Lucy Derrick is a young woman of good breeding and poor finances. After the death of her beloved father, she becomes the unwanted boarder of her tyrannical uncle, fending off marriage to a local mill owner. But just as she is resigned to a life of misery, a handsome stranger—the poet and notorious rake Lord Byron—arrives at her house, stricken by what seems to be a curse, and with a cryptic message for Lucy. With England on the cusp of revolution, Lucy inexplicably finds herself awakened to a world where magic and mortals collide, and the forces of ancient nature and modern progress are at war for the soul of England . . . and the world. The key to victory may be connected to a cryptic volume whose powers of enchantment are unbounded. Now, challenged by ruthless enemies with ancient powers at their command, Lucy must harness newfound mystical skills to preserve humanity's future. And enthralled by two exceptional men with designs on her heart, she must master her own desires to claim the destiny she deserves. Look for special features inside. Join the Circle for author chats and more. David Carr was an addict for more than twenty years -- first dope, then coke, then finally crack -- before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack-dealer mother. Once recovered, he found that his recollection of his 'lost' years differed -- sometimes radically -- from that of his family and friends. The night, for example, his best friend pulled a gun on him. 'No,' said the friend (to David's horror, as a lifelong pacifist), 'It was you that had the gun.' Using all his skills as an investigative reporter, he set out to research his own life, interviewing everyone from his parents and his ex-partners to the policemen who arrested him, the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids. Unflinchingly honest and beautifully written, the result is both a shocking account of the depths of addiction and a fascinating examination of how -- and why -- our memories deceive us. As David says, we remember the stories we can live with, not the ones that happened. Edgar award-winning author of the popular historical novels *A Conspiracy of Paper* and *A Spectacle of Corruption*, David Liss showcases his amazing versatility with this brilliant new tale of contemporary suspense: a literary thriller set in Florida, where killing is a matter of conscience. No one is more surprised than Lem Altick when it turns out he's actually good at peddling encyclopedias door to door. He hates the predatory world of sales, but he needs the money to pay for college. Then things go horribly wrong. In a sweltering trailer in rural Florida, a couple whom Lem has spent hours pitching is shot dead before his eyes, and the unassuming young man is suddenly pulled into the dark world of conspiracy and murder. Not just murder: assassination- or so claims the killer, the mysterious and strangely charismatic Melford Kean, who has struck without remorse and with remarkable good cheer. But the self-styled ethical assassin hadn't planned on a witness, and so he makes Lem a deal: Stay quiet and there will be no problems. Go to the police and take the fall. Before Lem can decide, he is drawn against his will into the realm of the assassin, a post-Marxist intellectual with whom he forms an unlikely (and perhaps unwise) friendship. The ethical assassin could be a charming sociopath, eco-activist, or vigilante for social justice. To unravel the mystery and save himself, Lem must descend deep into a bizarre world he never knew existed, where a group of desperate-and genuinely deranged-schemers have hatched a plan that will very likely keep Lem from leaving town alive. David Liss skillfully interweaves a gallery of eccentric characters with a multilayered plot characterized by its

