The Ghost War Dec 13 2021 Returning to Washington after a harrowing case in the Middle East, CIA agent and al-Qaeda infiltrator John Wells is selected to investigate a surge in Taliban activity with possible Asian ties. By the author of The Faithful Spy. 150,000 first printing.

Ragged but Right Oct 19 2019 The commercial explosion of ragtime in the early twentieth century created previously unimagined opportunities for black performers. However, every prospect was mitigated by systemic racism. The biggest hits of the ragtime era weren't Scott Joplin's stately piano rags. "Coon songs," with their ugly name, defined ragtime for the masses, and played a transitional role in the commercial ascendancy of blues and jazz. In Ragged but Right, now in paperback, Lynn Abbott and Doug Seroff investigate black musical comedy productions, sideshow bands, and itinerant tented minstrel shows. Ragtime history is crowned by the "big shows," the stunning musical comedy successes of Williams and Walker, Bob Cole, and Ernest Hogan. Under the big tent of Tolliver's Smart Set, Ma Rainey, Clara Smith, and others were converted from "coon shouters" to "blues singers." Throughout the ragtime era and into

the era of blues and jazz, circuses and Wild West shows exploited the popular demand for black music and culture, yet segregated and subordinated black performers to the sideshow tent. Not to be confused with their nineteenth-century white predecessors, black, tented minstrel shows such as the Rabbit's Foot and Silas Green from New Orleans provided blues and jazz-heavy vernacular entertainment that black southern audiences identified with and took pride in.

***The Upside of Falling* Oct 11 2021 A fun, flirty teen debut from Wattpad phenom Alex Light about a fake relationship and real love. It's been years since seventeen-year-old Becca Hart believed in true love. But when her former best friend teases her for not having had a boyfriend, Becca impulsively pretends she's been secretly seeing someone. Brett Wells has it all. As captain of the football team and one of the most popular guys in his school, he should have no problem finding someone to date, but he's always been more focused on his future than who to bring to prom. When he overhears Becca's lie, Brett decides to step in and be the mystery guy. It's the perfect solution: he gets people off his back for not having a meaningful relationship and she can keep up the ruse that she's got a boyfriend. Acting like the perfect couple isn't easy, though, especially when you barely know the other person. But with Becca still picking up the pieces from when her world was blown**

apart years ago and Brett just barely holding his together now, they begin to realize they have more in common than they ever could have imagined. When the line between what is pretend and what is real begins to blur, they're forced to answer the question: Is this fake romance the realest thing in either of their lives?

Hunger Makes the Wolf Jan 26 2023 This thrilling sci-fi Western features “a dash of Dune, a bit of Fury Road, and a whole lot of badass female characters” (Emma Maree Urquhart, author of Dragon Tamers) The strange planet known as Tanegawa’s World is owned by TransRifts Inc, the company with the absolute monopoly on interstellar travel. Hob landed there ten years ago, a penniless orphan left behind by a rift ship. She was taken in by Nick Ravani and quickly became a member of his mercenary biker troop, the Ghost Wolves. Ten years later, she discovers that the body of Nick’s brother out in the dunes. Worse, his daughter is missing, taken by shady beings called the Weathermen. But there are greater mysteries to be discovered—both about Hob and the strange planet she calls home.

Savage Legion Nov 12 2021 "They call them Savages. Brutal. Efficient. Expendable. The empire relies on them. The Savages are the

greatest weapon they ever developed. Culled from the streets of their cities, they take the ones no one will miss and throw them, by the thousands, at the empire's enemies. If they live, they fight again. If they die, there are always more to take their place. Evie is not a Savage. She's a warrior with a mission: to find the man she once loved, the man who holds the key to exposing the secret of the Savage Legion and ending the mass conscription of the empire's poor and wretched. But to find him, she must become one of them, to be marked in her blood, to fight in their wars, and to find her purpose. Evie will die a Savage if she has to, but not before showing the world who she really is and what the Savage Legion can really do"--

Towering Mar 24 2020 New York Times #1 bestselling author Alex Flinn reimagined the fairy tale Beauty and the Beast in Beastly and gave a twist to the story of Sleeping Beauty in A Kiss in Time. Now with her gothic and darkly romantic YA novel Towering, Alex Flinn retells the tale of Rapunzel. When Rachel was taken

to live in a tower by a woman she calls Mama, she was excited. She felt like a princess in a castle. But many years later, Rachel knows her palace is really a prison, and begins to plan her escape. She is encouraged by the speed with which her golden hair has been growing. It's gotten long enough to reach the ground. And she's begun dreaming of a green-eyed man. Could he be out there in the world? Is he coming to save her? Or will she find a way to save herself?

