**Tom Stoppard: Plays 4 Oct 05 2021 Dalliance Undiscovered Country Rough Crossing On the Razzle The Seagull This fourth volume of Tom Stoppard's work for the stage brings together five of his most celebrated translations and adaptations of plays by Arthur Schnitzler (Dalliance and Undiscovered Country), Ferenc Molnar (Rough Crossing, a classic farce set aboard an ocean liner), Johann Nestroy (On the Razzle, a mad chase through Vienna), and Anton Chekhov (The Seagull, the classic Russian country tale). According to The Times of London, "Adaptation in Stoppard's terms means finding a sympathetic text and using it as a springboard for invention that leaves the original far behind." In adapting these plays--some classics, some nearly forgotten--for the modern stage, Tom Stoppard has added his own unique elements of dazzling wit and verbal brilliance, hilarious parody and cutting satire, to create works that stand as exceptional works of theater that do not belong to any one age.**

This time, his job is to deliver a letter to a Sorceress living in Ashtown, but when the train that he's riding on is attacked by a mysterious band of thugs in cloaks, he'll find that there is a whole lot more to this quest than he first imagined.

*Indian Ink* Mar 30 2021 From Tony Award-winning playwright Tom Stoppard, *Indian Ink* is a rich and moving portrait of intimate lives set against one of the great shafts of history—the emergence of the Indian subcontinent from the grip of Europe. The play follows free-spirited English poet Flora Crewe on her travels through India in the 1930s, where her intricate relationship with an Indian artist unfurls against the backdrop of a country seeking its independence. Fifty years later, in 1980s England, her younger sister Eleanor attempts to preserve the legacy of Flora's controversial career, while Flora's would-be biographer is following a cold trail in India. Fresh from the critically acclaimed off-Broadway performance in 2014, *Indian Ink* is reemerging as an important part of Stoppard's oeuvre and the global dramatic canon, a fascinating, time-hopping masterwork.

*Heroes in the Night* Jun 20 2020 On a frigid March night, journalist Tea Krulos shivered in a Milwaukee park, waiting for a masked crimefighter. Finally the Watchman arrived, not in a Batmobile or swinging from a web shooter, but driving a tan, four-door Pontiac. He was in costume, of course—a trenchcoat, motorcycle gloves, army boots, a domino mask, and

a red hooded sweatshirt emblazoned with a “W” logo. The two had spoken before on the phone, but never face-to-mask. By the end of the interview, Krulos wasn’t sure if the Watchman was delightfully eccentric or completely crazy. But he was going to find out. **Heroes in the Night** traces Krulos’s journey into the strange subculture of Real Life Superheroes, random citizens who have adopted comic-book style personas and hit the streets to fight injustice—helping the homeless, gathering donations for food banks, or patrolling their neighborhoods looking for crime to fight. By day, these modern Clark Kents work as dishwashers, pencil pushers, and executives in Fortune 500 companies. But by night, only the Shadow knows. Well, the Shadow and Tea Krulos. Through historic research, extensive interviews, and many long hours walking on patrol in Brooklyn and Seattle, San Diego and Minneapolis, Krulos discovered what being a RLSH is all about. **Heroes in the Night** profiles dozens of RLSHs and shares not only their shining, triumphant moments, but some of their ill-advised, terrifying disasters as well. Tea Krulos is a freelance journalist and creator of the blog “**Heroes in the Night.**” He lives in Arcadia, Florida.

**Arcadia's Gift Jun 13 2022 "Cady--short for Arcadia--is an appealing heroine, and I enjoyed cheering for her as she confronted the tragic death of her twin sister, the collapse of her family, the vicissitudes of teenage romance, and the amazing discovery of her gift." --Mike Mullin, Author of ASHFALL. **Tom Stoppard: Plays 5 Feb 21 2023** This fifth collection of Tom Stoppard's plays brings together five classics by one of the most celebrated dramatists writing in the English language.

**Imitative Series and Clusters from Classical to Early Modern Literature Oct 13 2019** This volume shows the pervasiveness over a millennium and a half of the little-studied phenomenon of multi-tier intertextuality, whether as 'linear' window reference – where author C simultaneously imitates or alludes to a text by author A and its imitation by author B – or as multi-directional imitative clusters. It begins with essays on classical literature from Homer to the high Roman empire, where the feature first becomes prominent; then comes late antiquity, a lively area of research at present; and, after a series of essays on European neo-Latin literature from Petrarch to 1600, another area where developments are moving rapidly, the volume concludes with early modern vernacular literatures (Italian, French, Portuguese and English). Most papers concern verse, but prose is not ignored. The introduction to the volume discusses the relevant methodological issues. An Afterword outlines the critical history of 'window reference' and includes a short essay by Professor Richard Thomas, of Harvard University, who coined the term in the 1980s.

**Arcadia's Ignoble Knight, Vol. 8 May 12 2022** Caspian has confronted his past, become stronger both mentally and physically, and defeated the Lich King, Fragarach, thus laying his undead mother to rest. But while Lich King threat has been resolved, another one has cropped up in the port city—Dorumhold. The governing noble of the city is suspected of trafficking slaves. Sylvia has requested Caspian and Elinicia to look into these allegations and, if proven true, bring the noble in question to justice. What seems like a simple task on the surface proves to be anything but as Elinicia and Caspian find themselves contending with something they never expected to before. Another Sorceress, one not

beholden to the Sorceress Council.

*Arcadia's Choice* Oct 17 2022 "In this final installment, Ryan has brought all her characters full circle in a story that will sweep you up, and not let go--not even after the last page. She [Ryan] has seamlessly blended action, romance, paranormal elements alongside a truly tight plot into one helluva story. This is one book (and series) not to be missed!" Shannon Mayer, author of the Rylee Adamson Series and the Nevermore Trilogy Some gifts just aren't worth it. Arcadia is sick of being used and abused for her psychic gifts. It was bad enough to be exploited by a madman, but when the users are closer to home, she must decide how far she is willing to go for others, and when she needs to watch out for herself.

*Arcadia's Ignoble Knight: The Sorceress of Ashtown - Part II* Aug 03 2021 Caspian has made contact with the sorceress who resides in Ashtown, but Erica Demonica de Angelo is nothing like he expected. ***Fox Theatre* Nov 13 2019** Even beyond Atlanta, this amazing, Moorish-style icon is known by most not by its legal name, the Fox Theatre, but as the Fabulous Fox. Constructed in the late 1920s as a temple for the Yaarab Shrine, the imposing yellow-brick building was designed to out Baghdad Baghdad in its elaborate Middle Eastern appearance. But the

**onion-domed exterior with its faux prayer towers is nothing compared to the elaborate interior. Movie mogul William Fox leased the auditorium from the Shriners in 1929, transforming it into a movie palace like no other. The theater became a place of spectacular premieres and world-class performances until changing times threatened its very existence in the 1970s. The campaign to Save the Fox proved more dramatic than some of the performances that graced Fox's own stage. Today, the Fabulous Fox is one of Atlanta's best-known and most cherished landmarks.**
