The assassination of ex-operative Ben Ellison's father-in-law, a CIA spymaster, pulls Ben into pursuit of the former KGB chairman—who holds a multitude of secrets, and billions in smuggled Soviet gold. By the author of *The Moscow Club*. 75,000 first printing. \$50,000 ad/promo. New York Times bestselling author Joseph Finder delivers an exhilarating and timely thriller exploring how even the most powerful among us can be brought down by a carefully crafted lie and how the secrets we keep can never truly stay buried. The chief justice of the Supreme Court is about to be defamed, his career destroyed, by a powerful gossip website that specializes in dirt on celebs and politicians. Their top reporter has written an exposé claiming that he had liaisons with an escort, a young woman prepared to tell the world her salacious tale. But the chief justice is not without allies, and his greatest supporter is determined to stop the story in its tracks. Nick Heller is a private spy—an intelligence operative based in Boston, hired by lawyers, politicians, and even foreign governments. A high-powered investigator with a penchant for doing things his own way, he's called to Washington, DC, to help out in this delicate, potentially explosive situation. Nick has just forty-eight hours to disprove the story about the chief justice. But when the call girl is found murdered, the case takes a dangerous turn, and Nick resolves to find the mastermind behind the conspiracy before anyone else falls victim to the maelstrom of political scandal and ruined reputations predicated upon one long-buried secret. Winner of the Edge Hill Short Story Prize A New York Times Notable Book of the Year An NPR Best Book of the Year The award-winning author of *The Past* once again "crystallizes the atmosphere of ordinary life in prose somehow miraculous and natural" (*Washington Post*), in a collection of stories that elevate the mundane into the exceptional. The author of six critically acclaimed novels, Tessa Hadley has proven herself to be the champion of revealing the hidden depths in the deceptively simple. In these short stories it's the ordinary things that turn out to be most extraordinary: the history of a length of fabric or a forgotten jacket. Two sisters quarrel over an inheritance and a new baby; a child awake in the night explores the familiar rooms of her home, made strange by the darkness; a housekeeper caring for a helpless old man uncovers secrets from his past. The first steps into a turning point and a new life are made so easily and carelessly: each of these stories illuminate crucial moments of transition, often imperceptible to the protagonists. A girl accepts a lift in a car with some older boys; a young woman reads the diaries she discovers while housesitting. Small acts have large consequences, some that can reverberate across decades; private fantasies can affect other people, for better and worse. The real things that happen to people, the accidents that befall them, are every bit as mysterious as their longings and their dreams. *Bad Dreams and Other Stories* demonstrates yet again that Tessa Hadley "puts on paper a consciousness so visceral, so fully realized, it heightens and expands your own. She is a true master" (Lily King, author of *Euphoria*). "FORTY DAYS AND FORTY NIGHTS is a contemporary thriller set in the Mississippi River Delta. Thirty-nine days of torrential rain have swollen the river to the brink. Clementine Price—a young US Army Corps of Engineers officer born on a farm in the flood-plain of the Arkansas Delta—is battling to protect the people and homeland she loves from a catastrophic flood when she discovers that a richly funded domestic terrorist—hiding in plain sight in a beloved megachurch—has weaponized the natural disaster to inundate America's heartland. His plan to cleave the United States in half and found his own all-white nation is already in motion. Clementine has only hours to mobilize a make-shift army, engineer a strategy to turn nature's overwhelming force back onto the enemy, stop civil war, and save millions from drowning"—The Federal Trade Commission receives more complaints about rogue debt collecting than about any activity besides identity theft. Dramatically and entertainingly, *Bad Paper* reveals why. It tells the story of Aaron Siegel, a former banking executive, and Brandon Wilson, a former armed robber, who become partners and go in quest of "paper"—the uncollected debts that are sold off by banks for pennies on the dollar. As Aaron and Brandon learn, the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs. Introducing