unpredictable twists and turns. The Ethical Assassin is a brilliant, darkly comic novel that will leave readers in suspense until the very last page. An account of the rebellion against the whiskey tax of 1791 which nearly dissolved the unity of the new American States. Whiskey Tango Foxtrot (Aces High MC - Dakotas - Book 2) (Second edition - Sept. 2022) Liza A tattoo artist and biker named Tango came to save the day when my brother put my life in danger again. Stupid name. Sexy biker. My perpetually soaked panties were all the evidence anyone needed that Tango could dance all over my body any damn time he wanted. Unfortunately for me, he seemed to be in a weird relationship with his buddies Whiskey, Fox, and their girl Amy. No way was I signing on to be the lettuce in that screwed up sexual sandwich. Nope. Nope. Nope. I might need protection from an entire MC, but I did not need to share my man. Tango From the moment I laid eyes on her, Liza was all that I could see. Protecting her became a personal matter instead of just another job. Loving her, that was something that couldn't be helped. If only my past, and the screwed-up relationship my friends attempted to drag me into, hadn't become a problem. Aces High MC - Dakotas Series: Book 1: Dancing with Danger (Rage and Charlie) Book 2: Whiskey Tango Foxtrot (Tango and Liza) Book 3: The Restart and the Remedy (Rabbit and Myra) How bourbon came to be, and why it's experiencing such a revival today Unraveling the many myths and misconceptions surrounding America's most iconic spirit, Bourbon Empire traces a history that spans frontier rebellion, Gilded Age corruption, and the magic of Madison Avenue. Whiskey has profoundly influenced America's political, economic, and cultural destiny, just as those same factors have inspired the evolution and unique flavor of the whiskey itself. Taking readers behind the curtain of an enchanting—and sometimes exasperating—industry, the work of writer Reid Mitenbuler crackles with attitude and commentary about taste, choice, and history. Few products better embody the United States, or American business, than bourbon. A tale of innovation, success, downfall, and resurrection, Bourbon Empire is an exploration of the spirit in all its unique forms, creating an indelible portrait of both bourbon and the people who make it. Benjamin Weaver is an outsider in eighteenth-century London: a Jew among Christians; a ruffian among aristocrats; a retired pugilist who, hired by London's gentry, travels through the criminal underworld in pursuit of debtors and thieves. In A CONSPIRACY OF PAPER, Weaver must investigate a crime of the most personal sort, involving the mysterious death of his estranged father, a notorious stockdealer. To find the answers, Weaver contends with a garrulous prostitute who knows too much about his past, estranged relatives who remind him of his alienation from the Jewish faith, and a group of powerful men in the world of finance who have disguised their business dealings with an intricate web of deception and violence. Relying on brains and brawn, Weaver uncovers the beginnings of a strange new economic order based on stock speculation - a way of life that poses great risk for investors, but real danger for Weaver and his family. Benjamin Weaver, the quick-witted pugilist turned private investigator, returns in David Liss's sequel to the Edgar Award-winning novel, A Conspiracy of Paper. "[A] wonderful book . . . every bit as good as [Liss's] remarkable debut . . . easily one of the year's best."—The Boston Globe Moments after his conviction for a murder he did not commit, at a trial presided over by a judge determined to find him guilty, Benjamin Weaver is accosted by a stranger who cunningly slips a lockpick and a file into his hands. In an instant he understands two things: Someone wants him to hang—and another equally mysterious agent is determined to see him free. After a daring escape from eighteenth-century London's most notorious prison, Weaver must face another challenge: to prove himself innocent when the corrupt courts have shown they care nothing for justice. Unable to show his face in public, Weaver pursues his inquiry disguised as a wealthy merchant seeking to involve himself in the contentious world of politics. Desperately navigating a labyrinth of schemers, crime lords, assassins, and spies, Weaver learns that in an election year, little is what it seems and the truth comes at a staggeringly high cost. Praise for A Spectacle of Corruption "[A] rousing sequel of historical, intellectual suspense. "—San Antonio Express-News "Liss is a superb writer who evokes the squalor of London with Hogarthian gusto."—People "In Benjamin Weaver, Mr. Liss has created a multifaceted character and a wonderful narrator."—The New York Sun Science fiction super fan Zeke is back in action as he and his friends work to finally take down the evil Phands in this hilarious and exciting conclusion to the Randoms series. Zeke has returned to Earth and, as usual, nothing is going like he planned. The plan was: escape from Junup, rescue Director Ghli Wixxix and Captain Qwlessl, stop the Phands, and finally get Tamret to officially be his girlfriend. Instead, he gets stuck in an Earth facility for

