Burma Jan 31 2021 UPDATED For more than 50 years, Burma has been ruled by a succession of military regimes which rank among the most oppressive dictatorships in the world. Accused of crimes against humanity, they have brutally mistreated their people. Yet, in the last few years, the pace of change has been breathtaking. Much is now hoped for. However, Burma is one of the most ethnically diverse nations in Southeast Asia: there are

roughly seven major ethnic groups living along its borders. They have a long history of conflict with the government and have been cruelly treated by the current regime. Their future affects the country as a whole, as Benedict Rogers explains. Drawing heavily on his many fact-finding visits both inside Burma and along its frontiers, he gives a unique appraisal of the current ethnic situation and its implications for the nation as a whole. Wide-ranging, expertly researched, and full of brand new accounts of the courage and determination of the Burmese people, *Burma: A Nation at the Crossroads* explains the country's conflicted history, as well as its contemporary struggle for justice. Burma stands poised for freedom, or for further repression. No one can be sure. This fascinating and accessible book describes what is really happening inside this beautiful, secretive, and potentially prosperous country.

Spirit Gate Jun 23 2020 World Fantasy and Nebula Award finalist Kate Elliott breaks new ground in a brilliantly original new fantasy set in a unique world of fabled cities, mysterious gods, and terrible dangers. From the first page readers will be swept up in the story of Mai and Captain Anji, as they become unwitting players in a conflict that began many years earlier, and which will shake the foundations of their land. For hundreds of years the Guardians have ruled the world of the Hundred, but these powerful gods no longer exert their will on the world. Only the reeves, who patrol on enormous eagles, still represent the Guardians' power. And the reeves are losing their authority; for there is a dark shadow across the land that not even the reeves can stop. A group of fanatics has risen to devour villages, towns, and cities in their drive to annihilate all who oppose them. No one knows who leads them; they seem inhumanly cruel and powerful. Mai and Anji, riding with a company of dedicated warriors and a single reeve who may hold a key to stopping the deadly advance

of the devouring horde, must try, or the world will be lost to the carnage. But a young woman sworn to the Goddess may prove more important than them all . . . if they are not too late. A haunting tale of people swept up by the chaos of war, this is superlative fantasy adventure, rich in texture, filled with color and excitement, masterfully crafted by a brilliantly gifted storyteller. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Economic and social questions, part 2 Nov 21 2022

Electoral Politics in Africa since 1990 Dec 10 2021 Democratic transitions in the early 1990s introduced a sea change in Sub-Saharan African politics. Between 1990 and 2015, several hundred competitive legislative and presidential elections were held in all but a handful of the region's countries. This book is the first comprehensive comparative analysis of the key issues, actors, and trends in these elections over the last quarter century. The book asks: what motivates African citizens to vote? What issues do candidates campaign on? How has the turn to regular elections promoted greater democracy? Has regular electoral competition made a difference for the welfare of citizens? The authors argue that regular elections have both caused significant changes in African politics and been influenced in turn by a rapidly changing continent - even if few of the political systems that now convene elections can be considered democratic, and even if many old features of African politics persist.

Spearhead (Adapted for Young Adults) May 03 2021 Adapted for young adults from the New York Times bestseller, a riveting and true WWII story of a young man--an American tank gunner--who

meets his destiny in an iconic armor duel and forges an enduring bond with his enemy. Shut the hatches. It's time to roll out. You'll find yourself behind enemy lines with Clarence Smoyer and the 3rd Armored Division, the workhorse unit known as "Spearhead," the best in the tank armor ranks. You'll feel as if you are right beside Clarence and his fellow crew members--all formerly strangers from across America who have now become family to each other. You will be jarred by enemy fire, and then explore the other side, stepping into the boots of German tanker soldier, Gustav Schaefer and his crew. You'll witness the heartbreaking tragedy, when an innocent young woman is caught in the crossfire. You'll see what happens when all of these lives collide, and realize how the aftershock still affects the survivors more than a half a century later. A riveting and true account of the perils of war as well as the prospect of forgiveness.

