Just Here Trying to Save a Few Lives Dec 26 2020 An emergency medicine physician for nearly a decade, Dr. Pamela Grim has delivered babies, treated heart attacks, saved car accident victims, comforted the dying, and consoled the living who were left behind. She has worked all over the world, caring for victims of gang life in America's inner cities, victims of the war in Bosnia, poverty-stricken patients in Nigeria, and bank presidents in the United States. Relating these rich and varied experiences with compelling prose, Dr. Grim takes readers into the E.R. and lets them experience first-hand what it takes to make split-second, life-and-death decisions in the course of an average day. And with unflinching honesty, she conveys what it's like to be a caring physician with one of the most demanding, exhilarating, frustrating, and rewarding jobs in the world.

There Was A Fire Here Jan 07 2022 Less than a month before her 40th birthday, a devastating firestorm destroys Risa Nye's home and neighborhood in Oakland, California. Already mourning the perceived loss of her youth, she now must face the loss of all tangible reminders of who she was before. *There Was a Fire Here* is the story of how Nye adjusts to the turning point that will forever mark the "before and after" in her life—and a chronicle of her attempts to honor the lost symbols of her past even as she struggles to create a new home for her family.

Here We Are Feb 20 2023 #1 New York Times bestseller A TIME Magazine Best Book of the Year A NPR Best Book of 2017 A Boston Globe Best Book of 2017 "Moments of human intimacy jostle with scenes that inspire cosmic awe, and the broad diversity of Jeffers's candy-colored humans...underscores the twin messages that 'You're

never alone on Earth' and that we're all in this together."--Publisher's Weekly (starred review) "A true work of art."--BuzzFeed Oliver Jeffers, arguably the most influential creator of picture books today, offers a rare personal look inside his own hopes and wishes for his child--and in doing so gifts children and parents everywhere with a gently sweet and humorous missive about our world and those who call it home. Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it's big), or a guide to all of humanity (don't be fooled, we are all people), Oliver's signature wit and humor combine with a value system of kindness and tolerance to create a must-have book for parents. Praise for *Here We Are*: "A sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"--School Library Journal -"From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, *Here We Are* carries a simple message: Be kind." --NPR -"[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have book for parents."--Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist -"...a beautifully illustrated guide to living on Earth and being a good person."--Brightly -"[*Here We Are*] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity....[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review

I'm Out of Here: The Memoir of a Drunk Aug 14 2022 What you have in your hands is the story of what author-bartender-painter-raconteur Mike Muri "used to be like," and it ain't pretty. In fact, it is one of the most graphic, harrowing descriptions of the life of an alcoholic you will ever read. If like me, you also think it is howlingly funny, bitterly perceptive and disturbingly familiar, then you may well be an alcoholic, too

Here Lies a Father Mar 17 2020 Fifteen-year-old Ian Daly's moral universe is turned upside down when, at this father's funeral, he discovers that his father had two secret families. "Cassidy's

engrossing debut...convincingly depicts the ways his sensitive, turbulent protagonist navigates the murky period between adolescence and adulthood. Cassidy's distinctive coming-of-age story will move readers." --Publishers Weekly "Ian is a worthy literary cousin of Holden Caulfield, another kid with little tolerance for fakes and phonies and too much hard-won skepticism for his age. The grown-ups have let Ian down; now he must create himself." --Kirkus Reviews "Here Lies A Father is a coming of age story ripe with secrets and lies. Mckenzie Cassidy captures all the wonder and confusion of one teen's rites of passage as he grapples with the truth about his parents and the mystery of the past." --Stewart O'Nan, author of Snow Angels "Keenly observed and beautifully written, Mckenzie Cassidy's Here Lies a Father follows a blue-collar Holden Caulfield through a weekend odyssey of family secrets, lies, and revelations. It's a novel for anyone who has ever wondered about their parents' pasts--I couldn't put it down." --Sara Pritchard, author of Help Wanted: Female "A marvelous read, full of surprises, home truths, and excellent prose. Mckenzie Cassidy has joined the illustrious ranks of Ivan Turgenev and his classic Fathers and Sons." --John Bowers, author of The Colony "Here Lies A Father is a raw balance of beauty and sadness, both a compelling page-turner and a call to linger over each of Cassidy's exquisitely crafted sentences." --Libby Cudmore, author of The Big Rewind When Ian Daly and his sister Catherine arrive for their wayward father's funeral in his small and desolate upstate New York hometown, a secret that was kept from them their entire lives emerges: their father Thomas abandoned two other families, leaving behind two furious wives and several children who never knew their father. Ian wants to know more of the truth, but his sister and mother want to preserve the carefully constructed myth they've created around who Thomas really was. In the cold, lonely winter landscape of small-town New York, fifteen-year-old Ian sets out alone to learn the truth about his father's past and the families he left behind. Here Lies a Father examines the long-term effects shameful secrets have on a family, and how difficult it is for a young man to reconstruct his own sense of right and wrong, when every value and moral principle he was ever taught was based on a lie.

