The author writes from his experience as a young army officer in Vietnam who served with the Dauntless Black Lions of the 1st Infantry Division. His spouse and co-author describes her perspective as a wife and mother who has lived the past thirty years with a veteran who suffers from the physical, and more specifically, the mental scars of combat. You will become familiar with how PTSD affects the veterans and their families and explore strategies for living with PTSD. Rudi Mackenzie has traveled from the land where the sun sets to the land where it rises and back. He has found his weapon—the Sword crafted for him before he was born. He has made friends from among his enemies and found enemies where he expected friends. He has won the heart and hand of the woman he has loved his entire life. Now Rudi is Artos, the High King of Montival, and his final destiny awaits him. He must face and defeat the forces of the Church Universal and Triumphant. Everything in the present, everything in the future, depends on the outcome of the conflict. And like his father before him, Rudi knows that in winning the war he might well lose his life... The first letter of the author's first name is a dollar symbol. Sasha was brought up with great morals and values but ends up in the worst situations as an adult. Between having a baby with a man that beats her, going through crisis within her own family, and becoming the wife of a man that's in prison, her world starts to change very quickly. She learns that being an inmate's wife is a whole different world and struggles holding him down. Examines the work of one of the most influential and prolific singer-songwriters of the popular music era. Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments. This captivating second book in Bree Barton's Heart of Thorns trilogy deftly explores the effects of power in a dark magical kingdom—and the fierce courage it takes to claim your body as your own. This feminist teen fantasy is perfect for fans of Sarah J. Maas and Leigh Bardugo. Mia Rose is back from the dead. Her memories are hazy, her body numb—but she won't stop searching. Her only hope to save the boy she loves and the sister who destroyed her is to find the mother she can never forgive. After her mother's betrayal, Pilar is on a hunt of her own—to seek out the only person who can exact revenge. All goes according to plan until she collides with Prince Quin, the boy whose sister she killed. As Mia, Pilar, and Quin forge dangerous new alliances, they are bewitched by the snow kingdom's promise of freedom...but nothing is as it seems under the kingdom's glimmering ice. A prizewinning young author tells the moving story of growing up during Burundi's ethnic civil war in this powerful memoir hailed as "a jewel of a book" (Margaret MacMillan). "There's nothing like a great love song, and Pacifique Irankunda sings a beautiful one here to his homeland and to all those who choose love even in the bleakest of times."—Imbolo Mbue, author of Behold the Dreamers and How Beautiful We Were Pacifique Irankunda's childhood in Burundi was marked by a thirteen-year civil war—a grueling struggle that destroyed his home, upended his family, and devastated his country's beautiful culture. As young boys, Paci and his brother slept in the woods on nights when the shooting and violence grew too intense; they hid in tall grass and watched as military units rolled in and leveled their village. Paci's extraordinary mother, one of the many inspiring beacons of light in this book,

led her children—and others in the village—in ingenious acts of resilience through her indomitable kindness and compassion, even toward the soldiers who threatened their lives. Drawing on his own memories and those of his family, Paci tells a story of survival in a country whose rich traditions were lost to the ravages of colonialism and ethnic strife. Written in moving, lyrical prose, *The Tears of a Man Flow Inward* gives us an illuminating window into what it means to come of age in dark times, and an example of how, even in the midst of uncertainty, violence, and despair, light can almost always be found. 