Critical Incident: A gripping and heart-breaking page-turner Jul 22 2020 Good and bad. Right and wrong. Decent and indecent. The line that separates them is thinner than you think. PC Steve Fuller has served as an officer for over twenty years. There's nothing he hasn't seen, nothing he can't deal with. He might be closing in on forty but he's still in good shape, his head on straight, his instincts sharp. Or so he thinks. Until Anna Johnson. Hours before washing her dried blood from his body, Steve holds the young woman's hand in the wreckage of the car, comforting her as best as one stranger to another can in the most critical moment of her life. He's the last person she'll see. She's another tragic victim of the road. Another fatality. At the end of another shift. Except she won't go away. Pale blue eyes and porcelain skin framed by ebony hair haunt his sleep at night and his conscience during the day. Compelled to find out more about what, or who, caused Anna to lose control of the car that night, Steve goes looking for answers. But they're not easy to find. And the more he tries to do right, the more everyone tells him he's wrong, until - piece by piece - he can't be entirely sure of the difference any more. As the autopilot driving his life falters - colleagues questioning his decisions, physical sensations he can't control, thoughts that leave him uneasy - the truth about Anna Johnson begins to unravel. And it's nothing like he expects. Critical Incident is a gripping and heart-breaking page-turner, and the first book in the Code Zero police drama series This book was previously published under the title No Further Action "A wonderfully touching and powerful story." "A must read for anyone who likes deep, sometimes funny, sometimes heartbreakingly sad, explorations of the human condition." "Had me engaged from the start"☑

More Than You Know (The Hamilton Family Series, Book 1) Dec 27 2020 Vowing to reclaim his Charleston plantation following the War Between the States,

Rand Hamilton turns to the only means remaining: the lost treasure that has cursed his family for centuries. But to finance the expedition, he must agree to the terms of his wealthy London benefactor: allow the Duke's bluestocking goddaughter to accompany him. Wary of Claire Bancroft, Rand welcomes the haunted woman aboard his clipper ship, unaware she naively holds the key to the impossible riddle that will lead him to the glorious treasure--and a passion neither of them can deny. THE HAMILTON FAMILY, in series order More Than You Know More Than You Wished THE COMPASS CLUB, in series order Let Me Be The One Everything I Ever Wanted All I Ever Needed Beyond A Wicked Kiss THE DENNEHY SISTERS, in series order: Only My Love My Heart's Desire Forever in My Heart Always in My Dreams Only in My Arms THE MARSHALL BROTHERS, in series order: Her Defiant Heart His Heart's Revenge THE THORNE BROTHERS TRILOGY, in series order: My Steadfast Heart My Reckless Heart With All My Heart REVIEWS: "A tender, engaging romance and a dash of risk in a totally compelling read." ~Library Journal

The More You Know, the Further You Go Dec 07 2021 My novel is about my experience while working as an aircraft mechanic at Panorama Air Tour. They had a fleet of eighteen Beech 18 aircraft, which they used to take the paying public for a five-hour ride to see the state of Hawaii from the air. I never went on the tour myself. I don't like airplanes, but I worked on them and did a very fine job, it seems, even if I do say so myself. I was always interested to learn about why airplanes crash.

Be More Feb 26 2021 It hardly matters who you talk to--over and over, you hear people who want more out of life--more impact, more opportunity, more fit, more balance, just more. And more often than not, that longing for more is tied to career. But few people can answer the fundamental question that will help move them toward more. What do you want to be when you grow up? BE MORE outlines a simple way to find the clarity to answer that question, allowing you to craft the story that will empower you to BE MORE. Saying what you want to be, what you want to accomplish with your life, exactly what getting more out of life means to you is not an easy thing. But it's an incredibly important thing. In fact, it's pretty much the thing. It all starts with a gloves-off conversation about what you want to be when you grow up and accepting your responsibility for figuring it out. In a straightforward, thoughtful, occasionally irreverent way, BE MORE and its practical Skills Values Passion (SVP) Exercise offer a step-by-step process that allows you to better understand your innate gifts and to use that self-awareness to guide your career and life in a way that moves you toward something more.

You Know More than You Think Mar 18 2020 Have you ever telephoned someone just as they were about to ring you? Or received an email or a letter from a friend who you dreamt about the night before? It may feel easier to believe that these situations are simply coincidental - but this book will help you to understand the very real explanation behind this magical form of energetic communication. Discover: • the ability that we all have to send and receive messages through our energy frequencies • practical exercises to improve your state of neutral mind • how to use neutral mind to get what you want from life • specific chapters on relationships, family, life and health • real case studies to demonstrate this amazing tool. You were born with the ability to use energy and this book will help you nurture your natural gift,

dramatically improve your happiness and health, and invite the magical back into your life.

