigator Skinny Slidell, and utilizing new cutting-edge forensic methods, Tempe draws closer to the astonishing truth. "A complete success" (Booklist, starred review), "this is Kathy Reichs as you've never read her before" (David Baldacci). A gripping serial killer thriller with a twist - from No. 1 bestseller

Stuart MacBride This time the serial killer picked the wrong family... 'MacBride is a damned fine writer' Peter James They call him Sawbones: a serial killer touring America kidnapping young women. The FBI's investigating - but getting nowhere. The latest victim is Laura Jones. Sixteen years old. Pretty. Blonde. And the daughter of one of New York's most notorious gangsters. Laura's Dad doesn't care about the law. What he wants is revenge. And he knows just the guys to get it. This time, Sawbones picked on the wrong family... The first thriller in the No.1 bestselling DS Logan McRae series. Nothing keeps a crime hidden like fear... 'Stuart MacBride's thrillers just keep getting better' Express Detective Sergeant Logan McRae isn't exactly thrilled to be part of the team helping settle paroled convict Martin Knox into his new Aberdeen home, or being stuck with DSI Danby from Northumbria Police who put Knox behind bars. And things are about to go very, very wrong. Three heavies from Newcastle want a 'quiet word' with DSI Danby about a missing mob accountant. And Martin Knox's dark past isn't done with him yet! "Ten years ago, D.C.I. Jack Logan stopped the serial child-killer dubbed 'Mister Whisper', earning himself a commendation, a drinking problem, and a broken marriage in the process. Now, he spends his days working in Glasgow's Major Investigations Team, and his nights reliving the horrors of what he

saw. And what he did. When another child disappears a hundred miles north in the Highlands, Jack is sent to lead the investigation and bring the boy home. But as similarities between the two cases grow, could it be that Jack caught the wrong man all those years ago? And, if so, is the real Mister Whisper about to claim his fourth victim?" -- publisher website. The third DS Logan McRae thriller in the No.1 bestselling crime series from Stuart MacBride. A crime of passion ... or cold-hearted murder? 'MacBride is a damned fine writer' Peter James THIS. MEANS. WAR. The explosive conclusion to David Baldacci's instant #1 worldwide bestselling and award-winning fantasy series. When body parts show up in a container at Aberdeen's harbor, they kick off Scotland's largest manhunt in 20 years--since the last time they had pursued Kenneth Wiseman. A brutal killer, Wiseman had been acquitted on a technicality. But now police are certain he's at work again. THE FIRE PIT IS THE THIRD BOOK IN THE FAROES NOVEL SERIES, FOLLOWING ON FROM THE CRITICALLY ACCLAIMED THE KILLING BAY In the wake of a dying man's apparent suicide, the skeleton of a young woman is discovered on a windswept hillside. Detective Hjalti Hentze suspects that it is the body of a Norwegian woman reported missing forty years earlier, while a commune occupied the land, and whose death may

be linked to the abduction and rape of a local Faroese girl. Meanwhile British DI Jan Reyna is pursuing his investigation into his mother's suicide. But as he learns more about her final days, links between the two cases start to appear: a conspiracy of murder and abuse spanning four decades. And as Hentze puts the same pieces together, he realizes that Reyna is willing to go further than ever before to learn the truth... The eighth Logan McRae novel in the No.1 bestselling crime series from Stuart MacBride. Every murder tells a story. But not every victim tells the truth. 'A terrific writer ... McRae is a delight' The Times The Three Miss Margarets is an irresistible, page-turning exploration of the past and the myriad ways it exerts a hold on the present. "Rich, funny . . . Fans of Fannie Flagg and Adriana Trigiani, take note. Shaffer has created a little piece of heaven."—The Philadelphia Inquirer Miss Peggy, Dr. Maggie, and Miss Li'l Bit, friends and confidantes for nearly a lifetime, find it funny and bewildering that they have become icons in Charles Valley, Georgia. Little does the rest of the town know that beneath the irreproachable façades of its three doyennes lies an explosive decades-old secret that is about to be revealed. Thirty-odd years ago the three Miss Margarets did something extraordinary, clandestine, and very illegal. Although they are haunted by the night that changed their lives, they believe that their crime

was simply a matter of righting an egregious wrong. But when a stranger's arrival in town and a tragic death open the floodgate of memory, their loyalty, friendship, and honor are tested in ways they could never have imagined—particularly when they have to contend with Laurel Selene, a young woman who has spent her life nursing an alcoholic mother and a huge grudge. Now Laurel is on the verge of discovering what happened the night the three Miss Margarets swore their oath of secrecy. Once she knows, will she reveal the truth about the three women she was raised to despise? Or will she face her own troubled history and put the dark legacy they all share behind them? THE SUNDAY TIMES NO. 1 BESTSELLER The tenth Logan McRae novel from the No. 1 bestselling author. 'Top drawer ... his most epic outing yet' Independent Twelve years. Twelve dead girls. Thirteen will be unlucky for some. The Number One bestselling crime thriller from the award-winning Stuart MacBride. A bloody, brilliant and brutal story of murder, kidnap and revenge.