Rise Up Dec 22 2022 NOW A NATIONAL BESTSELLER WITH A NEW PREFACE BY THE AUTHOR “ This man is a gift from God to the world. This book is a gift from Al Sharpton to us. Let ’ s appreciate them both. ” —Michael Eric Dyson Beginning with a foreword by Michael Eric Dyson, Rise Up is a rousing call to action for our nation, drawing on lessons learned from Reverend Al Sharpton ’ s unique experience as a politician, television and radio host, and civil rights leader. Rise Up offers timeless lessons for anyone who ’ s stood at the crossroads of their personal or political life, weighing their choices of how to proceed. When the young Alfred Charles Sharpton told his mother he wanted to be a preacher, little did he know that his journey would also lead him to prominence as a politician, founder of the National Action Network, civil rights activist, and television and radio talk show host. His enduring ability and willingness to take on the political power structure makes him the preeminent voice for the modern era, a time unprecedented in its challenges. In Rise Up, Reverend

Sharpton revisits the highlights of the Obama administration, the 2016 election and Trump ' s subsequent hold on the GOP, and draws on his decades-long experience with other key players in politics and activism, including Shirley Chisholm, Hillary Clinton, Dr. Martin Luther King Jr. and more. The time has come to take a hard look at our collective failures and shortcomings and reclaim our core values in order to build a clear and just path forward for America. Our nation today stands at a crossroads—and change can ' t wait. “ Full of history, honesty, and valuable suggestions, Rise Up should be a staple in every home, school and library as an essential primer on civil and political rights in America. ” —Martin Luther King, III “ If you want to learn how to use your voice to change a nation, you should study closely this man—and this book. ” —Van Jones “ My Bed-Stuy (do or die) brother has been at the forefront of our battles again and again. From way back in da way back to this present revolution the world is in now, Rev. has been about Black Lives Matter from the jump, also at a time when it was not the most popular or hip thing to be about. I look forward, standing next to him, to see, to witness this new energy, this new day that is about to be in these United States of America. ” —Spike Lee Don't miss Rev. Sharpton's new book, *Righteous Troublemakers: Untold Stories of the Social Justice Movement in America*.

The Toronto Carrying Place Aug 26 2020 The Toronto Carrying Place trail linked Lake Ontario to Lake Simcoe, and helped shape the development of Ontario. Its influence is still felt today, though much of the original trail is obscured. Glenn Turner guides readers on a three-day journey that reconnects modern-day Toronto with its history, Native heritage, and the natural world.

Crossroads Apr 02 2021 At the center of ordinary circumstances gone awry and love warped by bad timing is urban planner Deborah Miles, her philandering husband Mark, her rebellious

brother Zapp, her midwestern parents, and a handsome filmmaker
King of the Cowboys, Queen of the West Jul 05 2021 And in a series of exhaustive appendixes, he documents their contributions to each medium they worked in. Testifying to both the breadth and the longevity of their careers, the book includes radio logs, discographies, filmographies, and comicographies that will delight historians and collectors alike."--Jacket.

The Postcard Jan 23 2023 Best-selling author Beverly Lewis' story of a weary big-city journalist and a New Order Amish woman whose lives come together over a mysterious postcard.

Stripes In Quilts May 15 2022 Tired of being afraid of working with striped fabrics? Let Mary Mashuta show you how wonderful stripes can be for adding pizzazz to your quilts. Often ignored by quilters, the use of stripes will add dramatic movement and visual excitement to any quilt. This lively book explores how to find, choose, purchase, design, and accurately piece together striped fabrics for fabulous results. The author guides you through the book, step-by-step, to help you become proficient at using striped fabrics in your own quilts. Stripes demand attention and represent the "stars" in the quilt. If you find that you never buy stripes, or buy them but don't know how to use them - then you need this book. Join those that buy all they can get their hands on and enjoy using them in your quilts.

History of West Virginia.- v. 2-3. Family and personal history Apr 14 2022

The Crossroad Feb 24 2023 Bestselling author Beverly Lewis's story of a journalist who must decide between joining the Amish life or leaving it forever.