Let Me Tell You What I Mean Dec 15 2019 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • From one of our most iconic and influential writers, the award-winning author of *The Year of Magical Thinking*: a timeless collection of mostly early pieces that reveal what would become Joan Didion's subjects, including the press, politics, California robber barons, women, and her own self-doubt. With a forward by Hilton Als, these twelve pieces from 1968 to 2000, never before gathered together, offer an illuminating glimpse into the mind and process of a legendary figure. They showcase Joan Didion's incisive reporting, her empathetic gaze, and her role as "an articulate witness to the most stubborn and intractable truths of our time" (*The New York Times Book Review*). Here, Didion touches on topics ranging from newspapers ("the problem is not so much whether one trusts the news as to whether one finds it"), to the fantasy of San Simeon, to not getting into Stanford. In "Why I Write," Didion ponders the act of writing: "I write entirely to find out what I'm thinking, what I'm looking at, what I see and what it means." From her admiration for Hemingway's sentences to her acknowledgment that Martha Stewart's story is one "that has historically encouraged women in this country, even as it has threatened men," these essays are acutely and brilliantly observed. Each piece is classic Didion: incisive, bemused, and stunningly prescient.

Tell Me More about Atopic Eczema Oct 05 2021 Provides answers to the questions patients frequently ask about atopic eczema, giving information that will complement a consultation with a family doctor or dermatologist.

Tell Me More Aug 15 2022 NEW YORK TIMES BESTSELLER • A story-driven collection of essays on the twelve powerful phrases we use to sustain our relationships, from the bestselling author of *Glitter and Glue* and *The Middle Place* "Kelly Corrigan takes on all the big, difficult questions here, with great warmth and courage."—Glennon Doyle NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND BUSTLE It's a crazy idea: trying to name the phrases that make love and connection possible. But that's just what Kelly Corrigan has set out to do here. In her New York Times bestselling memoirs, Corrigan distilled our core relationships to their essences, showcasing a warm, easy storytelling style. Now, in *Tell Me More*, she's back with a deeply personal, unfailingly honest, and often hilarious examination of the essential phrases that turn the wheel of life. In "I Don't Know," Corrigan wrestles to make peace with uncertainty, whether it's over invitations that never came or a friend's agonizing infertility. In "No," she admires her mother's ability to set boundaries and her liberating willingness to be unpopular. In "Tell Me More," a facialist named Tish teaches her something important about listening. And in "I Was Wrong," she comes clean about her disastrous role in a family fight—and explains why saying sorry may not be enough. With refreshing candor, a deep well of empathy, and her signature desire to understand "the thing behind the thing," Corrigan swings between meditations on life with a preoccupied husband and two mercurial teenage daughters to profound observations on love and loss. With the streetwise, ever-relatable voice that defines Corrigan's work, *Tell Me More* is a moving and meaningful take on the power of the right words at the right moment to

change everything. Praise for Tell Me More "It is such a comfort just knowing that Kelly Corrigan exists: she is somehow both wise and self-deprecating; funny but unafraid of pain; frank but gentle. She is the sister/mother/best friend we all wish we could have—and because of this big-hearted book, we all get to."—Ariel Levy, author of *The Rules Do Not Apply* "With full-bodied humor and radical sensitivity, Kelly Corrigan transforms the mundane pain of life into a necessary spiritual text of sorts, one that reminds us that we have the right to grieve but the obligation to be grateful. This book will remind you that you are human—and of the fragile loveliness of being so."—Lena Dunham

Go Tell the Bees That I Am Gone Sep 23 2020 #1 NEW YORK TIMES BESTSELLER • Diana Gabaldon returns with the "vast and sweeping" (The Washington Post) new novel in the epic *Outlander* series. War leaves nobody alone. Neither the past, the present, nor the future offers true safety, and the only refuge is what you can protect: your family, your friends, your home. Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years of loss and heartbreak to find each other again. Now it's 1779, and Claire and Jamie are finally reunited with their daughter, Brianna, her husband, Roger, and their children, and are rebuilding their home on Fraser's Ridge—a fortress that may shelter them against the winds of war as well as weather. But tensions in the Colonies are great: Battles rage from New York to Georgia and, even in the mountains of the backcountry, feelings run hot enough to boil Hell's teakettle. Jamie knows that loyalties among his tenants are split and it won't be long before the war is on his doorstep. Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s—among them disease, starvation, and an impending war—was indeed the safer choice for their family. Not so far away, young William Ransom is coming to terms with the mysteries of his identity, his future, and the family he's never known. His erstwhile father, Lord John Grey, has reconciliations to make and dangers to meet on his son's behalf and on his own, and far to the north, Young Ian Murray fights his own battle between past and future, and the two women he's loved. Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. Jamie sharpens his sword, while Claire whets her surgeon's blade: It is a time for steel.