disobedient children, is stranded on an unknown and supposedly deserted planet with Villainic, of all beings, and Tamret kind of broke up with him. He's not entirely sure. Nothing and no one is as it seems, and all Zeke knows is that he's tired of the Phands trying to take over the galaxy. With Smelly gone and his friends scattered, though, it's going to take a lot more than Zeke's expert sci-fi knowledge to save them this time. When Zeke returns to space to go on a secret mission for the director of the Confederation of United Planets, chaos ensues. Describes the essential elements of the incidents from the Whiskey Rebellion in 1794 to the Reconstruction that followed the Civil War and the ways in which federal military force was applied in each case. Includes: the Fries Rebellion, the Burr Conspiracy, Slave Rebellions, the Nullification Crisis, the Chesapeake and Ohio Canal Riots, the 3Buckshot War2, the Patriot War, the Dorr Rebellion, the Army as Posse Comitatus, San Francisco Vigilantes, the Utah Expedition, the Civil War, etc. Extensive bibliography. Index. Full-color and b&w photos and maps. In this spellbinding new history, David Goldfield offers the first major new interpretation of the Civil War era since James M. McPherson's *Battle Cry of Freedom*. Where past scholars have limned the war as a triumph of freedom, Goldfield sees it as America's greatest failure: the result of a breakdown caused by the infusion of evangelical religion into the public sphere. As the Second GreatAwakening surged through America, political questions became matters of good and evil to be fought to the death. The price of that failure was horrific, but the carnage accomplished what statesmen could not: It made the United States one nation and eliminated slavery as a divisive force in the Union. The victorious North became synonymous with America as a land of innovation and industrialization, whose teeming cities offered squalor and opportunity in equal measure. Religion was supplanted by science and a gospel of progress, and the South was left behind. Goldfield's panoramic narrative, sweeping from the 1840s to the end of Reconstruction, is studded with memorable details and luminaries such as HarrietBeecher Stowe, Frederick Douglass, and Walt Whitman. There are lesser known yet equally compelling characters, too, including Carl Schurz-a German immigrant, warhero, and postwar reformer-and Alexander Stephens, the urbane and intellectual vice president of the Confederacy. *America Aflame* is a vivid portrait of the "fiery trial"that transformed the country we live in. Berlin, January 1945 The war draws to a close, but the fight for a vanquished city--and for history--is just beginning. On the heels of the critically acclaimed *War of the Rats* , the new master of historical suspense, David L. Robbins, turns his compelling vision on the waning months of World War II, when world leaders engage in a dicey game of cat and mouse to ultimately determine the fate of the second half of the twentieth century. The End of War In the final months of the war in Europe, the last act of a five-year conflagration is about to be played out. Allied generals move their war-hardened armies around the mortally wounded Nazi military machine. But strategies are being formed on a greater scale than even generals can imagine. While Churchill fumes helplessly, Roosevelt makes crucial decisions that will cede Berlin to Stalin and the Russians. The stakes are no less critical for ordinary men and women, fighting to live another day. On the ground are young Russian soldiers driven by vengeance into the teeth of the still-deadly Nazi army; American forces push forward under the political motives of a canny commander- in- chief; and the British, aloof, at odds with their Yankee counterparts, see in these last fateful moves a devastating betrayal by Washington and Moscow. *The End of War* vividly animates the giants who shaped history and breathes life into the heartbreaking struggles of those who merely lived it. From the chaos of the trenches on the eastern front, to the desperation of a single Jewish man hidden in a Berlin basement by a terrified mother and daughter, to the burning ambition of an American photojournalist determined to capture on film the defining moment of the war, Robbins ushers us into the sweep of history and the drama of the human face of war. An epic novel exploding with the urgency of battle and history in the making, here is *The End of War*. Having spent decades in the east to rejuvenate himself, the greatest pulp hero of them all, *The Shadow*, returns to New York in modern times. Lamont Cranston seeks to resume his old life, and his heroic alter-ego is ready to stand once more as an enemy to evil. But while he slept, his foes have remained vigilant, and the most dangerous man that *The Shadow* has ever faced prepares to rise once more... with his wicked progeny by his side! it's the shocking beginning to a new era for the *Shadow*! Named a Best Book by Entertainment Weekly, O Magazine, Goodreads, Southern Living, Outside Magazine, Oprah.com, HelloGiggles, Parade, Fodor's Travel, Sioux City Journal, Read it Forward, Medium.com, and NPR's All Things Considered. "A thunderclap of originality, here is a fresh voice and fresh take on one of the oldest

