Torch 2039 Twist Me The Chester White Swine Record Chester White Swine Record Amari and the Great Game Something Like Fate Oh William! Into the Woods My Name is Lucy Barton

Chloe Henderson has never been one to break the rules or push the boundaries... but during her summer break, she and her friends use fake IDs to sneak into a club. It's there that she meets handsome and alluring bartender, Will Morris. The pair hit it off immediately, growing closer with every passing day. But as with every summer, it has to end sometime. Chloe's senior year approaches and there's a shock in store when she returns to do her final year at school. Will is there too, but he's not one of

her fellow students... A tale of forbidden love, broken hearts, friendship, and rivalry. NEW YORK TIMES BESTSELLER • Pulitzer Prize winner Elizabeth Strout explores the mysteries of marriage and the secrets we keep, as a former couple reckons with where they've come from—and what they've left behind. BOOKER PRIZE FINALIST • ONE OF THE TEN BEST BOOKS OF THE YEAR: Maureen Corrigan, NPR's Fresh Air "Elizabeth Strout is one of my very favorite writers, so the fact that *Oh William!* may well be my favorite of her books is a mathematical equation for joy. The depth, complexity, and love contained in these pages is a miraculous achievement."—Ann Patchett, author of *The Dutch House* I would like to say a few things about my first husband, William. Lucy Barton is a writer, but her ex-husband, William, remains a hard man to read. William, she confesses, has always been a mystery to me. Another mystery is why the two have remained connected after all these years. They just

are. So Lucy is both surprised and not surprised when William asks her to join him on a trip to investigate a recently uncovered family secret—one of those secrets that rearrange everything we think we know about the people closest to us. What happens next is nothing less than another example of what Hilary Mantel has called Elizabeth Strout's "perfect attunement to the human condition." There are fears and insecurities, simple joys and acts of tenderness, and revelations about affairs and other spouses, parents and their children. On every page of this exquisite novel we learn more about the quiet forces that hold us together—even after we've grown apart. At the heart of this story is the indomitable voice of Lucy Barton, who offers a profound, lasting reflection on the very nature of existence. "This is the way of life," Lucy says: "the many things we do not know until it is too late." ONE OF THE BEST BOOKS OF THE YEAR: *The New York Times Book Review*, *The Washington*

Post, Time, Vulture, She Reads  
How do you keep fighting when you've already been claimed? When sixteen-year-old Elise is ripped from her home and taken to the royal palace as a permanent 'guest', she thinks her life is over. Little does she know it has only just begun... After befriending a group of other captives, including the headstrong Will, Elise finds herself swept away to a world she never knew existed—polished, sculpted, and refined until she can hardly recognize her own reflection. She should be happy to have escaped the poverty of her former life. But she knows a dark truth. The palace is a dream on the surface, but a nightmare underneath. With a dwindling population, the royals have imprisoned the teenagers to marry and breed. Only seven days remain of freedom before they will be selected by a courtier and forever claimed. Danger lurks around every corner. The only chance of escape is death. But when the day of the claiming finally arrives...the world will

never be the same. Royal

Dystopian Romance One  
woman must make the hardest  
decision of her life in this  
unforgettably moving story of  
resistance and faith during one  
of the darkest times in history.  
Santa Cruz, 1953. Jean-Luc is a  
man on the run from his past.  
The scar on his face is a small  
price to pay for surviving the  
horrors of Nazi occupation in  
France. Now, he has a new life  
in California, a family. He  
never expected the past to  
come knocking on his door.  
Paris, 1944. A young Jewish  
woman's past is torn apart in a  
heartbeat. Herded onto a train  
bound for Auschwitz, in an act  
of desperation she entrusts her  
most precious possession to a  
stranger. All she has left now is  
hope. On a darkened platform,  
two destinies become  
intertwined, and the choices  
each person makes will change  
the future in ways neither

could have imagined. Told from  
alternating perspectives, *While  
Paris Slept* reflects on the  
power of love, resilience, and  
courage when all seems lost.  
Exploring the strength of  
family ties, and what it really  
means to love someone  
unconditionally, this debut  
novel will capture your heart.  
Includes a Reading Group  
Guide. The empire of Elesthene  
once spanned a continent, but  
its rise heralded the death of  
magic. It tore itself apart from  
within, leaving behind a  
patchwork of kingdoms  
struggling to rebuild. But when  
a new dictator, the ambitious  
and enigmatic Emperor Elgar,  
seizes power in the old capital  
and seeks to recreate the lost  
empire anew, the other  
kingdoms have little hope of  
stopping him. Prince Kelken of  
Reglay finds himself at odds  
with his father at his country's  
darkest hour; the marquise of  
Esthrades is unmatched in  
politics and strategy, but she  
sits at a staggering military  
disadvantage. And Issamira,  
the most powerful of the free  
countries, has shut itself off

