- With the bonus story "Busted" Karin Slaughter's novels featuring detective Will Trent are utterly riveting and masterfully drawn. Unseen pits detectives, lovers, and enemies against one another in an unforgettable standoff between righteous courage and deepest evil. Will Trent is a Georgia Bureau of Investigation agent whose latest case has him posing as Bill Black, a scary ex-con who rides a motorcycle around Macon, Georgia, and trails an air of violence wherever he goes. The cover has worked and he has caught the eye of a wiry little drug dealer who thinks he might be a useful ally. But undercover and cut off from the support of the woman he loves, Sara Linton, Will finds his demons catching up with him. Although she has no idea where Will has gone, or why, Sara herself has come to Macon because of a cop shooting: Her stepson, Jared, has been gunned down in his own home. Sara holds Lena, Jared's wife, responsible: Lena, a detective, has been a magnet for trouble all her life, and Jared's shooting is not the first time someone Sara loved got caught in the crossfire. Furious, Sara finds herself involved in the same case that Will is working without even knowing it, and soon danger is swirling around both of them. In a novel of fierce intensity, shifting allegiances, and shocking twists, two investigations collide with a conspiracy straddling both sides of the law. Karin Slaughter's latest is both an electrifying thriller and a piercing study of human nature: what happens when good people face the unseen evils in their lives. The second Vatican Council was convened by Pope John XXIII between 1962 and 1965. It marked a fundamental shift towards the modern Church. This book offers an examination of the nature and scope of these changes. It is useful for students and scholars of theology and ecclesiastical history, as well as for bishops, priests, and ministers.

Renowned biblical scholar Thomas Schreiner looks at the historical and biblical roots of the doctrine of justification and offers an updated defense of this pillar of Reformed theology. Reinvigorating one of the five great declarations of the Reformation—*sola fide*—Schreiner: Summarizes the history of the doctrine, looking at the early church and the writings of several of the Reformers. Walks readers through an examination of the key biblical texts in the Old and New Testament that support the Reformed understanding of justification. Discusses whether justification is transformative or forensic and introduces readers to some of the contemporary challenges to the Reformation teaching of *sola fide*, with particular attention to the new perspective on Paul. Five hundred years after the Reformation, the doctrine of justification by faith alone still needs to be understood and proclaimed. In *Faith Alone* you will learn how the rallying cry of “*sola fide*” is rooted in the Scriptures and how to understand this doctrine in a fresh way.

—THE FIVE SOLAS— Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations, often referred to as the “solas.” These five statements summarize much of what the Reformation was about, and they distinguish Protestantism from

other expressions of the Christian faith: that they place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone through faith alone, and seek to do all things for God's glory. The Five Solas Series is more than a simple rehashing of these statements, but instead expounds upon the biblical reasoning behind them, leading to a more profound theological vision of our lives and callings as Christians and churches.