***The Prisoner* Sep 22 2022 To unmask a CIA mole, John Wells must resume his old undercover identity as an al Qaeda jihadi—and hope he can survive it—in this cutting-edge novel from #1 New York Times-bestselling author Alex Berenson. It is the most dangerous mission of John Wells's career... Evidence is mounting that someone high up in the CIA is doing the unthinkable—passing messages to ISIS, alerting them to planned operations. Finding out the mole's identity without alerting him, however, will be very hard, and to accomplish it, Wells will have to do something he thought he'd left behind forever. He will have to reassume his former identity as an al Qaeda jihadi, get captured, and go undercover to befriend an ISIS prisoner in a secret Bulgarian prison. Many years**

before, Wells was the only American agent ever to penetrate al Qaeda, but times have changed drastically. The terrorist organizations have multiplied: gotten bigger, crueller, more ambitious and powerful. Wells knows it may well be his death sentence. But there is no one else.

The Counterfeit Agent Sep 10 2021 Unable to prevent the assassination of a CIA station chief by Iranian hostiles who are allegedly plotting a nuclear attack on the United States, John Wells goes undercover to discern the truth on an assignment that takes him from Guatemala and Thailand to Hong Kong and Istanbul.

Twelve Days Jun 19 2022 John Wells has only twelve days to stop the United States from being tricked into invading Iran in the new cutting-edge novel of modern suspense from the #1 New York Times-bestselling author. Twelve days. Wells, with his former CIA bosses Ellis Shafer and Vinnie Duto, has uncovered a staggering plot, a false-flag operation to convince the President to attack Iran. But they have no hard evidence, and no one at Langley or the White House will listen. Now the President has set a deadline for Iran to give up its nuclear program, and the mullahs in Tehran—furious and frightened—have responded with a deadly terrorist attack.

Wells, Shafer, and Duto know they have only twelve days to find the proof they need. They fan out, from Switzerland to Saudi Arabia, Israel to Russia, desperately trying to tease out the clues in their possession. Meanwhile, the United States is moving soldiers and Marines to Iran's border. And Iran has mobilized its own squad of suicide bombers. And as the days tick by and the obstacles mount, they realize that everything they do may not be enough...

Take a Bow Sep 29 2020 Sometimes, dreams come true. And, sometimes... They seem too good to be true. So many questions, one affirmation...I am in love with Alexander Tate. Everything I've dreamed of was standing right in front of me. My ultimate fantasy come true. My more. So, why am I running? Aby Ryan spent twelve years doubting herself...Can she really learn to trust others before learning to trust herself? Alex and Aby's story continues in the powerfully sensual sequel in The Perfect Plans series, Take a Bow. The final instalment of their story is wrought with jealousy, endless desire, sinfully decadent sex, betrayal, humour, empowerment and, of course, love. **MATURE CONTENT This story contains sexually explicit material and is intended for mature individuals over the age of eighteen.**

The Faithful Spy Feb 27 2023 "A well-crafted page-turner that addresses the most important issue of our time. It will keep you reading well into the night."-Vince Flynn A New York Times reporter has drawn upon his experience covering the occupation in Iraq to write the most gripping and chillingly plausible thriller of the post-9/11 era. Alex Berenson's debut novel of suspense, *The Faithful Spy*, is a sharp, explosive story that takes readers inside the war on terror as fiction has never done before. John Wells is the only American CIA agent ever to penetrate al Qaeda. Since before the attacks in 2001, Wells has been hiding in the mountains of Pakistan, biding his time, building his cover. Now, on the orders of Omar Khadri-the malicious mastermind plotting more al Qaeda strikes on America-Wells is