'With this book, Rick Baker provides guidance, a roadmap of sorts, encouraging fathers to remain in the lives of their children. Incorporating Rick's advice into your own strategy may save you from one of the greatest tragedies many men ever experience, the loss of their children as a result of divorce.' Michael McCormick, Executive Director, The American Coalition for Fathers and Children, Washington DC. www.acfc.org 'The Tears of a Father describes a family conflict that is repeated tragically in courtrooms across the country. Parents are vulnerable during a divorce and require guidance not exploitation. Family law courts need serious reform to become family and child friendly. No child should be put in a position of losing the continuous love and guidance of a father. No child should lose one half of their heritage because of a winner takes all decision in a family law courtroom. The best parent is always both parents.' Dr. Jayne A. Major, Executive Director, Major Family Services, Los Angeles, CA. www.majorfamilyservices.com She has one rule: Never sleep with someone twice. Faith Hitchin wears the shadows of the past on her skin for all to see. To a stranger's eye she is a girl with sass and tattoos, a lover of art. But beneath the mystery of swirls and ink she is a woman alone and in pain. When opportunity knocks in the form of an invitation to an art project that could change the direction of her life, she's afraid to move forward. But, like her namesake, she pushes past all inhibitions and takes a leap of Faith. The last thing she imagines is a summer of self-discovery at the hands of a sexy Baroness' son. Elijah Fairclough is arrogant yet charming, complicated but forthcoming. With his blue eyes, expensive suits and evasive attitude, it seems he's used to getting what he wants, and he wants nothing more than to discover the woman beneath the tattoos in every way possible. Will Elijah's persistence make her break her only rule, or will there be tears of ink? Book one in the enthralling Contemporary Romance series *Tears Of...* *Tears of Ink is the first part in a series and is not a standalone read. Book Two *TEARS OF GLASS* is coming early December 2018 A round, luminescent pearl is the simplest and most perfect gem. Columbus sought—and found—this precious jewel coveted by his Spanish sovereigns, sparking popularity throughout Europe. Fashion icons Jacqueline Kennedy, Princess Grace, and Michelle Obama cherished them, making them iconic. And designer Coco Chanel raised them to new heights, bringing pearls—fake and real—to women everywhere. In *Tears of Mermaids*, Stephen G. Bloom travels 30,000 miles in an effort to trace a single pearl—from the moment a diver off the coast of Australia scoops an oyster containing a single luminescent pearl from the ocean floor to the instant a woman fastens the clasp of a strand containing the same orb. Bloom chronicles the never-before-told saga of the global pearl trade by gaining access to clandestine outposts in China, the Philippines, French Polynesia and Australia. He infiltrates high-tech pearl farms guarded by gun-toting sentries, farms for pearls in rural China, and even goes backstage at Christie's for a fast and furious auction of the most expensive pearl ever sold. Teeming with rogue humor and uncanny intelligence, *Tears of Mermaids* weaves a nonstop detective story whose main character is the world's most enduring jewel. Drug kingpin Pauleena must use all of her talents to defend her empire when a powerful organization called the Spades wants to clean up the streets and put an end to drug dealing and crime in the community. *Tears of a barren womb* is a heartfelt, real-life account and well researched useful tool that is more than just a book. The author, Essie, details her personal struggles and challenges of infertility in a sole bid to encourage couples and individuals that are battling infertility and speak largely to humanity and bringing to the surface the rather stigmatized and taboo subject of infertility. "Tears of Salt... reveals the human side of suffering through the life of one man."—Adele Annesi, Washington Independent Review of Books Situated more than one hundred miles off Italy's

southern coast, the rocky island of Lampedusa has hit world headlines in recent years as the first port of call for hundreds of thousands of African and Middle Eastern refugees fleeing civil war and terrorism and hoping to make a new life in Europe. Dr. Pietro Bartolo, who runs the lone medical clinic on the island, has been caring for many of them—both the living and the dead—for a quarter century. *Tears of Salt* is Dr. Bartolo's moving account of his life and work set against one of the signal crises of our time. With quiet dignity and an unshakable moral center, he tells unforgettable tales of pain and hope, stories of those who didn't make it and those who did. *The Tears of Sovereignty* is a comparative study of the representation of the concept of sovereignty in paradigmatic plays of early modern English and Spanish drama. It argues that baroque drama produces the critical terms through which contemporary philosophical criticism continues to think through the problems of sovereignty today. *Book Two of the Gallaghers of Ardmore Trilogy* High above the tidy village of Ardmore on a windy cliff, there is magic and music in the air, and #1 New York Times bestselling author Nora Roberts will help you find it... A talented songwriter, Shawn Gallagher spends his days lost