What Every Person Should Know About War May 20 2020 Acclaimed New York Times journalist and author Chris Hedges offers a critical -- and fascinating -- lesson in the dangerous realities of our age: a stark look at the effects of war on combatants. Utterly lacking in rhetoric or dogma, this manual relies instead on bare fact, frank description, and a spare question-and-answer format. Hedges allows U.S. military documentation of the brutalizing physical and psychological consequences of combat to speak for itself. Hedges poses dozens of questions that young soldiers might ask about combat, and then answers them by quoting from medical and psychological studies. • What are my chances of being wounded or killed if we go to war? • What does it feel like to get shot? • What do artillery shells do to you? • What is the most painful way to get wounded? • Will I be afraid? • What could happen to me in a nuclear attack? • What does it feel like to kill someone? • Can I withstand torture? • What are the long-term consequences of

combat stress? • What will happen to my body after I die? This profound and devastating portrayal of the horrors to which we subject our armed forces stands as a ringing indictment of the glorification of war and the concealment of its barbarity.

Nothing More to Tell Jul 14 2022 NEW YORK TIMES BESTSELLER • From the critically acclaimed author of *One of Us Is Lying* comes a new page-turning mystery. Be sure to keep your friends close . . . and your secrets closer. Four years ago, Brynn left Saint Ambrose School following the shocking murder of her favorite teacher—a story that made headlines after the teacher's body was found by three Saint Ambrose students in the woods behind their school. The case was never solved. Now that Brynn is moving home and starting her dream internship at a true-crime show, she's determined to find out what really happened. The kids who found Mr. Larkin are her way in, and her ex-best friend, Tripp Talbot, was one of them. Without his account of events, the other two kids might have gone down for Mr. Larkin's murder—but instead, thanks to Tripp, they're now at the top of the Saint Ambrose social pyramid. Tripp's friends have never forgotten what Tripp did for them that day, and neither has he. Just like he hasn't forgotten that everything he told the police was a lie. Digging into the past is bound to shake up the present, and when Brynn begins to investigate what happened in the woods that day, she uncovers secrets that might change everything—about Saint Ambrose, about Mr. Larkin, and about her ex-best friend, Tripp Talbot. Four years ago someone got away with murder. More terrifying is that they might be closer than anyone thinks.

Which Lie Did I Tell? Dec 19 2022 From the Oscar-winning screenwriter of *All the President's Men*, *The Princess Bride*, and *Butch Cassidy and the Sundance Kid*, here is essential reading for both the aspiring screenwriter and anyone who loves going to the movies. If you want to know why a no-name like Kathy Bates was cast in *Misery*, it's in here. Or why Linda Hunt's brilliant work in *Maverick* didn't make the final cut, William Goldman gives you the straight truth. Why Clint Eastwood loves working with Gene Hackman and how MTV has changed movies for the worse, William Goldman, one of the most successful screenwriters in Hollywood today, tells all he knows. Devastatingly eye-opening and endlessly entertaining, *Which Lie Did I Tell?* is indispensable reading for anyone even slightly intrigued by the process of how a movie gets made.

Glitter and Glue Jul 02 2021 NEW YORK TIMES BESTSELLER • A memoir from the author of *The Middle Place* about mothers and daughters—a bond that can be nourishing, exasperating, and occasionally divine. When Kelly Corrigan was in high school, her mother neatly summarized the family dynamic as “Your father's the glitter but I'm the glue.” This meant nothing to Kelly, who left childhood sure that her mom—with her inviolable commandments and proud stoicism—would be nothing more than background chatter for the rest of Kelly's life, which she was carefully orienting toward adventure. After college, armed with a backpack, her personal mission statement, and a wad of traveler's checks, she took off for Australia to see things and do things and *Become Interesting*. But it didn't turn out the way she pictured it. In a matter of months, her savings shot, she had a choice: get a job or go home. That's how Kelly met John Tanner, a newly widowed father of two looking for a live-in nanny. They chatted for an hour, discussed timing and pay, and a

week later, Kelly moved in. And there, in that house in a suburb north of Sydney, 10,000 miles from the house where she was raised, her mother's voice was suddenly everywhere, nudging and advising, cautioning and directing, escorting her through a terrain as foreign as any she had ever trekked. Every day she spent with the Tanner kids was a day spent reconsidering her relationship with her mother, turning it over in her hands like a shell, straining to hear whatever messages might be trapped in its spiral. This is a book about the difference between travel and life experience, stepping out and stepping up, fathers and mothers. But mostly it's about who you admire and why, and how that changes over time. Praise for *Glitter and Glue* "I loved this book, I was moved by this book, and now I will share this book with my own mother—along with my renewed appreciation for certain debts of love that can never be repaid."—Elizabeth Gilbert, *New York Times* bestselling author of *Eat, Pray, Love* "Kelly Corrigan's thoughtful and beautifully rendered meditation invites readers to reflect on their own launchings and homecomings. I accepted the invitation and learned things about myself. You will, too. Isn't that why we read?"—Wally Lamb, *New York Times* bestselling author of *We Are Water* "Kelly Corrigan is no stranger to mining the depths of her heart. . . . Through her own experience of caring for children, she begins, for the first time, to appreciate the complex woman who raised her."—O: *The Oprah Magazine*