stories we tell about ourselves as Americans and Westerners. It's riveting in all the right ways -- a damn good read that stayed with me long after closing the covers." - Timothy Egan, New York Times bestselling author of *The Worst Hard Time* From a blazing new voice in fiction, a gritty and lyrical American epic about a young woman who disguises herself as a boy and heads west In the spring of 1885, seventeen-year-old Jessilyn Harney finds herself orphaned and alone on her family's homestead. Desperate to fend off starvation and predatory neighbors, she cuts off her hair, binds her chest, saddles her beloved mare, and sets off across the mountains to find her outlaw brother Noah and bring him home. A talented sharpshooter herself, Jess's quest lands her in the employ of the territory's violent, capricious Governor, whose militia is also hunting Noah--dead or alive. Wrestling with her brother's outlaw identity, and haunted by questions about her own, Jess must outmaneuver those who underestimate her, ultimately rising to become a hero in her own right. Told in Jess's wholly original and unforgettable voice, *Whiskey When We're Dry* is a stunning achievement, an epic as expansive as America itself--and a reckoning with the myths that are entwined with our history. Benjamin Weaver, the quick-witted pugilist turned private investigator, returns in David Liss's sequel to the Edgar Award-winning novel, *A Conspiracy of Paper*. "[A] wonderful book . . . every bit as good as [Liss's] remarkable debut . . . easily one of the year's best."—The Boston Globe Moments after his conviction for a murder he did not commit, at a trial presided over by a judge determined to find him guilty, Benjamin Weaver is accosted by a stranger who cunningly slips a lockpick and a file into his hands. Praise for *A Spectacle of Corruption* "[A] rousing sequel of historical, intellectual suspense."—San Antonio Express-News "Liss is a superb writer who evokes the squalor of London with Hogarthian gusto."—People "In Benjamin Weaver, Mr. Liss has created a multifaceted character and a wonderful narrator."—The New York Sun "[An] ambitious economic history of the united States...rich with details." ?—David Leonhardt, New York Times Book Review How did a weak collection of former British colonies become an industrial, financial, and military colossus? From the eighteenth to the twenty-first centuries, the American economy has been transformed by wave after wave of emerging technology: the steam engine, electricity, the internal combustion engine, computer technology. Yet technology-driven change leads to growing misalignment between an innovative economy and anachronistic legal and political structures until the gap is closed by the modernization of America's institutions—often amid upheavals such as the Civil War and Reconstruction and the Great Depression and World War II. When the U.S. economy has flourished, government and business, labor and universities, have worked together in a never-ending project of economic nation building. As the United States struggles to emerge from the Great Recession, Michael Lind clearly demonstrates that Americans, since the earliest days of the republic, have reinvented the American economy - and have the power to do so again. In twenty-two original essays, leading historians reveal the radical impulses at the founding of the American Republic. Here is a fresh, new reading of the American Revolution that gives voice and recognition to a generation of radical thinkers and doers whose revolutionary ideals outstripped those of the "Founding Fathers." While the Founding Fathers advocated a break from Britain and espoused ideals of republican government, none proposed significant changes to the fabric of colonial society. Yet during this "revolutionary" period some people did believe that "liberty" meant "liberty for all" and that "equality" should be applied to political, economic, and religious spheres. Here are the stories of individuals and groups who exemplified the radical ideals of the American Revolution more in keeping with our own values today. This volume helps us to understand the social conflicts unleashed by the struggle for independence, the Revolution's achievements, and the unfinished agenda it left to future generations to confront. A gripping and sensational tale of violence, alcohol, and taxes, *The Whiskey Rebellion* uncovers the radical eighteenth-century people's movement, long ignored by historians, that contributed decisively to the establishment of

federal authority. In 1791, on the frontier of western Pennsylvania, local gangs of insurgents with blackened faces began to attack federal officials, beating and torturing the tax collectors who attempted to collect the first federal tax ever laid on an American product—whiskey. To the hard-bitten people of the depressed and violent West, the whiskey tax paralyzed their rural economies, putting money in the coffers of already wealthy creditors and industrialists. To Alexander Hamilton, the tax was the key to industrial growth. To President Washington, it was the catalyst for the first-ever deployment of a federal army, a military action that would suppress an insurgency against the American government. With an unsparing look at both Hamilton and Washington, journalist and historian William Hogeland offers a provocative, in-depth analysis of this forgotten revolution and suppression. Focusing on the battle between government and the early-American evangelical movement that advocated western secession, *The Whiskey Rebellion* is an intense and insightful examination of the roots of federal power and the most fundamental conflicts that ignited—and continue to smolder—in the United States.