I Am From Here: Stories and Recipes from a Southern Chef Jul 01

2021 One of the South's best chefs invites you to grill, stew, and fry your own way to a more expansive and delicious dinner. A Vishwesh Bhatt dish conjures an evolving American South. Peanut Masala–Stuffed Baby Eggplant alongside fried okra, tossed in tangy chaat masala. Collard-Wrapped Catfish with a spicy Peanut Pesto. These much-loved dishes are stars on the menu at Snackbar in Oxford, Mississippi, where Bhatt has been the executive chef since 2009, earning him Best Chef: South (2019 James Beard Awards) and induction into the Fellowship of Southern Farmers, Artisans, and Chefs in 2022. His food draws from his Indian heritage and is unpretentious, inventive, and incredibly delicious. *I Am From Here* organizes 130 recipes by ingredient, emphasizing staples, spices, and vegetables that are as beloved on the Indian subcontinent as they are in the American South. Summer means okra, tomatoes, corn, and peas. Winter brings sweet potatoes and greens: mustards, collards, kale, and spinach. Rice is a constant throughout. Bhatt vividly recounts the special meals cooked by his mother and grandmothers—vegetarian comfort food such as Khichadi, custardy rice pudding, and Stewed Gujarati-Style Black-Eyed Peas—and presents them alongside dishes he's shared with friends, colleagues, and family across the decades. Recipes run the gamut from uncomplicated roast chicken and Citrus-Herb Rice Salad to dinner party-worthy Grilled Pork Tenderloin with Tandoori Spices. Writing for the home cook, Bhatt includes recipes for making your own spice mixes, including a versatile chaat masala. A mix-and-match meal-planning guide will help you pair dishes for different occasions. And every ingredient is within reach even if you're cooking far away from the warmth of Mississippi. This cookbook thoughtfully, and persuasively, expands notions of what it means to be, and cook like, a Southerner today.

From There to Here—Journey of a Skinned Rabbit Sep 15 2022

This is the story of Sylvias journey from being born during wartime to living through health and other challenges and eventually achieve living out her lifes purpose. It is a journey of twists and turns, synchronicity, with both humour and sadness interspersed. Her story illustrates how we can overcome in life with a determined spirit and reach our true purpose. The challenges in life can be our greatest

teacher. It is in these times, as Sylvia shows through her journey, that we find our inner eternal spirit that will lead us ever onwards to living who we truly are, free of fear!

Would a Maharajah Sleep Here? Dec 18 2022 Inspired by a movie, television show, book, or stories from friends, we may find ourselves daydreaming about trips to exotic locations with exciting adventures. For some lucky ones, these dreams become reality. *Would a Maharajah Sleep Here?* presents firsthand stories of luxury travel and discovery by two fun and experienced travelers. Authors and travelers Stephen and Leanne Troy provide accounts of historic exploration, luxury hotel stays, and encounters with interesting people around the world. Each trip is private and planned in great detail to make sure each and every adventure is unique and experienced in five-star luxury. Chronicling their exploits at the end of each day, the Troys describe checking into the finest hotels in the world and getting whisked away for incredible tours of some of the world's greatest treasures. In addition to personal anecdotes, this travelogue shares information about sites, history, culture, and food in countries around the world. The Troys reveal the good, the bad, and, of course, the fun and funny events that they encountered on their trips around the globe.