in reverie and wonder, oblivious to the wiles of women and the ways of the world. He claims that he's content with his life, but his music tells a different story—one of loneliness and desperate longing... No one understands why Shawn doesn't put his musical gift to profitable use—least of all Brenna O'Toole, a fiercely independent tomboy who has been secretly in love with him for years. But it is only when Shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician. Don't miss the other books in the *Gallaghers of Ardmore Trilogy* *Jewels of the Sun* *Heart of the Sea* *Washington Post* columnist Dana Milbank takes a fair and balanced look at the unsettling rise of the silly Fox News host Glenn Beck. Thomas Jefferson famously wrote that "the tree of Liberty must be refreshed from time to time with the blood of patriots and tyrants. It is its natural manure." In America in 2010, Glenn Beck provides the very refreshment Jefferson had in mind: Whether he's the patriot or the tyrant, he's definitely full of manure. The wildly popular Fox News host with three million daily viewers perfectly captures the vitriol of our time and the fact-free state of our political culture. The secret to his success is his willingness to traffic in the fringe conspiracies and Internet hearsay that others wouldn't touch with a ten-foot pole: death panels, government health insurance for dogs, FEMA concentration camps, an Obama security force like Hitler's SS. But Beck, who is, according to a recent Gallup poll, admired by more Americans than the Pope, has nothing in his background that identifies him as an ideologue, giving rise to the speculation that his right-wing shtick is just that—the act of a brilliant showman, known for both his over-the-top daily outrages and for weeping on the air. Milbank describes, with lacerating wit, just how the former shock jock without a college degree has managed to become the most recognizable leader of antigovernment conservatives and exposes him as the guy who is single-handedly giving patriotism a bad name. "My life was complete. Happy, content, everything neat and perfect. Then it all changed. I was sold." Tess Snow has everything she ever wanted: one more semester before a career in property development, a loving boyfriend, and a future dazzling bright with possibility. For their two year anniversary, Brax surprises Tess with a romantic trip to Mexico. Sandy beaches, delicious cocktails, and soul-connecting sex set the mood for a wonderful holiday. With a full heart, and looking forward to a passion filled week, Tess is on top of the world. But lusty paradise is shattered. Kidnapped. Drugged. Stolen. Tess is forced into a world full of darkness and terror. Captive and alone with no savior, no lover, no faith, no future, Tess evolves from terrified girl to fierce fighter. But no matter her strength, it can't save her from the horror of being sold. Can Brax find Tess before she's broken and ruined, or will Tess's new owner change her life forever? *A New Adult Dark Contemporary Romance*, not suitable for people sensitive to grief, slavery, and hard to read subjects. A story about finding love in the strangest of places, a will of iron that grows from necessity, and forgiveness that may not be enough. This transparent body of work tells the story of the author transitioning from a boy ... to a man. *The Tears of the Rajas* is a sweeping history of the British in India, seen through the experiences of a single Scottish family. For a century the Lows of Clatto survived mutiny, siege, debt and disease, everywhere from the heat of Madras to the Afghan snows. They lived through the most appalling atrocities and retaliated with some of their own. Each of their lives, remarkable in itself, contributes to the story of the whole fragile and imperilled, often shockingly oppressive and devious but now and then heroic and poignant enterprise. On the surface, John and Augusta Low and their relations may seem imperturbable, but in their letters and

diaries they often reveal their loneliness and desperation and their doubts about what they are doing in India. The Lows are the family of the author's grandmother, and a recurring theme of the book is his own discovery of them and of those parts of the history of the British in India which posterity has preferred to forget. The book brings to life not only the most dramatic incidents of their careers - the massacre at Vellore, the conquest of Java, the deposition of the boy-king of Oudh, the disasters in Afghanistan, the Reliefs of Lucknow and Chitral - but also their personal ordeals: the bankruptcies in Scotland and Calcutta, the plagues and fevers, the deaths of children and deaths in childbirth. And it brings to life too the unrepeatable strangeness of their lives: the camps and the palaces they lived in, the balls and the flirtations in the hill stations, and the hot slow rides through the dust. An epic saga of love, war, intrigue and treachery, *The Tears of the Rajas* is surely destined to become a classic of its kind. "[Halima Bashir's] mesmerizing tale of against-all-odds endurance is a piercing lament—and a clear-eyed call to action."