In a corner of south-western France, a young rose grower nurtures a private passion to breed an exotic new flower. But the year is 1789, and the world is about to change... *The Rose Grower* throws a subtle, slanting light on the underside of history, as a young woman and her family are caught up in the bloodthirsty years of the French Revolution. Her private passion is to create a repeat-flowering crimson rose, the first of its kind in Europe. But, as public events in Paris are duplicated in Gascony, her world turns upside down. An American balloonist falls out of the sky and into her life; while Joseph, a young working-class doctor, is also drawn into her orbit, and finds himself fatally torn between reason and desire, revolutionary zeal and unrequited love. "Enthralling . . . [a] sly, rich and swift novel of vengeance and rough justice."—*The Seattle Times* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL** Sebastião Raposa is only thirteen when his parents are unjustly imprisoned by the Inquisition, and he is forced to flee Portugal or face the same fate. But a decade in exile only whets his appetite for vengeance—transforming a once frightened boy into a dangerous man, determined to right unforgivable wrongs with unrelenting fury. Well schooled by his benefactor, bounty hunter Benjamin Weaver, in the use of wits and fists alike, Sebastião returns to Lisbon—in the guise of English businessman Sebastian Foxx—to stalk the ruthless Inquisitor priest Pedro Azinheiro. But in a city ruled by terror and treachery, no enemy can be underestimated, nor any ally trusted. As Foxx is drawn into the struggles of old friends, confronted by new foes, and forced to play a game of deception, he finds himself befriended, betrayed, tempted by desire, and tormented by personal turmoil. And when a twist of fate turns his plans to chaos, he must choose between surrendering to bloodlust or serving the cause of mercy. Praise for *The Day of Atonement* "One of the masters of the historical thriller, Liss is back with yet another highly entertaining novel. . . . [The Day of Atonement] paints a vivid picture of the waning days of the Inquisition, and of the truly evil religious leaders who led it. One of Liss's best books."—*Minneapolis Star Tribune* "Foxx is reminiscent of Lee Child's Jack Reacher: a man with his own moral code who takes on multiple adversaries simultaneously. . . . Liss has the start of another solidly researched, action-packed historical series here."—*Booklist* (starred review) "[An] action-packed novel."—*The Wall Street Journal* "Snappy dialogue and convincing atmosphere . . . The plot moves swiftly to a shattering climax."—*The Washington Post* "Another intriguing thriller set against historical events for Liss, who has a knack for period detail, breakneck plots and characters we want to root for."—*San Antonio Express-News* "Fans of [David] Liss know well his mix of dark arts and historical detail."—*New York Daily News* Introducing Marvel's all-new, never-before-seen heroes of the 1930s! With a new evil washing over an unsuspecting New York City, the Operative, the Aviatrix, the Surgeon, the Revenant and Achilles blast through dangers from blood-soaked mob warehouses to monster-infested mansions, and fight to blow the lid off a conspiracy that could bring the nation itself to its knees! Award-winning historical thriller novelist David Liss (*Black Panther: The Man Without Fear*) and acclaimed artist Patrick Zircher (*Spider-Man Noir*) weave an edge-of-your-seat and in-continuity adventure intertwined with America's most scandalous crimes! Before the Invaders...before the Twelve...who were the Mystery Men? **COLLECTING: MYSTERY MEN 1-5** The official prequel to **MARVEL'S SPIDER-MAN**, the PS4 exclusive video game from Marvel and Insomniac Games, with a thrilling adventure that leads directly into the game narrative itself **THE OFFICIAL PREQUEL TO THE BLOCKBUSTER ACTION VIDEO GAME!** **PETER PARKER** is caught in a complicated web. Working in a cutting-edge laboratory, he's a young scientist who's trying to make

