This fairy tale retelling lives in a mystical world inspired by the Far East, where the Dragon Lord and the Serpent God battle for control of the earthly realm; it is here that the flawed heroine of Forest of a Thousand Lanterns finally meets her match. An epic fantasy finale to that breathtaking and dazzling story. Princess Jade has grown up in exile, hidden away in a monastery while her stepmother, the ruthless Xifeng, rules as Empress of Feng Lu. But the empire is in distress and its people are sinking into poverty and despair. Ready to reclaim her place as rightful heir, Jade embarks on a quest to raise the Dragon Lords and defeat Xifeng and the Serpent God once and for all. But will the same darkness that took Xifeng take Jade, too? Or will she find the strength within to save herself, her friends, and her empire? Set in an East Asian-inspired fantasy world filled with breathtaking pain and beauty, Kingdom of the Blazing Phoenix is filled with dazzling magic, powerful prose, and characters readers won't soon forget. Fans of Stealing Snow, Red Queen, and The Wrath and the Dawn will hungrily devour this page-turning read. Praise for Kingdom of the Blazing Phoenix: “There aren’t many authors who could so precisely undo their first book with their second, but it is this clever unweaving that shows Dao’s brilliance and skill. With heart-stopping action and wonderful new characters, this is not a sequel to be missed.” —EK Johnston, #1 New York Times bestselling author “A lush, enchanting tale of magic, myth, and absolute courage. At once gorgeously woven and deliciously gruesome, Kingdom of the Blazing Phoenix is a thrilling end to a series that feels like a classic in its own right.” —Natalie Mae, author of The Kinder Poison “Kingdom of the Blazing Phoenix is the stunning counterpoint to Forest of a Thousand Lanterns. A refreshing take on the classic heroine, and an adventure of stories nestled within stories, this is a book fairytale lovers will tuck among their most beloved treasures.” —Emily X.R. Pan, New York Times bestselling author of The Astonishing Color of After “Kingdom of the Blazing Phoenix broke my heart and filled it, all at once. In the process, Julie C. I could not put this book down.” —Tochi Onyebuchi, author of Beasts Made of Night and Crown of Thunder “Beautifully written and masterfully told, Kingdom of the Blazing Phoenix feels at once timeless and entirely new . . . I loved it with my whole heart.” —Margaret Rogerson, New York Times bestselling author of An Enchantment of Ravens “Utterly brilliant in every way, Kingdom of the Blazing Phoenix is the perfect follow-up to Julie C. Dao’s debut. With a cast of hilarious characters, more extraordinary inventions than you can shake a monkey wrench at, and more laughter than ever before this is Bunny vs Monkey: Book two! Whenever wolf shifter Roni Axton is near Marcus Fuller, there's a crackle of sexual awareness that's intoxicating ... and deeply annoying. Marcus is a pack enforcer who oozes power, but Roni is lethal in her own right. His possessive gaze makes one thing clear. Marcus has singled her out for seduction, and he

wants to make her sit up and beg. When a brutal attack by a jackal pack forces them to work together, it's the perfect opportunity for Marcus to chip away at her defenses-- until he falls into his own trap, completely unprepared for the intensity of their connection. For Marcus, claiming Roni once will mean needing her forever. The golden rule of shallow flings is not to get attached, right? Well, Havana Ramos broke it. Big time. There's just something about Tate Devereaux that pulls at her. Assertive, compelling, and self-assured, the Alpha cat shifter pushes every one of her best buttons. Like really, really hard. Having overheard an enlightening conversation, she knows he won't give her more than a fling-something, to be fair, he'd told her well in advance. If she doesn't want her heart to get bruised, it's time to end what little they have. It's not like he'll care or anything. Except ... it turns out that he does. Newly-appointed Alpha Tate Devereaux is never bothered when women walk away. He can't exactly blame them, given his distrustful cat's habit of withdrawing from relationships. But when lone shifter Havana ends their fling, everything within Tate rebels against it--including his cat. Even as she and Tate work together to crush the threat looming over her, Havana holds him at arms' length. But if she thinks she can end their fling with no real explanation and that he'll just tip his hat and walk away, she's forgotten one very important thing--there's nothing easy about shaking off an Alpha. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life--and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter's life. For years, wolf shifter Jaime Farrow has harbored a not-so-secret crush on gorgeous Dante Garcea. But the time has come for Jaime to face facts: despite her best efforts, Dante just isn't interested. And that's probably for the best. The last thing Jaime needs is for anyone--particularly Dante--to find out about her little "problem"--The one that haunts her past and threatens to destroy her and everyone she loves ... As the pack Beta, workaholic Dante Garcea is responsible for the protection and safety of his entire pack and doesn't have time for distractions--especially the kind promised by Jaime Farrow. It's all he can do to keep her at arm's length and his own desire at bay. Yet when her flirtations abruptly end, Dante becomes suspicious. If a wolf is hiding something that could endanger the others, it's his business to know about it. And she is hiding something, something big, and unless he can convince her to trust him, their entire pack could be in danger. But after years of keeping her--and his desire--at arm's length, he is forced to confront the danger she poses to their pack ... and the passion smoldering between them. He knows hot-headed Jaime will resist him ... but Dante never takes no for an answer.