—Vogue "This memoir helps keep the Darfur tragedy open as a wound not yet healed."—Elie Wiesel, author of *Night* Born into the Zaghawa tribe in the Sudanese desert, Halima Bashir received a good education away from her rural surroundings (thanks to her doting, politically astute father) and at twenty-four became her village's first formal doctor. Yet not even Bashir's degree could protect her from the encroaching conflict that would consume her homeland. Janjaweed Arab militias savagely assaulted the Zaghawa, often with the backing of the Sudanese military. Then, in early 2004, the Janjaweed attacked Bashir's village and surrounding areas, raping forty-two schoolgirls and their teachers. Bashir, who treated the traumatized victims, some as young as eight years old, could no longer remain quiet. But breaking her silence ignited a horrifying turn of events. Raw and riveting, *Tears of the Desert* is the first memoir ever written by a woman caught up in the war in Darfur. It is a survivor's tale of a conflicted country, a resilient people, and an uncompromising spirit. Praise for *Tears of the Desert* "This is a brave book. And a valuable one. Halima's story of the atrocities and immeasurable losses she has endured must be told."—Mia Farrow, actor and advocate "Vivid, poignant and brutally candid . . . *Tears of the Desert* is that rarest of literary endeavors, not just a book you read but a book you experience."—The Washington Post Book World "An extraordinary memoir . . . Halima Bashir's bravery contrasts with the world's fecklessness and failures."—Nicholas D. Kristof, The New York Times "Searing . . . *Tears of the Desert* gives voice to the unspeakable."—USA Today "Powerful, harrowing and brave."—The Economist "A luminous tale of growing up in rural Darfur . . . a wonderful and moving African memoir."—The New York Review of Books *The Tears of the Earth*, without pretense, practically holds court for environmental or eco-concerns with global ripples, staking a legitimate claim as a landmark tributary to the mainstream discourse and current debates on global warming and climate change, especially by portraying Africa, still trapped and anaesthetized in the web of post-colonial vassalage, compelled to mortgage her natural resources for savage exploitation with little or no regard to either environmental impact or sustainability. The poems are an expression of the author's noble indignation at society's governing elite for allowing collective natural resources "Mother Earth' to be callously butchered, so ingloriously ransacked, liberally poisoned and gagged "Beyond Recognition" for mere lucre or "Midas' touch" which procures and sustains the infernal binary of "Power and Pride" deified by our societies. At the long run, the only thing she could do, and actually did do at the point where she had fallen, was to faint, wake up and cry and wish for death to come; and faint back again.... She circumvented this torturous circle with so much grief in her heart until her soul was literally suspended between the two divergent realms of life and death...! This is a story of an underprivileged African boy, Terkimbi Jim, who managed to make it into the university against all odds. He had to battle against generational curses, poverty and his personal aversion for hardship. His father abandoned him with his mother. The mother drugged to keep him in school but she passed away when he was in Junior Secondary School. So he had to endure some forms of hardship both in his secondary and tertiary educations, schools through which he had to sponsor himself.... Set among the Tiv people of Benue State Nigeria, "Tears of a Widow" is a story of human dogged determination to succeed, resilience and endurance in a society which has no pity, plan or structure for helping his kinds. It's a tale of the survival of the fittest and the elimination of the unfit! Andy tackles his guilt and grief in the first book of Sharon M. Draper's award-winning Hazelwood High trilogy. *Tigers don't cry*—or do they? After the death of his longtime friend and fellow Hazelwood Tiger in a car accident, Andy, the driver, blames himself and cannot get past his guilt

