This unique Hugs book focuses on those beloved "extra" members of the family: pets. Filled with touching stories about God's little creatures, this delightful book highlights pets' endearing qualities -- such as unconditional love, faithfulness, and companionship. Inspiring messages, paraphrased scriptures, by LeAnn Weiss, and uplifting quotes appeal to the pet lover in everyone. Do You Like To Travel? Test Your Math Skills With Travel Related Equations. Correlates To Emphasis On Students Applying Foundational Math Skills. Includes Text Features Such As Charts And Graphs. Hunter Clarke wanted one thing for Christmas: to spend it with his dad and his brother. He misses being included in any guy trips since his parents divorced and he went to live with his mom. So he's less than happy when his mother tells him

that he won a contest to spend Christmas in West Monroe, Louisiana, with a family named the Robertsons. For some reason, they're supposed to be a big deal. How did he win a contest he didn't enter? Besides, he's never heard of them and sure doesn't want to spend Christmas in a swamp with a bunch of strangers. Korie Robertson is excited to open her heart and home to Hunter and show him what the Christmas season looks like for the Robertson family. And like it or not, Hunter experiences it firsthand. From duck-hunting disasters with the bearded guys, to learning to cook with Miss Kay, Hunter quickly discovers what it's like to live with this boisterous, yet loving family. Putting on his headphones and ignoring them is not an option. Before long, Hunter begins to let his guard down. But with Christmas and the end of his trip fast approaching, will it be too little, too late? Or will Hunter be open to the greatest gift of all? ****PAPERBACK BOOK AVAILABLE TUESDAY, JUNE 13, 2017 with new content****

It's never been more important to teach your children well. What America needs today are parents who don't just say they value these virtues but who live them and passionately and boldly teach them to their children. It's up to me and you and every parent in America to make the necessary changes to give our children the opportunity to change the world. We do that by instilling good character traits in them so that they will be capable of being the adults our world needs. --Korie Robertson Many parents want to see positive character traits in their children but wonder how to instill them. As stars of the hit reality-TV show Duck Dynasty, Korie and Willie Robertson receive loads of letters and messages from fans asking how they've raised such good kids. As they will tell you, "it isn't always easy, but raising kids with good character is possible." A straightforward, practical approach to parenting, Strong and Kind helps you identify the character traits you want to see in your children and gives you the

tools for putting them in place. Besides strength and kindness other character traits include: Self-Control Honesty Compassion Patience Joyfulness Loyalty Humility By modeling positive traits, with confidence, consistency, creativity, unity, and in truth and love, you can increase the chances of your kids catching on. At the end of the day, the Duck Dynasty stars say the most important thing you can do for your children is what they do at the end of every episode: hand them over to God in prayer. Flap Copy: What Legacy Will You Pass Down To The Next Generation? "After being a parent for twenty years, I have come to believe that the most important thing for parents to decide--more important than bottle or breastfeeding, more important than co-sleeping or sleep training, and even more important than whether to put your child in day care or become a stay-at-home parent--is what values are important to your family and how you will go about instilling those values in your children." In Strong and Kind

Korie Robertson--with the help of her mom, Chrys Howard, and with insights and stories from her husband, Willie--introduces nine character traits that children need in order to lead a successful life. And though there are no perfect parents or perfect children, Korie shares principles--based on biblical wisdom and time-tested practices--that will help you parent your own one-of-a-kind child. The first devotional for kids by the Robertson family of Duck Dynasty fame! With the Robertson clan's flair for down-home wisdom and their wholesome family values, this devotional reveals the heart and faith of this much-loved family from A&E's hit show Duck Dynasty. The more than 6-million moms, dads, and little ones who are loyal fans of the Duck Dynasty family will love this collection of inspirational messages. Each devotion contains a brief message, an anecdotal story from America's favorite family, a passage from Scripture, a prayer, and a Duck Commander in Action. Not only are the messages motivational,

but they are also mixed with the characters' trademark wit and revelations from their personal faith journeys. An ideal companion product for Duck Dynasty fans, outdoor enthusiasts, and those who want to grow in their faith, Duck Commander Devotions for Kids is certain to inspire little ones in their faith journey. Trim Size: 6 x 8 The female members of the Duck Dynasty cast outline their behind-the-scenes roles in the Robertson family while discussing the core values that make their relationships work, explaining how their spiritual beliefs shape family dynamics and have helped them work through various challenges. TV tie-in. In this Faith Commander Teen Edition book and DVD pack, family members of all ages will learn how to build a legacy of faith and apply faith-based family values to every aspect of their lives. Join the Robertson family of Aand E's hit television show, Duck Dynasty, on a wild ride through five of the Bible's most-loved parables. At a time when women were seen and not heard,