a difference. Yet he's constantly burdened by the responsibilities of his second career as the crime-fighting... SPIDER-MAN Wilson Fisk--the so-called Kingpin of Crime--has returned to New York, establishing himself publicly as an altruistic entrepreneur and philanthropist. Spider-Man knows better, but he can't uncover Fisk's scheme that, if executed, will make the crime lord "too big to fail." When a new threat--a deadly doppelganger with Spider-Man's suit and abilities--wreaks havoc in the streets, can the real wall-crawler prove his innocence? With the clock ticking and lives on the line, can Spider-Man stop the brutal rampage of the Blood Spider? Will Spider-Man fall to his fears and foes, or will he rise and be greater? Richly imagined, gothically spooky, and replete with the ingenious storytelling ability of a born novelist, *The Good Thief* introduces one of the most appealing young heroes in contemporary fiction and ratifies Hannah Tinti as one of our most exciting new talents. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • San Francisco Chronicle • Kirkus Reviews Winner of the Center for Fiction First Novel Prize and an American Library Association Alex Award Twelve year-old Ren is missing his left hand. How it was lost is a mystery that Ren has been trying to solve for his entire life, as well as who his parents are, and why he was abandoned as an infant at Saint Anthony's Orphanage for boys. He longs for a family to call his own and is terrified of the day he will be sent alone into the world. But then a young man named Benjamin Nab appears, claiming to be Ren's long-lost brother, and his convincing tale of how Ren lost his hand and his parents persuades the monks at the orphanage to release the boy and to give Ren some hope. But is Benjamin really who he says he is? Journeying through a New England of whaling towns and meadowed farmlands, Ren is introduced to a vibrant world of hardscrabble adventure filled with outrageous scam artists, grave robbers, and petty thieves. If he stays, Ren becomes one of them. If he goes, he's lost once again. As Ren begins to find clues to his hidden parentage he comes to suspect that Benjamin not only holds the key to his future, but to his past as well. Praise for *The Good Thief* "Every once in a while—if you are very lucky—you come upon a novel so marvelous and enchanting and rare that you wish everyone in the world would read it, as well. *The Good Thief* is just such a book—a beautifully composed work of literary magic."—Elizabeth Gilbert, author of *Eat, Pray, Love* "Darkly transporting . . . [In] *The Good Thief*, the reader can find plain-spoken fiction full of traditional virtues: strong plotting, pure lucidity, visceral momentum and a total absence of writerly mannerisms. In Ms. Tinti's case that means an American Dickensian tale with touches of Harry Potterish whimsy, along with a macabre streak of spooky New England history."—New York Times Who is murdering the citizens of Hell's Kitchen that The Panther has previously rescued? That's what T'Challa wants to know-and he only has hours to solve the mystery before the killer strikes again! Find out why IGN says "David Liss' revamped BLACK PANTHER series continues to be just what the hero needs." COLLECTING: BLACK PANTHER: THE DEADLIEST MAN ALIVE 523.1, 525-529 In the wake of SHADOWLAND, there's a new protector of Hell's Kitchen! He has no kingdom, no Vibranium and no high-tech safety net - just bloody knuckles and the will to prove himself in a foreign land where the fiercest of jungle predators stalks the most dangerous urban prey! His name is T'Challa - and in the aftermath of Shadowland, he will create a new life, a new identity, and learn what it is to be a different kind of hero. But with Daredevil gone, the bad guys are coming out to play, and a new nemesis - Vlad the Impaler - plots his bloody rise to power. Be there as national best-selling author and Edgar Award-winner David Liss and pulp master Francesco Francavilla (Zorro, Green Hornet) craft a shocking new chapter for the world's most dangerous man! Guest-starring Luke Cage and Spider-Man! Collecting BLACK PANTHER: THE MAN WITHOUT FEAR #513-518 and material from X-MEN: CURSE OF THE MUTANTS SPOTLIGHT. "A twelve-year-old boy is chosen to join a four-person applicant team to work towards membership in the Confederation of United Planets, and stumbles across conspiracies resembling science fiction he's been a fan of his entire life"-- Surviving the end of the world was the easy part? It's twelve years since the dead came back. Ravening, mindless zombies have devoured almost every living thing on the planet. The few, scattered survivors are surviving on canned goods and a refusal to give in and die. They are led by Ayaan, a former child soldier turned brilliant strategist. She's twenty-eight years old, in a world where the average life expectancy is twenty-five. Together with her adopted ward Sarah, who has the psychic ability to see the life-force of the undead, she's gathered a few hundred survivors in Africa and given them safety, something to eat, and the possibility of a future. It would be a lot easier if the zombies weren't so well organized. Out of the

east a dead prince has risen. The Tsarevich, the most powerful lich the world has yet seen, is able to command his fellow zombies and has crafted them into an unstoppable army. He has swept across Russia and eastern Europe, hunting down every survivor he can find. He's about to come down on Ayaan and her desert oasis like a tidal wave of death and horror. Yet quickly enough Ayaan realizes he's not just out for her destruction. He has something else in mind, a goal that will take him--and her--across oceans, all the way back to Colorado where the first zombies rose from the grave. He's going back to the Source and when he reaches it, no one will ever be safe again. The fate of all life on the planet is up for grabs, and if Ayaan and Sarah can't stop him there will be no more second chances? A revisionist account of the impeachment trial of Andrew Johnson identifies specific incendiary behaviors on the part of the seventeenth president that the author believes failed to heal post-Civil War America.