The More We Know Feb 15 2020 The rise and fall of iCue: lessons about new media, old media, and education from an NBC-MIT joint venture into interactive learning. In 2006, young people were flocking to MySpace, discovering the joys of watching videos of cute animals on YouTube, and playing online games. Not many of them were watching network news on television; they got most of their information online. So when NBC and MIT launched iCue, an interactive learning venture that combined social networking, online video, and gaming in one multimedia educational site, it was perfectly in tune with the times. iCue was a surefire way for NBC to reach younger viewers and for MIT to test innovative educational methods in the real world. But iCue was a failure: it never developed an audience and was canceled as if it were a sitcom with bad ratings. In *The More We Know*, Eric Klopfer and Jason Haas, both part of the MIT development team, describe the rise and fall of iCue and what it can teach us about new media, old media, education, and the challenges of innovating in educational media. Klopfer and Haas show that iCue was hampered by, among other things, an educational establishment focused on "teaching to the test," television producers uncomfortable with participatory media, and confusion about the market. But this is not just a cautionary tale; sometimes more can be learned from an interesting failure than a string of successes. Today's educational technology visionaries (iPads for everyone!) might keep this lesson in mind.

More Than You Wanted to Know Apr 30 2021 How mandated disclosure took over the regulatory landscape—and why it failed Perhaps no kind of regulation is more common or less useful than mandated disclosure—requiring one party to a transaction to give the other information. It is the iTunes terms you assent to, the doctor's consent form you sign, the pile of papers you get with your mortgage. Reading the terms, the form, and the papers is supposed to equip

you to choose your purchase, your treatment, and your loan well. *More Than You Wanted to Know* surveys the evidence and finds that mandated disclosure rarely works. But how could it? Who reads these disclosures? Who understands them? Who uses them to make better choices? Omri Ben-Shahar and Carl Schneider put the regulatory problem in human terms. Most people find disclosures complex, obscure, and dull. Most people make choices by stripping information away, not layering it on. Most people find they can safely ignore most disclosures and that they lack the literacy to analyze them anyway. And so many disclosures are mandated that nobody could heed them all. Nor can all this be changed by simpler forms in plainer English, since complex things cannot be made simple by better writing. Furthermore, disclosure is a lawmakers' panacea, so they keep issuing new mandates and expanding old ones, often instead of taking on the hard work of writing regulations with bite. Timely and provocative, *More Than You Wanted to Know* takes on the form of regulation we encounter daily and asks why we must encounter it at all.

Kiss & Tell More! Jan 20 2023 Congratulations on proving beyond a shadow of a doubt that the first book *KISS & TELL* was not a bunch of made up lies. I thoroughly enjoyed the additional chapters especially the ones written by Joe Renda, and Frank D'Amico! The controversial documents included reveals not only inside info on *KISS*, but shows how deranged and delusional alot of the fans really are. Loved reading it.... What's next

Ask Me for a Blessing (You Know You Need One) Sep 04 2021 What is a blessing? Do you have to believe to receive one? Can you doubt while you pray? And can you extend grace to others while still desperately in need of it yourself? Once a week Episcopal priest Adrian Dannhauser stands outside her Manhattan church beside a chalkboard sign that reads "Ask me for a blessing (because God knows you need one)." Passersby stop, chat, and ask for prayer: for a sick friend, an addicted son, an upcoming job interview, the state of our nation, or the grief of our world. Bus drivers sometimes open their doors for a quick prayer before the light turns green, and someone once took her to meet their doorman so she could bless him too. Half of those who stop are in crisis. Someone always cries. A few are simply curious. Through the heartfelt, frank, and sincere stories of her unique ministry, Dannhauser offers glimpses into the tender, holy, and sometimes hilarious moments of sidewalk prayers. With a potent blend of reverence and irreverence, as well as insights from Christian scriptures, she delves into the power that ancient ideas--blessing, forgiveness, miracles, and prayer--hold in a disenchanted world. For people of Christian faith, other faiths, or no faith at all, having spiritual conversations, even awkward ones with strangers on the street, can help us face our vulnerability, where we may discover a grace sufficient for all.

Thank You. I'm Sorry. Tell Me More. Mar 10 2022 Practice the three simple phrases that heal relationships, strengthen connection, and change the world. We all believe that saying, "Thank you," "I'm sorry," and "Tell me more" will help us become better people, friends, partners, employees, neighbors, and global citizens. And yet, having been brought up on rugged individualism, we often slip into self-centeredness and a corresponding sense of entitlement. We have lost the ability to speak with gentleness toward one another. We have replaced kind words that connect us to one

another with ones that divide, isolate, and hurt. Everywhere we turn there is deep conflict. In this simple yet profound book, clinical psychologist Rod Wilson introduces us to the sacredness of these familiar but forgotten sayings. What impact do these sayings have on our relationships? When we say, "Thank you," we acknowledge the way others impact us. When we say, "I'm sorry," we acknowledge the way we impact others. When we say, "Tell me more," we acknowledge the way we impact each other. Try it. Read this book and be encouraged and equipped to deliver kindness in your speech. As you engage with these three phrases more thoughtfully and speak them more frequently, you will enjoy a life full of deeper friendships and joy.

