**Face2face Pre-intermediate. Workbook with Key Apr 17 2022**

**Pacesetter: Pre-Intermediate: Workbook Feb 03 2021**  
**Grammar is the starting point of the syllabus. The problem-solving approach to grammar helps students to work out for themselves the meaning and use of structures. Practice activities help students use the grammar in everyday situations. Motivating topics draw on students' own experiences and develop their interest in the world around them. Integrated skills work presents students with a variety of activities that develop their confidence and fluency in speaking, reading, writing and listening. The variety of texts, discussions and dialogues is supported by practical tasks that help students to use and understand the new language. A systematic vocabulary syllabus**

**combined with learning-to-learn skills encourage students to develop their own strategies for remembering new words. A lively photo-story in the first two levels presents informal language and a cultural reference as it follows the everyday lives of a group of British teenagers. The two upper levels contain a series of free-standing short stories which develop extensive reading skills. Practical 'Learn to learn' features help students to develop their study skills, record new vocabulary and organize their language learning. You can start the course either with Pacesetter Starter, which is for beginners, or Pacesetter Elementary, which is suitable for those who have achieved a basic level of English. A helpful review section at the end of each unit summarizes the main learning points and provides a reference for revision work. Three consolidation units in each level revise key grammar points, vocabulary and dialogues through controlled and freer activities. The projects at the end of these units provide an opportunity for students to produce more substantial and personal pieces of work.**

**English for Life: Pre-intermediate: Workbook without Key May 06 2021 80 pages of practice for self study One page for each lesson Review sections throughout Face2face Pre-intermediate Workbook with Key Dec 25 2022 Face2face Pre-intermediate is an easy-to-teach General English course that helps adults and young adults to speak and listen with confidence.