I Am a Stranger Here Myself Nov 17 2022 Part history, part memoir, *I Am a Stranger Here Myself* taps dimensions of human yearning: the need to belong, the snarl of family history, and embracing womanhood in the patriarchal American West. Gwartney becomes fascinated with the missionary Narcissa Prentiss Whitman, the first Caucasian woman to cross the Rocky Mountains and one of fourteen people killed at the Whitman Mission in 1847 by Cayuse Indians. Whitman's role as a white woman drawn in to "settle" the West reflects the tough-as-nails women in Gwartney's own family. Arranged in four sections as a series of interlocking explorations and ruminations, Gwartney uses Whitman as a touchstone to spin a tightly woven narrative about identity, the power of womanhood, and coming to peace with one's most cherished place.

Britt-Marie Was Here Apr 29 2021 The New York Times bestselling author of *A Man Called Ove*, *My Grandmother Asked Me to Tell You*

She's Sorry, and Anxious People captivates readers with this "warm and satisfying" (People) story "about a woman rediscovering herself after a personal crisis...fans of Backman will find another winner in these pages" (Publishers Weekly). Britt-Marie can't stand mess. A disorganized cutlery drawer ranks high on her list of unforgivable sins. She is not one to judge others—no matter how ill-mannered, unkempt, or morally suspect they might be. It's just that sometimes people interpret her helpful suggestions as criticisms, which is certainly not her intention. But hidden inside the socially awkward, fussy busybody is a woman who has more imagination, bigger dreams, and a warmer heart that anyone around her realizes. When Britt-Marie walks out on her cheating husband and has to fend for herself in the miserable backwater town of Borg—of which the kindest thing one can say is that it has a road going through it—she finds work as the caretaker of a soon-to-be demolished recreation center. The fastidious Britt-Marie soon finds herself being drawn into the daily doings of her fellow citizens, an odd assortment of miscreants, drunkards, layabouts. Most alarming of all, she's given the impossible task of leading the supremely untalented children's soccer team to victory. In this small town of misfits, can Britt-Marie find a place where she truly belongs? Funny and moving, sweet and inspiring, Britt-Marie Was Here celebrates the importance of community and connection in a world that can feel isolating.

Would a Maharajah Sleep Here? Volume 2 Mar 09 2022 Whether you are a seasoned traveler, a luxury traveler, a budget traveler, or just a dreamer, the exploits of Steve and Leanne Troy will keep you fascinated and entertained. For more than twenty years, the Troys have traveled the world in five-star luxuries—flying first-class, staying in the finest hotels, and traveling the narrow streets of exotic ports of call in limousine style. Don't be mistaken: Steve and Leanne start each day early in search of adventure and aren't afraid to climb the highest mountain in the rain or to swim with sharks in the deepest oceans. Luxury and convenience only enhance their ability to do and see more than the average tourist. By day, you might find them hiking the trails of Machu Picchu or exploring the ruins of Petra. At night, they may be dining with a maharaja in India or getting their massages at the Royal Palm Resort in Dubai. Filled with luxury, history, and culture,

Would a Maharajah Sleep Here? will delight any traveler.

Walking home together after the meal, they watch in horror as Stephen is knocked down and critically injured in what Gamache knows is no accident, but a deliberate attempt on the elderly man's life. When a strange key is found in Stephen's possession it sends Armand, his wife Reine-Marie, and his former second-in-command at the Sûreté, Jean-Guy Beauvoir, from the top of the Tour d'Eiffel, to the bowels of the Paris Archives, from luxury hotels to odd, coded, works of art. It sends them deep into the secrets Armand's godfather has kept for decades. A gruesome discovery in Stephen's Paris apartment makes it clear the secrets are more rancid, the danger far greater and more imminent, than they realized. Soon the whole family is caught up in a web of lies and deceit. In order to

find the truth, Gamache will have to decide whether he can trust his friends, his colleagues, his instincts, his own past. His own family. For even the City of Light casts long shadows. And in that darkness devils hide.

Out Here: A Novel Apr 10 2022 Andy Cormier is a sheltered young man forced to confront the nature of human evil... and the demons within himself. His relationship with Daniela Lubjanovich, a young woman still haunted by memories of her war-torn homeland, has been strained by circumstances - most of all his inability to graduate college - and now his own checkered past has begun to resurface. A budding friendship with Ben Teitelberg, a graduate student harboring demons of his own, may represent a way out. . . or a way deeper in.