Lebanese Women at the Crossroads Jul 25 2020 Thirty years after the end of the civil war, Lebanese women are still struggling for gender equality. This study builds on recent scholarship on women's activism in the Arab world, in the context of the Arab

Spring. It examines how discourses of secularism and equal civil rights have informed the contemporary Lebanese women's movement in their campaigns for a domestic violence law, women's nationality rights, a women's quota in parliament, the reform of personal status law and the recognition of civil marriage. This book argues that women are caught between sect and nation, due to Lebanon's plural legal system, which makes a division between religious and civil law. While both jurisdictions allocate women relational rights, guided by the logic of patrilineal descent, women's inequality is central to the reproduction of sectarian difference and patriarchal control within the confessional political system, as a whole.

Young Ireland Nov 28 2020

The Promise of Rest Sep 26 2020 In this stunning and fully independent conclusion to *A Great Circle*, Reynolds Price tells the complex, moving story of a man's return home to die of AIDS and of the unexpected effect that his arrival -- and his death -- has on his family. Wade Mayfield's parents are separated, but for the remaining months of his life they and their friends come together to care for Wade with the love they can muster. They are unprepared, however, for the astonishing mystery Wade has prepared to reveal once he is gone -- a mystery that initiates the possible reunion of his parents and promises to continue the proud traditions of a complex, multiracial family.

Great Debates in American History: Economic and social questions, part 2 Oct 20 2022

Crossroads Nov 09 2021 Jonathan Franzen 's gift for wedding depth and vividness of character with breadth of social vision has never been more dazzlingly evident than in *Crossroads* It 's December 23, 1971, and heavy weather is forecast for Chicago. Russ Hildebrandt, the associate pastor of a liberal suburban

church, is on the brink of breaking free of a marriage he finds joyless—unless his wife, Marion, who has her own secret life, beats him to it. Their eldest child, Clem, is coming home from college on fire with moral absolutism, having taken an action that will shatter his father. Clem's sister, Becky, long the social queen of her high-school class, has sharply veered into the counterculture, while their brilliant younger brother Perry, who's been selling drugs to seventh graders, has resolved to be a better person. Each of the Hildebrandts seeks a freedom that each of the others threatens to complicate. Jonathan Franzen's novels are celebrated for their unforgettably vivid characters and for their keen-eyed take on contemporary America. Now, in *Crossroads*, Franzen ventures back into the past and explores the history of two generations. With characteristic humor and complexity, and with even greater warmth, he conjures a world that resonates powerfully with our own. A tour de force of interwoven perspectives and sustained suspense, its action largely unfolding on a single winter day, *Crossroads* is the story of a Midwestern family at a pivotal moment of moral crisis. Jonathan Franzen's gift for melding the small picture and the big picture has never been more dazzlingly evident.

Crossroads of Twilight Mar 13 2022 The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In *Crossroads of Twilight*, the tenth novel in Robert Jordan's #1 New York Times bestselling epic fantasy series, *The Wheel of Time*®, Rand al'Thor and his allies endure trials by fire amidst battles, sacrifices, and treachery. Fleeing from Ebou Dar with the kidnapped Daughter of the Nine Moons, whom he is fated to marry, Mat Cauthon learns that he can neither keep her nor let her go, not in safety for either of them, for both the