Watches Tell More Than Time Jan 08 2022 Using real-life product design cases, the author explains the importance of design in product development, from the secrets of achieving harmony and elegance to the impact of computer-assisted modeling on modern design. Illustrations.

The More Beautiful World Our Hearts Know Is Possible Jan 28 2021 As seen on Oprah's Super Soul Sunday A beacon of hope in the face of our current world crises, this uplifting book demonstrates how embracing our interconnectedness is key to world transformation In a time of social and ecological crisis, what can we as individuals do to make the world a better place? This inspirational and thought-provoking book serves as an empowering antidote to the cynicism, frustration, paralysis, and overwhelm so many of us are feeling, replacing it with a grounding reminder of what's true: we are all connected, and our small, personal choices bear unsuspected transformational power. By fully embracing and practicing this principle of interconnectedness—called interbeing—we become more effective agents of change and have a stronger positive influence on the world. Throughout the book, Eisenstein relates real-life stories showing how small, individual acts of courage, kindness, and self-trust can change our culture's guiding narrative of separation, which, he shows, has generated the present planetary crisis. He brings to conscious awareness a deep wisdom we all innately know: until we get ourselves in order, any action we take—no matter how good our intentions—will ultimately be wrong-headed and wrong-hearted. Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly in a Story of Interbeing.

More Than We Can Tell May 12 2022 With loving adoptive parents by his side, Rev Fletcher has managed to keep the demons of his past at bay. . . until he gets a letter from his abusive father and the trauma of his childhood comes hurtling back. Emma Blue's parents are constantly fighting, and her only escape is the computer game she built from scratch. But when a cruel online troll's harassment escalates, she not only loses confidence but starts to fear for her safety. When Rev and Emma meet, they're both longing to lift the burden of their secrets. They connect instantly and deeply, promising to help each other no matter what. But soon Rev and Emma's secrets threaten to crush them, and they'll need more than a promise to find their way out. From the author of *Letters to the Lost* comes a new compulsively readable story

for fans of Nicola Yoon.

Irresistible in a Kilt Aug 03 2021 The sweetest lies are the most seductive... Eleven years ago, I fell in love with Alex Thorne. He was beautiful, charming, sexy, and the best lover I'd ever had. He's also a bloody liar. Every word that comes out of his mouth is a half-truth, a con, or an evasion. Now I find out my dream job at a university in America is his way of pulling me back into his world. I will never, never fall under the spell of the British Bastard again. Catriona MacTaggart is the one that got away. The Scottish lass has fire in her soul and in her eyes, especially when she punches me. I can handle that. Maybe the truth and I do have a different sort of relationship, but I've never lied about my feelings for Cat. I'll do whatever it takes to get her back, even if it means deceiving her. Alex still knows exactly how to get under my skin, and despite all my intentions, I still can't resist that body and that smile. Maybe it's time I turn the tables and seduce the seducer, to finally solve the mystery he doesn't want me to unravel. Who is Alex Thorne?

Tell Me More Oct 17 2022 In this wonderful collection, Duckworth and six of her colleagues describe learners (who range in age from five to adulthood) coming to connect with different subject matters—from politics to poetry, medicine to mapping. Their findings not only provide good readable stories, but also offer a unique look at people involved in real learning. "Duckworth and colleagues illustrate, with powerful and lively teaching examples, how theory related to the construction of knowledge by students can be implemented in the classroom. This book is a singular contribution to the literature on teaching and learning." —James A. Banks, University of Washington, Seattle "Duckworth has given us case studies of 'mid-wife' teaching at its very best. We see the fledgling ideas actually developing and gaining strength. Duckworth articulates her craft with the greatest care and insight. She gives her readers the sense they themselves are attendant at the birth of ideas, the miracle of creation." —Mary Field Belenky, co-author of *Women's Ways of Knowing* "Tell Me More is a fascinating and pioneering account of people working together over many weeks, struggling to invent ideas. This book is a must read for teachers and others who want to come to grips with fundamental problems facing all undefeated educators: What is thinking? How does it grow?" —Howard E. Gruber, Teachers College, Columbia University "These essays, in their concrete dailyness, give us a vision of what's possible, some crafterly advice about how to proceed, and the courage to try." —Deborah Meier, Principal, Mission Hill Elementary School, Boston