from the conflict, thrown into confusion by the disappearance of its crown prince and the ensuing struggle for succession. Everything seems aligned in Elgar's favor, but when he presses a band of insignificant but skilled alley-dwellers into his service for a mission of the greatest secrecy, they find an unexpected opportunity to alter the balance of power in the war. Through their actions and those of the remaining royals, they may uncover not just a way to defeat Elgar, but also a deeper truth about their world's lost history. Set in a fantastical world that is both welcomingly familiar and excitingly unique, *The Empire's Ghost* shows nobles and commoners alike struggling to survive and maintain power in an ever changing, chaotic world. The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of

Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names. Einar Lauritzen and Gunar Lundquist published the definitive *American Film Index, 1908-1915*, and its

companion volume for the years 1916 through 1920. The current work indexes Lauritzen and Lundquist's works and stands in its own right as a definitive reference work on early American filmmaking, with or without access to the ground-breaking predecessor volume. This work lists 33,664 films, 23,159 names, 1,025 companies and 785 works that were adapted into movies. The work includes extensive cross-referencing and "see" references for alternate titles and names. A tale inspired by the early life of Zora Neale Hurston finds the imaginative future author telling fantastical stories about a mythical evil creature until a racially charged murder threatens to shatter the peace in her turn-of-the-century Southern community. A first novel. Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't

fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops. A stunning gift edition of the Sunday Times and Telegraph Children's Book of the Year—the "action-packed" sequel to *The Letter for the King* (Daily Mail) Young Sir Tiuri searches for a missing knight in the perilous, magical

forest of the Wild Wood—where discerning friend from foe is no easy task . . . One of the King’s most trusted knights has vanished in the snow, so young Sir Tiuri and his best friend Piak must journey into the shadowy heart of the forest to find him. The Wild Wood is a place of mysteries, rumors and whispered tales. A place of lost cities, ancient curses, robbers, princesses, and Men in Green. As the darkness surrounds him and reports grow of secret plots and ruthless enemies, Tiuri finds himself alone and fighting for survival—caught in a world where good and evil wear the same face, and the wrong move could cost him his life. A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander

Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It’s also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “what if.” Despite their fathers’ bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together

despite every reason not to be. A USA Today and Globe and Mail bestseller! A novel of survival, love, loss, triumph—and the sisters who changed fashion forever Antoinette and Gabrielle “Coco” Chanel know they’re destined for something better. Abandoned by their family at a young age, they’ve grown up under the guidance of nuns preparing them for simple lives as the wives of tradesmen or shopkeepers. At night, their secret stash of romantic novels and magazine cutouts beneath the floorboards are all they have to keep their dreams of the future alive. The walls of the convent can’t shield them forever, and when they’re finally of age, the Chanel sisters set out together with a fierce determination to prove themselves worthy to a society that has never accepted them. Their journey propels them out of poverty and to the stylish cafés of Moulins, the dazzling performance halls of Vichy—and to a small hat shop on the rue Cambon in Paris, where a boutique business

takes hold and expands to the glamorous French resort towns. But the sisters’ lives are again thrown into turmoil when World War I breaks out, forcing them to make irrevocable choices, and they’ll have to gather the courage to fashion their own places in the world, even if apart from each other. “The Chanel Sisters explores with care the timeless need for belonging, purpose, and love, and the heart’s relentless pursuit of these despite daunting odds. Beautifully told to the last page.” —Susan Meissner, bestselling author of *The Last Year of the War* The second book in Isabelle Steiger's epic fantasy series, which weaves together the lives of the haves and the have-nots—both desperately fighting to reassemble the remains of a fallen empire. *The Rightful Queen* returns readers to the territories of Lantistyne. Emperor Elgar has brought war to the continent once again, and the rogues of the Dragon’s Head, once forced into his service, are scattered to the winds, wracked by