Shadow and the might of the Seanchan Empire are in deadly pursuit. Perrin Aybara will stop at nothing to free his wife Faile from the Shaido Aiel. Consumed by rage, he offers no mercy to those he takes prisoner. And when he discovers that Masema Dagar, the Prophet of the Dragon, has been conspiring with the Seanchan, Perrin considers making an unholy alliance. Rand al'Thor, the Dragon Reborn himself, has cleansed the Dark One's taint from the male half of the True Source, and everything has changed. Yet nothing has, for only men who can channel believe that saidin is clean again, and a man who can channel is still hated and feared—even one prophesied to save the world. Now, Rand must gamble again, with himself at stake, and he cannot be sure which of his allies are really enemies. Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and *The Eye of the World* was named one of America's best-loved novels by PBS's *The Great American Read*. *The Wheel of Time*® New Spring: The Novel #1 *The Eye of the World* #2 *The Great Hunt* #3 *The Dragon Reborn* #4 *The Shadow Rising* #5 *The Fires of Heaven* #6 *Lord of Chaos* #7 *A Crown of Swords* #8 *The Path of Daggers* #9 *Winter's Heart* #10 *Crossroads of Twilight* #11 *Knife of Dreams* By Robert Jordan and Brandon Sanderson #12 *The Gathering Storm* #13 *Towers of Midnight* #14 *A Memory of Light* By Robert Jordan and Teresa Patterson *The World of Robert Jordan's The Wheel of Time* By Robert Jordan, Harriet McDougal, Alan Romanczuk, and Maria Simons *The Wheel of Time Companion* By Robert Jordan and Amy Romanczuk *Patterns of the Wheel: Coloring Art Based on Robert Jordan's The Wheel of Time* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Vision or Mirage Jan 11 2022 'Clear-eyed and illuminating.' Henry Kissinger, former Secretary of State and National Security Advisor 'A rich, superbly researched, balanced history of the modern Kingdom of Saudi Arabia.' General David Petraeus, former Commander U.S. Central Command and Director of the Central Intelligence Agency 'Destined to be the best single volume on the Kingdom.' Ambassador Chas Freeman, former U.S. Ambassador to Saudi Arabia and Assistant Secretary of Defense 'Should be prescribed reading for a new generation of political leaders.' Sir Richard Dearlove, former Chief of H.M. Secret Intelligence Service (MI6) and Master of Pembroke College, Cambridge. Something extraordinary is happening in Saudi Arabia. A traditional, tribal society once known for its lack of tolerance is rapidly implementing significant economic and social reforms. An army of foreign consultants is rewriting the social contract, King Salman has cracked down hard on corruption, and his dynamic though inexperienced son, the Crown Prince Mohammad bin Salman, is promoting a more tolerant Islam. But is all this a new vision for Saudi Arabia or merely a mirage likely to dissolve into Iranian-style revolution? David Rundell - one of America's foremost experts on Saudi Arabia - explains how the country has been stable for so long, why it is less so today, and what is most likely to happen in the future. The book is based on the author's close contacts and intimate knowledge of the country where he spent 15 years living and working as a diplomat. Vision or Mirage demystifies one of the most powerful, but least understood, states in the Middle East and is essential reading for anyone interested in the power dynamics and politics of the Arab World.

Amish Country Crossroads Jun 04 2021 Three Paths to the Heart of the Amish Country These three bestselling novels will take you deep into the fascinating world of the Amish with family drama you won't soon forget. *The Postcard* by Beverly Lewis Rachel Yoder, a young Amish widow, escapes from her sorrow by helping her family run a bed-and-breakfast in Lancaster County. A guest's discovery of an old postcard in his room begins to unravel a faded tapestry of secrets in Rachel's community. Rachel must search her heart--and her past--to restore a splintered family tree. *The Crossroad* by Beverly Lewis Drawn back to Lancaster County, Englisher Philip Bradley struggles with his attraction to a beautiful Plain woman who has suffered unbearable heartache. He fears that his growing affection for her will only bring more of the same. Must they sacrifice a future together for the sake of all they know and love? *Sanctuary* by David and Beverly Lewis Melissa James has a picture-perfect existence--or so it seems. In reality, she has been looking over her shoulder her entire life. Just as her secrets are about to catch up with her, she seeks a haven in Pennsylvania Amish Country. Will her stay bring her the peace she longs for, or will it bring danger to the Plain community?

Great Debates in American History: Economic and social questions, part 2; with an introduction by C. R. Van Hise Sep 19 2022

Cross Roads Mar 01 2021 En beskrivelse af det danske samfund og dets holdning til omverdenen fra at være en dominerende Østersømagt gennem en neutralitetsperiode til det nuværende medlemskab af en stor vestlig alliance.

Armenia May 23 2020 Since the collapse of the Soviet Union, Armenia has remained on the brink of on the brink of becoming an economic crossroads or an isolated backwater, a democratic or authoritarian state, a peaceful and prosperous country or a nation on the brink of conflict. Armenia's difficult independence is intricately linked with her transcaucasian neighbours, and whichever path she follows, they will undoubtedly be affected. Armenia: At the Crossroads considers Armenia as a nation and as a state, and puts her tragic history into the context of current events since independence.