The Stone Monkey Aug 22 2020 SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. The follow-up to Jeffery Deaver's massive bestseller *The Bone Collector* (also a feature film starring Angelina Jolie and Denzel Washington) *The Stone Monkey* is a "simply outstanding" (San Jose Mercury News) addition to the Lincoln Rhyme series. Recruited to help the FBI and the Immigration and Naturalization Service, Lincoln Rhyme and Amelia Sachs manage to track down a cargo ship headed for New York City carrying two dozen illegal Chinese immigrants, as well as the notorious human smuggler and killer known as "the Ghost." But when the Ghost's capture goes disastrously wrong, Lincoln and Amelia find themselves in a race to track him down before he can find and murder the two surviving families from the ship, who have vanished into the labyrinth of New York City's Chinese community. As Rhyme struggles to locate the families, aided by a quirky policeman from mainland China, Sachs finds herself forming a connection with one of the immigrants that may affect her relationship with her partner and lover.

Here I Stand - A Life Of Martin Luther Jun 12 2022 This early work on Martin Luther is both expensive and hard to find in its first edition. It

details the life of the monk responsible for translating the Bible from Latin into German and for inspiring the Lutheran movement. This is a fascinating work and is thoroughly recommended for anyone interested in the history of European religion. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Memorial Addresses on the life and character of Edward Young Parsons, (a Representative from Kentucky,) delivered in the House of Representatives and in the Senate August 1, 1876 Nov 12 2019

There Must Be a Pony in Here Somewhere Jul 13 2022 “AOL had found itself at the edge of disaster so frequently that one of its first executives, a brassy Vietnam veteran and restaurateur named Jim Kimsey, had taken the punch line of an old joke popularized by Ronald Reagan and made it into an unlikely mantra for the company. It concerned a very optimistic young boy who happened upon a huge pile of horse manure and began digging excitedly. When someone asked him what he was doing covered in muck, the foolish boy answered brightly, ‘There must be a pony in here somewhere!’”

—From the Prologue If you’re wondering what happened after “a company without assets acquired a company without a clue,” as Kara Swisher wryly writes, it’s time to crack open this trenchant book about the doomed merger of America Online and Time Warner. On a quest to discover how the deal of the century became the messiest merger in history, Swisher delivers a rollicking narrative and a keen analysis of this debacle that is a must-read for anyone who wants to understand what it all means for the digital future. Packed with new revelations and on-the-record interviews with key players, it is the first detailed examination of the merger’s aftermath and also looks forward to what is coming next. It certainly has not been a pretty picture so far—with \$100 billion in losses, a sinking stock price, employees in revolt, and lawsuits galore. As Swisher writes, “It is hard not to feel a bit queasy about the whole sorry mess. . . . It felt a bit like I was watching someone fall down a flight of stairs in slow motion, and every bump and thump made me wince. It made me reassess old ideas and wonder what I had gotten wrong. And it left me deeply confused as to

what had happened and, more important, what was coming next.” For Swisher, finding the answers to what went awry is important because she remains a staunch believer in the digital future—maybe not in the AOL Time Warner merger, but in the essential idea at the heart of it that someday the distinction of old and new media will no longer exist. Borrowing from Winston Churchill, Swisher calls it “the end of the beginning” of the digital revolution. “By that, I mean that it is from the ashes of this bust that the really important companies of the next era will emerge. And that evolution will, I believe, be shaped by what happened—and what is happening now—at AOL Time Warner.” To figure it all out, Swisher takes her reader on a journey that begins with a portrait of two wildly different corporate cultures and businesses that somehow came to believe, in the crucible of the red-hot Internet era, that they could successfully join forces and achieve unprecedented growth and success. When the merger was announced in early 2000, the irresistible combination was hailed as the new paradigm and its executives—Steve Case, Jerry Levin, Bob Pittman—as popular icons of the future. But after the boom so spectacularly turned to bust and the visions of New Media Supremacy lay in ruins, Swisher searches for clues about where the merger went wrong and who is to blame. More important, she looks to the future of both AOL Time Warner and the Internet as she seeks to answer the key question that the noise of the disaster has all but drowned out. Will the demise of the AOL Time Warner merger be the final and inevitable chapter of the dot-com debacle or will it herald a new paradigm altogether? This book, then, is a primer for the time to come, using the story of the AOL Time Warner merger as the vehicle to show the troubled journey into the future.