tragedy and struggling to reunite. While a cornered King Kelken grows increasingly desperate, Arianrod Margraine, the brilliant but outmanned marquise of Esthrades, devises a plan to stretch Elgar's forces thin and turn the tide of battle in their favor. But when the sheltered queen of Issamira is driven from her throne by a long-simmering plot and the use of forbidden magic, Arianrod faces an even more pressing crisis. Adora Avestri is more than the rightful queen of Issamira, more even than the key to defeating Elgar on the field—she has drawn the attention of beings older than Lantistyne itself, who possess hidden knowledge Arianrod has long desired. But if the queen and the marquise hope to survive long enough to learn it, Adora must find the strength to claim her birthright once and for all, and Arianrod must match wits and magic with a foe she has never before encountered: an equal. The Rightful Queen is another example of Isabelle Steiger's powerful writing, full of

intricate characters and complex world-building. "Lucy Barton is recovering slowly from what should have been a simple operation. Her mother, to whom she hasn't spoken for many years, comes to see her and a simple hospital visit becomes a portal to the most tender relationship of all--the one between mother and daughter"-- After decades of indifference, the forces of nature converge to create catastrophic and unimaginable events around the globe. Unbelievable death and destruction put the very existence of humanity at risk. The Earth is spinning out of control. Decades of ideological division and hate have made it impossible for governments and nations to solve the complex problems facing humanity. All hell has broken loose to create horrific situations and challenges beyond comprehension. Unbeknownst to the society at large, a family of well-educated and talented cousins are drawn together to confront the threat of human extinction. It is a

journey into the abyss of human decadence. Hunted meets *The Wrath and the Dawn* in this bold fairytale retelling—where court intrigue, false identities, and dark secrets will thrill fans of classic and contemporary fantasy alike. Princess Alyrra has always longed to escape the confines of her royal life, but when her mother betroths her to a powerful prince in a distant kingdom, she has little hope for a better future. Until Alyrra arrives at her new kingdom, where a mysterious sorceress robs her of both her identity and her role as princess—and Alyrra seizes on the opportunity to start a new life for herself as a goose girl. But as Alyrra uncovers dangerous secrets about her new world, including a threat to the prince himself, she knows she can't remain silent forever. With the fate of the kingdom at stake, Alyrra is caught between two worlds, and ultimately must decide who she is and what she stands for. Originally self-published as an ebook and now brought to

life with completely revised text, *Thorn* also features an additional short story set in-world, *The Bone Knife*. Here's the problem: when Rox was hired, she told her smoking-hot boss Cash that she was married, but she's not. Now, three years later, she's kind of accidentally living with him, and he's being a perfect gentleman, dang it. Everybody in the office said that Cash was a heartbreaker, that he'd bump her and dump her, so Rox decided not to become a statistic. She went out and bought herself some rings of the finest cubic zirconia so that she could work with Cash, who was several inches over six feet tall, emerald-eyed, ripped, gorgeous, his tailored suit clinging to his athletic body, sporting a British accent, and loaded. It had seemed like such a good idea at the time. But now, three years later, she and Cash have become friends. They travel together for work often, and they're the best of buddies. When Rox gets thrown out of her apartment, Cash insists that she come live with

him until they can find her a place because that's what friends do. Now, even though everyone insists that Cash never goes after married women, something about him has changed. There are little touches, little slips, and Rox is more and more tempted to tell hunky, gorgeous Cash that she never was married. And then he'll take her and break her, and then he'll walk away, and then she'll lose her job, and she still hasn't found a place to live. And yet, every time he looks at her with mischief in his dark green eyes, every time they're teasing and it somehow turns into tickling, every time she swats at him and somehow ends up in his arms, she wants so much to risk everything. What's a working stiff to do when she falls in love with her friend, the boss? There are stories where the girl gets her prince, and they live happily ever after. (This is not one of those stories.) Jenna Lord's first sixteen years were not exactly a fairy tale. Her father is a controlling psycho and her mother is a drunk. She

used to count on her older brother—until he shipped off to Iraq. And then, of course, there was the time she almost died in a fire. There are stories where the monster gets the girl, and everyone cries for his innocent victim. (This is not one of those stories either.) Mitch Anderson is many things: A dedicated teacher and coach. A caring husband. A man with a certain...magnetism. And there are stories where it's hard to be sure who's a prince and who's a monster, who is a victim and who should live happily ever after. (These are the most interesting stories of all.) *Drowning Instinct* is a novel of pain, deception, desperation, and love against the odds—and the rules.