Tell Me More Feb 21 2023 NEW YORK TIMES BESTSELLER • A story-driven collection of essays on the twelve powerful phrases we use to sustain our relationships, from the bestselling author of *Glitter and Glue* and *The Middle Place* "Kelly Corrigan takes on all the big, difficult questions here, with great warmth and courage."—Glennon Doyle **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND BUSTLE** It's a crazy idea: trying to name the phrases that make love and connection possible. But that's just what Kelly Corrigan has set out to do here. In her New York Times bestselling memoirs, Corrigan distilled our core relationships to their essences, showcasing a warm, easy storytelling style. Now, in *Tell Me More*, she's back with a deeply personal, unflinchingly honest, and often hilarious examination of the

essential phrases that turn the wheel of life. In "I Don't Know," Corrigan wrestles to make peace with uncertainty, whether it's over invitations that never came or a friend's agonizing infertility. In "No," she admires her mother's ability to set boundaries and her liberating willingness to be unpopular. In "Tell Me More," a facialist named Tish teaches her something important about listening. And in "I Was Wrong," she comes clean about her disastrous role in a family fight—and explains why saying sorry may not be enough. With refreshing candor, a deep well of empathy, and her signature desire to understand "the thing behind the thing," Corrigan swings between meditations on life with a preoccupied husband and two mercurial teenage daughters to profound observations on love and loss. With the streetwise, ever-relatable voice that defines Corrigan's work, *Tell Me More* is a moving and meaningful take on the power of the right words at the right moment to change everything. Praise for *Tell Me More* "It is such a comfort just knowing that Kelly Corrigan exists: she is somehow both wise and self-deprecating; funny but unafraid of pain; frank but gentle. She is the sister/mother/best friend we all wish we could have—and because of this big-hearted book, we all get to."—Ariel Levy, author of *The Rules Do Not Apply* "With full-bodied humor and radical sensitivity, Kelly Corrigan transforms the mundane pain of life into a necessary spiritual text of sorts, one that reminds us that we have the right to grieve but the obligation to be grateful. This book will remind you that you are human—and of the fragile loveliness of being so."—Lena Dunham

If I Have to Tell You One More Time... Nov 18 2022 Draws on the author's Positive Parenting Solutions online course to explain how to correct negative behaviors in children, introducing the psychological theories of Alfred Adler on using empowerment to promote healthy child development.

More Than You'll Ever Know Mar 30 2021 NATIONAL BESTSELLER • A GOOD MORNING AMERICA BOOK CLUB PICK "Fantastic . . . A sweeping novel, unflinching and evocative in its engrossing study of love, motherhood, sex, Mexico, journalism and more." – WASHINGTON POST "Masterful . . . Elegance, darkness, even fear are deftly intertwined . . . A wonderful read." – LUIS ALBERTO URREA, Pulitzer Prize finalist and bestselling author of *The House of Broken Angels* Recommended by Los Angeles Times • Washington Post • Parade • Good Housekeeping • NBC News • Today.com • Goodreads • Audible • The Millions • Popsugar • Tribeza • CrimeReads • Library Reads • She Reads • and more! An evocative drama about a woman caught leading a double life after one husband murders the other, and the true-crime writer who becomes obsessed with telling her story—this masterful work of literary suspense marks the debut of an extraordinary new writer The dance becomes an affair, which becomes a marriage, which becomes a murder... In 1985, Lore Rivera marries Andres Russo in Mexico City, even though she is already married to Fabian Rivera in Laredo, Texas, and they share twin sons. Through her career as an international banker, Lore splits her time between two countries and two families—until the truth is revealed and one husband is arrested for murdering the other. In 2017, while trawling the internet for the latest, most sensational news reports, struggling true-crime writer Cassie Bowman encounters an article detailing that tragic final act. Cassie is immediately enticed by what is not explored: Why would a woman—a mother—risk everything for a secret double marriage? Cassie sees an opportunity—she'll track Lore

down and capture the full picture, the choices, the deceptions that led to disaster. But the more time she spends with Lore, the more Cassie questions the facts surrounding the murder itself. Soon, her determination to uncover the truth could threaten to derail Lore's now quiet life—and expose the many secrets both women are hiding. Told through alternating timelines, *More Than You'll Ever Know* is both a gripping mystery and a wrenching family drama. Presenting a window into the hearts of two very different women, it explores the many conflicting demands of marriage and motherhood, and the impossibility of ever truly knowing someone—especially those we love. "A seductive, urgent tale about desire, family, the pursuit of truth, and the art of storytelling, *More Than You'll Ever Know* will astonish readers with its vastness, romance, tragedy, and abundant heart. I didn't want this book to ever end." – JESSAMINE CHAN, New York Times bestselling author of *The School for Good Mothers* "A gripping and thoughtful exploration of motherhood and marriage, the complexity of female desire, and the consequence of our obsession with true crime . . . One of the best suspenseful dramas I've read in years. An exceptional, stunning debut—I absolutely loved it." – ASHLEY AUDRAIN, New York Times bestselling author of *The Push*

More Scary Stories to Tell in the Dark Nov 13 2019 The iconic anthology series of horror tales that's now a feature film! *More Scary Stories to Tell in the Dark* is a timeless collection of chillingly scary tales and legends. Folklorist Alvin Schwartz offers up some of the most alarming tales of horror, dark revenge, and supernatural events of all time. Available for the first time as an ebook, Stephen Gammell's artwork from the original *More Scary Stories to Tell in the Dark* appears in all its spooky glory. Read if you dare! And don't miss *Scary Stories to Tell in the Dark* and *Scary Stories 3!*

Tell Me Some More Jun 13 2022 Andrew introduces Tim to a place where he can hold an elephant under his arm, pat a lion, and pick up a river.

