A smart superhero book for girls with plenty of glitter--perfect for fans of The Powerpuff Girls. It all started with a mysterious purple goo... What happens when four best friends find themselves splattered with a bubbling, genetically altering substance during a seemingly innocent sleepover in a secret, see-through, high-tech, futuristic lab? They develop superpowers, that's what! Iris, Cheri, Scarlet, and sometimes Opaline have become . . . THE ULTRA VIOLETS After a super baddie face-off with the mutants in the Mall of No Returns, the girls know Chronic Prep is in peril... Bursting with glitter rainbows IRIS must keep her crazy artistic skills a secret. CHERI and her sweetie skunk Darth Odor smell something fishy and none of the math is adding up. High-kick, ninja cha-cha dance moves win SCARLET the lead role in the school play but even that isn't enough to distract her from the truth. And it's all because OPALINE is turning their classmates into real debbie downers. Can the Ultra Violets stop her evil plan before their friends' brains are French fried? Better find out soon because...THE FUCHSIA IS NOW! If Jacinda were to follow the wishes of her community, she'd happily settle down with Cassian, the prince of her pride. But she just

can't. She's in love with Will, a human boy who comes from a family of hunters. Their relationship breaks the most sacred rule and endangers everyone she cares about. Set during the fear and panic of the Great Influenza Pandemic of 1918-1919, The Uninvited is part gothic ghost-story, part psychological thriller, perfect for those who loved The Thirteenth Tale by Diane Setterfield or The Vanishing by Wendy Webb. Twenty-five year old Ivy Rowan rises from her bed after being struck by the flu, only to discover the world has been torn apart in just a few short days. But Ivy's life-long gift—or curse—remains. For she sees the uninvited ones—ghosts of loved ones who appear to her, unasked, unwelcomed, for they always herald impending death. On that October evening in 1918 she sees the spirit of her grandmother, rocking in her mother's chair. An hour later, she learns her younger brother and father have killed a young German out of retaliation for the death of Ivy's older brother Billy in the Great War. Horrified, she leaves home, to discover the flu has caused utter panic and the rules governing society have broken down. Ivy is drawn into this new world of jazz, passion, and freedom, where people live for the day, because they could be stricken by nightfall. But as her 'uninvited guests' begin to appear to her more often, she knows her life will be torn apart once more, but Ivy has no inkling of the other-worldly revelations about to unfold. The Uninvited is an atmospheric, haunting, and utterly compelling novel. From New York Times

bestselling author Sophie Jordan, Uninvited is a chilling and suspenseful story about a girl whose DNA brands her a killer, perfect for fans of The Unbecoming of Mara Dyer and Shatter Me. Davy had everything—a terrific boyfriend, the homecoming crown, a bright future at Juilliard—but when her genetic tests come back positive for Homicidal Tendency Syndrome, she loses it all. Uninvited from her prestigious school, avoided by her friends and family, she is placed in a special class with other "carriers" who are treated like the murderers they someday might become. Only Sean, a fellow HTS carrier, can relate to her new life and tells her that she alone controls her actions—not the code embedded into her DNA. But even if she can learn to trust him, can Davy trust herself? Don't miss the continuation of Davy's journey in Unleashed, the romantic, high-stakes conclusion! THE SCHOOL FOR GOOD AND EVIL will soon be a major motion picture from Netflix, starring Academy Award winner Charlize Theron, Kerry Washington, Laurence Fishburne, Michelle Yeoh, Cate Blanchett, and many more! A dark and enchanting fantasy adventure for those who prefer fairytales with a twist. The first in the bestselling series. Little girls can be strong and fierce and brave—and sometimes their ferocity is just the thing they need to save the day. Millie is strong. Millie is fierce. But Millie has learned to keep her fierceness in check. And since she's been sweet all summer long, Millie gets to have a sleepout with her friends. One where she promises to be

well behaved. But things don't go as Millie planned, and our fierce little heroine is not happy. Still, she tries her best to keep her fierceness inside. But when the scary dog from next door howls at the girls' tent, Millie's ferocity saves them all! A perfect addition to a bookshelf filled with Fancy Nancy, Eloise, Olivia, and Ladybug Girl. Praise for the Millie Fierce books: *"Readers already know what Millie learns: To everything there is a time and purpose, including fierceness; they will welcome this validation."--Kirkus Reviews, starred review "Millie Fierce is a delightfully naughty mix between Maurice Sendak's *Where the Wild Things Are* and Molly Bang's *When Sophie Gets Angry*."--School Library Journal "An unexpected Yeatsian lilt to Manning's writing ("Millie frizzed out her hair and made the crazy eye") lifts the text out of the ordinary; her powers of observation set it apart, too."--Publishers Weekly