**NATIONAL BESTSELLER •**  
From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in

the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and

Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life. This is the script of the original musical from which the film was adapted, not the film's screenplay. From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. *The Night Women*, as they call

themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book—the secret to the stirring imagery and insistent prose—is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft. Set in high-society Georgetown, an irresistible family drama about two sisters and the public scandal that just may lead them to rewrite the rules... Named a Best Book of the Month by Good Morning America, Bustle, Popsugar, BookBub, and Frolic “A stellar novel that celebrates sisterhood and the way women can step out of flawed men’s shadows. I delighted in every page.” —Amy Meyerson, bestselling author of *The Bookshop of Yesterdays* and

*The Imperfects* No surprise is a good surprise. At least according to thirty-four-year-old Daisy Richardson. So when it’s revealed in dramatic fashion that her esteemed father had been involved in a public scandal before his untimely death, Daisy’s life becomes complicated—and fast. For one, the Richardsons must now sell the family home in Georgetown they can no longer afford, and Daisy’s mother is holding on with an iron grip. Her younger sister, Wallis, is ready to move on to bigger and better things but falls fast and hard for the most inconvenient person possible. And then there’s Atlas, Daisy’s best friend. She’s always wished they could be more, but now he’s writing an exposé on the one subject she’s been desperate to avoid: her father. Daisy’s plan is to maintain a low profile as she works to keep her family intact amid social exile, public shaming, and quickly dwindling savings. But the spotlight always seems to find the Richardsons, and when another twist in the

scandal comes to light, Daisy must confront the consequences of her continued silence and summon the courage to stand up and accept the power of her own voice. "I was absolutely charmed by Ladies of the House. A wonderful debut." —Allison Winn Scotch, bestselling author of Cleo McDougal Regrets Nothing \*Don't miss Wedding of the Season, Lauren Edmondson's next family drama set in Newport, RI. On sale in February 2023 and available now to preorder! 12 authors bring you 12 original short stories of when good boys want to meet you, and bad boys want blood. Voices need to be heard, and secrets stay buried only so long. Feel the whip of a dominatrix, and become a dark princess. Where lessons of internet dating are learned the hard way. Where you should never fall for the enemy, and till death do you really part. Take a walk in the sand, and watch love burn like wildfire with cataclysmic effects. Twist Me: A Dark Romance Anthology of love, lust, desires,

murder, mystery and more. \*All proceeds benefit the ASPCA\* Three months Two changed fates One chance to fall in love Aiden Emerson is an all-star pitcher and the all-around golden boy of Riverton. Or at least he was, before he quit the team the last day of junior year without any explanation. How could he tell people he's losing his vision at seventeen? Straight-laced Olivia thought she had life all figured out. But when her dream internship falls apart, her estranged mother comes back into her life, and her longtime boyfriend ghosts her right before summer break, she starts to think fate has a weird sense of humor. Each struggling to find a new direction, Aiden and Olivia decide to live summer by chance, letting coin flips, card pulls, and rock, paper, scissors make all the hard decisions. Every fleeting adventure and stolen kiss is as fragile as a coin flip in this heartfelt journey to love and self-discovery from the author of Love Songs & Other Lies. At the Publisher's request, this

title is being sold without Digital Rights Management Software (DRM) applied. "Katniss Everdeen, you have competition."—Entertainment Weekly In the final volume of the the New York Times bestselling Tearling trilogy, which has captivated readers around the world, Erika Johansen brings the series to a climactic and satisfying close. In less than a year, Kelsea Glynn has transformed from a gawky teenager into a powerful monarch. As she has come into her own as the Queen of the Tearling, the headstrong, visionary leader has also transformed her realm. In her quest to end corruption and restore justice, she has made many enemies—including the evil Red Queen, her fiercest rival, who has set her armies against the Tear. To protect her people from a devastating invasion, Kelsea did the unthinkable—she gave herself and her magical sapphires to her enemy, and named the Mace, the trusted head of the Queen's Guard, as Regent in her place. The Mace will not