an unforgettable cast of strivers and rogues, Jake Halpern chronicles their lives as they manage high-pressure call centers, hunt for paper in Las Vegas casinos, and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers. He also tracks a "package" of debt that is stolen by unscrupulous collectors, leading to a dramatic showdown with guns in a Buffalo corner store. Along the way, he reveals the human cost of a system that compounds the troubles of hardworking Americans and permits banks to ignore their former customers. The result is a vital exposé that is also a bravura feat of storytelling. An insider reveals what can—and does—go wrong when companies shift production to China In this entertaining behind-the-scenes account, Paul Midler tells us all that is wrong with our effort to shift manufacturing to China. Now updated and expanded, *Poorly Made in China* reveals industry secrets, including the dangerous practice of quality fade—the deliberate and secret habit of Chinese manufacturers to widen profit margins through the reduction of quality inputs. U.S. importers don't stand a chance, Midler explains, against savvy Chinese suppliers who feel they have little to lose by placing consumer safety at risk for the sake of greater profit. This is a lively and impassioned personal account, a collection of true stories, told by an American who has worked in the country for close to two decades. *Poorly Made in China* touches on a number of issues that affect us all. From the "New York Times" bestselling author of "Paranoia" and "Killer Instinct" comes a pulse-pounding, high-stakes thriller set in the cutthroat corporate world. Martin's Press. In this short story from the thrilling anthology *FaceOff*, bestselling authors Lee Child and Joseph Finder—along with their popular series characters Jack Reacher and Nick Heller—team up for the first time ever. When Jack Reacher sits down to watch a baseball game at a Boston bar, he has no way of knowing what kind of trouble is about to walk in the door—and not just because he's a Yankees fan in a Red Sox town. In this action-packed short story, Reacher and a new acquaintance—Sox fan Nick Heller—find themselves drawn into a much less friendly rivalry when the guy sitting between them at the bar turns out to be a marked man. For more exciting pairs, check out all eleven short stories in *FaceOff!* Danny meets Thomas Galvin, the father of his daughter's new best friend, who is also one of the wealthiest men in Boston. Galvin is aware of Danny's situation and out of the blue offers a loan to help Danny cover his daughter's tuition. The moment the money is wired into his account, the DEA comes knocking on his door. Danny's impossible choice: an indictment for accepting drug money that he can't afford to fight in court, or a dangerous assignment helping the government get closer to Gavin. Describes the relationship between powerful American businessmen and the Russian government and traces the history of U.S.-Russian trade relations Meet Claire Heller Chapman. A criminal defense attorney who's made a name for herself by taking on—and winning—the toughest cases, Claire still manages to have a relatively calm life as a Harvard Law School professor, devoted wife, and proud mother to six-year-old Annie. Until one night, when the family is out having dinner, a team of government agents bursts onto the scene...heading straight for Claire's husband. Tom Chapman has been arrested for an atrocious crime he swears he did not commit. Claire is desperate to believe him—and prove his innocence—even when she learns that Tom once had a different name. And a different face. Now, in a top-secret court-martial conducted by the Pentagon, Claire will put everything on the line to defend the man she loves. But as the evidence keeps piling up, the less she knows who her husband really is...and the more he appears to be a cold-blooded murderer...in Joseph Finder's *High Crimes*. Soon to be a Netflix original series! "Matthew Quirk moves into David Baldacci and John Grisham territory with *The Night Agent*, a paranoid, pulse-pounding thriller that could not be more prescient. If you're wondering where the best of the next generation of suspense talent is headed, look no further." — Joseph Finder To find a Russian mole in the White House, an FBI agent must question everything. . . and trust no one. ?No one is more surprised than FBI Agent Peter Sutherland when he's tapped to work in the White House Situation Room. When Peter was a boy, his father was suspected of selling secrets to the Russians—a breach that cost