-- “This shocking expose of the CIA operation aimed at destroying the Vietcong infrastructure thoroughly conveys the hideousness of the Vietnam War” (Publishers Weekly). In the darkest days of the Vietnam War, America’s Central Intelligence Agency secretly initiated a sweeping program of kidnap, torture, and assassination devised to destabilize the infrastructure of the National Liberation Front (NLF) of South Vietnam, commonly known as the “Viet Cong.” The victims of the Phoenix Program were Vietnamese civilians, male and female, suspected of harboring information about the enemy—though many on the blacklist were targeted by corrupt South Vietnamese security personnel looking to extort money or remove a rival. Between 1965 and 1972, more than eighty thousand noncombatants were “neutralized,” as men and women alike were subjected to extended imprisonment without trial, horrific torture, brutal rape, and in many cases execution, all under the watchful eyes of US government agencies. Based on extensive research and in-depth interviews with former participants and observers, Douglas Valentine’s startling exposé blows the lid off of what was possibly the bloodiest and most inhumane covert operation in the CIA’s history. The ebook edition includes “The Phoenix Has Landed,” a new introduction that addresses the “Phoenix-style network” that constitutes America’s internal security apparatus today. Residents on American soil are routinely targeted under the guise of protecting us from terrorism—which is why, more than ever, people

need to understand what Phoenix is all about. Vienna Stratton knew she only had herself to blame. You didn’t let yourself become indebted to a man like Dane Davenport, no matter how badly you needed his help. As his personal assistant, she was very aware that the globally successful CEO was ruthless and unforgiving. Of course, if she’d known he’d request that she be his wife for twelve months, she’d have hesitated in accepting his help. Because what she’d learned from Dane was that the devil wasn’t ugly and terrorising. He was seductive and captivating. He hummed with whispers of temptation – the temptation to sin and surrender, to let him brand and possess you. He awakened every need and fantasy you had. He could even make you love him. Precalculus is adaptable and designed to fit the needs of a variety of precalculus courses. It is a comprehensive text that covers more ground than a typical one- or two-semester college-level precalculus course. The content is organized by clearly-defined learning objectives, and includes worked examples that demonstrate problem-solving approaches in an accessible way. Coverage and Scope Precalculus contains twelve chapters, roughly divided into three groups. Chapters 1-4 discuss various types of functions, providing a foundation for the remainder of the course. Chapter 1: Functions Chapter 2: Linear Functions Chapter 3: Polynomial and Rational Functions Chapter 4: Exponential and Logarithmic Functions Chapters 5-8 focus on Trigonometry. In Precalculus, we approach trigonometry by first introducing angles and the unit circle, as opposed to the right triangle approach more commonly used in College Algebra and Trigonometry courses. Chapter 5: Trigonometric Functions Chapter 6: Periodic Functions Chapter 7: Trigonometric Identities and Equations Chapter 8: Further Applications of Trigonometry Chapters 9-12 present some advanced Precalculus topics that build on topics introduced in chapters 1-8. Most Precalculus syllabi include some of the topics in these chapters, but few include all. Instructors can select material as needed from this group of chapters, since they are not cumulative. Sam Parker is a vampire with a gift so strong and substantial that she is invited to partake in a test for a place in the Grand High Master Vampire's private army. She finds that not only has the army never included a woman, but it has never included a Sventé vampire; a breed that is regarded by the super strong Pagori breed and the hypnotically beautiful Keja breed to be too tame and human-like. Most refuse to take her seriously, especially a Pagori commander named Jared who she craves in spite of herself. The Grand High Master, however, sees her potential and offers her the position of Jared's co-commander to help train the newest squad in time for the impending attack on his home. Sam has to demonstrate to Jared and the squad of chauvinists why it is incredibly foolish to underestimate a wilful, temperamental, borderline-homicidal Sventé female. Warning: This novel contains an iron-willed female vampire with an energy whip, a sexist male vampire who is determined to have her, explicit vampy sex, and a romance story with real bite.