and pain. While his other friends have managed to work through their grief and move on, Andy allows death to become the focus of his life. In the months that follow the accident, the lives of Andy and his friends are traced through a series of letters, articles, homework assignments, and dialogues, and it becomes clear that Tigers do indeed need to cry. One of Lit Hub and The Millions's Most Anticipated Books of 2019 and one of BuzzFeed and Tor.com's Books to Read This Spring "Funny, futuristic, phenomenal, Fernando A. Flores is from another galaxy. Fasten your seat belt. You are in for a stupendous ride." —Sandra Cisneros A parallel universe. South Texas. Narcotics are legal and there's a new contraband on the market: ancient Olmec artifacts, shrunken indigenous heads, and filtered animals—species of animals brought back from extinction to clothe, feed, and generally amuse the very wealthy. Esteban Bellacosa has lived in the border town of MacArthur long enough to know to keep quiet and avoid the dangerous syndicates who make their money through trafficking. But his simple life starts to get complicated when the swashbuckling investigative journalist Paco Herbert invites him to come to an illegal underground dinner serving filtered animals. Bellacosa soon finds himself in the middle of an increasingly perilous, surreal, psychedelic journey, where he encounters legends of the long-disappeared Aranaña Indian tribe and their object of worship: the mysterious Trufflepig, said to possess strange powers. Written with infectious verve, bold imagination, and oddball humor, Fernando A. Flores's debut novel, *Tears of the Trufflepig*, is an absurdist take on life along the border, an ode to the myths of Mexican culture, a dire warning against the one percent's determination to dictate society's decline, and a nuanced investigation of loss. It's also the perfect introduction for Flores: a wonderfully weird, staggeringly smart new voice in American fiction, and a mythmaker of the highest order. "Fr. Benedict, with practical advice and prayers for use in times of distress, guides the reader through the effects of catastrophes in relationship to our faith in divine providence, in God's goodness and mercy, and in the light of Christ's suffering and death."--Back cover. The Tears Of The Singers Captain Kirk and the U.S.S Enterprise™ join the Klingons to avert disaster in the Taygeta V system -- where a time/space warp has swallowed a spaceship without a trace. Spock suspects a link between the anomaly and the inhabitants of Taygeta, semi-aquatic creatures killed for the jewel-like tears secreted at the moment of death. But a mutinous Klingon officer threatens the vital mission, as a desperate Kirk and Spock race to save the Taygetians, the Federation -- and the entire universe! This bestselling "lyrical, moving book: part essay, part memoir, part surprising cultural study" is an examination of why we cry, how we cry, and what it means to cry from a woman on the cusp of motherhood confronting her own depression (The New York Times Book Review). Heather Christle has just lost a dear friend to suicide and now must reckon with her own depression and the birth of her first child. As she faces her grief and impending parenthood, she decides to research the act of crying: what it is and why people do it, even if they rarely talk about it. Along the way, she discovers an artist who designed a frozen-tear-shooting gun and a moth that feeds on the tears of other animals. She researches tear-collecting devices (lachrymatories) and explores the role white women's tears play in racist violence. Honest, intelligent, rapturous, and surprising, Christle's investigations look through a mosaic of science, history, and her own lived experience to find new ways of understanding life, loss, and mental illness. The Crying Book is a deeply personal tribute to the fascinating strangeness of tears and the unexpected resilience of joy. A #1 international bestseller, this "epic and remarkable" (Sunday Times) sweeping history of the British in India as seen through the experiences of a single Scottish family is destined to become a classic. For a century, the Lows of Clatto—the family of the author's grandmother—survived mutiny, siege, debt, and disease, everywhere from the heat of Madras to the Afghan snows. They lived through appalling atrocities and retaliated with some of their own. Each of their lives, remarkable in itself, contributes to the whole fragile and imperiled, often shockingly oppressive and devious but now and then heroic story. On the surface, John and Augusta Low and their relations may seem imperturbable, but through their letters and diaries they often reveal their loneliness and desperation—and their doubts about what they are doing in India. The book brings to vivid life not only the most dramatic incidents of their lives—the massacre at Vellore, the conquest of Java, the deposition of the boy-king of Oudh, the disasters in Afghanistan, the Reliefs of Lucknow and Chitral—but also their personal ordeals: the bankruptcies in Scotland and Calcutta, the plagues and fevers, the tragic deaths of children. And it brings to life too the unfamiliarity of their everyday lives: the camps and the palaces they lived in, the