him his career, his reputation, and eventually his life. Now Peter's job is monitoring an emergency line for a call that has not—and might never—come. Until tonight. At 1:05 A.M. the phone rings. A terrified young woman named Rose tells Peter that two people have just been murdered and that the killer might still be in the house with her. One of the victims gave her this phone number with urgent instructions: "Tell them OSPREY was right. It's happening..." The call thrusts Peter into the heart of a conspiracy years in the making, involving a Russian mole at the highest levels of the U.S. government. Anyone in the White House could be the traitor. Anyone could be corrupted. To save the nation, Peter must take the rules into his own hands, question everything, and trust no one. The *Night Agent* marks the return of the classic conspiracy thriller, a *Three Days of the Condor* for today's chaotic world. With incredible twists and heart-stopping action, this electrifying novel pulls back the curtain on Washington power and confirms Matthew Quirk as a new master of suspense. "In New York Times bestselling author Joseph Finder's new thriller, private investigator Nick Heller is hired to infiltrate a powerful family whose wealth and reputation hide something far more sinister"—When Rick Hoffman loses his job and apartment, his only option is to move back into the home of his miserable youth, now empty and in decay since his father's stroke. But when he starts to pull it apart, he makes an electrifying discovery that will put his life in peril, and change everything he thought he knew about his father. "In New York Times bestselling author Joseph Finder's new thriller, private investigator Nick Heller is hired to infiltrate a powerful family whose wealth and reputation hide something far more sinister"—Mark Novak's greatest mystery may be his own... Rise the dark. These were the last words written in Lauren Novak's notebook before she was murdered in a strange Florida village. They've never meant anything to the police or to her husband, investigator Markus Novak. Now the man he believes killed her is out of prison, and draws Markus to the place he's avoided for so long: the lonely road where his wife was shot to death beneath the cypress trees and Spanish moss in a town called Cassadaga. In Red Lodge, Montana, a senseless act of vandalism shuts the lights off in the town where Sabrina Baldwin is still trying to adjust to a new home and mourning the loss of her brother, who was a high voltage linesman just like her husband, Jay. As the spring's final snowstorm calls Jay deeper into the mountains, chasing the destruction on the electrical grid, Sabrina is abducted by Garland Webb, the man Markus Novak believes killed his wife. Drawing them all together is a messianic villain who understands that you can never outpace your past. You can only rise against the future. Michael Koryta is... It was nothing more than a one-night stand. Juliana Brody, a judge in the Superior Court of Massachusetts, is rumored to be in consideration for the federal circuit, maybe someday the highest court in the land. At a conference in a Chicago hotel, she meets a gentle, vulnerable man and has an unforgettable night with him—something she'd never done before. They part with an explicit understanding that this must never happen again. But back home in Boston, Juliana realizes that this was no random encounter. The man from Chicago proves to have an integral role in a case she's presiding over—a sex-discrimination case that's received national attention. Juliana discovers that she's been entrapped, her night of infidelity captured on video. Strings are being pulled in high places, a terrifying unfolding conspiracy that will turn her life upside down. But soon it becomes clear that personal humiliation, even the possible destruction of her career, are the least of her concerns, as her own life and the lives of her family are put in mortal jeopardy. In the end, turning the tables on her adversaries will require her to be as ruthless as they are. From the bestselling author of *Los Alamos* and *The Good German* comes a riveting tale of love, revenge and murder set in postwar Venice. Winner of the Hammett Prize It is 1946, and Adam Miller has come to Venice to visit his widowed mother and try to forget the horrors he has witnessed as a U.S. Army war crimes investigator in Germany. But when he falls in love with Claudia, a Jewish woman scarred by her devastating experiences during World War II, he is forced to confront another Venice, a city still at war with itself, haunted