The aim of *Hiding Making - Showing Creation* is twofold. In the first instance, we seek to trace the *Nachleben* of these studio topoi from the nineteenth century to today, in particular focusing on how artists have employed them as strategies for showing certain aspects of their practice (above all those which perpetuate the notions of artistic genius and autonomy), while carefully hiding others from view (routine, failure, craft). Secondly, in order to achieve these goals, we have adopted a method that we feel not only does justice to the richness and diversity of the topic but which, we believe, will add a new

dimension to the already abundant and ever growing literature on the artist's studio. Harlequin® Presents brings you a collection of four new titles! Destiny and darkness collide in this romantic, sweeping new fantasy series from New York Times bestselling author Sophie Jordan, perfect for fans of Sarah J. Maas and Leigh Bardugo. Seventeen years ago, an eclipse cloaked the kingdom of Relhok in perpetual darkness. In the chaos, an evil chancellor murdered the king and queen and seized their throne. Luna, Relhok's lost princess, has been hiding in a tower ever since. Luna's survival depends on the world believing she is dead. But that doesn't stop Luna from wanting more. When she meets Fowler, a mysterious archer braving the woods outside her tower, Luna is drawn to him despite the risk. When the tower is attacked, Luna and Fowler escape together. But this world of darkness is more treacherous than Luna ever realized. With every threat stacked against them, Luna and Fowler find solace in each other. But with secrets still unspoken between them, falling in love might be their most dangerous journey yet. The last woman on earth he would ever touch . . . Declan, the Duke of Banbury, has no interest in ushering Rosalie Hughes, his stepsister, into society. Dumped on him with nowhere else to go, he's determined to rid himself of the headstrong debutante by bestowing on her an

obscenely large dowry . . . making her the most sought-after heiress of the Season. . . . is about to become the only one he wants But Rosalie isn't about to go along with Declan's plans. Surrounded by fortune hunters, how is she supposed to find a man who truly wants her? Taking control of her fate, Rosalie dons a disguise and sneaks into Sodom, a private club host to all manner of illicit activity—and frequented by her infuriatingly handsome stepbrother. In a shadowed alcove, Declan can't resist the masked temptress who sets his blood afire . . . any more than Rosalie can deny her longing for a man who will send her into ruin. Mother and child spend special time together in this simple rhyming story. Filled with the bestselling, award-winning author's trademark wordplay and inventive storytelling, here is the dizzyingly entertaining, wickedly humorous story of a mysterious stranger whose sudden appearance during a family's summer holiday transforms four variously unhappy people. Each of the Smarts—parents Eve and Michael, son Magnus, and the youngest, daughter Astrid—encounter Amber in his or her own solipsistic way, but somehow her presence allows them to see their lives (and their life together) in a new light. Smith's narrative freedom and exhilarating facility with language propel the novel to its startling, wonderfully enigmatic conclusion. Told from separate viewpoints, best friends Willa and Flor are tempted by love that would violate the Girl Code when Willa's long-term crush, Zach,

breaks up with Flor, who is fighting her own crush on her math tutor. This book describes different instances of trauma that may have occurred several generations ago. It explores the work of several psychoanalysts who have written on the negative effect that unknown or unremembered grandparents can have upon the life of their grandchildren. She works to live . . . One would think the last place a beauty like Fallon O'Rourke could keep her virtue was in the Mayfair mansion of London's most licentious duke, the notorious Dominic Hale. Yet Fallon—who's endured nothing but lecherous advances since her father's tragic death—is perfectly safe there . . . disguised as a footman! Beneath the notice of the dark-haired devil with his smoldering blue eyes and sinful smile, Fallon never imagines her secret will be discovered. But how long can her deception last when she begins to wish she is one of the many women traipsing in and out of the sinful rogue's bedchamber? He lives to sin . . . Most men envy the duke, never suspecting his pleasure-loving ways are a desperate attempt to escape, however briefly, the pain of a past that's left him with a heart of stone. Only one woman can break down his defenses. Only one woman can win his love . . . if she reveals her secret and succumbs to the sins of the wicked duke. For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex

Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end.