Amsterdam, 1659: On the world's first commodities exchange, fortunes are won and lost in an instant. Miguel Lienzo, a sharp-witted trader in the city's close-knit community of Portuguese Jews, knows this only too well. Once among the city's most envied merchants, Miguel has suddenly lost everything. Now, impoverished and humiliated, living in his younger brother's canal-flooded basement, Miguel must find a way to restore his wealth and reputation. Miguel enters into a partnership with a seductive Dutchwoman who offers him one last chance at success—a daring plot to corner the market of an astonishing new commodity called "coffee." To succeed, Miguel must risk everything he values and face a powerful enemy who will stop at nothing to see him ruined. Miguel will learn that among Amsterdam's ruthless businessmen, betrayal lurks everywhere, and even friends hide secret agendas.

From the acclaimed and bestselling author of *The Whiskey Rebels* and *A Conspiracy of Paper* comes a stunning new thriller set in the splendor and squalor of eighteenth-century London. The year is 1722. Ruffian for hire and master of disguise Benjamin Weaver finds himself pitted against a mysterious mastermind who holds the lives of Weaver's friends in the balance. To protect the people he loves, Weaver must stage a daring robbery from the headquarters of the ruthless British East India Company, but this theft is only the opening move in a dangerous game of secret plots, corporate rivals, and foreign spies. With the security of the nation—and the lives of those he loves—in the balance, Weaver must navigate a labyrinth of political greed and corporate treachery. Explosive action and utterly vivid period detail are the hallmarks of an author who continues to set the bar ever higher for historical suspense. When President George Washington ordered an army of 13,000 men to march west in 1794 to crush a tax rebellion among frontier farmers, he established a range of precedents that continues to define federal authority over localities today. The "Whiskey Rebellion" marked the first large-scale resistance to a law of the U.S. government under the Constitution. This classic confrontation between champions of liberty and defenders of order was long considered the most significant event in the first quarter-century of the new nation. Thomas P. Slaughter recaptures the historical drama and significance of this violent episode in which frontier West and cosmopolitan East battled over the meaning of the American Revolution. The book not only offers the broadest and most comprehensive account of the Whiskey Rebellion ever written, taking into account the political, social and intellectual contexts of the time, but also challenges conventional understandings of the Revolutionary era. Benjamin Weaver, a Jew and an ex-boxer, is an outsider in eighteenth-century London, tracking down debtors and felons for aristocratic clients. The son of a wealthy stock trader, he lives estranged from his family—until he is asked to investigate his father's sudden death. Thus Weaver descends into the deceptive world of the English stock jobbers, gliding between coffee houses and gaming houses, drawing rooms and bordellos. The more Weaver uncovers, the darker the truth becomes, until he realizes that he is following too closely in his father's footsteps—and they just might lead him to his own grave. An enthralling historical thriller, *A Conspiracy of Paper* will leave readers wondering just how much has changed in the stock market in the last three hundred years. . . . In 2003, the United States had about 60 craft distillers; today there are over 2,000 in all corners of the country, 500 of which are making whiskey. This book introduces the entrepreneurs and the companies behind this American craft whiskey movement. *Whiskey Rebels* is a collection of first-person accounts of the brilliant, brave, and slightly crazy innovators responsible for changing the whiskey landscape forever—people like Ralph Erenzo, recipient of the first distilling license in New York State in 80 years who went on to create Hudson Baby Bourbon; Nicole Austin, a prominent female producer and vocal activist who brought an indie spirit to the renowned American whiskey region of Tennessee through George Dickel Tennessee