by atrocities it would rather forget. Everyone, including his mother's suave new Venetian suitor, has been compromised by the occupation, and Adam finds himself at the center of a web of deception, intrigue, and unexpected moral dilemmas. When is murder acceptable? What are the limits of guilt? How much is someone willing to pay for a perfect alibi? A hostage rescue specialist is on the trail of a homegrown terrorist organization in this thriller by the New York Times bestselling author. When a cult-like paramilitary group decides to make its deadly presence known, the first victims are random. Ordinary citizens going about their lives in Washington, D.C., are suddenly fired upon at rush hour by unseen assassins. Caught in the crossfire of one of the attacks, rescue specialist Jonathan Grave spies a gunman getting away—with a mother and her young son as hostages. To free them, Grave and his Security Solutions team must enter the dark heart of a nationwide conspiracy. But their search goes beyond the frenzied schemes of a madman's deadly ambitions. This time, it reaches all the way to the highest levels of power... While investigating an ominous coup brewing in Russia, CIA analyst Charlie Stone senses that the conspiracy is linked to an old mystery within his own family. Reissue. 250,000 first printing. Jason Steadman is a thirty-year-old sales executive living in Boston and working for an electronics giant, a competitor to Sony and Panasonic. He's a witty, charismatic guy who's well liked at the office, but he lacks the "killer instinct" necessary to move up the corporate ladder. To the chagrin of his ambitious wife, it looks as if his career has hit a ceiling. Jason's been sidelined. But all that will change one evening when Jason meets Kurt Semko, a former Special Forces officer just back from Iraq. Looking for a decent pitcher for the company softball team, Jason gets Kurt, who was once drafted by the majors, a job in Corporate Security. Soon, good things start to happen for Jason—and bad things start to happen to Jason's rivals. His career suddenly takes off. He's an overnight success. Only too late does Jason discover that his friend Kurt has been secretly paving his path to the top by the most "efficient"—and ruthless—means available. After all, as Kurt says, "Business is war, right?" But when Jason tries to put a stop to it, he finds that his new best friend has become the most dangerous enemy imaginable. And now it's far more than just his career that lies in the balance. A riveting tale of ambition, intrigue, and the price of success, *Killer Instinct* is Joseph Finder at his best. *San Francisco Chronicle ** Pittsburgh Post Gazette Somewhere in Baltimore's Johns Hopkins Medical Center lies a wounded man, William Covington—a man half-paralyzed by a gunshot wound to the head. From molecular biologist turned Anthony Award-winning author of The Killing Kind comes a fact-based thriller about our species' next great existential threat—perfect for fans of Michael Crichton. It began four years ago with a worldwide uptick of bacterial infections: meningitis in Frankfurt, cholera in Johannesburg, tuberculosis in New Delhi. Although the outbreaks spread aggressively and proved impervious to our drugs of last resort, public health officials initially dismissed them as unrelated. They were wrong. Antibiotic resistance soon roiled across the globe. Diseases long thought beaten came surging back. The death toll skyrocketed. Then New York City was ravaged by the most heinous act of bioterror the world had ever seen, perpetrated by a new brand of extremist bent on pushing humanity to extinction. Detective Jacob Gibson, who lost his wife in the 8/17 attack, is home caring for his sick daughter when his partner summons him to a sprawling shantytown in Central Park, the apparent site of a mass murder. Jake is startled to discover that, despite a life of abject squalor, the victims died in perfect health—and his only hope of finding answers is a twelve-year-old boy on the run from some very dangerous men. A fasten-your-seatbelt suspense thriller that recalls Eye of the Needle and Day of the Jackal, Finder's latest novel is packed with realism and riveting insider detail. When a digitally encrypted, ominous telephone call is intercepted by the NSA's spy satellites, FBI Special Agent Sarah Cahill is summoned to investigate an impending terrorist attack on lower Manhattan. Lauren Heller and her husband Roger, a brilliant executive at a major corporation, are attacked in a Georgetown parking lot after an evening out. Knocked unconscious by the