Here is a Table Dec 06 2021 Our understanding of racism is that it is the systematic doubt concerning the humanity of the other. It is a means to an end, namely, to pursue the dehumanisation of the other for one’s sole and exclusive benefit. The doubt is in itself ethically indefensible. Yet, it ultimately acquires the status of an incontrovertible truth around which economic and political life is organised and conducted. This has been and continues to be the reality in South Africa today. The hypothesis of this book is that a philosophical-historical study of racism will reveal that it has only ever been and continues to be white supremacy. In South Africa the actuality of the

doubt is that it has always arisen from one side (“whiteness”) and directed itself against the other (“blackness”). Our purpose is to show that racism properly speaking is white supremacy and that it cannot be properly understood without African philosophy.

A Galaxy Here and Now Oct 16 2022 Star Wars begins with its famous title sequence, setting the story in the ancient past of a remote galaxy. Yet the phenomenal success of the film, the franchise, and its "expanded universe" is based upon its reflection of historical and cultural milieus here on modern-day Earth. This collection of new essays examine various ways in which George Lucas's saga touches upon contemporary social and political issues. Topics include the impact of the film's score on musical genres, feminism and NASA, the epic mimicry of Western-African and Bedouin cultural motifs, gender identity construction, Cold War narratives in radio and national mythology, and fan interpretations of authorship and authenticity.

But on the last night of the trip, Emily enters their hotel suite to find blood and broken glass on the floor. Kristen says the cute backpacker she brought back to their room attacked her, and she had no choice but to kill him in self-defense. Even more shocking: The scene is horrifyingly similar to last year’s trip, when another backpacker wound up dead. Emily can’t believe it’s happened again—can lightning really strike twice? Back home in Wisconsin, Emily struggles to bury her trauma,

diving headfirst into a new relationship and throwing herself into work. But when Kristen shows up for a surprise visit, Emily is forced to confront their violent past. The more Kristen tries to keep Emily close, the more Emily questions her motives. As Emily feels the walls closing in on their cover-ups, she must reckon with the truth about her closest friend. Can Emily outrun the secrets she shares with Kristen, or will they destroy her relationship, her freedom—even her life?

Here, There, Everywhere: a Young Military Life Jan 15 2020 The trails of adventure chart the course of a life. In the case of Marianne Kelsey, she charts a course during a period of history when the world was recovering from the second World War and a Cold War had blanketed the globe. Traveling with her family as they moved from military stations across the U.S. and Europe, she saw up close not only the tumult of the times but the charm and grace of the old world that still glowed as it was transforming into the modern era. The locations, the people, the fun, the tribulations, and her growth into a cosmopolitan beauty are a pleasure to experience over those exciting and formative years. Go back in time and join her as she shares the wonder, glamour, excitement, and challenges of a world that invites us to return and enjoy what once was.

All Good People Here Jan 19 2023 #1 NEW YORK TIMES BESTSELLER • In the propulsive debut novel from the host of the #1 true crime podcast Crime Junkie, a journalist uncovers her hometown's dark secrets when she becomes obsessed with the unsolved murder of her childhood neighbor—and the disappearance of another girl twenty years later. You can't ever know for sure what happens behind closed doors. Everyone from Wakarusa, Indiana, remembers the infamous case of January Jacobs, who was discovered in a ditch hours after her family awoke to find her gone. Margot Davies was six at the time, the same age as January—and they were next-door neighbors. In the twenty years since, Margot has grown up, moved away, and become a big-city journalist. But she's always been haunted by the feeling that it could've been her. And the worst part is, January's killer has never been brought to justice. When Margot returns home to help care for her uncle after he is diagnosed with early-onset dementia, she feels like she's walked into a time capsule. Wakarusa is exactly how she remembers—genial, stifled,

secretive. Then news breaks about five-year-old Natalie Clark from the next town over, who's gone missing under circumstances eerily similar to January's. With all the old feelings rushing back, Margot vows to find Natalie and to solve January's murder once and for all. But the police, Natalie's family, the townspeople—they all seem to be hiding something. And the deeper Margot digs into Natalie's disappearance, the more resistance she encounters, and the colder January's case feels. Could January's killer still be out there? Is it the same person who took Natalie? And what will it cost to finally discover what truly happened that night twenty years ago? Twisty, chilling, and intense, *All Good People Here* is a searing tale that asks: What are your neighbors capable of when they think no one is watching?