rest until he and his men rescue their sovereign, imprisoned and imperiled in Mortmesne. While they embark on this dangerous mission, Kelsea must unravel the secrets of her own heritage and of the Tearling's past, secrets with stakes far higher than she could ever have imagined. But a powerful new enemy stands in her way. Bolstered by anger from the past and growing stronger by the day, he'll stop at nothing to destroy anyone who challenges his claim. Now, as the suspenseful endgame begins, the fate of Queen Kelsea—and of the Tearling itself—will finally be revealed. A ground-breaking analysis of the short form lineage in twentieth-century American poetry Proposes a new genealogy of 20th century and contemporary American verse Contains in-depth discussion of key American poets and movements Will appeal to graduates and scholars in both the modernist and contemporary fields Reading a century of American poetry through the prism of short

form, this book analyses the centrality of an aesthetic of brevity to American modernist verse. It begins with Imagism and devotes chapters to William Carlos Williams, George Oppen, Lorine Niedecker, Robert Creeley, Larry Eigner, Robert Grenier and Rae Armantrout. Montgomery combines his larger argument, which takes issue with epic-driven narratives of Modernist poetry, with sensitive and original readings of numerous short and short-lined poems. Suggesting a reappraisal of key movements as objectivism, Black Mountain poetry and Language Writing, he opens new lines of discussion around the major poets of the period. In her debut novel, the bestselling author of *Wild* weaves a searing and luminous tale of a family's grief after unexpected loss. "Work hard. Do good. Be incredible!" is the advice Teresa Rae Wood shares with the listeners of her local radio show, *Modern Pioneers*, and the advice she strives to live by every day. She has fled a bad

marriage and rebuilt a life with her children, Claire and Joshua, and their caring stepfather, Bruce. Their love for each other binds them as a family through the daily struggles of making ends meet. But when they received unexpected news that Teresa, only 38, is dying of cancer, their lives all begin to unravel and drift apart. Strayed's intimate portraits of these fully human characters in a time of crisis show the varying truths of grief, forgiveness, and the beautiful terrors of learning how to keep living. *Surrender Games* follows the emotionally charged and highly erotic contemporary romance saga, *The Surrender Trilogy*. Isadora Patras has sacrificed years raising her younger siblings. Aching to do something selfish, and hungry for a taste of the forbidden, she takes a lover--her father's protege and trusted family friend, Sawyer Bishop. **NO MAN MAY TOUCH ZARIA. NOT EVEN HER OWN FATHER.** Envy of the other girls, Zaria was born for the sea. Nobody questions her fate

as the chosen braenese to marry Keroe, God of the Sea -- least of all her. And even if she did, she has no choice. When Zaria's wedding day finally arrives, she'll become the only islander of her generation permitted to cross into the God Sea. There's nothing more she could possibly want. UNTIL A CURIOUS BOY WASHES UP ON HER PALM-FRINGED PARADISE AND ZARIA DEFIES SACRED LAW TO HIDE THE UNCONSCIOUS STRANGER. There are only two possibilities with his strange (and strangely handsome) face: he's either a village anomaly or the Sea God himself, in disguise. The alluring boy-creature couldn't have come from anywhere else, because there is no other land in all the ocean. BUT WHEN THE SCOUNDREL AWAKENS, HE HAS THE GALL TO AMBUSH ZARIA. As three pageants leading up to her wedding turn unexpectedly deadly, and the enigma of its true purpose looms, Zaria is torn between her long-desired fate as Sea Queen and the infuriating boy who tells her

that everything her people know is a lie.

\_\_\_\_\_ "My clan? What is clan?" The boy's free hand stopped pulling at the neck of my tunic. Instead, he cupped my chin and held my head steady. Those dark green eyes locked on mine, skewering me like a fishing spear. "Who do you fight for? Whose mark do you bear?" His lips were inches from mine. I felt light-headed. Then, cocking his head, he asked, "Why do you say it's forbidden to touch you?" "Mark? I bear no mark, I fight for no one. The guards protect me," I spat. "I am Braeni, royal!" How many times did I have to say it? "We'll see about that." He spoke in a clipped voice and then, suddenly, he lifted himself off of me, with a spring in his step. Whatever misfortune caused him to wash ashore, he looked to be in fine health now. For a moment, I was paralyzed with disbelief at being abruptly released. Then I scooted myself along the rough