assailants, Lauren lies in a coma in the hospital while her husband has vanished w Nick Heller is tough, smart, and stubborn. And in his line of work, it's essential. Trained in the Special Forces, Nick is a high-powered intelligence investigator—exposing secrets that powerful people would rather keep hidden. He's a guy you don't want to mess with. He's also the man you call when you need a problem fixed. Desperate, with nowhere else to run, Nick's nephew, Gabe makes that call one night. After being attacked in Georgetown, his mother, Lauren, lies in a coma, and his step-dad, Roger, Nick's brother, has vanished without a trace. Nick and Roger have been on the outs since the arrest, trial, and conviction of their father, the notorious "fugitive financier," Victor Heller. Where Nick strayed from the path, Roger followed their father's footsteps into the corporate world. Now, as Nick searches for his brother, he's on a collision course with one of the most powerful corporations in the world—and they will stop at nothing to protect their secrets, in Joseph Finder's thrilling Vanished. So when Sarah is summoned to Wall Street to investigate, little does she know that she's the one under surveillance... until the terrorist infiltrates himself into the deepest, most desperate corners of her life. Soon Sarah is plunged into a deep labyrinth of intrigue and catastrophe as she races to uncover a diabolically clever conspiracy...before time runs out and the clock strikes THE ZERO HOUR ... from bestselling author Joseph Finder. 1945. The day before Hitler commits suicide, he arranges for Nazi leader Martin Bormann to flee to South America in a German U-boat. 1992. Terrorist Sean Dillon is saved from a Yugoslavian firing squad—if he agrees to help the British government retrieve the long-lost documents of Martin Bormann. The wreck of Bormann's U-boat has been discovered in the Caribbean, along with a secret list of Nazi sympathizers. The names include high-level citizens from the U.S. and Great Britain—and may implicate the Duke of Windsor himself. The evidence lies in a watertight briefcase on the bottom of the sea. And the desperate search to find it will send shockwaves across the world ... For the first time ever, legendary editor Otto Penzler has handpicked some of the most respected and bestselling thriller writers working today for a riveting collection of spy fiction. From first to last, this stellar collection signals mission accomplished. Including: * Lee Child with an incredible look at the formation of a special ops cell. * James Grady writing about an Arab undercover FBI agent with an active cell. * Joseph Finder riffing on a Boston architect who's convinced his Persian neighbors are up to no good. * John Lawton concocting a Len Deighton-esque story about British intelligence. * Stephen Hunter thrilling us with a tale about a WWII brigade. Full list of Contributors: James Grady, Charles McCarry, Lee Child, Joseph Finder, John Lawton, John Weisman, Stephen Hunter, Gayle Lynds, David Morrell, Andrew Klavan, Robert Wilson, Dan Fesperman, Stella Rimington, Olen Steinhauer From New York Times bestselling author Christopher Reich, an international spy thriller featuring Simon Riske: one part James Bond, one part Jack Reacher. Riske is a freelance industrial spy who, despite his job title, lives a mostly quiet life above his auto garage in central London. He is hired to perform the odd job for a bank, an insurance company, or the British Secret Service, when he isn't expertly stealing a million-dollar watch off the wrist of a crooked Russian oligarch. Riske has maintained his quiet life by avoiding big, messy jobs; until now. A gangster by the name of Tino Coluzzi has orchestrated the greatest street heist in the history of Paris: a visiting Saudi prince had his pockets lightened of millions in cash, and something else. Hidden within a stolen briefcase is a secret letter that could upend the balance of power in the Western world. The Russians have already killed in an attempt to get it back by the time the CIA comes knocking at Simon's door. Coluzzi was once Riske's brother-in-arms, but their criminal alliance ended with Riske in prison, having narrowly avoided a hit Coluzzi ordered. Now, years later, it is thief against thief, and hot on their trail are a dangerous Parisian cop, a murderous Russian femme fatale, her equally unhinged boss, and perhaps the CIA itself. In the grand tradition of The Day of the Jackal and The Bourne Identity, Christopher Reich's The Take is a stylish, breathtaking ride. Discovering that he mistakenly picked up a Senator's