Whisky; and Bill Owens, who founded the American Distilling Institute in 2003. Spirits pro and award-winning author John McCarthy (The Modern Gentleman) has conducted hundreds of hours of interviews to gather these fascinating first-person accounts and give readers an amusing and thorough insight into the world of American craft whiskey. Under his expert guidance, readers will also learn the requirements to be considered a craft whiskey distiller, the effect of the craft beer movement on modern craft distilling, why craft distillers hate the word "craft," and many other pieces of insider information. During the bitter winter of 1786-87, Daniel Shays, a modest farmer and Revolutionary War veteran, and his compatriot Luke Day led an unsuccessful armed rebellion against the state of Massachusetts. Their desperate struggle was fueled by the injustice of a regressive tax system and a conservative state government that seemed no better than British colonial rule. But despite the immediate failure of this local call-to-arms in the Massachusetts countryside, the event fundamentally altered the course of American history. Shays and his army of four thousand rebels so shocked the young nation's governing elite—even drawing the retired General George Washington back into the service of his country—that ultimately the Articles of Confederation were discarded in favor of a new constitution, the very document that has guided the nation for more than two hundred years, and brought closure to the American Revolution. The importance of Shays's Rebellion has never been fully appreciated, chiefly because Shays and his followers have always been viewed as a small group of poor farmers and debtors protesting local civil authority. In *Shays's Rebellion: The American Revolution's Final Battle*, Leonard Richards reveals that this perception is misleading, that the rebellion was much more widespread than previously thought, and that the participants and their supporters actually represented whole communities—the wealthy and the poor, the influential and the weak, even members of some of the best Massachusetts families. Through careful examination of contemporary records, including a long-neglected but invaluable list of the participants, Richards provides a clear picture of the insurgency, capturing the spirit of the rebellion, the reasons for the revolt, and its long-term impact on the participants, the state of Massachusetts, and the nation as a whole. *Shays's Rebellion*, though seemingly a local affair, was the revolution that gave rise to modern American democracy. Traces the author's coming-of-age in an integrated but exclusive white California suburb in the 1970s and 1980s, describing the prejudices that hampered and minimized her family's achievements and her continuing struggles to define herself as "the black girl next door" in light of her parents' dreams. 60,000 first printing. America, 1787. Ethan Saunders, once among General Washington's most valued spies, is living in disgrace after an accusation of treason cost him his reputation. But an opportunity for redemption comes calling when Saunders's old enemy, Alexander Hamilton, draws him into a struggle with bitter rival Thomas Jefferson over the creation of the Bank of the United States. Meanwhile, on the western Pennsylvania frontier, Joan Maycott and her husband, a Revolutionary War veteran, hope for a better life and a chance for prosperity. But the Maycotts' success on an isolated frontier attracts the brutal attention of men who threaten to destroy them. As their causes intertwine, Joan and Saunders—both patriots in their own way—find themselves on opposing sides of a plot that could tear apart a fragile new nation. A succinct account of the Whiskey Rebellion of 1794 in Western Pennsylvania. NATIONAL BESTSELLER Henry Bright has newly returned to West Virginia from the battlefields of the First World War. Griefstruck by the death of his young wife and unsure of how to care for the infant son she left behind, Bright is soon confronted by the destruction of the only home he's ever known. His hopes for safety rest with the angel who has followed him to Appalachia from the trenches of France and who now promises to protect him and his son. Haunted by the abiding nightmare of his experiences in the war and shadowed by his dead wife's father, the Colonel, and his two brutal sons, Bright—along with his newborn—makes his way through a ravaged landscape toward an uncertain salvation. DON'T MISS THE EXCLUSIVE CONVERSATION BETWEEN JOSH RITTER AND NEIL GAIMAN IN THE BACK OF THE BOOK.

As recognized, adventure as competently as experience very nearly lesson, amusement, as with ease as understanding can be gotten by just checking out a book *The Whiskey Rebels* David Liss as a consequence it is not directly done, you could recognize even more as regards this life, roughly speaking the world.

We present you this proper as skillfully as easy showing off to acquire those all. We come up with the money for The Whiskey Rebels David Liss and numerous book collections from fictions to scientific research in any way. in the midst of them is this The Whiskey Rebels David Liss that can be your partner.

This is likewise one of the factors by obtaining the soft documents of this The Whiskey Rebels David Liss by online. You might not require more time to spend to go to the books opening as skillfully as search for them. In some cases, you likewise accomplish not discover the broadcast The Whiskey Rebels David Liss that you are looking for. It will utterly squander the time.

However below, behind you visit this web page, it will be in view of that definitely simple to acquire as capably as download lead The Whiskey Rebels David Liss

It will not receive many period as we run by before. You can get it though conduct yourself something else at house and even in your workplace. therefore easy! So, are you question? Just exercise just what we come up with the money for under as without difficulty as evaluation The Whiskey Rebels David Liss what you like to read!

Right here, we have countless book The Whiskey Rebels David Liss and collections to check out. We additionally meet the expense of variant types and then type of the books to browse.