Tell Me More About That Apr 11 2022 "Empathy is in short supply these days--and it's hurting us. But all is not lost. Just as physical workouts strengthen your body, there are ways to build up your empathy as well. In *Tell Me More About That*, brand strategist and thought leader Rob Volpe draws on his years conducting thousands of in-home interviews with everyday people to illustrate the 5 Steps to Empathy--the actions you can take to build a strong and reflexive empathy muscle."--

Tell Me Three Things Jan 16 2020 A New York Times Bestseller "Here are three things about this book: (1) It's . . . funny and romantic; (2) the mystery at the heart of the story will keep you turning the pages; (3) I have a feeling you'll be very happy you read it." –Jennifer E. Smith, author of *The Statistical Probability of Love at First Sight* With the perfect mix of comedy and tragedy, love and loss, and pain and elation, the characters in Julie Buxbaum's *Tell Me Three Things* come to feel like old friends who make any day better. This YA novel is sure to appeal to fans of *Rainbow Rowell*, *Jennifer Niven*, and *E. Lockhart*. Everything about Jessie is wrong. At least, that's what it feels like during her first week of junior year at her new ultra-intimidating prep school in Los Angeles. It's been barely two years since her mother's death, and because her father eloped with a woman he met online, Jessie has been forced to move across the country to live with her stepmonster and her pretentious teenage son, and to start at a new

school where she knows no one. Just when she's thinking about hightailing it back to Chicago, she gets an email from a person calling themselves Somebody/Nobody (SN for short), offering to help her navigate the wilds of Wood Valley High School. Is it an elaborate hoax? Or can she rely on SN for some much-needed help? In a leap of faith—or an act of complete desperation—Jessie begins to rely on SN, and SN quickly becomes her lifeline and closest ally. Jessie can't help wanting to meet SN in person. But are some mysteries better left unsolved? More praise for TELL ME THREE THINGS "Three Things about this novel: (1) I loved it. (2) No, really, I LOVED it. (3) I wish I could tell every teen to read it. Buxbaum's book sounds, reads, breathes, worries, and soars like real adolescents do." —Jodi Picoult, New York Times bestselling author of Leaving Time and Off the Page "The desire to find out whether Jessie's real-life and virtual crushes are one and the same will keep [readers] turning the pages as quickly as possible." —PW, Starred "A heartfelt, wryly perceptive account of coming to terms with irrevocable loss when life itself means inevitable change." —Kirkus "Buxbaum's debut is hard to put down because of its smooth and captivating text. The addition of virtual conversations through email and chatting adds to the exciting plot twist." —SLJ

Know God More Feb 09 2022 Know God More' looks at 44 characteristics of God from a scriptural and personal perspective and then relates this to practical living.

More Than You Know Aug 23 2020 It all comes down to love or money in a harrowing custody battle over a little girl, set against the glossy backdrop of the magazine and advertising worlds in 1960s London. A privileged girl from a privileged class, Eliza has a dazzling career in the magazine world of the 1960s. But when she falls deeply in love with Matt, an edgy working-class boy, she gives up her ritzy, fast-paced lifestyle to get married. By the end of the decade, however, their marriage has suffered a harrowing breakdown, culminating in divorce and a dramatic courtroom custody battle over their little girl. Also at risk is Eliza's gorgeous family home, a pawn in the game, which she can't bear to give up. True to form, Penny Vincenzi introduces a devious cast of characters seemingly plucked from the pages of sixties- and seventies-era magazines, as she deftly maneuvers between the glamorous, moneyed worlds of fashion and advertising, and a heart-wrenching custody battle going on in the courtroom where the social mores of the time are on full display.

More Than You Know Jun 01 2021 Avery Kale is a paranormal law enforcement agent in charge of rogue solars—people who use their ability to harness the sun to commit crimes. Her husband Reed is a teacher, helping young solars adapt to becoming part of the solar community. Their marriage has been a delicate equilibrium ever since their deadly allergy to each other nearly killed Reed, a balancing act neither is able to endure much longer. But Reed's insistence on finding a better solution wars with Avery's fear that trying could be fatal. Then Avery and Reed are enlisted for a multi-jurisdictional homicide case. Someone has been using heretofore unknown powers to kill using the sun. They need Avery's unique ability to determine if their main suspect is a solar. Paul Adranian, a DC billionaire, is hiring a husband-wife bodyguard team for his kids, and Avery and Reed are the task force's best option. The risk seems low: Get hired, get in, identify him,

and get out. But the not-so-quick job drags on and gets complicated when Paul enlists them to clear his name, using an enticement they can't turn down. Now not only are Avery and Reed targets of the most dangerous solar ever known and a danger to each other, being together every day has put a spotlight on problems they didn't know they had. If they survive the killer and the allergy...is their marriage doomed anyway?

