*Dreams That Speak* Jan 13 2022 Birth from her mother womb as the mouth piece for God, evolved the anointed infallible, woman of God, Prophetess Antoinette M. White. As God molded her in His hands, He purposed her for His works and for His people. From the cradle to the pulpit this Prophetess was destined to bring forth the word of God with the anointing and power. Hearing the call in her tender years, Antoinette began her ministry with a Yes Lord, her am I, and sojourns her call in the path of ministerial greatness. With an ear to hear His voice, and her

affections toward heavenly matters, this Prophetess is unmovable and unstoppable on her mission. In her childhood years it was evident Antoinette was a gifted child; peculiar, anointed and called to ministry. As the gift of prophecy manifested through her voice, and prophetic dreams became perceptible through full materialization, the mantle as Gods Prophetess was apparent. Prophetess White is the wife of the powerful Apostle Michael S. White Jr. and mother of six children. These two anointed vessels established Remnant Apostolic Prophetic Outreach ([www.wrapoutreach.org](http://www.wrapoutreach.org)).

*A Psychoanalytic Odyssey* Nov 23 2022 Psychoanalytic process, as Eugene Mahon envisions it, is an odyssey through the mind of each of his analysands, the many children and adults he has treated over the forty years of his analytic practice. The painted guinea pigs of the title refer to three-year old children mourning their school pet. "Who painted him?" a child asks when a replacement pet of a slightly different color arrives in the school a few days after the death of the original pet, as if the dead can return from the grave after a paint job. This book is full of

arresting images like this as the author explores many of the most basic, fundamental concepts of psychoanalysis e.g. repression, insight, transference, play, child analysis, working through, dreams within dreams, jokes, puns, parapraxes as well as the uncanny in dreams, screen memories, symptom, character and Freud's discovery of the Oedipus complex. This book is a highly original, creative psychoanalytic odyssey, a most intriguing psychological voyage you will not want to disembark from.

The early life of Jesus was guided by the dreams of his earthly father, Joseph, as recorded in the first two chapters of the Gospel of Matthew. The Jewish Talmud says, "A dream not interpreted is like a letter unopened from God." Sigmund Freud said that "dreams are the royal road to the Unconscious." And Jeremy Taylor says that "all dreams come in the service of health and wholeness." It is the intention of the author to inspire those who read this to start paying attention to their dreams.