coming home. Neither Khadri nor Jennifer Exley, Wells's superior at Langley, knows quite what to expect. For Wells has changed during his years in the mountains. He has become a Muslim. He finds the United States decadent and shallow. Yet he hates al Qaeda and the way it uses Islam to justify its murderous assaults on innocents. He is a man alone, and the CIA-still reeling from its failure to predict 9/11 or find weapons of mass destruction in Iraq-does not know whether to trust him. Among his handlers at Langley, only Exley believes in him, and even she sometimes wonders. And so the agency freezes Wells out, preferring to rely on high-tech means for gathering intelligence. But as that strategy fails and Khadri moves closer to unleashing the most devastating terrorist attack in history, Wells and Exley must somehow find a way to stop him, with or without the government's consent. From secret American military bases where suspects are held and "interrogated" to basement laboratories where al Qaeda's scientists grow the deadliest of biological weapons, *The Faithful Spy* is a riveting and cautionary tale, as affecting in its personal stories as it is sophisticated in its political details. The first spy thriller to grapple squarely with the complexities and

terrors of today's world, this is a uniquely exciting and unnerving novel by an author who truly knows his territory.

Calvin's Calvinism ... May 26 2020

Heads of Families at the First Census of the United States Taken in the Year 1790 Nov 19 2019 No other official record or group of records is as historically significant as the 1790 census of the United States. The original 1790 enumerations covered the present states of Connecticut, Delaware, Georgia, Kentucky, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont, and Virginia. Unfortunately, not all the schedules have survived, the returns for the states of Delaware, Georgia, Kentucky, New Jersey, Tennessee, and Virginia having been lost or destroyed, possibly when the British burned the Capitol at Washington during the War of 1812, though there seems to be no proof for this. For Virginia, taxpayer lists made in the years 1782-1785 have been reconstructed as replacements for the original returns. In response to repeated requests from genealogists, historians, and patriotic societies, the surviving census records were published by the Bureau of the Census in 1907

and 1908. The twelve states whose records were then extant are each covered by a single volume. The twelve published volumes contain the names of the heads of about 400,000 families, with information concerning their place of residence, the size of their families, and the approximate ages of the male family members. The families, averaging six people each, comprised about 2,400,000 individuals, or approximately 75% of the total population of the United States at the time.

***The Rope* Feb 15 2022 From New York Times bestselling author Alex Tresniowski comes a “compelling” (The Guardian) and “riveting” (The New York Times Book Review) true-crime thriller recounting the 1910 murder of ten-year-old Marie Smith, the dawn of modern criminal detection, and the launch of the NAACP. In the tranquil seaside town of Asbury Park, New Jersey, ten-year-old schoolgirl Marie Smith is brutally murdered. Small town officials, unable to find the culprit, call upon the young manager of a New York detective agency for help. It is the detective’s first murder case, and now, the specifics of the investigation and daring sting operation that caught the killer is captured in all its rich detail for the first time. Occurring exactly halfway between the end of the Civil War in**

1865 and the formal beginning of the Civil Rights Movement in 1954, the brutal murder and its highly-covered investigation sits at the historic intersection of sweeping national forces—religious extremism, class struggle, the infancy of criminal forensics, and America’s Jim Crow racial violence. History and true crime collide in this “compelling and timely” (Vanity Fair) murder mystery featuring characters as complex and colorful as those found in the best psychological thrillers—the unconventional truth-seeking detective Ray Schindler; the sinister pedophile Frank Heidemann; the ambitious Asbury Park Sheriff Clarence Hetrick; the mysterious “sting artist,” Carl Neumeister; the indomitable crusader Ida Wells; and the victim, Marie Smith, who represented all the innocent and vulnerable children living in turn-of-the-century America. “Brisk and cinematic” (The Wall Street Journal), *The Rope* is an important piece of history that gives a voice to the voiceless and resurrects a long-forgotten true crime story that speaks to the very divisions tearing at the nation’s fabric today.