May I Hebb Your Attention Pliss Apr 18 2020 The wave of liberalization in the 1990s changed forever the face of India. It bolstered the economy. It raised the stock index. It raised hem lines of skirts even more. It led to the growth of the fashion police And also the moral police. Numbered items became item numbers. To the twenty-two scheduled languages were added C, Cobol, Java. You were either watching sitcoms or starting dotcoms. News became entertainment. Entertainment became news. Terror struck the country-sometimes in the form of gunmen from across the border and sometimes in the form of Bollywood movies. To SMS-ize-'It wuz da best of tyms, it wuz da wrst of tyms' Having been a part of this chaotic revolution in popular culture, blogger Arnab Ray of greatbong.net takes a funny, sarcastic, politically incorrect and totally irreverent look at assorted random stuff including Bollywood C-grade revenge masalas, ribald songs of the people, movie punching, fake educational institutes, stubborn bathroom flushes, unreal reality shows, the benefits of corruption, opulent weddings, brains in toaster ovens, seedy theatres and pompous non-resident Indians.Nothing here is off-limits and no cow too holy.We guarantee it

Will We Be Ok: You Are More Powerful Than You Know Jun 20 2020 Let there be no doubt, and let no one tell you different - we are more powerful than we can ever imagine. We can use this power against ourselves and be reduced to pathetic victims. Or we can harness our personal power through thought, speech and deeds to ensure that we will be ok. Our OK-ness is not capsulated in an economic cycle, in any turn of events or in the hopelessness of those around us. Our OK-ness lies in the boundless essence of our spirit.

Nonverbal Messages Tell More Sep 16 2022 Nonverbal Messages Tell More: A Practical Guide to Nonverbal Communication offers an active and dynamic approach to the study of nonverbal communication. The study of nonverbal cues and messages is a difficult undertaking, but Teri and Michael Gamble have put together a volume that approaches the field from a variety of perspectives. Nonverbal Messages Tell More bridges the relevance gap by making the text more accessible and interesting to students of all levels. It does so by highlighting examples of nonverbal behavior taken from popular culture including film, television, and broadcast and print news. This volume provides a thorough overview of the classic and contemporary research and theory for nonverbal communication. It contains a number of features, including experiential guidelines and activities that give students better self-insight and understanding of the nonverbal messages other individuals display. At the end of every chapter are a series of follow-up investigations designed to demonstrate mastery of the content and the ability to apply what was just learned. Nonverbal Messages Tell More also presents the necessary know-how for presenting oneself using nonverbal cues that encourage others to perceive you as personable and credible. It leaps ahead of other books on the subject by offering students an engaging, practical, and useful introduction to the study of nonverbal communication.

More Stories to Tell Oct 13 2019 Paul D'Angelo is a former Boston-area assistant district attorney and criminal-defense trial attorney who, at the same time, became one of the nation's top stand-up comedians. In the follow-up to his critically acclaimed literary debut, *Stories I Tell: A Comic's Random Attempts to Make Some Sense Out of Nonsense*, which Kirkus Reviews said, "Supplies lots of laughs in its observances of the everyday," Paul presents *More Stories to Tell: A Lawyer Turned Comedian Puts Everyday Life on Trial*. This second book adds to the eclectic assortment of hilarious personal stories, dialogues, and comedy routines that Paul seldom, if ever, gets a chance to present on stage. D'Angelo deftly blends fact, fiction, exaggeration, and imagination to sarcastically critique modern society, relate humorous stories from his days working as both a lawyer and a comic, recount awkward moments from his upbringing and personal relationships, and intelligently vent on various social issues that drive us all crazy. Paul tackles subjects as diverse as imagining life growing-up as a prehistoric caveman; recommending the need to issue inspection stickers for people; getting jealous over a dead man; sympathizing with pragmatic Kamikaze pilots; teaching a young son about the facts of life with the help of a videogame; re-calling a rather uncomfortable airplane flight after vacationing in Mexico; and calling himself on the phone to ask for money, in a quick paced, engaging manner that everyone can connect with. The book also features sidesplitting excerpts from his L.A. Miserables series of diaries that Paul wrote while trying to break into the entertainment business in Hollywood."

Tell Me More Nov 06 2021 People will make the wrong decision. People will not respond well. I will lose my authority. I will no longer be needed.

More Than You Know Nov 25 2020 A sweeping love story about how long-buried family secrets devastate the marriage of a brilliant musician and his wife. Homeless L.J. Tillman is a jazz saxophonist whose life has been torn apart. When the painful secret that L.J. had kept all his life had finally been revealed, it shattered his marriage to Olivia, a promising singer who works as a beautician. *More Than You Know* is the elegantly crafted story of how this troubled couple rescues their marriage: shaken to the core, they discover that truth conforms to its own rules, and that love can endure even the most profound injuries. Rosalyn Story, herself a successful musician, has created a lyrical, emotionally consuming page-turner that delves deeply into the mysteries of love, family, and marriage.