Hutchinson spoke her mind and shared her divergent religious views. Infidelity, deceit, distrust, and shame are recurring themes in many American marriages -- even in the family-values-promoting Robertson family. But this is not a book about a marriage gone wrong. It is a candid story of rescued love and renewed commitment. After nearly divorcing, Alan and Lisa Robertson came to terms with what went wrong and began the hard work of making it right. Now married for twenty-nine years, they share that journey. Are You Fascinated With Weather And Storms? Test Your Skills With Weather Related Math Equations! A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country! NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming." -- The New Yorker "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- Chicago Sun-Times "Every one of Trump's most disgusting qualities surfaces in golf." -- The Ringer An outrageous indictment of Donald

Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, Commander in Cheat is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and

tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." Commander in Cheat "paints a side-splitting portrait of a congenial cheater" (Esquire), revealing all kinds of unsightly truths Trump has been hiding. In *Counting by Fives*, readers will learn how to count in sequence with repetitive text and imagery of familiar items. This 24-page title features colorful visual aids, simple text, comprehension and extension activities, and more to effectively engage beginning readers and reinforce the basics of

counting. The *Concepts: Shapes and Numbers* series takes the learning of basic concepts to the next level. "Join Korie Robertson and Chrys Howard as they tell stories of the Robertson

family ... and discuss some of the Bible's most-loved parables. You will learn how to build a legacy of faith and apply five faith-shaped values to your life"--Page 4 of cover. Christian popular culture has tremendous influence on many American churchgoers. When we have a choice between studying the Bible and reading novels, downloading movies, or watching television, we become less familiar with Numbers than with Narnia. This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex, fascinating, and worthy of investigation as the latest secular Netflix series or dystopian novel. While most scholars focus on the religious aspects of Christian texts, this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race, class, and gender in a profoundly unequal America. Close readings of six case studies—The Chronicles of Narnia, Francine Rivers's Redeeming Love, Jan Karon's Mitford novels,

Left Behind, the films of the Sherwood Baptist Church, and Duck Dynasty—uncover both harmful stereotypes and Christians serving as leaders in social justice. Soccer Is Gaining Popularity All Over The World. Learn About The Plays And Players That Have Shaped This Sport. High Interest Informational Text To Support Rigor And Text Complexity. Want To Improve Your Culinary Skills? A Strong Math Background Will Help You Do Just That! Correlates To Emphasis On Students Applying Foundational Math Skills. In this five-session, video-based small group Bible study, you and your small group will learn about faith-based values and how to apply them to your life. Join the Robertson Family of the hit television show Duck Dynasty as they tell stories and discuss the Bible's most-loved parables of Jesus. In this five-

session Bible study for children, all the young people in your church will learn about five faith-based values and how to apply them to their lives. George and his dad are back on the ocean for another sea adventure. Dive in with George to find out who he meets on this exciting trip. Follow George on his first adventure in "George and the Big Red Fish". Also by Beth Clark. Presents a behind-the-scenes look at the Roberston family, documenting the teenage romance and marriage of Willie and Korie Robertson, their success as a multi-million dollar hunting equipment business, and their rise to stardom on reality television. In Counting by Ones, readers will learn how to count in sequence with repetitive text and imagery of familiar items. This 24-page title features colorful visual aids, simple text, comprehension and extension activities, and more to effectively engage beginning readers and reinforce the basics of counting. The Concepts: Shapes and Numbers series takes the learning of basic

concepts to the next level. By connecting colors, counting, and shapes to what children know will result in greater understanding. Colors looks at the colors found in different seasons, Counting introduces children to the different ways they can count their favorite things, and shapes allows them to be creative and see what they can build. The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck Dynasty TV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and fans of the show get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book... In The Women of Duck Commander, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories, and experiences that have made them

who they are. The appeal of the Duck Dynasty comes, not because they are showing us anything new, but they are reminding us of the values our culture is in danger of losing. The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck Dynasty TV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and fans of the show get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book...