Pakistan at the Crossroads Oct 28 2020 In Pakistan at the Crossroads, top international scholars assess Pakistan's politics and economics and the challenges faced by its civil and military leaders domestically and diplomatically. Contributors examine the state's handling of internal threats, tensions between civilians and the military, strategies of political parties, police and law enforcement reform, trends in judicial activism, the rise of border conflicts, economic challenges, financial entanglements with foreign powers, and diplomatic relations with India, China, Iran, Saudi Arabia, Afghanistan, and the United States. In addition to ethnic strife in Baluchistan and Karachi, terrorist violence in Pakistan in response to the American-led military intervention in Afghanistan and in the Federally Administered Tribal Areas by means of drones, as well as to Pakistani army operations in the Pashtun area, has reached an unprecedented level. There is a growing consensus among state leaders that the nation's main security threats may come not from India but from its spiraling internal conflicts, though this realization may not sufficiently

dissuade the Pakistani army from targeting the country's largest neighbor. This volume is therefore critical to grasping the sophisticated interplay of internal and external forces complicating the country's recent trajectory.

The Blacksmith & Wheelwright Dec 18 2019

Crossroads of Cuisine Sep 07 2021 Crossroads of Cuisine offers history of food and cultural exchanges in and around Central Asia. It discusses geographical base, and offers historical and cultural overview. A photo essay binds it all together. The book offers new views of the past.

Lyon-red Book Feb 18 2020

Sanctuary Dec 30 2020 She prayed the day would never come, but when her past comes calling, Melissa James has no choice but to flee. Pursued and living on the run, she finds longed-for sanctuary in Amish country. Part thriller, art romance, Sanctuary is a compelling story of revenge, the price of freedom, and the solace found in friendship.

Master of the Crossroads Aug 06 2021 Continuing his epic trilogy of the Haitian slave uprising, Madison Smartt Bell 's Master of the Crossroads delivers a stunning portrayal of Toussaint Louverture, former slave, military genius and liberator of Haiti, and his struggle against the great European powers to free his people in the only successful slave revolution in history. At the outset, Toussaint is a second-tier general in the Spanish army, which is supporting the rebel slaves ' fight against the French. But when Toussaint is betrayed by his former allies and the commanders of the Spanish army, he reunites his army with the French, wresting vital territories and manpower from Spanish control. With his army one among several factions, Toussaint eventually rises as the ultimate victor as he wards off his enemies to take control of the French colony and establish a new constitution. Bell 's grand, multifaceted novel shows a nation,

splintered by actions and in the throes of chaos, carried to liberation and justice through the undaunted tenacity of one incredible visionary.

South Korea at the Crossroads Mar 21 2020 Against the backdrop of China's mounting influence and North Korea's growing nuclear capability and expanding missile arsenal, South Korea faces a set of strategic choices that will shape its economic prospects and national security. In *South Korea at the Crossroads*, Scott A. Snyder examines the trajectory of fifty years of South Korean foreign policy and offers predictions—and a prescription—for the future. Pairing a historical perspective with a shrewd understanding of today's political landscape, Snyder contends that South Korea's best strategy remains investing in a robust alliance with the United States. Snyder begins with South Korea's effort in the 1960s to offset the risk of abandonment by the United States during the Vietnam War and the subsequent crisis in the alliance during the 1970s. A series of shifts in South Korean foreign relations followed: the "Nordpolitik" engagement with the Soviet Union and China at the end of the Cold War; Kim Dae Jung's "Sunshine Policy," designed to bring North Korea into the international community; "trustpolitik," which sought to foster diplomacy with North Korea and Japan; and changes in South Korea's relationship with the United States. Despite its rise as a leader in international financial, development, and climate-change forums, South Korea will likely still require the commitment of the United States to guarantee its security. Although China is a tempting option, Snyder argues that only the United States is both credible and capable in this role. South Korea remains vulnerable relative to other regional powers in northeast Asia despite its rising profile as a middle power, and it must balance the contradiction of desirable autonomy and necessary alliance.