The Secret Soldier Aug 21 2022 In Saudi Arabia, a series of terrorist attacks has put the Kingdom on edge. King Abdullah is losing his hold, and his own secret police cannot be

trusted. With nowhere to turn, the king asks for ex-CIA agent John Wells's help.

Reluctantly, and with the secret blessing of his former CIA boss, Wells begins to unravel the conspiracy, and realizes that there is more than one country at stake-because the plotters want more than the fall of a monarch. They want to start the final battle between America and Islam-with only themselves as the victors...

Struggle on Their Minds Apr 24 2020

American political thought has been shaped by those who fought back against social inequality, economic exclusion, the denial of political representation, and slavery, the country's original sin. Yet too often the voices of African American resistance have been neglected, silenced, or forgotten. In this timely book, Alex Zamalin considers key moments of resistance to demonstrate its current and future necessity, focusing on five activists across two centuries who fought to foreground slavery and racial injustice in American political discourse. *Struggle on Their Minds* shows how the core values of the American political tradition have been continually challenged—and strengthened—by antiracist resistance, creating a rich legacy of African American political thought that is an invaluable component of contemporary struggles for racial justice. Zamalin looks at the language and concepts put forward by the abolitionists David Walker and Frederick Douglass, the antilynching activist Ida B. Wells, the Black Panther Party organizer Huey Newton, and the prison abolitionist Angela Davis. Each helped revise and transform ideas about power, justice, community, action, and the role of emotion in political action. Their

thought encouraged abolitionists to call for the eradication of slavery, black journalists to chastise American institutions for their indifference to lynching, and black radicals to police the police and to condemn racial injustice in the American prison system. Taken together, these movements pushed political theory forward, offering new language and concepts to sustain democracy in tense times. *Struggle on Their Minds* is a critical text for our contemporary moment, showing how the political thought that comes out of resistance can energize the practice of democratic citizenship and ultimately help address the prevailing problem of racial injustice.

***The 57 Lives of Alex Wayfare* Jun 26 2020**

“Forget popular books like *The Hunger Games* and *Twilight*, M.G. Buehrlen’s debut novel is something that every young adult fan should read” (*The Founding Fields*). For as long as she can remember, seventeen-year-old Alex Wayfare has had visions of the past that seem so real they leave her breathless. For Alex’s visions actually wrench her from the present without warning, then return her with mysterious wounds and inexplicable aftereffects. Desperate for a normal life, Alex seeks to discover the meaning of her visions—and get rid of them. Then Alex meets

an enigmatic stranger who tells her the truth: She is a Descender, capable of traveling back through her fifty-six past lives by accessing Limbo, the space between Life and Afterlife. Suddenly, descending back in time is irresistible to Alex, especially when the same mysterious boy with blue eyes keeps showing up in each of her past lives. But someone out there really doesn't want Alex meddling with history. And they will stop at nothing to make sure her fifty-seventh life is her last . . . Filled with "beautiful prose, an intelligent plot, and a heroine as fabulous as she is unique," The 57 Lives of Alex Wayfare is an adventure unlike any you've ever experienced before (C. J. Redwine, The Defiance Trilogy).

Blood Binds the Pack Mar 16 2022 Join the fight for the people and power of Tanegawa's world in this "enormously fun" space western and sequel to the award-winning Hunger Makes the Wolf (Tor.com) War is coming to Hob Ravani's world. The company that holds it in monopoly, TransRift Inc, has at last found what they're looking for—the source of the power that enables their Weathermen to rip holes in space and time, allowing the interstellar travel all of human society now takes for granted. And they will mine every last grain of it from Tanegawa's World no matter the cost. Since Hob Ravani used her witchy powers to pull a massive train job and destroy TransRift Inc's control on this part of the planet, the Ghost Wolves aren't just outlaws, they're the resistance. Mag's miner collective grows restless as TransRift pushes them ever harder to strip the world of its

strange, blue mineral. Now Shige Rollins has returned with a new charge—Mr Yellow, the most advanced model of Weatherman, infused with the recovered mineral samples and made into something stranger, stronger, and deadlier than before. And Mr Yellow is very, very hungry.