laptop at the airport that contains career-ending classified documents, Michael Tanner becomes the target of an unscrupulous fixer and a national security agency when he refuses to turn the device over. Joseph Finder introduced Nick Heller, a "private spy" who finds out things powerful people want to keep hidden, to widespread acclaim from the critics and wild enthusiasm from the readers, in the New York Times bestselling novel Vanished. Now, in Buried Secrets, Nick Heller returns, finding himself in the middle of a life-or-death situation that's both high-profile and intensely personal. Nick has returned to his old home town of Boston to set up his own shop. There he's urgently summoned by an old family friend. Hedge fund titan Marshall Marcus desperately needs Nick's help. His teenaged daughter, Alexa, has just been kidnapped. Her abduction was clearly a sophisticated professional job, done with extraordinary precision. Alexa, whom Nick has known since she was young, is now buried alive, held prisoner in an underground crypt, a camera trained on her, her suffering streaming live over the internet. She's been left with a limited supply of food and water and, if her father doesn't meet the demands of her shadowy kidnapers, she'll die. And as Nick begins to probe, he discovers that all is not quite right with Marshall Marcus's business. He's being investigated by the FBI, he has a lot of shady investors, his fund is in danger and now he has a lot of powerful enemies who may have the motivation to go after Marcus's daughter. But to find out who's holding Alexa Marcus hostage, Nick has to find out why. Once he does, he uncovers an astonishing conspiracy that reaches far beyond anything he could have imagined. And if he's going to find Alexa in time, he will have to flush out and confront some of his deadliest opponents ever. A simple mix up throws an innocent man into the cross-hairs of sinister government secrets and ruthless political ambitions in this timely, electrifying thriller from New York Times bestselling author Joseph Finder. Michael Tanner is on his way home from a business trip when he accidentally picks up the wrong MacBook in an airport security line. He doesn't notice the mix-up until he arrives home in Boston, but by then it's too late. Tanner's curiosity gets the better of him when he discovers that the owner is a US senator and that the laptop contains top secret files. When Senator Susan Robbins realizes she's come back with the wrong laptop, she calls her young chief of staff, Will Abbott, in a panic. Both know that the senator broke the law by uploading classified documents onto her personal computer. If those documents wind up in the wrong hands, it could be Snowden 2.0—and her career in politics will be over. She needs to recover the MacBook before it's too late. When Will fails to gain Tanner's cooperation, he is forced to take measures to retrieve the laptop before a bigger security breach is revealed. He turns to an unscrupulous "fixer" for help. In the meantime, the security agency whose files the senator has appropriated has its own methods, darker still—and suddenly Tanner finds himself a hunted man, on the run, terrified for the safety of his family, in desperate need of a plan, and able to trust no one. New York Times bestselling author Joseph Finder delivers an exhilarating and timely thriller exploring how even the most powerful among us can be brought down by a carefully crafted lie and how the secrets we keep can never truly stay buried. The chief justice of the Supreme Court is about to be defamed, his career destroyed, by a powerful gossip website that specializes in dirt on celebs and politicians. Their top reporter has written an exposé claiming that he had liaisons with an escort, a young woman prepared to tell the world her salacious tale. But the chief justice is not without allies and his greatest supporter is determined to stop the story in its tracks. Nick Heller is a private spy—an intelligence operative based in Boston, hired by lawyers, politicians, and even foreign governments. A high-powered investigator with a penchant for doing things his own way, he's called to Washington, DC, to help out in this delicate, potentially explosive situation. Nick has just forty-eight hours to disprove the story about the chief justice. But when the call girl is found murdered, the case takes a dangerous turn, and Nick resolves to find the mastermind behind the conspiracy before anyone else falls victim to the maelstrom of political scandal and ruined reputations predicated upon one long-buried secret.
