Holden versus Ford, Ford versus Holden, Red versus Blue, Blue versus Red, even the order in which you say these two precious words marks you for life as to which side of the white line you drive on. Going straight to the heart of what it means to be Australian, this book is a must-have addition to any Ford or Holden lover's bookshelf. Loyalty, faith, competition, love--is expressed through two brands of motor car. Never before has this nation-dividing topic been faced head on, and written about in such a detailed and humorous way. Some highlights include: comprehensive history of Ford and Holden research and development in Australia; extensive lists of all the Ford and Holden models released since the beginning of the twentieth century; the panel van craze that rocked the nation during the 1970s; the Great Race at Philip Island, Mt Panorama, and the glory days of Ford versus Holden racing

victories; a compendium of facts and trivia of all things Holden and Ford; and falling in love with a car of your dreams. With over 200 photos and great design, Holden vs Ford is a full-throttle car book and the perfect Father's Day gift book. The first official British Saloon Car Championship was held in 1958, so 2008 marks the 50th anniversary of this ever-competitive, highly popular form of racing, now called the British Touring Car Championship (BTCC). This book will be a photographic sweep over the entire 50 years (with a preamble about pre-1958 saloon car racing), presented in the style of our Formula 1 in Camera titles, using as much color as possible. As the overview below shows, there have been plenty of well-known and exciting cars over the years, and numerous notable drivers too, including World Champions such as Mike Hawthorn, Jim Clark and Graham Hill and colourful characters such as Gerry Marshall, Barrie 'Whizzo' Williams and Tony Lanfranchi. Born in England, Frances Hodgson Burnett emigrated to Knoxville, Tennessee with

her family at the age of 16. Faced with financial hardship, she began to write fiction and non-fiction pieces as a means of making money. Eventually, she emerged as a popular writer of children's literature, penning such classics as *The Secret Garden*, *A Little Princess*, and *Little Lord Fauntleroy*.

"Lodusky," a short story set in the American South, will please fans of Burnett's work.