cave floor, crawling backwards from him, like a scuttering crab. I rubbed my wrists where he held them. "Stand up," he said, widening his stance to block any attempt to run past him. Warning bells tolled in my head. Shakily, I rose. "Why?" I was surprised to find my voice a whisper again. "I want to see your mark," he replied. "Turn around and show me your back." "What?" "Show me your back," he repeated, evenly. Hot anger coursed through my veins, setting a tingle to my arms. This boy, this demon - whatever he was - had touched me, had the audacity to attack me. And now he wanted me to... disrobe? Incredulous, a guttural, boorish, half-snort escaped my mouth. More animal, than human. Certainly not regal. I squared my shoulders and lifted my chin. Mimicking my mother's tone, I replied, "I will do nothing of the sort. And if you want to live, you will stand aside, allow me to pass, and throw yourself on the mercy of The Queen. If you do this immediately, I will see to it that your life is

spared, though I cannot save you from a hard sentence in the cane fields, where you'll toil until the day you're fish food!" The boy-demon frowned. "I don't know what kind of clan you've got here, braenese, was it? Like a princess? But I'm going to find out."

---

BEYOND THE  
GOD SEA: BETROTHED is the action-packed book I in the Beyond the God Sea Trilogy. This vivid portrait of France on the eve of the Revolution is also a touching tale of two friends torn apart by class and the powerful political force of democratic freedom. Best friends Lani and Erin couldn't be more different. Lani's reserved and thoughtful; Erin's bubbly and outgoing. Lani likes to do her own thing; Erin prefers an entourage. There's no possible way they could be interested in the same guy. So when Erin starts dating Jason, Lani can't believe she feels such a deep connection with him—and it may be mutual. The more Lani fights it, the

more certain she feels that it's her fate to be with Jason. But what do you do when the love of your life is the one person you can't have? Watch a Video From the No.1 Sunday Times bestselling author of The Ashes of London comes the next book in the phenomenally successful series following James Marwood and Cat Lovett. Moving to a new town to escape her dark past, Amelia Collins is determined to keep her head down and finish her senior year. But her plan is proving difficult when she runs into Aiden Parker - the school's hottest bad boy. Initially she can't imagine anyone worse than Aiden - his good looks can't possibly excuse his bad attitude. But soon she'll realise there's more to him than meets the eye. Now, Amelia needs to find a way to survive senior year and not get distracted by Aiden - or his gorgeous best friend, and complete player, Mason. With new friends, rivalries, love triangles and hilarious pranks, she has enough to deal with - that is until her past comes back to

haunt her . . . Isabel Allende evokes the magnificent landscapes of her country; a charming, idiosyncratic Chilean people with a violent history and an indomitable spirit, and the politics, religion, myth, and magic of her homeland that she carries with her even today. The book circles around two life-changing moments. The assassination of her uncle Salvador Allende Gossens on September 11, 1973, sent her into exile and transformed her into a literary writer. And the terrorist attacks of September 11, 2001, on her adopted homeland, the United States, brought forth an overdue acknowledgment that Allende had indeed left home. My Invented Country, mimicking the workings of memory itself, ranges back and forth across that distance between past and present lives. It speaks compellingly to immigrants and to all of us who try to retain a coherent inner life in a world full of contradictions. In 1988, a retired schoolteacher named Pius Fernandes receives an old

diary found in the back room of an East African shop. Written in 1913 by a British colonial administrator, the diary captivates Fernandes, who begins to research the coded history he encounters in its terse, laconic entries. What he uncovers is a story of forbidden liaisons and simmering vengeance, family secrets and cultural exiles--a story that leads him on an investigative journey through his own past and Africa's. Sequel to the New York Times bestseller Amari and the Night Brothers! Artemis Fowl meets Men in Black in this magical second book in the New York Times and Indie bestselling Supernatural Investigations trilogy—perfect for fans of Tristan Strong Punches a Hole in the Sky, the Percy Jackson series, and Nevermoor. After finding her brother and saving the entire supernatural world, Amari Peters is convinced her first full summer as a Junior Agent will be a breeze. But between the fearsome new Head Minister's strict anti-magician agenda, fierce Junior

Agent rivalries, and her brother Quinton's curse steadily worsening, Amari's plate is full. So when the secretive League of Magicians offers her a chance to stand up for magiciankind as its new leader, she declines. She's got enough to worry about! But her refusal allows someone else to step forward, a magician with dangerous plans for the League. This challenge sparks the start of the Great Game, a competition to decide who will become the Night Brothers' successor and determine the future of magiciankind. The Great Game is both mysterious and deadly, but among the winner's magical rewards is Quinton's last hope—so how can Amari refuse?