Here For A Reason Aug 02 2021 In this second devotional, expanded to cover 12 new original songs, one of the authors describes how his airplane, carrying the shrouded body of a heart attack victim, landed only to have the man throw off his covers and walk off the plane.

Another of the writers of this book explains seeing a miracle when a young man walked unharmed out of what should have been electrically charged swimming pool waters. And the third scribe tells for the first time a previously untold secret of why his army platoon buddies were fatally ambushed and why he wasn't with them. All this and lots more awaits the reader in 'Here for a Reason.'

Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they've barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison's twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there's a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it's the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison's buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn't this be the start of the amazing life she'd always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.

Begin. Here followeth a true Relation of some of the Sufferings inflicted upon the servants of the Lord who are called Quakers ... as will appear by the fruits of the Schollars and Proctors of the University of Oxford, etc Feb 25 2021

We Are Left without a Father Here Feb 08 2022 *We Are Left without a Father Here* is a transnational history of working people's struggles and a gendered analysis of populism and colonialism in mid-twentieth-century Puerto Rico. At its core are the thousands of agricultural workers who, at the behest of the Puerto Rican government, migrated to Michigan in 1950 to work in the state's sugar beet fields. The men expected to earn enough income to finally become successful breadwinners and fathers. To their dismay, the men encountered abysmal working conditions and pay. The migrant workers in Michigan and their wives in Puerto Rico soon exploded in protest. Chronicling

the protests, the surprising alliances that they created, and the Puerto Rican government's response, Eileen J. Suárez Findlay explains that notions of fatherhood and domesticity were central to Puerto Rican populist politics. Patriarchal ideals shaped citizens' understandings of themselves, their relationship to Puerto Rican leaders and the state, as well as the meanings they ascribed to U.S. colonialism. Findlay argues that the motivations and strategies for transnational labor migrations, colonial policies, and worker solidarities are all deeply gendered.

Be Here Now Oct 04 2021 Beloved guru Ram Dass tells the story of his spiritual awakening and gives you the tools to take control of your life in this “counterculture bible” (The New York Times) featuring powerful guidance on yoga, meditation, and finding your true self. When *Be Here Now* was first published in 1971, it filled a deep spiritual emptiness, launched the ongoing mindfulness revolution, and established Ram Dass as perhaps the preeminent seeker of the twentieth century. Just ten years earlier, he was known as Professor Richard Alpert. He held appointments in four departments at Harvard University. He published books, drove a Mercedes and regularly vacationed in the Caribbean. By most societal standards, he had achieved great success. . . . And yet he couldn't escape the feeling that something was missing. Psilocybin and LSD changed that. During a period of experimentation, Alpert peeled away each layer of his identity, disassociating from himself as a professor, a social cosmopolite, and lastly, as a physical being. Fear turned into exaltation upon the realization that at his truest, he was just his inner-self: a luminous being that he could trust indefinitely and love infinitely. And thus, a spiritual journey commenced. Alpert headed to India where his guru renamed him Baba Ram Dass—“servant of God.” He was introduced to mindful breathing exercises, hatha yoga, and Eastern philosophy. If he found himself reminiscing or planning, he was reminded to “Be Here Now.” He started upon the path of enlightenment, and has been journeying along it ever since. *Be Here Now* is a vehicle for sharing the true message, and a guide to self-determination.

While You're Here, Doc: Farmacyard Adventures of a Maine Veterinarian Jul 21 2020 Veterinarian Brad Brown never knew what

to expect when he was called. Whether he was trying to geld a spooked stallion in a blizzard or found himself in the middle of an all-out fracas involving a monkey's abscessed tooth and a shotgun, he took it in stride, with great affection for both his four-legged patients and his two-legged clients.