balls and the flirtations in the hill stations, and the hot slow rides through the dust. An epic saga of love, war, intrigue and treachery, *The Tears of the Rajas* is an unforgettable read. Fans around the world adore the bestselling No. 1 Ladies' Detective Agency series and its proprietor, Precious Ramotswe, Botswana's premier lady detective. In this charming series, Mma Ramotswe—with help from her loyal associate, Grace Makutsi—navigates her cases and her personal life with wisdom, good humor, and the occasional cup of tea. Precious Ramotswe is the eminently sensible and cunning proprietor of the only ladies' detective agency in Botswana. In *Tears of the Giraffe* she tracks a wayward wife, uncovers an unscrupulous maid, and searches for an American man who disappeared into the plains many years ago. In the midst of resolving uncertainties, pondering her impending marriage to a good, kind man, Mr. J. L. B. Matekoni, and the promotion of her talented secretary (a graduate of the Botswana Secretarial College, with a mark of 97 per cent), she also finds her family suddenly and unexpectedly increased by two. Washington Post columnist Dana Milbank takes a fair and balanced look at the unsettling rise of the silly Fox News host Glenn Beck. Thomas Jefferson famously wrote that "the tree of Liberty must be refreshed from time to time with the blood of patriots and tyrants. It is its natural manure." In America in 2010, Glenn Beck provides the very refreshment Jefferson had in mind: Whether he's the patriot or the tyrant, he's definitely full of manure. The wildly popular Fox News host with three million daily viewers perfectly captures the vitriol of our time and the fact-free state of our political culture. The secret to his success is his willingness to traffic in the fringe conspiracies and Internet hearsay that others wouldn't touch with a ten-foot pole: death panels, government health insurance for dogs, FEMA concentration camps, an Obama security force like Hitler's SS. But Beck, who is, according to a recent Gallup poll, admired by more Americans than the Pope, has nothing in his background that identifies him as an ideologue, giving rise to the speculation that his right-wing shtick is just that—the act of a brilliant showman, known for both his over-the-top daily outrages and for weeping on the air. Milbank describes, with lacerating wit, just how the former shock jock without a college degree has managed to become the most recognizable leader of antigovernment conservatives and exposes him as the guy who is single-handedly giving patriotism a bad name. This new series features popular stories from the Shades series that have been reduced in length and complexity to provide a gripping, achievable read for less able or reluctant readers. The short sentences and chapters are ideal for building reading stamina and the stories of 3000 carefully selected words present a sophisticated, unpatronising package. When his love for a woman becomes stronger than blood and money. Chrome has to decide what's more important his family, his love or his life. This drama filled action pack fiction will leave you in tears. They say grown men don't cry, but these Men Laugh, They Cry and They Bleed... Tears of Joy Ali, a drug dealer/business man, tries to change the way the game is played by giving back to the community. His life take a serious turn when a local rival, a crooked cop, his pregnant girlfriend, and his little brother comes into the picture. A gritty street tale that everyone will enjoy. "Bryan Davis writes with the scope of Tolkien, the focus of Lewis, the grandeur of Verne, and most of all the heart of Christ." —Jeremiah F., reader Billy and Bonnie won the battle but how will they win the war? Billy and Bonnie's hard-won victory in *Circles of Seven* came at a great cost as a vicious evil was unleashed on the earth. With Billy's father missing, Billy and Bonnie must lead the dragons into war against the demonic beings known as Watchers. But in order to win the war, an ultimate sacrifice must be made, and Billy and Bonnie will be forced to make the greatest decision of their lives—a choice that will change their world forever. The fourth and final installment in the *Dragons in our Midst* series will leave you cheering, crying, and wishing for more adventures with these two friends. Fans around the world adore the bestselling No. 1 Ladies' Detective Agency series and its proprietor, Precious Ramotswe, Botswana's premier lady detective. In this charming series, Mma Ramotswe—with help from her loyal associate, Grace Makutsi—navigates her cases and her personal life with wisdom, good humor, and the occasional cup of tea.