***The Glass Castle* Jan 22 2020 A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant.**

The Faithful Spy Dec 25 2022 #1 New York Times Bestseller Winner of the Edgar® Award Drawing from his experience as a correspondent in Iraq, Alex Berenson exploded onto the thriller scene with this perfectly crafted, highly-acclaimed debut novel—“a timely reminder of the extremely precarious way we live now” (The Washington Post). Years ago, John Wells was an all-American boy from Montana. Now, he is roaming the mountains of Pakistan as a member of al Qaeda. After a decade away from home, he despises the United States for its decadence. He hates

America's shallow, mindless culture of vice and violence. He is a devout Muslim. He is a brave warrior for Allah. He is a CIA operative. And he is coming home...

The Power Couple Aug 29 2020 From #1 New York Times bestselling author and Edgar Award winner Alex Berenson comes a supercharged thriller about marriage and the dangerous secrets spouses keep. Rebecca and Brian Unsworth appear to have it all. A nice house in the suburbs of Washington, DC. Two well-behaved, healthy teenage children. Important government jobs—Rebecca working in counterterrorism for the Federal Bureau of Investigation, Brian serving as a coder for the National Security Agency. Their lives stand to improve even more as Brian, in his off-hours, has just developed and sold a highly profitable app. However, the Unsworths' marriage isn't as perfect as it seems. After two decades together, they've drifted apart, talking little and having sex even less. Seeking to revive their strained relationship, they decide for their twentieth wedding anniversary to take their two kids, Kira and Tony, on a European getaway. They have a blast...until one night in Barcelona when Kira doesn't come home from a dance club. She's gone. Abducted. Over the course of a single weekend, the Unsworths will

do everything possible to find her—as Kira herself discovers just how far she'll go to break free of the trap that's been set for her. And even as Rebecca and Brian come together for Kira, they realize their marriage is more tenuous than they realized. The Power Couple is both a fast-paced, globe-trotting espionage novel full of surprising twists and a nuanced look at modern marriage—the challenges of balancing career, parenthood, sex, and love.

The Wolves Oct 23 2022 CIA agent John Wells refuses to let a privileged businessman walk away from a crime in this novel of modern suspense from the #1 New York Times-bestselling author. John Wells has just barely managed to stop an operation designed to drive the United States and Iran into war, but the instigator himself disappeared behind an impenetrable wall of security. Now it's time for him to pay, and Wells has made it his personal mission. There are plenty of crosscurrents at work, though. The White House doesn't want anybody stirring the pot; his old CIA bosses have their own agendas; other countries are starting to sniff around, sensing something unusual. It is when Russia and China enter the mix, however, that the whole affair is set to combust. With alarming speed, Wells is once again on his own...and the wolves are closing

in.

Bulletin Jan 02 2021

The Shadow Patrol May 06 2021 John Wells returns to Afghanistan—the country where his career began—in this gripping thriller from #1 New York Times bestselling author Alex Berenson. In late 2009, CIA officers in Afghanistan’s Kabul station allowed a Jordanian doctor into their closest confidence. In truth, the doctor was an al-Qaeda double agent—and when he blew himself up, the station’s most senior officers died with him. Years later, the station still hasn’t recovered. Recruiting has dried up and the agency’s best Afghani sources are being eliminated. At Langley, the CIA’s chiefs begin to suspect the worst: somehow, the Taliban has infiltrated the station. When they ask John Wells to investigate, he reluctantly agrees. One thing is certain: Americans are dying, and an American is responsible. Wells is the only one who can unearth the truth—if it doesn’t bury him first...

The Ghost War Aug 09 2021 Another thrilling adventure featuring John Wells, the deep cover CIA operative from the #1 New York Times bestselling author of *The Faithful Spy* and *The Deceivers*. John Wells barely survived his homecoming when it was thought he’d become too close to the terrorists. Though his wounds

have healed, his mind is far from clear. He needs to get back in the fight. And there is a fight waiting for him. A power play in China is causing chaos around the globe. And even as Wells does what he does best, a mole within the CIA is preparing to light the final fuse that will propel an unsuspecting world toward open war and annihilation. And this time, there may be nothing John Wells can do to stop it...
